REPORT OF THE BOARD OF SELECTMEN

Following the March election, Mr. N. Joseph Previti was welcomed as a member of the Board of Selectmen.

The Board has held some of its meetings at sites other than Town Hall and fully implemented its program of televising its weekly meetings to further allow the citizens to participate in consideration of agenda items.

Members of the Board joined other Town officials and employees in wishing "Bon Voyage" to Helen O'Keefe upon her retirement as Secretary to the Board of Selectmen.

We have set forth below on a month-to-month basis some matters of interest which the Board considered and/or acted upon:

January:

Appointments made of Police promotional candidates to Sergeant and Lieutenant.

February:

Randolph Cablesystem submitted its annual franchising fee payment.

March:

Participated in Annual Town Meeting activities.

April:

Reviewed applications submitted for appointment as Director of Elder Affairs.

May:

James Hurley appointed as interim Acting Director of Elder Affairs.

June:

Reviewed redrawn precinct lines as required by State statute following census.

July:

Appointed Risk Management Consultant to reduce areas of potential liability litigation.

August:

Consulted with representatives of the Randolph Insurance Agents' Association to obtain coverage for liability following notice of cancellation received from long-time carrier.

September:

Coordination of various Town departments to minimize taxpayers' inconvenience during hurricane Gloria.

October:

Initial establishment of a permanent memorial to honor Massachusetts marines killed or injured in Beirut bombing in connection with the naming of "Peacekeepers Way."

November:

Appointed Jackie Lynn Stacey as secretary to the Board of Selectmen.

December:

Voted to insert non-binding referendum question on March 1986 Town election ballot to cover the voluntary rollback of hours from 2:00 A.M. to 1:00 A.M. in drinking establishments licensed for the sale of alcoholic beverages in the Town of Randolph.

Respectfully submitted,

Maureen A. Dunn, Chairman
N. Joseph Previti, Vice Chairman & Clerk
Joseph J. Semensi
Paul J. Connors
Gail Bowers
BOARD OF SELECTMEN

REPORT OF THE TOWN COUNSEL

The report of the Legal Department is as follows:

Advice was given and conferences were held with many Town Departments, boards, committees, commissions and individual officers.

Hearings were held before the Appellate Tax Board, the Superior Court, District Courts, Civil Service and other administrative agencies.

Considerable time was spent on the question of insurance coverage for municipal appointees, elected officials and employees.

A Superior Court case involving a former police officer was successfully terminated.

There was litigation in Superior Court involving the Veterans' Department.

A suit against the Building Inspector involving undersize lots was successfully terminated.

Additional conferences were held at the MCAD office with reference to the release of funds for the Sewer Department.

A suit in Federal District Court involving the School Department and Charms was successfully disposed of.

The Town had some involvement in the jail case when Norfolk County was considering a location in Randolph. Later the focus became Braintree.

Hearings were held on zoning cases involving the Building Inspector and the Board of Appeals.

I would like to take this opportunity to thank the Department heads and employees for their cooperation in the various matters of litigation.

Very truly yours,

William J. Carr TOWN COUNSEL

REPORT OF THE EXECUTIVE SECRETARY AND TOWN ACCOUNTANT

I herewith submit my twenty-second annual report for the year ending December 31, 1985.

As in prior years, there existed a continuation of the co-operation between all departments, boards and commissions. Therefore, we were able to provide a maximum of municipal services with a reduction in the tax rate and continue the orderly extension of water, sewer, roadway and sidewalk construction and still operating in accordance with the guidelines established by Proposition 2½.

A. Computer

Negotiations are underway with a vendor to provide all the necessary hardware and software in accordance with the guidelines established by the consultant and members of the Computer Study Committee. All concerned are exercising some caution to insure that any decision will provide state-of-the-art equipment for all its future needs.

B. Revaluation

The Board of Assessors were able to obtain an approved tax rate in a timely fashion to guarantee the tax bills and collections would be accomplished on schedule and eliminate the requirement for a costly tax anticipation borrowing. At this writing they are in the process of undertaking the steps required to insure compliance with the requirement to attain full and fair valuation of all property to maintain taxpayer equity.

C. Tax Rate

As in the past year both residential and industrial rates established under state mandated procedures were further reduced.

D. Additional Sources

All departments continue to practice economies and with the high level of co-ordination between various town agencies there was made available additional revenue to reduce the amount required to be raised by taxation.

E. Pending Grants

We continue our efforts to utilize every available grant to assist in reducing the amounts required to be raised by taxation.

F. New Town-Wide Redistricting Plan

The required state census completed earlier in the year made it a necessity that there be established a new redistricting plan. A recommendation of state officials who approved the plan is that it not be put into effect until 1988, in time for the state elections that year. The new plan was required when the census count showed the town had increased from a January 1, 1985 population count of 28,435 to 30,635. The redistricting requirements further mandated

that no precinct contain more than 4,000 and that no precinct exceed its adjoining precinct by 10% in population. It was further required that main roadways be used as precinct boundaries and two or more precincts allowed to vote in the same polling place.

Therefore, under the new plan voters will cast their ballots at the following:

| Precinct No. | Residents | Polling Place |
|--------------|-----------|----------------------|
| 1 | 3559 | Young School |
| 2 | 3650 | High School |
| 3 | 3528 | JFK Jr. High |
| 4 | 3376 | Tower Hill School |
| 5 | 3389 | Lyons School |
| 6 | 3586 | Devine School |
| 7 | 3536 | North Jr. High |
| 8 | 3811 | Donovan School |

State officials prefer that the new plan be put into effect in 1988. When the plan is implemented, main roadways used as boundaries will be divided down the middle by State mandate. Even-numbered homes on those streets affected will be in one precinct with odd-numbered in the adjacent precinct. However, it should be noted that this will only apply to those streets serving as precinct boundaries.

Following implementation, the area east of Union Street, including the Elderly Drive housing complex and the Mill Street-Terraces area, will shift from Precinct 1 to new Precinct 3. The DeCelle Drive elderly housing complex, the Cochato Park area and the Cottage Street-Pleasant Street-Allen Street sections each of North Main will move from Precinct 2 to new Precinct 3. The Liberty Street area will go from Precinct 2 to new Precinct 5.

Streets east of North Main near Orchard Street, including the Bartlett-Green Acres area and the Pine Avenue-Devine Road-Scannell Road sections off Oak Street will shift from Precinct 3 to new Precinct 5. Streets east of the reservoir and off North Street near the Braintree line will move from Precinct 3 to new Precinct 6. The Francis Drive apartment complex will shift from Precinct 3 to Precinct 7.

The Anderson Road area, the Presidential Acres apartment complex on Chestnut West, the DeCota Drive-Jeanne Road area and the Niles Road area east of Althea Road will all move from Precinct 4 to new Precinct 7. The Himoor Circle area, the Michael Road area and the Franklin Square condominium complex will shift from Precinct 5 to new Precinct 7.

The Old Street-Oxbow Lane-Sullivan Drive areas bounded by Reed, Canton and North Main Streets, will move from Precinct 5 to new Precinct 8. All streets west of North Main from Reed Street northerly to Route 128 will shift

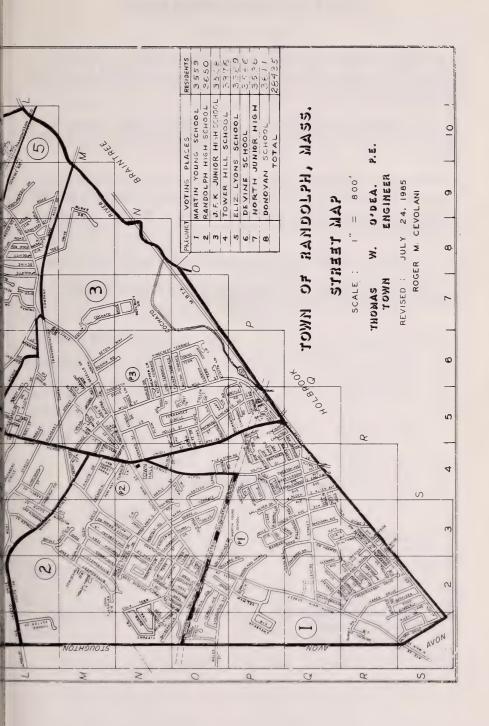

from Precinct 5 to new Precinct 8. The Michelle Lane, Turner Drive and Sunset Drive sections off Canton Street near Route 24 will move from Precinct 5 to new Precinct 8. The Martindale Road-Christy Lane area will move from Precinct 6 to new Precinct 8. Army, Russ and Shade Streets, currently in Precinct 6, will be divided between Precinct 6 and 8.

I wish to express my sincere and continuing appreciation for the support and assistance given to me by the Board of Selectmen, all town departments and the citizens of the town.

Respectfully submitted,

Henry L. Lowd EXECUTIVE SECRETARY AND TOWN ACCOUNTANT

REPORT OF THE PLANNING BOARD

During the year the Planning Board held 33 regular meetings, plus 28 public hearings. The Board signed and approved 27 plans and presented 5 zoning articles to Town Meeting. The Board also approved 10 amendments to Planning Board Rules & Regulations.

The Planning Board has initiated a fee schedule for plan submission and expects to generate funds to help cover Board expenses from the General Funds.

The Board accepted, with regret, the resignation of past Chairman Thomas J. Fisher. We are most appreciative of his work on behalf of the town and voted in the joint decision of the appointment of Michael P. LeVangie as his replacement on the Board.

The Board has published our current Rules and Regulations on Zoning.

The Board meetings were attended by William Hanson, Assistant Town Engineer and Town Engineer Thomas O'Dea.

Respectfully submitted,

Linda L. Simons, Chairman Albert J. Dunn, Vice Chairman Paul V. Scally, Clerk E. Paul Flaherty Micheal P. LeVangie PLANNING BOARD

ANNUAL TOWN ELECTION

March 4, 1985

Pursuant to a Warrant issued by the Board of Selectmen and signed on the 21st day of January, A.D. 1985, and duly posted by Osmond J. Benjamino, Constable, the voters of Randolph assembled on the fourth day of March, 1985, in the Martin E. Young School for Precinct No. 1, in the Randolph High School for Precinct No. 2, in the Elizabeth G. Lyons School for Precinct No. 3, in the Tower Hill School for Precinct No. 4, in the Devine School for Precinct No. 5, and in Temple Beth Am Auditorium for Precinct No. 6.

The election paraphernalia was given by the Town Clerk to the Wardens of all precincts and receipts were taken thereof.

The polls were open for the reception of ballots at 7:00 o'clock A.M. and closed at 8:00 o'clock P.M.

The returns were made to the Town Clerk from Precinct No. 1 at 8:43 P.M., Precinct No. 2 at 8:51 P.M., Precinct No. 3 at 9:02 P.M., Precinct No. 4 at 8:59 P.M., Precinct No. 5 at 9:00 P.M., Precinct No. 6 at 8:55 P.M. The votes were tabulated by EVM Electronic Voting Machines.

The vote was tabulated by the Town Clerk and the declaration of the results was made approximately at 10:00 P.M., March 4, 1985.

The total number of votes cast in the six precincts was as follows:

| Precinct No. 1 | 1032 |
|----------------|------|
| Precinct No. 2 | 1085 |
| Precinct No. 3 | 791 |
| Precinct No. 4 | 1057 |

ANNUAL TOWN MEETING

March 18, 1985

The first session of the Annual Town Meeting was convened at the Randolph High School on Monday, March 18, 1985 at 8:00 P.M. with Moderator Paul Alpert presiding and declaring a quorum present.

Preceding this meeting, a caucus of Precinct No. 1 was held at the rear of the Randolph High School Auditorium. Toby Lynn Schwartz was elected.

A Special Town Meeting, called for 8:00 P.M. adjourned until 8:30 P.M. The reporter was sworn.

The salute to the flag was held. Rev. Roy Benjamin delivered the invocation. There was a moment of silence for deceased town officials and employees.

Town Clerk Joan Ward read the Call of the Meeting and Return of Service.

Town Meeting Members and newly-elected members were sworn.

Newly-elected Selectman N. Joseph Previti was sworn.

The moderator explained rules of procedure and the tellers were appointed.

Hubert Yorra's years of service on the Finance Committee was acknowledged.

Finance Committee Chairman Robert Pransky made an opening statement. Mr. Pransky made a motion to postpone action until the last order of business of the 1985 Annual Town Meeting the following articles: 4, 7, 9 - 16, 19 - 27, 29 - 72, 74 - 107, 109 - 116, 118 - 120, 138, 140, 141, 142, 144, 145, 146, and 149.

The motion was duly seconded and the motion to postpone was carried.

SPECIAL TOWN MEETING

March 18, 1985

The first session of the Special Town Meeting was convened at the Randolph High School on Monday, March 18, 1985, at 8:30 P.M. with Moderator Paul Alpert presiding and declaring a quorum present.

The moderator was informed by the Town Clerk that everything was served and in order.

ARTICLE 1.

To see if the Town will vote to amend the vote adopted under Article 71 of the 1984 Annual Town Meeting so as to raise and appropriate or transfer from available funds or borrow the sum of \$700,000, or any greater or lesser sum, to replace water mains, such amount to be reduced by the amount of any State or other grants available for the project, including the State grant that has been approved in the approximate amount of \$313,508, or take any other action relating thereto.

As petitioned for by the Board of Water Commissioners.

ARTICLE 1. The Finance Committee recommends that the vote adopted under Article 71 of the 1984 Annual Town Meeting be amended in its entirety so as to provide that the sum of \$700,000 is hereby appropriated for the replacement of water mains of six inches or more in diameter and that to raise such appropriation the Treasurer, with the approval of the Selectmen, is hereby authorized to borrow the sum of \$700,000 under and pursuant to Chapter 44, Section 8, Clause (5) of the General Laws or any other enabling authority and to issue bonds or notes of the Town, therefor, that the Town's application for an acceptance of a State grant in the approximate amount of \$313,508 for this purpose is hereby ratified, approved and confirmed, and that the authorized amount of any bonds or notes issued hereunder shall be reduced by the amount of such grant and of any other grant that may be or become available for the project.

The motion was duly seconded, short discussion, the previous question was moved and the motion was carried UNANIMOUSLY.

A motion was made and seconded to permanently dissolve the Special Town Meeting and the motion was carried.

Whereupon, the Special Town Meeting was permanently dissolved at 8:45 P.M.

The Annual Town Meeting Reconvened

March 18, 1985

ARTICLE 1.

To hear and act on the report of any Committee and choose any Committee the Town may think proper.

RECOMMENDED

ARTICLE 1. A motion was made that all Committee reports in the 1984 Town of Randolph Annual Report be accepted as printed. The motion was duly seconded. Sheldon Cohen delivered an oral report about the Randolph Computer Needs Study Committee, which was incorporated in the record. The motion was carried.

Mr. O'Dea moved that we continue the following committees: Chapter 40A Zoning, Communications Study Committee, Computer Needs Study Committee and the Government Study Committee.

Mr. Connors moved to amend the main motion by specifically charging the Government Study Committee with the obligation of studying the present form of government in the Town of Randolph; reporting back to the Annual Town Meeting of 1986 its recommendations on possible change of government for the Town that is most streamlined and efficient.

The motion to amend was duly seconded, there was a long disucssion and the motion to amend was carried unanimously.

There was no further discussion on the main motion and the main motion was carried.

ARTICLE 2.

To hear and act on the Reports of the Town Officers.

RECOMMENDED

ARTICLE 2. A motion was made to accept the report of all Town Officers as submitted and printed in the Town of Randolph 1984 Annual Report.

The motion was duly seconded and the motion was carried.

A motion was made to adjourn the meeting at 11:00 with the last article of business until tomorrow evening at 8:00 P.M.

The motion was duly seconded and carried.

ARTICLE 3.

To see if the Town will vote to extend the Organization to Promote Energy Conservation for another year.

As petitioned for by OPEC.

RECOMMENDATION to be made at Town Meeting.

ARTICLE 3. A motion was made that the Town vote to extend the Organization to Promote Energy Conservation for another year. The motion was duly seconded, short discussion and the motion was carried.

ARTICLE 5.

To see if the Town will vote to authorize the expenditure of all or a portion of the funds appropriated under Article No. 18 of the July 30, 1984 Special Town Meeting for the purpose of reroofing the original portion of the McNeill School Building, or take any other action in connection therewith.

As petitioned for by the Municipal Space Needs Committee.

RECOMMENDATION to be made at Town Meeting.

ARTICLE 5. WITHDRAWN.

ARTICLE 6.

To see if the Town will vote to rescind the action authorized under Article 18 of the July 30, 1984 Special Town Meeting which reads as follows: "To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to demolish the original portion of the McNeill School while retaining the newer portion of said school." and substitute the following:

"To see if the Town will vote to authorize the \$21,000 appropriated by vote of Article 18 of the July 30, 1984 Special Town Meeting to be used to reroof portions of the McNeill School."

As petitioned for by the Municipal Space Needs Committee and the Board of Selectmen.

RECOMMENDATION to be made at Town Meeting.

ARTICLE 6. The Finance Committee made a motion to rescind the action of Article 18 of the Special Town Meeting of July 30, 1984 and to transfer the sum of \$21,000 to repair portions of the McNeill School roof.

The motion was duly seconded, short discussion and the motion was carried.

ARTICLE 8.

To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning July 1, 1985, in accordance with the provisions of General Laws, Chapter 44, Section 4, and to issue a note or notes as may be given for a period of less than one year, in accordance with General Laws, Chapter 44, Section 17.

As petitioned for by the Board of Selectmen.

VOTED that the Town Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow money from time to time in anticipation of the

revenue of the financial year, beginning July 1, 1985 in accordance with the provisions of General Laws, Chapter 44, Section 4, and to issue a note or notes therefor payable within for a period of less than one year, in accordance with General Laws, Chapter 44, Section 17.

RECOMMENDATION to be made at Town Meeting.

ARTICLE 8. A motion was made to accept Article 8 as printed. The motion was duly seconded, long discussion and the motion was carried UNANIMOUSLY.

ARTICLE 17.

To see if the Town will vote to petition the Legislature to remove the Assessor's Office from the jurisdiction of Civil Service.

As petitioned for by the Board of Assessors.

RECOMMENDATION to be made at Town Meeting.

ARTICLE 17. A motion was made by Mr. Galvam that the Town vote to petition the Legislature to remove the Assessor's Office from the jurisdiction of Civil Service. The motion was duly seconded, long discussion, and the motion was carried.

ARTICLE 18.

To see if the Town will authorize the Board of Assessors to appoint one of their members to another office or position under their control in accordance with the provisions of Chapter 36, Acts of 1929, or take any other action relative thereto.

As petitioned for by the Board of Assessors.

RECOMMENDATION to be made at Town Meeting.

ARTICLE 18. A motion was made that the Town authorize the Board of Assessors to appoint one of their members to another office or position under their control in accordance with the provisions of Chapter 36, Acts of 1929. The motion was duly seconded, short discussion and the motion was carried UNANIMOUSLY.

ARTICLE 28.

To see if the Town will vote to authorize the Board of Selectmen to act as the "Proper Financial Authorities" in dealing with Federal, State, County and Municipal agencies until the expiration of the next fiscal year.

As petitioned for by the Finance Committee.

RECOMMENDATION to be made at Town Meeting.

ARTICLE 28. A motion was made to accept Article 28 as printed. The motion was duly seconded, short discussion and the motion was carried.

ARTICLE 73.

To see if the Town will vote to establish an Animal Control Study Committee of not less than seven nor more members to be appointed by the Moderator.

As petitioned for by the Animal Control Study Committee.

RECOMMENDATION to be made at Town Meeting.

ARTICLE 73. A motion was made by Herbert White that the Town vote to establish an Animal Control Study Committee of seven members to be appointed by the Moderator for a period of two years. The purpose of the Committee will be to update to its fullest potential the Animal Control Department in matters of leash laws, proper equipment and in helping with the implementation of new dog laws constantly being set forth into this department. Also that aspect of educating the public on proper animal welfare proceedings, helping the public also in being better acquainted with the Massachusetts General Laws concerning dogs.

The motion was seconded, short discussion and the motion was carried.

ARTICLE 108.

To see if the Town will authorize the Water Commissioners to appoint one of their members to another office or position under their control in accordance with the provisions of Chapter No. 36, Acts of 1929, or take any other action relative thereto.

As petitioned for by the Board of Water Commissioners.

RECOMMENDATION to be made at Town Meeting.

ARTICLE 108. A motion was made that the Town authorize the Water Commissioners to appoint one of their members to another office or position under their control in accordance with the provisions of Chapter 36, Acts of 1929.

The motion was duly seconded, short discussion, and the motion was carried.

ARTICLE 117.

To see if the Town will vote to accept the gift of land at the intersection of Warren Street and Highland Avenue donated by Chase & Sons.

As petitioned for by the Board of Selectmen.

RECOMMENDATION to be made at Town Meeting.

ARTICLE 117. A motion was made that the Town vote to accept the gift of land at the intersection of Warren Street and Highland Avenue donated by Chase & Sons. The motion was duly seconded, short discussion, the previous question was moved and the motion was carried.

ARTICLE 121.

To see if the Town of Randolph will vote to amend the Zoning By-laws by rezoning from Residential to Business—Professional the following described parcel of land at 901 North Main Street, Randolph, Norfolk County, Massachusetts, bounded and described as follows:

WESTERLY by North Main Street, one hundred forty and no/100 (140.00) feet;

PUBLIC NOTICE

The Town of Randolph will conduct a budget hearing for revenue sharing expenditures at 8:00 P.M. on Monday, March 18, 1985 at the Randolph High School Auditorium.

The amount of revenue sharing funds to be discussed for this fiscal year is \$605,000 plus anticipated funds of \$178,000, estimated from next entitlement period.

All interested citizens will have the opportunity to give written and oral comment on uses of the funds. Senior citizens are encouraged to attend and comment. Handicapped persons needing assistance or aid should contact the government office before the meeting.

The following budget is proposed for fiscal year 1986:

| Category | Total of all funds | Total Anticipated Revenue Sharing Funds | |
|--------------|--------------------|--------------------------------------------|--|
| Unclassified | \$1,825,349.00 | \$783,000,000.00 | |

The proposed budget in its entirety may be examined on week-days at the office of the Town Accountant between 8:30 A.M. and 4:30 P.M.

It is anticipated that requested expenditures will total approximately \$25,000,000.00. The amount of "Free Cash" certified as available funds on hand for the purpose of deduction by the Assessors from the amount to be assessed is \$858,818.00.

SECOND SESSION

ANNUAL TOWN MEETING

March 19, 1985

The second session of the Annual Town Meeting was convened at the Randolph High School on Tuesday, March 19, 1985 at 8:00 P.M. with Moderator Paul Alpert presiding and declaring a quorum present.

The reporter was sworn. The tellers were appointed.

ARTICLE 132.

To see if the Town will vote to rezone from Residential to Business - Professional use:

The land described as follows:

The parcel of land located at 536 North Main Street shown as Lot No. 1 on a plan entitled "Plan of Land – Randolph, Mass., Lot 1, North Main Street, Scale 1" = 20', June 21, 1979," by John E. Levreault, P.E., & Associates, 10 Diauto Drive, Randolph, Mass., which plan is recorded at Norfolk Registry of Deeds. The premises are bounded and described as follows:

- EASTERLY by North Main Street, one hundred five and 50/100 (105.50) feet;
- SOUTHERLY by First Baptist Church by two courses measuring two hundred forty-six and 00/100 (246.00) feet and one hundred thirty-eight and 53/100 (138.53) feet, respectively;
- WESTERLY by land of Etta B. and Winfred Powers, one hundred sixteen and 09/100 (116.09) feet; and
- NORTHERLY by land of Robert N. & Ardes L. Burns by three courses measuring one hundred twenty-eight and 18/100 (128.18) feet, and one hundred forty-seven and 09/100 (147.09) feet, and one hundred thirteen and 60/100 (113.60) feet, respectively.

Containing 43,487 square feet, more or less, all as shown on said plan.

Being the same premises described in deed to Todd A. Sandler and Davida S. Sandler dated August 10, 1979 and recorded in Norfolk Registry of Deeds, Book 5637, Page 656, being Parcel 9, Block A, Randolph Assessor's Map No. 39.

As petitioned for by Todd A. Sandler and others.

RECOMMENDATION to be made at Town Meeting.

ARTICLE 132. The Planning Board moves that the Town vote to rezone from Residential to Business-Professional use the land described in Article 132 as printed in the warrant.

Also included in this article, the petitioner has given us a covenant to go with the article which is as follows:

COVENANT

The following forms a covenant between Todd A. Sandler, et ux, hereinafter referred to as "owners," and the Town of Randolph, hereinafter referred to as "the town," with reference to the parcel of land situated at 536 North Main Street, Randolph, Norfolk County, Massachusetts, hereinafter referred to as "the property," and, more specifically, with reference to the rezoning Article 132 of the 1985 Annual Town Meeting.

Upon approval of the Town Meeting to rezong the property to "Business -Professional" zone, the owners hereby agree and covenant to the town that:

- 1. The property will be preserved and maintained as a historical property (Ezra Scuott House, c. 1820 Randolph Historical Commission). To that end, the architectural integrity of the house as it stands today will be maintained;
- 2. The exterior sidewalls of the house and the barn will remain wood shingle and/or clapboard, painted white with black shutters, to preserve its colonial appearance;
- 3. No additional signs will be posted on the property;
- 4. No additional asphalt will be added in front of the property;
- 5. Any additional asphalt added in the back of the property will be surrounded by evergreen shrubs so as to create a natural barrier between the property and abutting properties;
- 6. No more buildings or additions will be added to the property;
- 7. In the event that the present building is totally or partially destroyed by fire or other disaster, the property will be restored and replicated to its former size, style and design;
- 8. The owner will work with the abuttors and neighbors as to the layout of parking areas and landscaping;
- 9. The building will be used for the business of the owner of record, only, and will not be used as a rental property or for sublet to any other business.

This covenant will be binding upon the owners, their heirs, executors, assigns and successors in interest.

The motion was duly seconded, long discussion, the previous question was moved, a standing count was requested, 147 votes having been cast in the affirmative, 13 votes having been cast in the negative, the motion was carried.

A motion was made that at the conclusion of the business at hand at 11:00 P.M., the meeting be adjourned until 8:00 P.M. Tuesday evening, April 9.

The motion was duly seconded and the motion was carried.

ARTICLE 133.

SIXTH SESSION ANNUAL TOWN MEETING

April 29, 1985

The sixth session of the Annual Town Meeting was convened at the Randolph High School on Monday, April 29, 1985, at 8:00 P.M. with Moderator Paul Alpert presiding and declaring a quorum present.

The reporter was sworn. Tellers were appointed.

Mr. Pransky made a motion that the Town Meeting reconsider its action taken under Article 120. The motion to reconsider Article 120 was duly seconded, short discussion, and the motion to reconsider was carried.

The Moderator stated that Mr. Pransky had reconsidered action and that it would be taken up as the last order of business at the end of the warrant.

At this time there was a moment of silence for Robert Williams, a long-time resident of the Town of Randolph and member of the Board of Recreation.

ARTICLE 109.

To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money or take any other action in connection therewith for the following purpose: To install a new water main on Chaffin Road to replace old, small service.

As petitioned for by Philip A. Ramey and others.

RECOMMENDATION to be made at Town Meeting.

ARTICLE 109. Mr. Pransky moved to raise and appropriate the sum of \$2,400. to install a new water main on Chaffin Road. The motion was duly seconded, short discussion, and the motion was carried unanimously.

ARTICLE 111.

To see if the Town will vote to raise and appropriate, transfer or borrow from any available funds the sum of \$11,000.00 to purchase one ½ Ton Window Van, old truck to be traded.

As petitioned for by the Board of Water Commissioners.

RECOMMENDATION to be made at Town Meeting.

ARTICLE 111. The Finance Committee moves no action be taken on Article 111. The motion was duly seconded, short discussion, and the motion was carried unanimously. NO ACTION.

ARTICLE 112.

To see if the Town will vote to raise and appropriate, transfer or borrow from any available funds the sum of \$20,000.00 to paint the standpipes.

As petitioned for by the Board of Water Commissioners.

RECOMMENDATION to be made at Town Meeting.

ARTICLE 112. Mr. Pransky moved to raise and appropriate the sum of \$20,000.00 to paint the standpipes contingent upon the Town of Holbrook participating in all costs on a fifty percent basis. The motion was duly seconded, short discussion, and the motion was carried UNANIMOUSLY.

ARTICLE 113.

To see if the Town will vote to raise and appropriate, transfer or borrow from any available funds the sum of \$9,000.00 for the second payment of contract for Activated Carbon in filters at the Treatment Plant.

As petitioned for by the Board of Water Commissioners.

RECOMMENDATION to be made at Town Meeting.

ARTICLE 113. Mr. Pransky moved to raise and appropriate the sum of \$9,000. for the second payment of contract for Activated Carbon in filters at the Treatment Plant. The motion was duly seconded, short discussion, and the motion was carried UNANIMOUSLY.

ARTICLE 114.

To see if the Town will vote to raise and appropriate, transfer or borrow from any available funds the sum of \$12,000.00 to purchase new water meters for replacements.

As petitioned for by the Board of Water Commissioners.

RECOMMENDATION to be made at Town Meeting.

ARTICLE 114. Mr. Pransky moved to raise and appropriate the sum of \$12,000.00 to purchase new water meters for replacements. The motion was duly seconded, short discussion, and the motion was carried UNANIMOUSLY.

ARTICLE 115.

To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money or take any other action in connection therewith for the following purpose(s):

| | 1983-1984 Expended | 1984–1985 Appropriated | 1985-1986 Requested |
|--------------------|-----------------------|---------------------------|------------------------|
| WATER | | | |
| Salaries | \$232,867.62 | \$256,237.50 | \$269,510.97 |
| Expenses | 35,530.84 | 34,150.00 | 34,650.00 |
| Capital Outlay | · | 10,500.00 | - |
| Joint Account | 168,280.13 | 179,000.00 | 179,000.00 |
| Richardi Reservoir | | 15,000.00 | 20,000.00 |
| Total | \$436,678.59 | \$494,887.50 | \$503,160.97 |

RECOMMENDATION to be made at Town Meeting.

ARTICLE 115. Mr. Pransky asked the Moderator and the Town Meeting members to note that there was a typographical error in Article 115 under 1984–1985 Appropriated column. Richardi Reservoir should have a \$15,000. figure in there. The new total should be \$494,887.50.

Mr. Pransky made a motion to raise and appropriate the sum of \$489,918.00 as follows: Salaries, \$269,268.00; Expenses, \$30,650.00; Joint Account, \$170,000.00; Richardi Reservoir, \$20,000.00. For a total of \$489,918.00. The motion was duly seconded, long discussion, and the motion was carried.

ARTICLE 116.

To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money or take any other action in connection therewith for the following purpose(s):

| | 1983-1984 Expended | 1984–1985 Appropriated | 1985-1986 Requested |
|-------------------|-----------------------|---------------------------|------------------------|
| YOUTH COORDINATOR | | | |
| Salaries | \$43,828.35 | \$50,497.00 | \$51,118.00 |
| Expenses | 4,000.00 | 4,000.00 | 4,000.00 |
| - | | | |
| Total | \$47,828.35 | \$54,497.00 | \$55,118.00 |

RECOMMENDATION to be made at Town Meeting.

ARTICLE 116. Mr. Pransky moved to raise and appropriate the sum of \$54,920.00 to fund Article 116 as follows: Salaries, \$50,920.00; Expenses, \$4,000.00. Total, \$54,920.00. The motion was duly seconded, short discussion, and the motion was carried UNANIMOUSLY.

ARTICLE 118.

To see if the Town will vote to raise and appropriate or transfer from available funds the sum of \$1,500.00 to help defray the cost of the Holiday Lighting.

As petitioned for by Stephen B. Close and others.

RECOMMENDATION to be made at Town Meeting.

ARTICLE 118. The Finance Committee moved no action be taken on Article 118. The motion was duly seconded, long discussion, the previous question was moved, and the motion was defeated.

A motion was made and seconded to adjourn until 8:00 o'clock Tuesday evening, May 7, 1985. The motion was duly seconded and the motion was carried.

Whereupon the sixth session of the Annual Town Meeting adjourned at 11:00 P.M.

+++++++++

SEVENTH SESSION ANNUAL TOWN MEETING

May 7, 1985

The seventh session of the Annual Town Meeting was convened at the Randolph High School on Tuesday, May 7, 1985, at 8:00 P.M. with Moderator Paul Alpert presiding and declaring a quorum present.

The reporter was sworn. Tellers were appointed.

Mr. Davidson offered the following resolution:

RESOLUTION:

"To see if the Town of Randolph, Massachusetts will send a telegram to the President of the United States, Ronald Reagan, as follows:

Dear Mr. President:

The elected Town Assembly, representing the 30,000 citizens of the Town of Randolph, Massachusetts, has passed the following Resolution:

"Whereas, the Town of Randolph, Massachusetts, played an important part in shaping the history of the United States, when its original settlers fought and died for freedom against British tyranny during the Revolutionary War; and

Whereas, Randolph's sons and daughters fought and died for freedom against Nazi tyranny during World War II; and

Whereas, the President of the United States, Ronald Reagan, has participated in a wreath laying ceremony in honor of the Nazi dead soldiers at the Bitburg cemetery in West Germany, which also contains the remains of 49 members of the hated Nazi Waffen SS Troops; and

Whereas, the Waffen SS Troops were responsible for not only the massacre and oven burning and gassing of over six million men, women, and little children of the Jewish faith, as well as many others who opposed their brutality, and also the cold-blooded murder of many American prisoners of war during the Battle of the Bulge, whose butchered bodies were afterwards used for target practice. In addition to the cries of outrage from the Congress of the United States and all veterans' organizations, . . . May we, the 30,000 citizens of the Town of Randolph, Massachusetts, protest your participation in a wreath laying ceremony at Bitburg cemetery in West Germany in honor of the dead Nazi soldiers. We realize, Mr. President, that you were under great pressure from the West German Government not to cancel your plans. But we know you also realize and appreciate the tremendous vote of confidence in your leadership given you by the voters of America during the past presidential elections. Please do not allow an unwise political decision jeopardize our strong faith in your leadership.

The grief and painful memories of the loss of the loved ones of many American families are still too fresh and hurt too much to forgive and forget, in fact, we have all taken a vow . . . never to forgive . . . never to forget . . . and above all . . . never again!

There was a short discussion on the Resolution and the Resolution was carried.*

* See correspondence on the Resolution at end of Town Meeting report.

Mrs. Simons moved to reconsider Article 16. The motion was duly seconded, long discussion, and the motion for reconsideration was defeated.

ARTICLE 97.

To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money or take any other action in connection therewith for the following purpose(s):

| | 1983-1984 Expended | 1984–1985 Appropriated | 1985–1986 Requested |
|---------------------|-----------------------|---------------------------|------------------------|
| RANDOLPH PUBLIC SCH | HOOLS | | |
| Salaries | \$ 9,367,371.00 | \$ 9,941,474.00 | \$10,202,105.00 |
| Expenses | 2,381,336.00 | 2,391,141.00 | 2,551,250.00 |
| Sub-Total | \$11,748,707.00 | \$12,332,615.00 | \$12,753,355.00 |
| BLUE HILLS REGIONAL | SCHOOL | | |
| Operational | \$ 856,088.00 | \$ 948,205.00 | \$ 981,184.00 |
| Grand Total | \$12,604,795.00 | \$13,280,820.00 | \$13,734,539.00 |

RECOMMENDATION to be made at Town Meeting.

ARTICLE 97. Mr. Pransky moved to raise and appropriate the sum of \$13,481,184.00 to fund Article 97 as follows: Randolph Public Schools, Salaries, \$9,854,351.00; Expenses, \$2,645,649.00; Total for Randolph Public Schools, \$12,500,000.00.

For the Blue Hills Regional Schools, Operating Budget, \$788,634.00; Career Development Program, \$192,550.00. Total, \$981,184.00 for the Blue Hills Regional Schools.

At this time Mr. Bower offered an amendment to the motion of the Finance Committee to increase the raise and appropriate figure to read \$13,649,539.00 to be divided as follows: Randolph Public Schools, Salaries, \$9,985,158.00; Expenses, \$2,683,197.00; Total, \$12,668,355.00. Blue Hills Regional Schools, Operational, \$981,184.00. The total raise and appropriate figure for Article 97, \$13,649,539.00. The motion to amend was duly seconded, there was a long discussion, there was a question of doubt on the voice vote, a standing vote was requested, 89 votes having been cast in the affirmative, 75 votes in the negative, the amendment is carried.

There was a further short discussion on the main motion, the previous question was moved, and the main motion was carried.

Mrs. Wasserman moved for reconsideration of Article 7. The motion for reconsideration was duly seconded, long discussion, the previous question was moved, and the motion for reconsideration was defeated.

Mr. Pransky moved to adjourn until Tuesday evening, May 14, 1985 at 8:00 o'clock. The motion was duly seconded and the motion was carried.

Whereupon the seventh session of the Annual Town Meeting was adjourned at $11:00\ P.M.$

EIGHTH SESSION ANNUAL TOWN MEETING

May 14, 1985

The eighth session of the Annual Town Meeting was convened at the Randolph High School on Tuesday, May 14, 1985, at 8:00 P.M. with Moderator Paul Alpert presiding and declaring a quorum present.

The reporter was sworn. Tellers were appointed.

ARTICLE 141.

To see if the Town will vote to amend the Personnel Board By-Laws, Classification & Compensation Plans, Schedules A, B, G & F, by reclassifying certain positions and establishing a new Management Pay Schedule retroactive to July 1, 1984, as recommended by the Personnel Board at its Public Hearing in conjunction with the position and salary evaluation study, and raise and appropriate or transfer from available funds a sum of money, or take any other action thereto.

Petitioned for by the Personnel Board.

RECOMMENDATION to be made at Town Meeting.

ARTICLE 141. Mr. O'Kane moved that the Personnel Board By-Laws be amended as follows: Change Director of Elderly Affairs from S-16 to EX-1; Skating Rink Manager from SR-12 to EX-1; Director of Veteran Service from S-21 to EX-2; Highway Foreman from HS-9 to EX-2; Sewer Foreman from HS-9 to EX-2; Youth Services Coordinator from S-20 to EX-3; Personnel Director from S-18 to EX-3; Director of Public Health from S-21 to EX-3; Library Director from L-15 to EX-3; Building Commissioner from S-21 to EX-3; Water Superintendent and Sewer Superintendent from S-23 to EX-4; Town Engineer from S-27 to EX-4; and that the sum of \$15,109.00 be transferred from the unexpended balance of Article 128 of the 1984 Annual Town Meeting.

The motion was duly seconded, long discussion, the previous question was moved and the motion was defeated.

Mr. Pransky moved to raise and appropriate the sum of \$2,901.00 to fund an increase for the Highway Foreman to raise his salary for fiscal 1986 to \$25,947.00. The motion was duly seconded, the previous question was movec, and the motion was carried UNANIMOUSLY.

ARTICLE 142.

To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to provide a general salary increase for fiscal 1986 to

those Town employees not covered by collective bargaining agreements under the jurisdiction of the Personnel Board.

As petitioned for by the Personnel Board.

RECOMMENDATION to be made at Town Meeting.

ARTICLE 142. Mr. O'Kane moved to raise and appropriate the sum of \$64,006.00 to provide a general salary increase for fiscal 1986 to those Town employees not covered by collective bargaining agreements under the jurisdiction of the Personnel Board. The motion was duly seconded, short discussion, the previous question was moved, and the motion was carried UNANIMOUSLY.

ARTICLE 146.

To see if the Town will vote to amend the "A" Scale by reclassifying certain positions and establishing a new Management Pay Schedule retroactive to July 1, 1984 as recommended by the Finance Committee at a Public Hearing in conjunction with a position and salary evaluation study, and raise and appropriate or transfer from available funds a sum of money or take any other action thereto.

As petitioned for by the Finance Committee.

RECOMMENDATION to be made at Town Meeting.

ARTICLE 146. Mr. Pransky moved to transfer from the unexpended balance of Article 53 of the 1984 Annual Town Meeting the sum of \$17,060; from the unexpended balance of Article 11 of the 1984 Annual Town Meeting the sum of \$5,000.00, and to raise and appropriate the sum of \$32,552.00 for a total of \$54,612.00 to fund retroactive to July 1, 1984 as recommended by the Finance Committee the revision of the "A" Scale Salary Schedule as provided to the Acting Assistant Town Clerk to be incorporated in the minutes of this meeting as follows:

PROPOSED REVISION FOR "A" SCALE SALARY SCHEDULE Effective for FY 1985 – FY 1986

| Salar | y Grade | Minimum | 2 | 3 | 4 | Maximum |
|-------|-------------------------------------------|--------------------|-------------------|----------|----------|----------|
| A-8 | (Executive Secretary/ Town Accountant) | \$42,191 | \$44,768 | \$47,006 | \$49,357 | \$51,825 |
| A-3 | (Principal Assessor) and | | | | | |
| | (Town Collector) | 30,000 | | | | |
| A-5 | (Town Clerk/Treasurer) and | | | | | |
| | (Highway Surveyor) | 32,000 | | | | |
| A-1 | (Town Counsel) | 22,000 + \$100/ | (Retainer) Day | | | |
| | | | | | | |

The motion was duly seconded, long discussion, the previous question was moved and the motion was carried UNANIMOUSLY.

ARTICLE 10.

To see if the Town will vote to adopt by referendum the acceptance of Chapter 32-B, Section 9-A, to provide medical coverage for retired employees of the Town of Randolph by instructing the Town Clerk to print on the official ballot to be used on the next election in Randolph the following question:

"Shall the Town pay one-half the premium costs payable by a retired employee for Group Life Insurance and for Group General or blanket hospital, surgical, medical, dental and other insurance."

As petitioned for by the Employees Insurance Advisory Committee and the Randolph Retired Employees.

RECOMMENDATION to be made at Town Meeting.

ARTICLE 10. Mr. Pransky moved that the Town Meeting instruct the Town Clerk to print on the official ballot to be used on the next election in Randolph the following question subject to Chapter 32–B, Section 9–A:

"Shall the Town pay one-half the premium costs payable by a retired employee for Group Life Insurance and for Group General or blanket hospital, surgical, medical, dental and other health insurance."

The adoption subject to the following regulation:

"1. Said benefits to become effective July 1, 1986 for payments in fiscal 1987 and shall be paid to those retired employees with a minimum of 20 years service to the Town of Randolph and who are at least 55 years of age. This benefit shall also be available to those retired employees who are on disability retirement due to work related injury as established by the current retirement board."

Mrs. Gangel made a motion to amend at the end of this motion the following:

"And that a brief objective summary of this referendum question, as well as brief summaries of the pros and cons of the issue, be provided by the Town Clerk for publication, not less than 14 days before said election, in one or more newspapers serving the town."

The motion to amend was duly seconded, short discussion, and the motion to amend was carried.

There was no further discussion on the main motion, the previous question was moved and the motion was carried UNANIMOUSLY.

ARTICLE 120. (Reconsideration)

To see if the Town will vote to raise and appropriate or transfer from available funds or borrow under any applicable state statute the sum of \$42,000.00 or take any other action in connection thereto to take by eminent domain approximately 5900 square feet of residential and business zoned land at the intersection of North Main and Warren Streets for a proposed roadway widening. Reference is made to a plan dated October 22, 1984 made by the Randolph Engineering Department to be distributed at Town Meeting showing said parcel.

As petitioned for by the Board of Selectmen.

RECOMMENDATION to be made at Town Meeting.

ARTICLE 120. Mr. Semensi made a motion at this time to have the Town accept the generous offer of Snow, Incorporated, and the Good family and to accept the land designated in Article 120 of the 1985 Annual Town Meeting as a gift to the Town from Snow, Incorporated, and the Good family. The motion was duly seconded, short discussion, and the motion was carried UNANI-MOUSLY.

ARTICLE 12. (Reconsideration)

To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money, or take any other action in connection therewith, to pay one-half the annual premium for medical coverage or equivalent thereof for William T. McSweeney who will retire as a Police Officer after completing more than 30 years of service to the Town of Randolph.

As petitioned for by William T. McSweeney and others.

RECOMMENDATION to be made at Town Meeting.

ARTICLE 12. The Finance Committee recommended that no action be taken. The motion was duly seconded, short discussion, and the motion of no action was defeated.

Mr. Keane moved to raise and appropriate the sum of \$600.00 to fund the appropriation as outlined in Article 12 of the Town Meeting warrant. The motion was duly seconded, no further discussion, and the motion was carried.

ARTICLE 13. (Reconsideration)

To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money or take any other action in connection therewith to pay one-half the annual premium for medical coverage or equivalent thereof for Sarofeen P. Sarofeen who has retired as Town Mechanic after completing more than 29 years of service to the Town of Randolph.

As petitioned for by Sarofeen P. Sarofeen and others.

RECOMMENDATION to be made at Town Meeting.

ARTICLE 13. The Finance Committee recommended that the Town raise and appropriate the sum of \$600.00 to fund Article 13 as printed in the Town Meeting Warrant. The motion was duly seconded, short discussion, and the motion was carried.

Mr. Podolsky made a motion to permanently dissolve the 1985 Annual Town Meeting. The motion was seconded by Mr. Connors, there was no discussion and the motion was carried.

Whereupon the eighth session of the 1985 Annual Town Meeting was permanently dissolved at 11:00 P.M.

REPORT OF THE RANDOLPH SCHOOL COMMITTEE

The Randolph School Committee herewith submits its annual report for the year 1985 to the citizens of the Town of Randolph.

The School Committee is composed of five members, each elected for a three year period on a staggered basis. Charged with the implementation of the educational program for all pupils under the General Laws of the Commonwealth of Massachusetts, we are an agent of and responsible to the State, as well as to the citizens of the Town. Our duties and responsibilities include the formulation of policy, budget making, personnel appointments, approval of curricula and teaching materials, planning of school services, formulation of education specifications for school construction, implementation of Federal programs and the evaluation of all school programs and personnel. This we do working with our executive officer, Dr. John E. Zoino, our Superintendent of Schools.

Regular meetings of the committee are scheduled on the first and third Thursdays of each month. School Committee meetings are telecast live over Cable TV — Channel 9. All meetings are open to the public and we encourage you to attend. Many extra meetings are held, particularly during the budget-making process (December through February) and while we are in the process of bargaining collectively with our employees, as required under Chapter 150E of the laws of the Commonwealth. Collective bargaining meetings usually begin each year in November and continue until a settlement is reached.

This year we will not need to meet in regular bargaining sessions since we are in the first year of a two year contract with all of our Unions. However, as a consequence of the new education bill, Chapter 188, it was necessary for us to meet collectively with the Randolph Teachers Association to work out the details of Section 13, the so-called "Professional Development Grants." Under this section teachers in the system are eligible to receive salary grants of up to \$650.00 in fiscal 1986 and \$450.00 in fiscal 1987. The entire cost of this program is to be paid by the State. Randolph, by entitlement, will receive \$173,324 in fiscal 1986 and \$119,993 in fiscal 1987 for this purpose. The School Committee has agreed to disburse these amounts based strictly upon receipt of the monies from the State and with no cost to the Town. As agreed, these grants are to be divided equally among all eligible teachers and are not to be continued beyond fiscal 1987. In addition to the vote of the school committee, a majority vote of the Town Meeting is required. We urge the Town to accept these funds on behalf of our teachers.

The Randolph School Committee works closely with all of its Unions and does its own collective bargaining and contract maintenance, resulting in major cost savings to the Town. Our sub-committees for collective bargaining are:

1. Teachers Berger & Gass 2.. Aides Bower & Condlin Tutors Anderson 3. Custodians Bower & Condlin 4. Bower & Condlin Cafeteria 5. Administrators Berger & Gass 6. 7. Nurses Anderson 8. Clerical **Bower**

Other sub-committee assignments are as follows:

Budget: Michael Bower, Chairman, Ex-officio

Salary Condlin & Anderson
 Expense Berger & Gass

Other

Affirmative Action Gass
 Legislative Condlin
 P.T.O. Liaison Berger
 Policy Berger & Bower

5. Randolph Foundation Gass6. Student Liaison Bower

7. Delegate to M.A.S.C. Anderson; Bower alternate

8. Grievances - Level III Anderson & Gass

We continue to schedule part of our meeting for a "School Committee Speaks" segment. This practice of inviting various staff members to make a presentation to the Committee has been very interesting and successful. Board members, as well as members of the community, can receive current information on the workings, goals, etc., of the various departments of the school system.

We also continue to allow a portion of each meeting to be devoted to "Community Speaks." This procedure for community input is outlined in a publication entitled "School Committee Rules, Regulations and Procedures for Meetings and Public Participation" and is available at the school administration office.

In an effort to keep the public informed of school activities, the Committee has added to its agenda two new features. The first is entitled *School Activities Calendar*. In this regard, we attempt to list on-going school programs and events which we believe the public will be interested in attending. The second feature is entitled *Next Meeting Agenda*. In this segment we highlight those items which are of particular community interest and importance and which will be dealt with at the next scheduled meeting of the school committee.

We are still wrestling with the outcomes of Proposition 2½ and the loss of fiscal autonomy. We continue to spend much time on legislative issues, public

relations and fund-raising. One can assume this trend will continue for the forseeable future. Community participation is on the increase and we are attempting to broaden the use of our buildings throughout the year and for all age groups. This support is greatly appreciated by the School Committee and, most especially, by the young people of our Community.

In March of 1985 Mr. Robert L. Gass was re-elected to serve a third term and Mr. Michael J. Bower was re-elected to serve his second term as members of the School Committee. In addition, Mr. R. Neal Condlin was elected to fill a two year term created by Mr. David Murphy's resignation to take a principalship in Maine. The Committee extends its congratulations to all three elected members. Mr. David Harris admirably completed the first year of Mr. Murphy's leave. To him we express our appreciation and gratitude.

Mr. A. Richard Anderson has announced his resignation from the Committee to become effective at the end of his term in March of 1986. Mr. Anderson will have completed fifteen years of dedicated service to the children of our Town and leaves with the highest praise and best wishes of the Committee. During his tenure Mr. Anderson witnessed and participated in numerous, very important decisions affecting the schools. He could always be counted on to study the issues and "vote for the young people of our community." It is his hope and that of the Committee that his early announcement will encourage and enable people interested in running to get organized and plan their campaign.

The Randolph School Committee is truly appreciative of the support of the community and particularly the Town Meeting members for their support of the school budget and the special articles voted at the Annual Town Meeting this past spring. As a result, we have been able to solve several major problems and have begun to correct many others. Due to these votes, the following has been accomplished:

- 1. New roof on the old section of Randolph High School.
- 2. A new physical education and athletic facility has been built which contains a new soccer/football field and track.
- 3. Replacement of several kindergarten equipment items.
- 4. Purchase of computers and software.
- 5. Hiring of an elementary guidance counselor.
- 6. Purchase of a new school bus.
- 7. Second telephone lines for each elementary school.
- 8. Guidance computerized information system.
- 9. Intramurals program for students at the junior and senior high levels.
- 10. Part-time Affirmative Action officer.
- 11. Part-time athletic trainer.

Also voted but to be completed in the spring were:

- 1. New roof at the Martin E. Young School.
- 2. Electro-mechanical work in all schools except Devine.

At the same time, in an effort to get the greatest return for the dollars spent, the Committee continually monitors its purchasing and bidding procedures, and encourages Dr. Zoino and his staff to pursue all available funding sources. In this we particularly appreciate the many contributions to the school made by members of our community.

In addition, we have reorganized the system to improve our educational programs. To effect building economies we closed the Stetson School this past September and will be phasing out the North Jr. High by June of 1987. Both schools and their staffs have served us well and for that we are grateful. Savings realized from these closings will be used to upgrade our remaining schools.

1985 has been an extremely full and productive year for your School Committee. Many processes have been completed and many more initiated, all in an effort to afford the finest educational opportunity to every young person in Randolph.

One of these processes has resulted in the appointment of Ms. Katherine LeTourneau as our Special Education Director. Ms. LeTourneau brings a broad, diverse background to this most vital position. At the same time the School Committee recognizes the many contributions and programs developed by our retiring director, Dr. Robert D. Sayrs. Our congratulations and thanks go to him for his twenty-nine successful years working with our young people.

Another process has resulted in the implementation of a School/Community Committee recommendation to enhance our computer technology curriculum. Thanks to the support of Town Meeting and the dedication of the N.I.C.E.R. and Computer Advisory Committees, we are able to better educate and expose the young people of Randolph to the newest technologies.

We recognize the appreciate the generosity of Mr. Peter O'Kane who has provided the lights for our new "Randolph Memorial Field." The efforts of all of those who have in some way assisted our school system and the young people of our community are deeply appreciated by your School Committee.

As the year draws to a close, we are in the process of upgrading our Drug and Alcohol Awareness curricula, establishing a Community Drug Awareness Committee, improving the graduation standards of Randolph High School, reviewing in a comprehensive manner our busing policy and implementing the various pieces of the Education Reform Act, Chapter 188.

Our goals for 1986 include the successful completion of all of the improvement items initiated in 1985, as well as any new items which will no doubt be brought forward.

We remain committed to the young people of Randolph and to every effort which can and will be made to improve our system on their behalf. We look forward to working together, cooperatively and constructively, with students, parents and staff to bring about these necessary improvements.

Finally, we continue to appreciate the cooperation of all Town departments, the entire school staff and, in particular, the good work of our executive officers, Superintendent Dr. John E. Zoino, Assistant Superintendent Dr. Lyn A. Huttunen, and Business Manager Richard E. Coburn.

Respectfully submitted,

Michael J. Bower, Chairman RANDOLPH SCHOOL COMMITTEE

REPORT OF THE SUPERINTENDENT OF SCHOOLS

I herewith submit my seventh annual report to the Randolph School Committee and the other citizens of Randolph.

As indicated during the past several years, the negative impact of Proposition 2½ continues. We are living a hand-to-mouth existence while the school buildings continue to decline rapidly. We are presently operating all schools with six month temporary Certificates of Occupancy from the Building Insspector. Needs in this area in all our buildings could necessitate a three to five million dollar expenditure over the next two to three years. During our budget procedures we will be discussing this problem in depth.

Some gains were made this year with a new roof being constructed on the old section of Randolph High School. This spring we will put a new roof on the Martin E. Young School and complete the electro-mechanical work at all schools except the Devine. The new physical education/athletic facility has been completed at the high school and is something in which the Town can take great pride. For these items we are most grateful.

We have, in support of the educational programs, accomplished the following:

- A. Purchased some new kindergarten equipment with more budgeted for fiscal 1987.
- B. Established a system-wide educational technology plan. During this past year we expended \$51,315 for hardware and software, with \$30,000 of it included in the Town budget.
- C. Hired an additional elementary guidance counselor, bringing to three the number servicing our elementary students.
- D. Other purchases this year were a new replacement school bus for our athletic and field trip programs, a guidance computerized information

system, a part-time athletic trainer and intramurals programs at each of our secondary schools.

Other noteworthy items are as follows:

NORTH JR. HIGH

Additional computer education for teachers and students is a very important goal. The State Department of Education, through a grant provided for staff development in computer technology for teachers at Kennedy Jr. High and North, impacted upon our computer awareness goal. An emphasis on creative writing opportunities using writing skills in all curriculum areas is another goal set by the school system. Teachers are encouraged to emphasize writing in their class assignments. Awareness weeks are being scheduled for health issues and computers.

KENNEDY JR. HIGH

Individualized scheduling allows us the opportunity of providing each student with an educational program that is more closely suited to the emerging adolescent's needs. For the first time in their lives our young people are asking who they are and what their place is in the world. They have outgrown the "What and how" curriculum of the elementary school, yet they are not ready for the discipline of the high school curriculum with its emphasis on the abstract "why" of things. A significant advantage of the middle school/junior high school is that it recognizes the emerging adolescent as a person who is in between, neither big child nor little adult — who has legitimate needs for a flexible curriculum which encourages his search for self.

Mathematics (Kennedy Jr. High)

The Mathematics Department offers four levels of instruction in an effort to meet the needs of all students at the junior high level.

Students in the advanced level take pre-algebra at grade 7 and algebra in grade 8, in addition to classrooms sponsored by the Atlantic Pacific and Continental Mathematics Leagues.

English Department (Kennedy Jr. High)

The English Department at John F. Kennedy continues to maintain its standards of excellence. Writing programs in grades 7 and 8 are a priority. The National Language Arts Olympiad 1985 found John F. Kennedy students in those grades among the top in the country.

Social Studies Department (Kennedy Jr. High)

A unit called Facing History and Ourselves: The Holocaust and Human Behavior, was incorporated into the social studies curriculum during the school year 1984–85. All grade 8 students were exposed to this innovative program in which students are stimulated to use reasoning skills and to think very seriously

about some fundamental concepts such as justice, obedience and prejudice. Dr. Hirsch Altman, a Randolph resident who is a survivor of the Holocaust, discussed his experiences with the students. Also, Ms. Elizabeth Dopazo, who grew up in Nazi Germany as a member of the Jehovah's Witnesses, helped to dramatize this sad chapter in history.

HIGH SCHOOL

Mathematics Department

The Mathematics Department continues to offer a comprehensive selection of courses to meet the varying needs and abilities of its students. The most heavily subscribed courses are the college prep courses which are offered in three levels: Honors, A and B. For exceptionally strong students, an advanced placement sequence is available which begins with Algebra I in grade 8 and culminates in college level calculus in grade 12. For students who are not in the college prep sequence, there are courses in pre-algebra, elementary geometry, math in life, and consumer math. Upper class electives include: college board review math, math analysis, trigonometry, and introduction to calculus. Computer electives include programming in BASIC and PASCAL, each offered in two levels.

The Math Coordinator is available to meet with students and parents to discuss problems in class or plans for future courses.

Foreign Language Department

In preparation for the High School Evaluation, we are focusing on two tasks:

- 1. Improving articulation between the Junior High and the High School and among different levels and ability groupings at the High School.
- 2. Updating curriculum guides.

English As A Second Language

The five full time tutors are currently servicing 94 students, 20 different languages. While our primary task is remedial instruction in basic English skills, we are beginning to offer subject support in areas such as mathematics.

Social Studies

A comprehensive new curriculum guide for Grade 9 Global History was developed this past summer by Mr. Edmund Hands and Mr. Stephen Vaillencourt, working with the Social Studies Coordinator. This course stresses the interdependence of peoples of the world. The chief objective of the course, however, is to teach skills, especially in the areas of writing, thinking, and a special area we call 'critical thinking.' For example, the students are taught specific criteria for detecting bias and for recognizing which sources of information are the most reliable. They then receive practice in using these skills throughout the course. Many lesson plans were developed for this purpose.

We are using the same approach in our Grades 10 and 11 U.S. History classes, utilizing booklets published by a North Shore teacher which he calls "Critical Thinking in American History," as well as developing our own lesson plans. The Social Studies Department has recently reaffirmed the teaching of 'critical thinking' as our most important priority.

English Department

During the Spring Semester, students in the ninth grade honors English class participated in a Deaf Theatre Project with students from the Boston Theatre of the Randolph High School, the Museum of Fine Arts, Boston, and Northeastern University.

The updating, revising and annotating of the English Curriculum, grades 7–12, were completed. Copies of the Curriculum Guide may be viewed at the Turner Free Library, the Randolph High School Media Center, the Office of the Superintendent, the English Office and at both junior high schools.

During the summer of 1985 Mr. Donald Nelson and Mr. Ronald Pirrera, working with the Coordinator of English, revised the Composition Program.

The Metropathways Program continues in its second year. Fifteen students are participating in the fall semester's flexible campus program.

Music Department

Vocal and instrumental music is offered to all students at all levels. Randolph schools are being serviced by six full-time and two part-time teachers. We also have three instructors assisting with the marching band.

The high school band and chorus are still two very active performance groups. We have entered into new competitions this year. The show choir went to North Easton to compete with other choirs from all over the state. The marching band also went to several additional festivals to compete and receive evaluations for music and marching. I feel there has been some growth in these two areas of music.

Science Department

This past year the high school Program of Studies booklet listed thirty-four different courses offered by the science department. Of this number, twenty-two offerings attracted a sufficient number of students to be scheduled. Although only one year of science instruction is required for graduation, 1023 students out of the present school population of 1433 students elected to study science – or 71% of all students. Our pre-proposition $2\frac{1}{2}$ percentage was 79%.

Data collected by the science coordinator over the past several years indicates that, on the average, our students usually complete the equivalent of 2.96 - 3.04 full year science courses by the time they graduate from high school. The figure for the Class of 1985 dropped to 2.90 courses while it appears the figure for the Class of 1986 will be close to 3.02 courses. While the

total number of courses taken over the four year period remains fairly constant, there has been a definite shift in the courses elected. Since Proposition 2½, our earth science enrollment has dropped steadily from approximately 70% of all incoming Freshmen to 38% for this school year. The science coordinator attributes this shift to the fact that most of our earth science specialists, being junior in terms of seniority, were eliminated with the forced reductions in staff, so that while science may not be elected in grade 9, it is increasingly elected in grades 11 and 12.

At the moment science offerings include three levels of earth science, four levels of biology plus physiology, four levels of introductory chemistry, plus advanced chemistry, three levels of physical science, and three levels of physics. Mini-courses presently running include horticulture and computer programming in science.

Problem areas — funds for materials and equipment, repair of equipment, maintenance of facilities.

Recent improvements — two additional Apple computers for science department.

Health Education - Grade 9-11 curriculum completed during summer workshop.

Director of Guidance

The acquisition of three Elementary Developmental Support Specialists has had a positive impact. There is no question in my mind that the program contribution that this group will extend will be significant and will be worth the investment.

The secondary staff is attempting to redefine its role. The emphasis will be on what guidance can successfully contribute to our system and the structural implementation of this group's recommendation. The secondary group will continue to present parent/student programs which should lead up to a Spring College Fair. We will host this fair which will bring over one hundred and forty college representatives to Randolph.

An innovation which I thoroughly endorse has been the offering of a five hour course in how to interview by the Guidance Department. We believe that there is relevance in this type of offering and I do look forward to expanding this concept. Related to that, a book has been written and is being published for our pre-college students and their parents. It is entitled "College Impressions — The Competitive Edge," and it will be available in the late spring. It has been authored by Arthur P. Mullaney, the Director of Guidance in the Randolph Public School System.

Supervisor of Reading

The major goal of our systemwide program, "striving for excellence," is predicated on administrative leadership, with specialists who play a vital role as they work to aid both children and teachers to grow in the knowledge and skills of reading.

An important project developed by the reading staff this past year was a Book Report Format for both primary and intermediate levels. The information contributed by the teachers was extracted, organized, and critiqued resulting in an outlined report for each grade level. An additional list of extended activities was added to the project and has proven to be of value to the classroom teacher.

The focus by the reading staff, depending on the grade level, has been to embellish and extend the activities for a particular graded level. The primary specialist uses the basic sight vocabulary, and learned phonetic elements to produce with the young child some samples of creative writing. This special program helps the child to think creatively and to produce an original story.

The specialist working with the intermediate level child emphasizes the inferential skills to develop with the children those thinking skills so essential to the content area. So it is that through sharing these goals and objectives, essential to the content area, with the classroom teacher that all work in concert effectively develop good reading and language skills.

Special Education

This department continues to service pupils with special needs. Program offerings are varied and are offered on a "least restrictive" basis ranging from low level in school assistance to those with extreme needs who are placed in full time residential school settings. Many of our programs have received favorable State and National recognition.

Dr. Robert D. Sayrs retired from his position as Director of the program, a position he held since its inception in 1965. In all, he serviced special needs children in Randolph for nearly 30 years. Our congratulations and best wishes are accorded to him.

Miss Kathrine LeTourneau was appointed to succeed Dr. Sayrs in October of 1985 and is presently making every effort to continue the good work of the Department. Miss LeTourneau comes to us from a successful experience as Director of Special Education in Wareham, Massachusetts.

ELEMENTARY (K-6)

The elementary schools have been working on several major programs in accord with a system commitment to excellence. The following will highlight some of the many activities which took place in 1985.

Excellence Project

The thrust toward excellence emanated from the selection of a team from the Donovan Elementary School as participants in a national study of the elementary school under the auspices of the Association of Supervision and Curriculum Development. Each elementary school and the sixth grades housed at our junior high buildings have team members consisting of the principal, at least one teacher and one parent, and a systemwide specialist. Each team has been charged with assessing school needs, designing a mission statement and developing an improvement plan based on the statement and identified needs. The Randolph Rotary, school P.T.O.'s and the Randolph Teachers' Association have assisted team members in fund raising to promote this effort.

Technology

One of the major objectives within the school excellence plan is implementation of a five year technology plan. The intent of this plan is to use technology to improve instruction when it best serves that purpose. At the elementary level this has included the introduction of the LOGO language in mathematics and the inclusion of appropriate software to facilitate skill development in language arts and mathematics. In addition, some teachers are using appropriate software packages in science and math.

Also, a pilot program in language arts entitled Quill is being utilized by twelve teachers — grades 3—6. This program focuses on skill development in writing with an emphasis on pre-writing, mechanics, and editing in order to improve both the quality and content of children's writing. The results so far are exciting.

Mathematics and Science

Another major objective which was identified in the thrust toward excellence was improvement of instruction in mathematics and science. A committee of teachers and administrators worked to select new mathematics textbooks and have been participating in in-service workshops in the use of manipulation to better teach mathematics to elementary children.

We were also able to utilize teachers' grant money under Title II to add to our science instructional materials. Kits have been purchased for grades 3-6 to promote concept development in science. In addition, we are anxiously awaiting word on a competitive grant which was successful at the state level and is currently competing for funding nationally. If successful, this will promote new activities for teachers and students to improve our understandings of scientific principles.

Early Childhood

A committee of teachers and administrators have been focusing on needs in the area of early childhood education (ages 3-8). It is clear that the child of today needs different educational programs than the child of yesterday. Therefore, we are engaged in looking at the specific needs in Randolph and will be

recommending appropriate changes in structure and programs based on those needs.

Community Support

Many persons in the Community have voluntarily given support to a thrust toward excellence and 1985 represented heightened interest and involvement through activities as follows:

1. Reading is Fundamental — Several businesses in Randolph, L & W Auto Body, North Randolph Cleaners, MASS. Appraisal Service, Randolph Cablesystems Corporation, Randolph Cooperative Bank, Randolph Savings Bank, Randolph Kiwanis, Tood A. Sandler Realtors, Papa Gino's, individuals which included members of the Randolph Police Department and the five elementary school P.T.O.'s supported an exciting reading program for children in grades 2 and 3. The businesses and the P.T.O.'s each adopted a class and contributed money for books. Individuals then read to children. It was an exciting opportunity to emphasize that reading is fundamental.

2. Jaycees Book-a-thon

The Randolph Jaycees sponsored the second annual "book-a-thon" to raise money for purchasing new library books for elementary children and to promote an active interest on the part of the children in reading.

3. Volunteers in Action

Parents, Senior Citizens and other interested community members provided valuable service to children by serving as library volunteers and/or computer instruction assistants. Their service on the part of children was deeply appreciated.

4. Committees

Parents and community members served on several committees. The leadership provided by Messrs. Anthony Dionisio and John Milson to support our system **Computer Advisory Committee** is noteworthy. This committee has helped us to develop our five year technology plan and to make appropriate hardware purchases for the system.

The effort expended by Jeanette Traveline, Rebecca Mugherini, Roberta Straus, Janice Carey, Ellen Cizmar, Joan Dooley, Ron Dziergowski, Margaret Frangioso, Janice McBratney and Joseph Mulligan on the School Facilities Study and the Grade Level Configuration is commendable. Their dedication of time and talent led to a well organized redistricting process at the elementary level. Decisions were made on the basis of objective data collected by these citizens, along with teachers and administrators who served on these committees.

In closing this portion of the report, while it has focused mainly on the elementary schools, it is clear that 1985 has been a busy and productive year.

Looking ahead to 1986, we will be making major commitments in the following areas:

- 1. Testing (S.A.T., etc.) Under the leadership of Assistant Superintendent Dr. Lyn A. Huttunen, we will be reviewing the results of our testing program, paying particular attention to our college boards and college achievement test program. To be answered by the committee are such items as: how will our students do; what can be done to help them do better; and how can the curriculum and teaching program be improved to support this effort.
- 2. Community-Wide Efforts Against Drugs Working cooperatively with the Randolph Police Department and the Randolph Youth Office, a community-wide action committee will be started in 1986. The goal is a healthier, safer Randolph.
- 3. Randolph High School Evaluation In 1986 we will be doing the self-assessment as part of our ten year evaluation by the New England Association of Colleges and Secondary Schools.

We continue to receive and appreciate the support of many local organizations. We are again particularly indebted to the Hockey Boosters, The Rotary, Jaycees and Kiwanis Clubs. The members of these groups, together with all of our parent-teacher organizations, are an inspiration to our staff.

Cooperation from all Town Departments is at an all time high and is respected and welcome.

To every employee of the Randolph Public Schools, but particularly to Dr. Lyn Huttunen, Assistant Superintendent and Mr. Richard Coburn, Business Manager, my thanks for their team effort which enables us to do so much for the students of Randolph.

My thanks and highest degree of respect is accorded to the members of the School Committee for their cooperation, understanding and dedication to the welfare of the youth of Randolph.

Respectfully submitted,

John E. Zoino SUPERINTENDENT OF SCHOOLS

REPORT OF THE BLUE HILLS REGIONAL VOCATIONAL SCHOOL DISTRICT COMMITTEE

1985

We respectfully submit the 22nd Annual Report of the Blue Hills Regional Vocational School District Committee. The following is a list of Committee Members representing the seven member towns during 1985:

| AVON | Bernard H. Baher |
|-----------|--------------------|
| BRAINTREE | James E. Sullivan |
| CANTON | Benson Diamond |
| HOLBROOK | Wılliam T. Buckley |
| NORWOOD | John T. Driscoll |
| RANDOLPH | Albert L. Willis |
| WESTWOOD | Gerard A. Baker |

The District School Committee held regular monthly meetings on the first and third Tuesday of each month in the Administrative Office at the Regional School, 800 Randolph Street, Canton, MA. Mr. Bernard H. Baher and Mr. Benson Diamond presided as Chairman and Vice Chairman, respectively; Mr. William J. Carr, Esq. of Randolph as Counsel and Mr. John T. Driscoll as Treasurer, with Mr. Benson Diamond and Mr. James E. Sullivan as Assistant Treasurers. Mr. Charles A. Brennan of Randolph retired on June 30, 1985 after serving at the Blue Hills Regional School for nineteen (19) years. Mr. Wilfrid J. Savoie of Norwood became the Superintendent—Director on July 1, 1985.

During 1985 the following numbers of students availed themselves of Vocational Education under the auspices of the Blue Hills Regional Technical School District:

| Blue Hills Regional Day Programs | 962 |
|-------------------------------------|------|
| Adulı Evening Program | 518 |
| Holbrook Career Development Program | 43 |
| Randolph Career Development Program | 245 |
| | |
| Total | 1768 |

The Technical Institute/Massasoit Community College merger was signed on August 1, 1985. This Agreement placed the total operation of the Institute under the Commonwealth of Massachusetts.

The Adult Evening Program also continues on a self-supporting basis with an average cost of \$85.00 per course.

The Blue Hills Regional School continues to support the communities by completing projects in our auto repair, auto body, metal fabrication, machine

shop, structural wood, health services, graphic arts and electrical departments. The Graphic Arts Department won the outstanding high school vocational program in New England by the U.S. Office of Education.

The Chateau de Bleu Restaurant serves our residents on a daily basis with gourmet meals.

The Computer Center served most of our towns in a multitude of school department and town government operations.

The Regional District School Committee is indebted to our local School Committees, Superintendents of Schools, Boards of Selectmen, Finance Committee members and local Advisory Board members who so ably assisted with their continued and dedicated support in 1985.

To the citizens of the seven member towns, the parents and the town meeting members who by their vote of confidence have provided quality vocational and technical training for our regional youth, we are deeply grateful.

Respectfully submitted,

Bernard H. Baher, Chairman
Benson Diamond, Vice Chairman
William T. Buckley, Secretary
John T. Driscoll, Treasurer
Benson Diamond, Asst. Treasurer
James E. Sullivan, Asst. Treasurer
Albert L. Willis
BLUE HILLS REGIONAL VOCATIONAL
SCHOOL DISTRICT COMMITTEE

REPORT OF THE POLICE DEPARTMENT

The following is my annual report of the Police Department for the year ending December 31, 1985 which I am respectfully submitting.

The Randolph Police Department had a compliment of 49 men and 1 Chief. There were 37 Patrolmen, 5 Lieutenants, 6 Sergeants and 1 Civilian Dispatcher.

There were 6 marked cruisers, 4 unmarked cars, 1 Bronco, 1 Chief's car and 1 transport van in use, along with 2 motorcycles that are on patrol, weather permitting.

The Police Dispatchers received and answered 21,643 calls that were logged. The number of calls that were not logged or recorded were approximately 173,196 (no school, directions, hurricane, weather, general information, parking clerk, etc.)

Arrests made for the year 1985 are as follows:

| Warrant Arrests | 820 |
|--------------------------------------|-----|
| | 22 |
| Larceny Arrests | |
| Disorderly Conduct | 24 |
| Possession of Dangerous Weapons | 11 |
| Operating Under Influence of Alcohol | 147 |
| Assaults | 11 |
| Assaults on Police Officers | 15 |
| Drugs | 54 |
| Rape | 2 |
| Arson | 2 |
| Burglary | 21 |
| Stolen Motor Vehicle Arrests | 10 |
| Armed Robberies | 2 |
| Possession of Alcohol by Minors | 53 |

The total number of arrests in 1985 was 1,017 which also included various motor vehicle offenses, trespassing, uttering, malicious damage, etc.

The total Warrants on hand on January 1, 1985 was 1,292. The total Warrants on hand on January 1, 1986 is 1,394.

| Randolph Warrants Served | 648 |
|----------------------------------|------|
| Out of Town Warrants Served | 172 |
| Total Arrests by Warrant | 820 |
| Warrants Recalled or Deactivated | 285 |
| Total Warrants Processed | 1105 |

Juvenile cases handled in 1985 are as follows:

| Arrested | 65 |
|---------------------|----|
| Show Cause Hearings | 34 |

| Placed in Diversion Program | 14 |
|--------------------------------|-----|
| Runaways | 92 |
| Cases handled other than Court | 354 |

These cases involve child abuse, neglect and sexual assault investigations; and misdemeanor and felony cases in which a juvenile might have been involved.

The following are the crimes reported, investigated and logged in 1985:

| Murder | 0 |
|---------------------------------------|--------|
| Attempted Murder | 0 |
| Sexual Assaults (Rape, Incest, Etc.) | 113 |
| | |
| Breaking and Entering (Dwelling) | 184 |
| Breaking and Entering (Motor Vehicle) | 96 |
| Attempted Breaking and Entering | 37 |
| Larceny | 338 |
| Attempted Larceny | 21 |
| Armed Robbery | 13 |
| Unarmed Robbery | 7 |
| Arson | 8 |
| Home Invasions | 4 |
| Kidnapping | 2 |
| Attempted Abduction | 7 |
| Vandalism | 474 |
| Stolen Motor Vehicles | 153 |
| Recovered Motor Vehicles | 57 |
| | |
| Suicides | 0 |
| Attempted Suicides | 9 |
| Attempted Suicides in Cells | 16 |
| Protective Custody | 435 |
| TD CC: XX: 1 /: X 1 | 2554 |
| Traffic Violations Issued | 3554 |
| Warnings | . 1318 |
| Non-Criminal | 1774 |
| Complaints | 244 |
| Arrests | 218 |
| Speeding | 1350 |
| Red Lights | 337 |
| Stop Signs | 294 |
| 1 | |
| Motor Vehicle Accidents: | |
| Accidents | 1458 |
| Under \$500 Damage Reported | 194 |
| Personal Injury | 194 |
| Pedestrians | 18 |
| Bicycle | 18 |
| Fatalities | 4 |
| 1 atantics | 7 |
| Court Proceedings: | |
| Held for Grand Jury | 9 |
| Pending in District Court | 519 |
| Pending in Superior Court | 112 |
| | 1133 |
| Found Guilty in District Court | 1133 |

| Found Guilty in Superior Court | 124 |
|-------------------------------------------------------------------------|----------------------------|
| Appealed to Superior Court | 120 |
| Drunk Drivers in Alcohol Program | 166 |
| Parking Tickets: Total Tickets Issued Handicapped Fire Lanes All Others | 4078 329 748 3001 |

The Police Department has collected and turned over to the Town Treasurer the following:

| Parking Fines | \$18,455.00 | |
|----------------------------------------|-------------|--|
| False Alarms | 14,542.00 | |
| Firearms License, FID Cards and Police | | |
| Reports | 5,113.00 | |
| Accident Indemnity | 3,024.98 | |
| Reimbursements and Damages | | |
| (Traffic lights insurance deductable, | | |
| damage to cells and cruisers) | 2,195.53 | |
| Total | \$43,330.51 | |

In addition to all the statistics listed, we have investigated incidents of Uttering, Shoplifting, Malicious Damage, Trespassing, Sudden Deaths, Medical Emergencies and many other varied calls, too numerous to list.

In 1985 alone cruisers responded to over 175 calls from liquor establishments requesting police assistance. I think the citizens of Randolph can be proud of their Police Department and the protection and service it receives from these dedicated men and women.

As in the past we still have one of the quickest response times to calls in the State of Massachusetts.

I am proud of the men of this Department and of the courtesy, helpfulness and effectiveness in which they perform their duties.

Respectfully submitted,

Ormond J. Benjamino CHIEF OF POLICE

REPORT OF THE AUXILIARY POLICE DEPARTMENT

The following is the performance report of the Randolph Auxiliary Police Department for the year 1985.

A total of 1,381 duties were performed.

The Auxiliary Police worked a total of 7,938 volunteer hours for 1985.

The Auxiliary Cruisers patrolled a total of 28,104 miles this year checking town property, schools, cemeteries, and assisting the regular police when requested.

The Auxiliary Police Officers had approximately 2,250 hours of training.

The Auxiliary had 35 active officers during the year 1985.

The Auxiliary Police are proud to serve the townspeople of Randolph with pride and respect.

Respectfully submitted,

Robert A. Rocheleau, Chief RANDOLPH AUXILIARY POLICE

REPORT OF THE CIVIL DEFENSE DIRECTOR

As in the past years the Board of Selectmen continued to provide their full support to the activities of the local Civil Defense Agency.

Thus, we were able to promptly and effectively organize to avoid the potential damage from Hurricane "Gloria."

The emergency resources of the Town were promptly mobilized and in place in sufficient time to combat the potential damage.

Respectfully submitted,

Henry L. Lowd CIVIL DEFENSE DIRECTOR

REPORT OF THE FIRE DEPARTMENT

The following is the Annual Report of the Fire Department for the year ending December 31, 1985.

Our total runs, both fire and ambulance, continue to increase each year and this ties in with the building boom that has taken place. One only has to drive around Town and see that there are only a few open spaces remaining. With the increased runs, (400 more than the year of Prop. 2½ lay-offs), I think it is plain to see that I must strive to replace the firefighters who were laid off and accordingly I have submitted an Article in the 1986 ATM for three (3) Firefighters.

One (1) new 1,000 G.P.M. Engine is on order with delivery expected in July of 1986. Ladder No. 2 has been completely refurbished and repainted and is back in service. Engine No. 4 is out of service for body repairs caused by an accident and severely rusted parts of the body are also being repaired and repainted at the same time. I have submitted Articles in the 1986 ATM to replace the 1957 Ford Forestry Truck, and 1980 Ambulance with the 1974 Modular Box and the 1977 Chief's car. If these three capital outlay Articles are approved, I do not foresee any major replacements for several years.

Hurricane Gloria showed how town departments can and should work together, and the joint efforts of the fire and highway departments in cutting and clearing streets and power lines off the downed trees resulted in our power being restored in less than 24 hours.

My sincere thanks to all departments for their cooperation in the past year and a special thanks to my own personnel who always come through when the chips are down.

Very truly yours,

Robert D. Teece, Chief FIRE DEPARTMENT

FIRE PREVENTION

| Smoke Detectors Inspection | 624 |

SMOKE TAKES LIVES - SMOKE DETECTORS SAVE LIVES

FIRE ALARM REPORT -- 1985

During the year repairs were made to the aerial wire network and fire alarm boxes due to the ravages of both time and weather and motor vehicle accidents. Tree growth around wires was reduced by trimming and bulbs were replaced in traffic signal lights for the Police Department.

Many pole change-overs were made due to accidents and pole relocations. Work is continuing on upgrading the alarm system. Eight (8) new alarm boxes were added during the year.

All public school fire alarms were tested prior to the opening of school in September and found to be in satisfactory operating condition.

EMERGENCY MEDICAL TRAINING

All members received their yearly recertification in Cardio-pulmonary Resuscitation (CPR) as required by law.

Ten (10) members successfully completed a 25 hour Department of Transportation (DOT) recertification course for Emergency Medical Technicians. As of December 31, 1985 the Fire Department had twenty-eight (28) Registered Emergency Medical Technicians.

TRAINING

The potential challenge to the resources of this department, influenced by the growth of the community, as well as environmental changes, clearly indicates the need to stay current. As a result of the hazardous material potential alone, the Massachusetts Firefighting Academy recently conducted classes for all members on the basics of our involvement in haz—mat incidents.

In addition to one officer attending the National Fire Academy, four fire-fighters completed the seven week Recruit Course at the Massachusetts Fire-fighting Academy, and in-service training at the company level is maintained for on-going training.

This department will continue to maintain the level of skills that provides professional service to the community.

REPORT OF THE BOARD OF HEALTH

REPORTABLE DISEASES

There were 107 cases of communicable diseases and other health conditions reported as follows: Animal Bites; Dog 42, Cat 2; Chickenpox 8; Hepatitis 4; Amebic Dysentery 2; Meningitis 10; Salmonellosis 21; Streptococcal Infection 11; Tuberculosis 4; Poliomyelitis 1; Encephalitis 1; Legionellosis 1.

PUBLIC HEALTH NURSING & CLINICAL PROGRAMS

Mental Health. There were over 1,000 client consultations and visits by Randolph residents for a total of 9,800 hours at the South Shore Mental Health Center. Cost: \$14,000.00 for Adult Services — \$6,000.00 for Children's Services. Total: \$20,000.00.

Influenza Inoculations. 1055 persons received influenza vaccine at 7 clinics held during the year with vaccine provided by the State. These clinics are held free of charge to Randolph residents.

School Immunizations. 145 students received 160 immunizations free of charge at the Board of Health office during week-long walk-in clinics. 34 additional children received 55 immunizations throughout the year. 5 nursery schools were checked out re their immunization record.

Tuberculosis Testing. 63 patients were tested in Board of Health office.

Biologic & Diagnostic Supplies. Over 5,000 doses of vaccine, plus other diagnostic supplies were received and issued to Randolph physicians and used at our various clinics.

Keep Well Clinics (Ages 65 & Over). 2,981 patients were screened for high blood pressure at 145 clinics during the year. 365 found to have high blood pressure.

Comprehensive Hypertension Program. (Ages 30-64) — At 17 clinics 345 patients screened of whom 99 were found to have elevated readings.

Diabetes Screening Program. 173 patients with 77 found to have high blood sugar requiring medical follow-up. There were 16 clinics held for this program.

Cancer Recto-Colon Detection. 35 patients tested. 7 were positive and underwent further testing which proved bleeding caused by other than Cancer.

Office Patients. 333 patients made 61 visits at Board of Health office for allergy injections, B12, Imferon, blood pressure, etc.

Mothers & Newborns. 88 mothers received 107 visits.

Unwed Mothers. 12 mothers received 16 visits.

Premature Infants. 1 mother received 1 visit.

Well Baby Clinic. 80 patients were seen at 11 clinics with 71 being immunized.

Teen Support Group. — (YPI). During the year 1985 the following data was formulated: 25 meetings were held; 11 new mothers seen; 11 new infants — 3 boys, 8 girls; 87 visits averaging at least two visits per parent; other visits lasting from 3 months to 2 years, depending upon situations involved.

A community support group formed during the year has been called YPI Support Group and has been meeting monthly. It comprises of members from: Quincy Family Planning; Junior Ladies Library, Randolph; Randolph Youth Department; Randolph High School Teachers & School Nurses and Randolph Board of Health Nurse.

The JLLA were actively involved with babysitting, couponing and toy donations.

It is the purpose of the group to set goals for education of the community (teen pregnancy), publicity, fund raising.

It also has been the decision of the members of YPI to relocate the Mothers Group to Quincy with transportation provided if needed.

Plans for Day Care Center are being researched by Dr. L. Liuzzi, Coordinator of Career Development at RHS.

ENVIRONMENTAL SANITATION

Refuse Collection & Disposal. Suburban Disposal Co., Inc., of Abington is the new collection contractor for the next three years. The Board of Health welcomes them and anticipates a pleasant and productive association. At the same time we wish to thank Reddish Disposal Service of Needham for a fine performance during the tenure of their contract. B.F.I., Louis Kmito & Son continues to operate the sanitary landfill in a fine manner with no cost to the town.

Public Health Complaints. Over 1,500 complaints were received for possible health nuisances and hazards and investigated and resolved during the year.

Swimming Pools. 54 permits for public and semi-public and private swimming pools were issued.

Nursing Home Inspections. 2 inspections of one nursing home were made prior to state relicensing.

Food Service Establishments. 73 permits were issued to restaurants and other type operations serving food and/or drink for consumption on the premises. Inspections of all establishments have been carried out in excess of the two required by State Code and will continue to be monitored constantly.

Retail Food Establishments. 31 permits were issued to retail food establishments. All are being inspected at regular intervals.

Livestock. 24 licenses were issued to residents to keep livestock. 2 Hyposyringe permits were issued for animal treatment.

Collection & Disposal of Sewage. 8 permits were issued for the collection and disposal of sewage.

Vapor, Pool, Shower and other Baths. 1 permit issued for whirlpool bath.

Container Service (Dumpsters). 14 permits were issued for container service.

GAS INSPECTIONS

341 permits for gas installations, including propane gas, were issued during 1985. As with plumbing inspections, at least one inspection is necessary for each installation.

415 permits for plumbing installations were issued during the year. Each installation requires at least one inspection by the Plumbing Inspector.

PERSONNEL MATTERS

Paul J. Connors was re-elected in March for a three year term.

Pauline Hayes, R.N., Public Health Nurse, Randolph Board of Health, was honored for her work with young people and senior citizens by South Shore Mental Health Center at their Annual Civic & Humanitarian Awards ceremony in September.

She is the third individual with the Board of Health to be honored by South Shore Mental Health Center. Paul J' Connors in 1984 was the recipient of a Distinguished Service Award, as was Dr. F. Randolf Philbrook who in 1980 also received this prestigious award which was given for their outstanding contributions to the improvement of life in the community of Randolph.

REVENUE PRODUCED

REPORT OF THE NORFOLK COUNTY MOSQUITO CONTROL PROJECT

The Operational Project Program integrates all proven technologies into a system of mosquito control that is rational, safe, effective and economically feasible.

All mosquito eggs need water to hatch and to sustain larval growth.

Source Reduction Work. Our primary efforts are concentrated on the draining of shallow, standing, stagnant water and the maintenance of existing flow systems which contribute to mosquito breeding sources.

| Drainage ditches cleaned | 2,990 | Feet |
|---------------------------------------------|-------|-------|
| Brush obstructing drainage cut | 75 | Feet |
| Culverts cleaned and opened | 12 | Count |
| Drainage construction by wide-track backhoe | 1,534 | Feet |

Larviciding: Treatment of mosquito larvae during aquatic development is the next most effective control effort.

Larvicide by backpack and mistblowers 230 Acres Catch basin larvicide application 230 Count

Adulticiding: The suppression of flying adult mosquitoes becomes necessary when they are numerous, annoying or threatening to residents.

Adulticide mistblowing from trucks 199 Acres Adulticide U.L.V. from trucks 17,856 Acres

Surveys, inspections and monitoring in support of our programs include locating and mapping breeding areas, larval and adult collections and fieldwork evaluations leading to better drainage.

The Project received 49 calls from residents for information and assistance.

Respectfully submitted,

John J. Smith, Superintendent

NORFOLK COUNTY MOSQUITO CONTROL PROJECT

ADDENDUM

It is to be noted that this Project works closely with the Board of Health of Randolph. It is of great importance to the citizens of the town, not only for the control of mosquitos as a nuisance, but also for the control of mosquitoborne disease, especially Eastern Encephalitis.

The virus of this disease has, in the past, been transmitted by a certain species of mosquito in the Town of Randolph.

This Project uses methods which directly attack the specific mosquito species which may cause Eastern Encephalitis.

F. Randolf Philbrook, MD, MPH Health Officer, Town of Randolph

REPORT OF THE SEWER COMMISSIONERS

We have completed the last of our major Sewer Contracts, No. 42. The following is our report of work completed, work in progress, and work contemplated.

POCKET PROGRAM

We are now in the ninth year of our projected ten year program. With the completion of Contract No. 42, we have completed this program a year and one-half ahead of schedule. We do not anticipate any further major construction.

MAINTENANCE PROGRAM

Our maintenance department still only consists of three employees who work diligently on our various programs. Again, during the past year we have cooperated with the Engineering, Hoghway, School and other departments, assisting them on drainage and sewer related problems.

GENERAL

During the past year an additional 2 miles of main line sewer has been installed by private contractors, 272 house connection permits were issued during 1985. In addition, with the completion of Contract No. 42, we now have three additional Pumping Stations to maintain, making a total of ten.

At the present time there are 734 properties with sewer available that have not connected. We anticipate that the majority of these will be installed during the coming year. Because of the increased work load, the Board of Sewer Commissioners is requesting, thru a Special Article at Town Meeting, that our Maintenance Department be increased by one employee.

PRESENT STATUS OF THE SEWER SYSTEM

With the conclusion of our major Construction Program in mid 1985, we will have installed 103.3 miles of sewer at a cost of \$27,000,000. The original estimated cost in 1956 was \$42,000,000. In addition, the Town, through the combined efforts of the Sewer Commissioner, Board of Selectmen, Executive Secretary and others has acquired some \$9,000,000 in State and Federal Grants.

Respectfully submitted,

Felix Carlino Chairman Robert E. Curran, Clerk Roger V. Sass, Associate John R. O'Riley, Superintendent

SEWER COMMISSIONERS

REPORT OF THE WATER COMMISSIONERS

The One Hundred Fourth annual report of the Board of Water Commissioners is hereby submitted, covering the Department's activities for the year ending December 31, 1985.

Organization of the Board:

Norman F. Ayers, Associate Steven L. Bernstein, Clerk John F. Brack, Chairman

During the year 1985 the Department received forty-nine (49) applications for new services. All forty-nine (49) of these have been installed and added to the system.

Meter Department

Forty-nine (49) meters were installed on new services and four hundred fifty-three (453) were set as replacements. One hundred fifty-seven (157) were not registering; eight (8) were frozen and burst; four (4) were removed and two hundred eighty-four (284) were removed to be replaced. This Department had eight thousand one (8001) metered services and seven (7) unmetered active services.

Department Maintenance

During the year the Department had fourteen (14) service leaks on public ways. Forty-nine (49) new services were installed. Thirty (30) curb and gate boxes were repaired; one (1) frozen service was thawed out electrically; one (1) service was abandoned; eight (8) hydrants were broken by auto collisions — two (2) were hit and run; others were paid for through insurance. One (1) hydrant was replaced and relocated. Twenty-five (25) new hydrants were set. Eleven (11) old services were renewed.

MAIN BREAKS

| Street | Size | No. of Breaks | Cause |

Respectfully submitted,

Ernest Holland, Superintendent BOARD OF WATER COMMISSIONERS

†††††††††

A tribute to Charlie Mazules A co-worker and a friend The void he left since retiring Is one which won't easily mend.

He was always nice to work with And always had a smile Anytime he came in the office If only for paint or a paper from the file.

Whenever he came in to the office
To check the work or a call,
If he noticed the candy dish empty
He'd have a refill with him on his next trip to the hall.

He did so much for the office staff Too numerous to tell, But we did appreciate it Charlie, You treated us very well.

Well Charlie, although we won't get to see you each and every day,
Your friendship and kindness to all of us
Is etched in our hearts to stay.

We wish you good health and luck In everything you do, And may the days ahead Bring only happiness to you.

Now to close and end this tribute It is hard to find a way, So we'll simply say we miss you Charlie We miss you more each day.

GOD BLESS

The office staff

REPORT OF THE TOWN ENGINEER

I respectfully submit the Annual Report of the Engineering Department for the year ending December 31, 1985.

ENGINEERING DEPARTMENTS:

During the year, the Engineering Department has furnished professional engineering services for the following Town departments, officials and committees: Board of Selectmen, Board of Assessors, Zoning Board of Appeals, Town Clerk/Treasurer, Building Commissioner, Tree Warden, Sewer Department, Fence Viewers, Water Department, Police Department, Town Counsel, Fire Department, School Department, Chapter 40A Zoning Committee and the major portion of work for the following:

- 1. Planning Board: review and update a fall subdivision bonds twice a year; review of six preliminary subdivision plans, three definitive subdivision plans and revisions to two subdivisions; review of all "Approval Not Required" plans; inspection of construction on the following subdivision streets:
 - (a) Conservation Park:
 - 1. Selwyn Road: Drainage, gas line, wetlands replication
 - 2. L'Heureux Circle: Drainage, sewer, water, gravel base, gas line, base course paving, wetlands replication.
 - (b) Kingcrest Estates:
 - 1. Connor Circle: Concrete curbing, wetlands replication, top course paving, concrete bounds.
 - 2. Kingcrest Terrace: Drainage, top course paving, concrete bounds.
 - (c) Colechester Oaks:
 - 1. Cole Terrace: Drainage, sewer, water, gravel base, base course paving.
 - 2. Tiffany Drive: Drainage, sewer, water, gravel base, base course paving, wetlands work.
 - (d) Highland Glen Estates:
 - 1. Bittersweet Lane: Drainage, sewer, water, gravel base, base course paving, bituminous concrete berm, sidewalk.
 - 2. Scahill Drive: Drainage, concrete curbing, top course paving, bituminous concrete berm, sidewalk, wetlands replication.
 - 3. Salamone Circle: Drainage, concrete curbing, top course paving, bituminous concrete berm, sidewalk, wetlands replication.
 - 4. Flanagan Circle: Sewer, water, gravel base, base course paving.
 - (e) Randolph Park:
 - 1. Christopher Road: Drainage, sewer, water, partial gravel base.
 - 2. Fred Dolan Circle: Sewer, water, drainage, partial gravel base, wetlands work.
 - (f) Dolly Lane: Top course paving, concrete bounds.
 - (g) Collins Avenue: Base course and top course paving, bituminous concrete berm, sidewalk.
 - (h) Lisa Road: Drainage, sewer, water, gravel base, pavement, Fire Alarm, bituminous concrete berm, sidewalk.
 - (i) Greenburg Circle: Drainage, paving.

- (j) Rose Way: Sewer, water, drainage, gravel base, base course paving.
- (k) Poole Lane: Base course paving.
- (1) Anderson Drive: Sewer, water, drain, gravel base, base course paving, wetlands protection.
- (m) Country Club Drive: Drain, water, top course paving, bituminous concrete berm, concrete curbing, sidewalk, Fire Alarm.
- (n) Old Farm Village:
 - 1. Dow Street: Top course paving, bituminous concrete berm, concrete bounds, sidewalk.
 - 2. Old Farm Road: Top course paving, bituminous concrete berm, sidewalk, concrete bounds, traffic signs, Fire Alarm.
- (o) Hayward Street: Top course paving, bituminous concrete berm, sidewalk.
- (p) Petipas Lane: Sidewalk.
- (q) Roycroft Drive: Clearing, grubbing, subgrade preparation, drain, sewer and water.
- (r) Keane Way: Sewer, water, gravel base, base course paving.
- (s) Bridle Path Circle: Water, sewer, drain, gravel base, pavement, bituminous concrete berm, sidewalk, concrete bounds.
- (t) Civita Lane: Base course paving.
- (u) Highland Terrace: Water
- (v) Pearl Street: Drain, sidewalk.
- (w) Burke Drive: Drain, water, sewer.
- (x) Pacella Park Drive: Sidewalk.
- (y) Northfield: Himoor Circle, Overlook Road, Marion Street: Fire Alarms.
- (z) York Avenue: Drainage.
- (aa) Althea Park: Pot hole repair, hydrant repairs, fire alarms.

- 2. Conservation Commission: Reviewed and made recommendations on twelve "Hatch Act" permits; conducted final inspections for 31 Certificates of Compliance on Permits; reviewed revisions to four permits; made weekly and sometimes daily inspections on 48 Active "Hatch Act" permits.
- 3. Highway Department: Provided survey and layout for the reconstruction of Martin, Stevens and Brookside Terraces; designed and layed out drainage on Collins Avenue and South Windemere Avenue; provided survey and layout for retaining wall, curbing and sidewalk at Cedar Avenue and Oak Street; marked out the centerline and started survey and design work for the reconstruction of Canton Street from Old Street to High Street.
- 4. Other: Consulted with the Federal Emergency Management Agency (FEMA) on the updating and revision of the Town Flood Insurance Maps; assisted in the preparation of the new precinct maps; prepared plans required for the land taking at North and North Main Streets and the donation of land by Good Brothers at the intersection of North Main Street and along Warren Street; continued design and survey work for the sale of house lots on Desmond Avenue and Restarick Avenue; prepared cost estimates for Articles for the Town Meeting.

Lot Grading Fees collected and turned in for 62 single family, 60 duplexes, 3 business, 6 industrial and 2 multi-family projects were paid to the Town Treasurer for the year 1985 and amounted to \$4,862.91.

Respectfully submitted,

Thomas W. O'Dea, P.E. TOWN ENGINEER

REPORT OF THE HIGHWAY DEPARTMENT

I respectfully submit my report for 1985–1986. We have completed a few more projects and some sidewalk work on Warren Street, Cottage Street and Cedar Avenue. Resurfaced Thayer Circle, Desmond Road and Flintlocke Road, along with rebuilding a few manholes and catch basins.

Reclamation and bituminous concrete and berm on Stevens Terrace, Martin Terrace and Brookside Terrace, including drainage improvements, has been completed. Also, Pond Street, West Street, Windemere Avenue, Cole Terrace and Shirley Terrace also had drainage extended and improved.

We will be concentrating on Canton Street and Pond Street this year and possibly Lafayette Street. We are also planning more sidewalk improvements on Liberty Street and South Main Street.

Hurricane Gloria set us back about five weeks cutting and cleaning away brush and trees. We hoped we helped homeowners who had tree problems by picking up most all that was put out, some had no other way of getting it taken care of. We cleaned about every street in town and more needs to be done in Belcher Park this winter and spring.

I thank the men in my Department for their cooperation and welcome the new men and thank all other town departments for their cooperation.

Respectfully submitted,

Henry J. Rota HIGHWAY SURVEYOR

REPORT OF THE BOARD OF REGISTRARS

A total of 16,421 registered voters were on file for the year 1985 and, by precinct, the number of those registered was as follows:

| Precinct No. 1 | | 2,945 |
|----------------|---------|-------|
| Precinct No. 2 | | 3,145 |
| Precinct No. 3 | | 2,463 |
| Precinct No. 4 | | 3,205 |
| Precinct No. 5 | | 2,754 |
| Precinct No. 6 | <i></i> | 1,909 |

The Registrar's 1985 Street Listing totaled 28,826 individuals.

| 1 day old through 16 | | | | | | | | | | 5,730 |
|----------------------|--|--|--|--|--|--|--|--|--|--------|
| Age 17 through 21 | | | | | | | | | | 2,694 |
| Age 22 through 59 | | | | | | | | | | 15,173 |
| Age 60 and over | | | | | | | | | | 5,229 |

Information on dogs in each household was collected and put on file.

Initiative Petitions, Nomination Papers and Absentee Ballots were received and certified by the Registrars.

Extra sessions and night sessions for the town elections were held in accordance with General Laws.

"Persons Listed" books, "Voters Lists," "Supplementary Lists" and "Drop Lists" were compiled and computerized during the year.

Respectfully submitted,

A. Rena Thayer, Chairman Lillian A. Brown, Associate Member Raymond DeRosa, Associate Member Joan Ward, Town Clerk

BOARD OF REGISTRARS OF VOTERS

REPORT OF THE CONSERVATION COMMISSION

Under the provisions of M.G.L. Chapter 131, s40, Wetlands Protection Act, 12 new Orders of Conditions were issued. 31 Certificates of Compliance, 4 revisions to existing permits were acted upon. Making a total of 50 active permits through the calendar year.

Fees collected and turned over to the Town Treasurer were \$2,500.88. The Board is still concerned that the State Water Resources Commission has not seen fit to complete the Norroway Brook Diversion Project. Research and investigation has been done in the areas of herbicide applications and water supply quality. Little has been done in maintenance of the Conservation Open Space Areas because of the lack of a budget appropriation.

Respectfully submitted,

Mary C. McNeil, Chairman CONSERVATION COMMISSION

REPORT OF THE BUSINESS AND INDUSTRIAL COMMISSION

During the past year the Business and Industrial Commission has taken an active roll in bringing new Business and Industry to the Town. We have participated in many conferences in regard to Industrial Bond Financing and have put together and participated in many marketing packages.

New construction and new industry is being built in Pacella Industrial Park, York Industrial Community and East Randolph Industrial Park.

"New Industry - New Jobs"

The Business and Industrial Commission would again like to thank all Town departments for their cooperation and help throughout the year.

Respectfully submitted,

Herbert A. White, Co-Chairman
Joseph Marotta, Co-Chairman
Stanley M. Rice
Marnold Tagrin

REPORT OF THE CHAPTER 40A ZONING COMMITTEE

There have been two meetings of the Committee in 1985 to review the State Statutes in regards to mandated zoning provisions.

The Board will offer several proposals to the 1986 Annual Town Meeting to bring the Zoning By-Laws into conformity with State requirements.

Members Ellin, McNeil, O'Dea and Romano attended both meetings, Mr. Rintone did not.

Respectfully submitted,

Melvin Ellin, Chairman CHAPTER 40A ZONING COMMITTEE

REPORT OF OPEC

The Town of Randolph is in the process of completing the retrofitting of the recommendations of the first energy grant audit. At this time we are proceeding with the work authorized by our second grant. At this writing we have completed all the work as authorized at the Veterans Building and work is nearly complete at the Town Hall.

In addition, we have provided both technical assistance and some materials to the Auxiliary Police, Highway, Sewer, Recreation and Library departments.

We are grateful for the continued support of the Randolph Kiwanis who sponsored the elementary school pupil poster contest. With the continued cooperation of Mr. Ron Lovett, social studies coordinator of the Randolph school system, the poster contest winners for the best submission utilizing energy conservation as its theme were as follows:

REPORT OF THE BUILDING INSPECTOR

I hereby respectfully submit the Annual Report for the Town of Randolph Building Department for the year ending December 31, 1985.

BUILDING PERMITS are as follows:

| Single Family dwellings | 66 |
|--------------------------|----|
| Duplex dwellings | 62 |
| Additions to dwellings | 53 |
| Alterations to dwellings | 41 |

| Demolitions of dwellings | 6 |
|--------------------------------------------|-----|
| Coal/Wood Stoves | 26 |
| Garages | 11 |
| Relocation of dwellings | 1 |
| Re-roof | 35 |
| Residing of dwellings | 32 |
| Solar panels | 1 |
| Storage sheds | 18 |
| Sun decks | 29 |
| Swimming pools | 49 |
| A 1111 | 2 |
| Additions to places of business | 2 |
| Business/Industrial new construction | 10 |
| Renovations/alterations to | 1.1 |
| business/industrial | 11 |
| Multi-family dwellings (total of 65 units) | . 2 |
| Temporary Tent permits | 7 |
| Occupancy Permits granted | 121 |
| Periodic Inspections of Places of Assembly | 129 |
| Sign Permits | 26 |
| 2-0 | |
| TOTAL | 477 |
| | |

The sum of \$77,357.73 was collected by the Department and deposited with the Town Treasurer.

The probable cost of construction above land as submitted on permit application is \$21,899,400.00.

The Building Commissioner's calculation of total at completion of work is \$27,374,250.00.

Respectfully submitted,

George A. Fabrizio BUILDING COMMISSIONER

REPORT OF THE WIRING INSPECTOR

I respectfully submit the Annual Report of the Wiring Inspector's Office for the year ending December 31, 1985.

A total of 457 Electrical Permits were issued by this Department for this year.

Permits were for the following:

| Air Conditioners | 3 |
|----------------------------------------|-----|
| Burglar Alarm Systems | 3 |
| Business/Industrial (renovations) | 21 |
| Business/Industrial (new construction) | 11 |
| Electrical heaters | 2 |
| Electric ranges | 2 |
| Emergency lighting devices | 1 |
| Fire repairs | 1 |
| Municipal | 2 |
| New Homes | 133 |
| Oil Burners | 3 |
| Residential remodel work/additions | 83 |
| Service changes | 107 |
| Signs | 4 |
| Smoke detectors | 3 |
| Swimming Pools | 42 |
| Temporary service permits | 20 |
| Vinyl siding | 1 |
| | |
| Storm damage: Hurricane Gloria | 15 |
| | |
| TOTAL | 457 |
| | |

During the years from 1980 to the present, there has been a steady increase in electric permit application. This increase in work-load is reflected in the 4.5% increase over last year's applications.

In addition to the issuance of each permit, a site inspection is required at a preliminary state (rough inspection), and when the service from Massachusetts Electric is needed (service inspection), and at the completion of work (final inspection). Because the town is required to respond to requests for inspection within a specified time frame, there have been times when the Assistant Wiring Inspector and I have been working many hours each day and night during the busy part of the building cycle.

Because of the increase in the number of fraudulent applications and work in our area, the State Board of Electrical Examiners have requested that the person applying for the permit provide proof of identity by producing an electri-

cal license and driver's license prior to filing the application. This policy was effective August 1, 1985.

Also, in light of problems resulting from homeowner applications in the neighboring towns, as well as Randolph, I am considering requesting the Board of Selectmen to allow me to discontinue such permits in the near future in the Town of Randolph.

For this year a sum of \$13,514.20 was collected and turned into the Treasurer's Office, an increase of \$988.00 over last year's collected fees.

In conclusion, I wish to take this opportunity to thank my assistant and all Town departments for their cooperation and help throughout the past year.

Respectfully submitted,

Paul J. O'Meara WIRING INSPECTOR

REPORT OF THE HISTORICAL COMMISSION

The arrangement of accommodations at the Turner Library has continued throughout the year and the basement has been designed to accommodate the shelving, cabinets, desks, map tables, wall exhibits, safe and storage, all of which were cramped into the single room at the old Granger Building.

It has been the labour of the Commission to have the larger items, such as maps and newsprint, laid out for lamination preservation. Lamination has been done on a limited basis through the use of the machine at the High School but for newsprint-sized paper we had to have this done commercially. With the purchase of our own lamination machine, however, it will be possible to take care of the multiple uses of this facet of our work. This machine will be added to the Commission's office at the Turner Library.

The generation of interest in old pictures, newsprint and historical background has resulted in donations of much of this material which is now in the process of being preserved. This labor is donated so that it has to be programmed and is subject to individual calendars.

One newspaper, 200 years old, requires careful treatment and special preservation. Old town records likewise need careful trimming and treatment.

The Commission continues to receive inquiries concerning family backgrounds and history. Since Randolph has never had a geneological society, all such inquiries now come to the Historical Commission and we have had letters from California, Michigan and Texas, as well as from closer communities asking for help in finding family roots, old residences and burials. Many of these questions can be researched and answers given but some are naturally impossible to be developed.

We have been pleased to have communications with the descendants of the DuBois family now living in North Carolina and they have contributed a book made up from the diary of the original member of this family who founded and operated the general store/livery/hotel in the home on South Main Street which is now the American Legion. This volume gives quite an interesting insight into the life, customs and day-to-day happenings in the early period of the last century. It has been added to the Turner Library.

The recent addition of a new local newspaper, the MARINER, has aroused an interest in the presentation of historical stories, pictures and discussion about old times in Randolph, and we hope to continue to supply the publication with samples of our voluminous collection.

Vandalism to our historical cedar-crafted signs has caused us to rethink our setting of these lovely items. We have 10 such signs in different parts of town. In conjunction with Mr. Henry Rota of the Highway Department, we made a canvass of the Town and have found an ideal solution to the preservation/longevity concern for these historical signs by replacing them with glacial boulders whose face is flat. These granite boulders will be engraved with the identity notes presently inscribed on the wood signs, and it is felt that they will outlast the vandals and stifle their destructive bouts.

The Oakland Cemetery sign is the first to be replaced since this area seems to be the focus of the vandals' interest and attention. Subsequently, the one at the former Randolph Depot will be done as soon as there is a resolution as to the relayout of Warren Street.

The Commission has been most interested in the surge of attention being addressed to the refurbishing of Main Street homes and the tremendous amount of time and expertise that has been evident in the removal of years of paint and the replacement of new paint at several of the outstanding examples of beautiful old homes. This has been especially noticeable in the restoration work at the Seth Mann II Home for Elderly Ladies, at the Wilde home, at the Cartwright Funeral Home, at the Henry A. Belcher Mansion, and at the Benjamin Mann home on the corner of North Main and Oak Streets. All of these homes have been included in the Massachusetts Historical register.

The Commission would like to remind all Townspeople of the availability of having their old homes, those dating back to the 1800's, included in the Historical Register of the Town and the Commonwealth. The details of this research can be obtained by contact with any member of the Commission.

Respectfully submitted,

Raymond P. MacGerrigle, Chairman
Stella Krupka, Secretary
Marie Carr
David Doyle

George H. Sullivan, Jr.
John F. Toomey, Jr.
HISTORICAL COMMISSION

REPORT OF THE STETSON SCHOOL FUND

This year the Trustees of the Stetson School Fund were proud to present the first Paul W. Flynn Memorial Scholarship. This Scholarship will be presented annually to keep the memory of Paul W. Flynn alive to a senior displaying excellence in history.

Maintenance of the building by changing from janitorial management to a cleaning service has proved successful. Modernizing of the ladies' restroom has been completed.

To enhance the beauty of our Town Hall, we have purchased additional holiday lighting and decorations. For the July 4th celebration, newly purchased bunting and flags "furled" over our building.

We look forward to meeting on a regular basis to continue the process of maintaining this historical landmark. Plans for the upcoming year include refurbishing the Cupola, professional refinishing of all Veterans' Plaques, reconditioning windows, painting and carpeting of the GAR Hall and contracting for bi-annual window washing.

It is with deep regret that we announce the passing of Robert Sloan who had served as an interim custodian.

The Board of Trustees wishes to thank the following for their cooperation and dedication during the year: Board of Selectmen, Tree Warden, Highway

Department, Town Engineer, Fire Department, Henry L. Lowd, Executive Secretary and Town Accountant and his staff, and Walter Martin. Special thanks and appreciation to our loyal secretary, Ms. Margaret Burke.

Respectfully submitted,

Ronald Berkowitz, Chairman John J. Rooney, Sr., Vice Chairman Gail Flynn, Clerk BOARD OF TRUSTEES STETSON SCHOOL FUND

REPORT OF THE TRUSTEES TURNER FREE LIBRARY

1985 marks the 110th year of continuous service that the Turner Free Library has provided to its Community, and it is our desire and goal to continue this service for many years to come.

This year more than ever we have noted increased use of the library by young and old alike. This includes increases in circulation, programs and story hours as detailed in the accompanying report of Mr. Charles Michaud, our Director.

The building and its physical plant have been maintained in good condition under the constant observation of the Building Committee and the daily supervision of Mr. Michaud. Improvements this year include replacement of the badly worn carpet on the main floor with heavy duty commercial carpeting. This new floor covering has a special resilient backing to assure long life and low maintenance costs.

In addition, we were able to improve landscaping by replacing many shrubs and trees that had died or been vandalized during the past 19 years. Also, due to the kindness of Mr. Henry Rota in repairing sidewalks and drainage around the building, we were able to eliminate a water problem in our basement.

This year we will be asking for support at Town Meeting for an Article we have placed in the Warrant for funds to let us take the first step to join the Old Colony Library Network which consists of a group of surrounding towns. This will involve a centrally located computer. One of the many advantages of join-

ing the Network is to make available to our patrons not only the 50,000 volumes in our own collection but the over 2,000,000 volumes available to us in the Network. With this computerized system we can determine instantly the location of a particular item and make it available to our patrons on very short notice. Many Massachusetts libraries are now members of these computerized networks and we hope that the Turner Free Library will be able to join them very soon.

The Trustees wish to thank the Friends of the Turner Library for their donation of a sound filmstrip projector to the Children's Department, and for their continued support throughout the year.

In addition, we offer our thanks to the Library Volunteers for their many hours of valuable service, and to the Library Staff for their extra effort in removing and replacing furniture, fixtures and books during the installation of our new carpet.

Finally, we extend our appreciation to all Town officials and departments for their cooperation in assisting us to provide a high level of service to the Community.

Respectfully submitted,

333.47

David D. Doyle, President BOARD OF TRUSTEES TURNER FREE LIBRARY

REPORT OF THE DIRECTOR TURNER FREE LIBRARY

"Active" is the one word that best describes the Turner Free Library during fiscal year 1985 (July 1, 1984 – June 30, 1985).

That activity was reflected in the increased amount of material borrowed from the library. Over 8,700 more items circulated from the library during fiscal year 1985 than during the preceeding year, an increase of 6%.

Circulation records show that 92,318 adult books and 44,193 children's books were borrowed from the library. Over 5,000 magazine issues were borrowed as were almost 15,000 audio recordings. The new "books on cassette" were especially popular. Completing the items circulated by the library were 103 art reproductions, 82 museum passes and 43 cameras. A total of 156,540 items were loaned from the library during the past fiscal year.

Circulating books and other material was only one way the library was active during the past year. Several different programs, both for children and adults, were offered by the library.

A special visit to the Children's Room by Mother Goose began a series of programs for children that included folk-singer/storyteller Willy Claflin and holiday storyteller Jean Tibbils. During the spring a special film series — appropriately called Junior Masterpiece Theatre — was shown for children. In June, 130 kids attended a Teddy Bear Picnic and 156 participated in the summer reading program with 62 reading 10 or more books.

Story hours for children at the library have always been popular. Children's Librarian Elaine Weischedel conducted 100 story hours during the past year, 28 more than in the year preceding, and the number of children attending nearly doubled, increasing from 1,025 to 1,984.

Adult programs included two well attended travelogues, "Seeing Israel Like a Native" with Shimon Seidenman of El-Al, and "Seeing Ireland Like a Native" with Brendan Rogers of the Boston Irish Consulate. Paul Lopes, horticulturist from the Norfolk County Extension Service, presented programs on lawn maintenance and landscaping principles. Graphoanalyst John J. Swanson spoke about "Secrets Your Handwriting Reveals."

We wish to thank the Turner Library Friends and the Massachusetts Arts Lottery Grant for funding some of these programs.

Free tax assistance was available for senior citizens from VITA volunteers who were available twice each week at the library during tax season. Again the VITA coordinator reported that the Turner Free Library was one of his program's busiest sites on the South Shore.

During the past year 2,042 new adult library cards and 405 new children's library cards were issued.

In September 1985 the main floor of the library was recarpeted and the Turner Free Library opened Sunday afternoons for the first time in its 111 year history. The Turner Free Library's regular schedule starts the first full week after Labor Day and the library is then open 9:00 A.M. to 9:00 P.M. Monday through Wednesday, 9:00 A.M. to 5:00 P.M. Thursday through Saturday, and 1:00 to 5:00 P.M. Sunday. This schedule continues in effect until Memorial Day weekend when the summer schedule begins. During the summer the library is open Monday and Wednesday 9:00 A.M. to 8:00 P.M., and Tuesday, Thursday and Friday from 9:00 A.M. to 5:00 P.M. The library is closed weekends during the summer.

In closing, I wish to thank the many people without whose assistance and effort the library could not have been as active as it was. I want to thank Mary Tynan, the library assistant director, and the entire library staff. I also want to thank the many devoted library volunteers who have given us so much of their time and to let them know they do make a big difference to how well the library runs. I also want to thank the Turner Library Friends for the many fine ways they have helped the library during the past year.

Finally, I want to thank the Turner Free Library Trustees for their encouragement and support.

And most important, a special thanks to all those people who have used the Turner Free Library during the past year and who are truly responsible for making us so active a place.

Respectfully submitted,

Charles A. Michaud, Director TURNER FREE LIBRARY

REPORT OF THE RANDOLPH HOUSING AUTHORITY

Since our last report for the Annual Town Report was written in 1984, the Randolph Housing Authority has continued to manage 236 units of elderly housing in Randolph. We have had a very busy year with the Russell F. Thompson, M.D., Memorial Community Center for all of our senior citizens of Randolph.

The Randolph Housing Authority is also participating in the 707 Rental Assistance Program for moderate income families under the Department of Community Affairs of the Commonwealth of Massachusetts. We presently

have 15 family units subsidized under the 707 Rental Assistance Program. Wee are hopeful of constructing more elderly housing apartments in the future. However, the recent financial crisis of the Commonwealth of Massachusetts, together with the emphasis of rehabilitation of existing dwellings in our larger cities by the Executive Office of Communities and Development has slowed down the program of construction of new elderly housing developments im Massachusetts.

The Randolph Housing Authority has had an active year supporting M.B. Associates who have completed a new elderly housing complex off of Highland Avenue in Randolph and the Hebrew Rehabilitation Center for the Aged who have completed a new elderly housing complex on the site of the Boston School for the Deaf on North Main Street, Randolph.

We have worked closely with M.B. Associates and the Hebrew Association on Aging and have provided them with all necessary information concerning our applications to assist them with their applications for financial assistance from HUD. We are quite pleased that the Town of Randolph has two new housing for the elderly developments constructed with HUD moneyy at a time when Federal money is very scarce for housing.

The Randolph Housing Authority members are proud of their accomplishments since the start of the program in 1965 and have worked diligently to bring much-needed housing to the people of Randolph and to satisfy the requirements of our elderly citizens.

We would like to extend our thanks to the Board of Selectmen and other officials of the Town whose cooperation and assistance have been invaluable.

At this time we would like to thank State Representative John Flood of Canton and Randolph, State Senator Joseph B. Walsh of Dorchester, and State Representative M. Joseph Manning of Milton for their continued support of the Randolph Housing Authority and its aims and purposes.

Respectfully submitted

James W. Brennan, Chairman Henry J. Rota, Vice Chairman Edward C. Hoeg, Treasure Ruth E. Walsh, Assistant Treasure Joseph J. Zapustas, Secretary Joseph R. Welch, Executive Directo

RANDOLPH HOUSING AUTHORITY

REPORT OF THE DIRECTOR OF ELDER AFFAIRS

On May 15, 1985 Mr. James W. Brennan, the Director of Elder Affairs, retired and I was appointed Acting Director by the Board of Selectmen. I have been Acting Director since that date.

I applied for a grant from the Commonwealth of Massachusetts Department of Elder Affairs and this grant, in the amount of \$8,143.00, was approved for fiscal year 1986. This money must be used for specific programs for the senior citizens of Randolph.

I have also applied for a \$10,000.00 grant from the State Department of Elder Affairs to be used for transportation. Because the amount available is to the cities and towns, I am not sure if this grant request will be approved.

The following are activities offered the senior citizens:

- A. Free bowling every Thursday afternoon at 1:00 P.M. at Woodlawn Bowlarama.
- B. Free bus trips to center of town twice a week, stopping at strategic locations.
- C. Free taxi service to all doctor and dentist offices in Randolph only. The senior citizen must call two days in advance of their appointment.
- D. Mrs. Cornelia M. Wilkins, an outreach worker servicing the senior citizens at home.
- E. Mrs. Eva DeCota conducts live dancing weekly at the recreation center at the Elderly housing on North Street.
- F. Every two weeks the Turner Library sends a librarian to the three senior housing projects to lend books to the tenants.

In October the MBTA came to Randolph to issue picture card passes to over 250 senior citizens. This is done once a year.

In November I conducted a picture taking for over 300 senior citizens to obtain their permanent Randolph Senior Citizens card. This will be held twice a year in 1986.

In December a Christmas Party for over 600 Randolph seniors was held at the Lantana. Maurice and Joan Hart, owners of the Lantana, sponsored this event as they have for so many years and I wish to thank them publicly for their continued generosity.

From October to December I processed over 2,000 applications for the Silver Pages, a book being published by Southwestern Bell in Missouri. These books will cover all Norfolk County listing service and social agencies and businesses that grant Senior Citizens discounts.

The Board of Health again provided free Flu shots and weekly Blood Pressure Clinics.

This office started the Fuel Assistance Program for seniors in October and this is an on-going activity. Last winter more than \$300,000.00 in fuel assistance money was channeled into homes in Randolph.

I have attended senior citizen meetings of all senior groups, Trilling House dedication of Flag Pole and grocery store, and monthly Council on Aging meetings.

We were all saddened by the death of Ben Goodman, a member of the Council on Aging. I wish to acknowledge and thank President Virginia Lind for her years of service to the Council. Mrs. Lind retired in December. She will be missed by all members of the Board. We welcome the two new members of the Board, Attorney Tom Sullivan and Helen McNeeley, who were recently appointed by the Board of Selectmen.

In closing, I wish to thank the Board of Selectmen, Executive Secretary Hank Lowd, and other Town officials for their help and assistance during the past year.

Respectfully submitted,

James M. Hurley ACTING DIRECTOR, ELDER AFFAIRS

REPORT OF THE VETERANS' AGENT AND DIRECTOR OF VETERANS' SERVICES

Veterans and their families, by service to our country, have earned a wide range of benefits. The goal of the Veterans' Service Department, Town of Randolph, is to provide these benefits as efficiently and as promptly as possible.

For information or assistance in applying for Veterans' Benefits, call or visit the Veterans' office at One Turner Lane.

Special legislation has been provided for Prisoners of War and Vietnam Veterans to insure them of meeting their physical, emotional and educational needs.

The aging veteran is faced with critical health care problems. There are presently over 10 million veterans of WWII over 65 years of age and by the year 2000 this number will triple. Therefore, we must insure that our VA hospitals and Nursing Programs are maintained to meet the needs of our WWII veterans.

During the past year a total of \$2,554,900.00 in VA Federal money from all VA Programs was disbursed to the veterans, widows and children in the Town of Randolph. According to VA figures, there are presently 4,377 veterans from all wars living in Randolph.

The average age of the Vietnam Veteran is 37, Korea Veteran 53, WWII 63 and WWI 88. These statistics were recently released from the Veterans Administration.

The Veterans' Benefits program under Chapter 115 of the General Laws of the Commonwealth is a privilege available to these veterans who meet these three major requirements: honorable discharge in time of War, worthiness and need. This Department acts as the disbursing agency for this type of assistance and is reimbursed 75% by the Commonwealth of Massachusetts.

Thirty new nylon flags and poles were put in place for the first time in North Randolph on July 4th. I wish to thank the Veterans of Foreign Wars Post Randolph for purchasing these Town flags and Henry Rota, Highway Supt., and his men for installing the poles along the Main Street. There are now 72 flags put out on various Holidays during the year by the Boy Scout troops of the First Congregational Church, First Baptist Church, and Cub Scouts of St. Mary's Church.

It is a great honor to the Town of Randolph to have former Post No. 51 Commander Robert Medairos elected National Commander of the Amvets. Bob is now serving his term and he had the privilege to conduct the annual veterans' day ceremonies at Arlington National Cemetery in Washington in November. Amvet Post No. 51 Commander Joyce Murphy and the Color Guard from the Randolph Post were the official Color Guard for the ceremonies. Commander Bob escorted the President to the Veterans' Day services.

In closing, I thank the Board of Selectmen, Executive Secretary Hank Lowd and Mrs. Claire Skiffington, my secretary, for their help this past year.

Respectfully submitted,

James M. Hurley VETERANS' AGENT & DIRECTOR OF VETERANS' SERVICES

REPORT OF YOUTH COMMISSION/STAFF

The Randolph Youth Commission and Youth Staff herewith submit their annual report for the year ending December 31, 1985. As a service/activity oriented prevention agency, the Youth Commission became involved in a number of endeavors pertaining to the mental, social, and physical health of the Town's youth and their families. In the implementation of any program, the Youth Commission has the following objectives in mind:

- a) To provide alternatives to delinquint behavior by developing creative programs to meet social, educational, vocational, psychological and/or recreational needs of young people;
- b) To assess and respond to the needs and concerns of Randolph teenagers and their families through active outreach efforts;
- c) To create a better understanding about youth among adults, particularly between parents and their own children;
- d) To help the youth of Randolph to articulate and meet their own needs;
- e) To bring about a clearer understanding of services and activities available to youth by agencies already serving Randolph.

In 1985 the Youth Staff worked with, among others, police, court, school, and area social service personnel. They provided individual and family counseling, vocational counseling and placements, academic tutoring, organized and supervised youth activities, were resources for information and referral, and were called upon in numerous crisis intervention situations, including direct involvement with school drop-outs, runaway cases, teenage rape victims, cases of attempted suicide, teenage pregnancy, and child abuse, as well as cases of problems resulting from alcohol and/or drug abuse.

Under the direction of part-time Youth Center Director Ben Jones, the Youth Center (10th Anniversary) continues to provide teenagers with a supervised place to meet and participate in various constructive activities. Renovations continued to be made at the Lafayette Street facility in 1985, including the replacement of all doors and windows, a considerable amount of finish work, new upstairs ceiling, and the additions of emergency lighting, smoke alarms, outdoor basketball facility, cable television, and a new 25" color television. These improvements were all made possible as a result of the money raised by the annual Halloween Haunted Houses. We plan to request additional funds at the 1986 Annual Town Meeting in order to increase the open hours at the Center from the current 10 hours/week to 19 hours/week, to replace the floors, and to modernize the lavatories.

An on-going Youth Employment Service (which referred numerous teenagers to full-time, part-time, and odd jobs throughout the year), and Drug Education Workshops (in conjunction with the Randolph Police Department), which were made available to parents, teachers, and elementary and junior high school students, were among the programs and activities sponsored by the Youth Commission during the past year.

The Commission continued to meet on the second and fourth Tuesday of the month at the Youth Office, located in the Corkin Building at 19 North Main Street. In June we welcomed Eleanor Previti as the newest member of the Youth Commission. During the summer the federally funded CETA Youth Employment/Training Program (employing nearly 100 Randolph teenagers in community service work) utilized the Youth Center facility on Lafayette Street, as did a 4-H group and various other community groups throughout 1985.

In our 1984 report, we noted that, with the resignation of the Town's Director of Elderly Affairs we submitted a proposal to the Board of Selectmen recommending the creation of a Human Services Director position by combining the position of Youth Services Coordinator with the vacant position of Director of Elderly affairs. In late spring of 1985 the Board of Selectmen voted to combine the Director of Elderly Affairs position with another Town position. We believe this is a progressive and fiscally responsible consolidation. However, at this writing the Board of Selectmen remains split in its decision regarding the creation of a Human Services Director position (i.e. combining youth and elderly).

In proposing this idea our primary goal is to improve, expand and increase services and programs that are currently being offered to the senior citizens and young people of the Town. Mr. Maloof possesses the educational background, qualifications, skills, abilities and experience working with our young people and our senior citizens necessary to attain this goal by effectively administering a Human Services position for the Town of Randolph.

The Youth Commission takes this opportunity to thank all Town Departments, the Business community and the townspeople for their cooperation and encouragement throughout the year. A special thanks to the Board of Health, the Randolph Knights of Columbus and the Junior Ladies Library Association of Randolph for their continued support in 1985. We look forward to working with and on behalf of the Town's youth and their families in 1986.

Respectfully submitted,

Joe Previti, Chairman Mary Rooney, Vice Chairman Janice Graziano, Clerk Neal Condlin Chuck Fay Paul Porter Ellie Previti

REPORT OF THE BOARD OF RECREATION

Recreation for young and elderly, whether exercising or participating in games, is an outlet during leisure time to develop one's mind and body.

The Recreation Committee is always striving to better the program and is open for suggestions from any person in the town, careful consideration will be given to all.

This past year the swimming pool unfortunately had many malfunctions and the School Department tried very hard to solve the problems. I realize that many people and children were inconvenienced and the Recreation Committee hopes that the solutions have been found.

Again, I can't stress too often to the people in the town to take advantage of the various programs that the Board sponsors. There is a great variety to meet your pleasure.

The summer sessions were well attended and the playground had good attendance. The Fall and Winter programs are mostly adults and as usual good in numbers.

The skating rink is making repairs to prevent insurance liability which is a major problem in every town and city. We work with the Town officials and accept their ideas, especially concerning safety.

The St. Colletta's Day School program during the summer for the exceptional children is always a joy to see — those youngsters waiting for the bus to bring them to Braintree in the morning. The price for tuition is up again for next summer. An article has been submitted to the Town Meeting members for their vote. This is a worthy cause and I hope that it has a favorable vote.

Since the last report the Board lost two fine gentlemen. Robert Williams who died many months ago and Edward Hoeg who resigned recently. These two men gave their time and effort, always to better the needs for the citizens of Randolph. Robert Williams always sought out methods to uplift the recreation programs.

Edward Hoeg has been a Board member from the beginning. He has always been interested in the Town, watching it grow and seeking an outlet such as recreation for the children and adults in the Town. I can remember the many hours Mr. Hoeg and I put in going all over the state checking skating rinks to prepare the Recreation Board with ideas for the Randolph Skating Rink which was open in October 1972. Mr. Hoeg was open minded on all issues and very sharp on figuring budgets, etc. These two men will be sorely missed by the Board.

Filling the vacancies, the Selectmen appointed John Mariani and Thomas Lund. These two people have good qualifications and expertise in the recreation field.

I wish to thank all the people that help the Recreation Board: the Selectmen, Finance Committee, Police and Fire Departments, Highway Department, Water Department, School Department, and Mr. Henry Lowd, whom we call on for information. To the Town Meeting members for your confidence in the Board regarding our budget.

Last but not least, the people of Randolph who partake of the recreation activities, and I'm hoping for greater numbers next year.

Sincerely,

Joseph J. Zapustas
DIRECTOR OF RECREATION

REPORT OF THE TOWN CLERK

It is with pleasure that I submit my third annual report to the Town. 1985 was a busy year for the Clerk's office with an election in March, eight sessions of Town Meeting, a Special Town Meeting in March and a Special Town Meeting in April. We continue to upgrade all election procedures and apply for all reimbursements for elections that are mandated by the Commonwealth.

We welcome to our staff this year Loretta Owens as Assistant Town Clerk and send our best wishes to long time employee Freda Fox who retired in December.

Joan F. Ward CMC TOWN CLERK

REPORT OF THE TOWN TREASURER

The Town of Randolph continues to maintain a strong position in the financial community. We have tried to keep the borrowing to a minimum which also reflects a large decrease in the amount of the interest paid.

As a result of our tax dollars being invested to bring in the most interest, in the year 1985 over a half million dollars was made in interest on our investments.

This year I have brought in \$159,734.00 in delinquent taxes and will continue this endeavor as long as it is necessary to bring in all that is owed to the Tcwn. This office sponsored another ADP workshop in our continuing efforts to streamline our payroll process. A Stress Seminar was held this year to help people handle the day to day problems that arise in the work place.

I attended another training session in order to become a certified Massachusetts Municipal Treasurer.

My sincere appreciation to my staff, the Town Accountant and all the Town departments for their ongoing cooperation.

Respectfully submitted,

Joan F. Ward TOWN TREASURER

Joseph Galvam Edward G. Daly Ronald Preble BOARD OF ASSESSORS

REPORT OF THE TOWN COLLECTOR

Since my last report, many changes have taken place in our operations which have streamlined office procedures enabling us to reduce accounts receivable while continuing our usual competent and courteous service to all of our taxpayers.

We have continued our aggressive use of the legal system to remove all but the current tax year and one previous year outstanding on real estate tax accounts. We have added over \$525,000 to the tax title accounts assigned to the Town Treasurer for collection. It is now the responsibility of that office to proceed with foreclosure action against chronic delinquents.

We recently removed the years prior to 1981 from our active inventory of personal property taxes. During the past year about half of the many businessmen who have not paid this tax for several years were visited at their place of business. They were advised that the next contact would be from the Quincy District Court where legal action would be started against them. After the remainder of the visits are completed, the necessary legal documents will be filed with the court.

The legislature recently passed a law accelerating the issuance of a demand for payment of a motor vehicle excise tax from 60 days to 30 days after issuance of the initial bill. As a result, unpaid excise tax bills are in the hands of a deputy collector that much faster. When a warrant for collection is issued to the deputy, all of the data is included in his computer system and, therefore, all contacts and payments are made directly to him as no reference materials are retained in this office.

In November 1983 we began processing payments on real estate tax bills through our bank and directly to a computer service. It was so successful that we have since included the motor vehicle excise tax bills as well as the water charges and sewer use bills in the system. Residents may now mail any of these bills directly to the bank in the envelopes which we provide.

Also, thanks to Mr. Stanbrook, manager of Shaw's Supermarket, our bills with accompanying checks may be left in the envelope provided at the customer service counter in the Randolph store. Shaw's is open 24 hours daily and from noon until six on Sundays, thereby providing another unique and convenient method by which to remit payments to the town.

For those who must pay by cash or insist on a receipt other than a cancelled check, a cashier is available at our office from 8:30 A.M. to 12:30 P.M. on Monday through Friday. Our staff will also be available until 4:30 P.M. to respond to telephone inquiries. For those difficult matters we are unable to resolve over the telephone, we will gladly arrange an appointment in the morning, afternoon or evening at your convenience.

The 1984 Annual Town Meeting appropriated a substantial sum of money to purchase data processing equipment and related software for in-house use by most town departments. Since that time we have spent many days, possibly weeks, reading proposals, attending meetings, listening to presentations, making visitations — all with the idea of selecting the very best vendor for all concerned. We hope a decision will be made in the very near future as we are anxious to be "on-line" with all of the advantages of instantaneous computerized information.

In closing, I will share my personal philosophy concerning tax collection. That is, those who pay their property taxes, utility bills and user fees should be able to identify those who don't. That is why I want the public and the press to be aware that every record in this office is open for inspection upon reasonable request.

We have gradually shifted the emphasis from processing payments for current bills to seeking out and aggressively pursuing delinquents. Public awareness is an acceptable technique used by federal and state tax administrators which we intend to implement at the local level.

Voluntary compliance with tax laws is achieved only by shedding light on the collection system to insure that every homeowner, resident and business pay a fair share of the tax burden required to operate local government.

Respectfully submitted,

John J. Fitzgibbons TOWN COLLECTOR

REPORT OF THE BOARD OF SELECTMEN

As the year came to a close the future of the Federal Sharing Program remained in doubt. Under the terms of the current program the so-called "alphabetical" programs were, for the most part, eliminated with direct payments to the communities substituted.

In that regard the Town of Randolph has received in excess of \$500,000 annually. However, our recent entitlements have been reduced, and we are faced with the very real prospect that future payments will be eliminated.

Despite the potential reduction of revenue sharing payments, we are confident that we can continue an orderly program of expanded municipal services without adversely affecting the past reductions in residential tax rates that have been achieved. We feel this can be done because of the careful safeguarding of substantial reserves in past years. As a specific example, it should be noted that in Fiscal Year 1986 there was \$2,300,000.00 available in "free cash" which was authorized to fund projects approved by Town Meeting Members. The use of "free cash" did not affect the tax rate. At the close of the fiscal year there was approximately \$1,000,000.00 in this account to fund future programs.

Of the many projects under consideration will be a request for construction funds to implement the traffic signal proposals at various urgent locations. These engineering proposals will be the result of studies funded at the last Annual Town Meeting and will merit your support.

Respectfully submitted,

Gail Bowers, Chairman N. Joseph Previti, Vice Chairman Joseph J. Semensi Paul J. Connors Maureen A. Dunn BOARD OF SELECTMEN

John F. FitzGibbons, Town Collector, receives his certificate attesting to his designation as Certified Massachusetts Municipal Collector at a Selectmen's Meeting from its Chairman Gail Bowers.

ALDO F. LUCA
EXECUTIVE SECRETARY
P.O. BOX 954
GROTON, MASS. 01450

617 448-6626 517 448-6898

Honorable Board of Selectmen Town Hall Randolph, Mass.

Dear Sirs:

We are pleased to advise you that the Collector of your town, John FitzGibbons, by virtue of certification by this Association has earned the designation of Certified Massachusetts Municipal Collector. A certificate attesting to that fact was awarded him on December 12th.

Certification was achieved by having satisfactorily met the testing requirements promulgated by this Association as to experience and schooling, including successful completion of an arduous four day course at the Association's Annual School at U. Mass., Amherst, during each of the past three years.

Courses at the School included such subjects as the law and procedures on collection of property taxes, real and personal; collection of motor vehicle excise; the law and procedures on the pursuit of all delinquent taxes; municipal finance law, cash management, municipal accounting and several other courses designed to increase the expertise of your Collector.

We want to extend our congratulations to you and the citizens of your town for the support given your Collector which culminated in this great honor. It is our hope this support will be maintained to permit continued attendance at our Annual School.

Certification is subject to renewal every five years and is dependent on successful participation in the continuing education program conducted by this Association. We are confident you agree that the better informed and more knowledgeable the public official, the better the community is served.

Sincerely,

Phylles P. Symonds

Phyllis P. Symonds, Collector-Treasurer

EXECUTIVE SECRETARY P.O. Box 954 GROTON, MASS. 01450

617 448-6626 617 448-6898

Honorable Board of Selectmen Town Hall

Dear Sirs:

We are pleased to advise you that the Treasurer of your town, Joan Ward, by virtue of certification by this Association, has earned the designation of Certified Massachusetts Municipal Treasurer. A certificate attesting to that fact was awarded her on December 12th.

Certification was achieved by having satisfactorily met the testing requirements promulgated by this Association as to experience and schooling, including successful completion of an arduous four day course at the Association's Annual School at U. Mass., Amherst, during each of the past three years.

Courses at the School included such subjects as municipal finance law, cash management, investing and borrowing techniques, trust funds, municipal accounting and several others designed to increase the expertise of your Treasurer.

We want to extend our congratulations to you and the citizens of your town for the support given your Treasurer which culminated in this great honor. It is our hope this support will be maintained to permit continued attendance at our Annual School.

Certification is subject to renewal every five years and is dependent on successful participation in the continuing education program conducted by this Association. We are confident you agree that the better informed and more knowledgeable the public official, the better the community is served.

Sincerely.

Phyllis O. Symones. Phyllis P. Symonds, Collector-Treasurer

Town of Pepperell

President, Massachusetts Collectors and Treasurers Association

ONE HUNDRED AND FIFTY-FIRST ANNUAL REPORT REPORT OF THE TOWN COUNSEL

The report of the Legal Department is as follows:

Advice was given and conferences were held with many Town Departments, boards, committees, commissions and individual officers.

Hearings were held before the Appellate Tax Board, the Superior Court, District Courts, Civil Service and other administrative agencies.

Water and Eminent Domain cases brought to a close.

Some Eminent Domain and Easement cases were brought to a close.

A Superior Court zoning case involving a number of abutters was terminated to the satisfaction of all parties.

A Hearing was held before the Appeals Division of the Department of Community Affairs on a zoning matter.

A suit against two Randolph police officers and the Town was disposed of.

Hearings were held on zoning cases involving the Building Inspector and the Board of Appeals.

I would like to take this opportunity to thank the Department heads and employees for their cooperation in the various matters of litigation.

Very truly yours,

William J. Carr TOWN COUNSEL

REPORT OF THE EXECUTIVE SECRETARY AND TOWN ACCOUNTANT

I herewith submit my twenty-third annual report for the year ending December 31, 1986.

As the year comes to a close, final arrangements are underway for installation of a computerized accounting and related system. In that regard, a contractual agreement between the Town and HMS of Atlanta, Georgia was executed by a majority of the Board of Selectmen. This action was taken as a result of the Report and Recommendation of the Computer Study Committee. Said Committee, working with Mr. Sheldon Cohen, Associate Director of Field Services of the Massachusetts Municipal Association as consultant, completed a three-year search and review, both on site and in the field, to provide a state-of-the-art installation. The in-house conversion will be in the capable hands of the Town Collector, Mr. John J. FitzGibbons.

Coordinating the policies required to insure compliance with the State Mandated Triennial Property Revaluation, the Board of Assessors executed a contract with Cole-Layer-Trumble of Dayton, Ohio to be compatible with the HMS installation.

A request for architectural proposals to convert the Stetson School for municipal purposes, in conjunction with an overall study for future needs, has been advertised in conformance with state statutory requirements. The contract was awarded for conversion of the McNeill School as authorized by town meeting action.

The nationwide crises created by widespread and almost universal cancellation of municipal liability insurance was of great concern. However, through the efforts of Superintendent of Schools John Zoino and School Business Manager Richard Coburn and the Randolph Insurance Agents' Association, the Town was able to provide its citizens and officials with the appropriate coverage.

At year end the newly-drawn precinct boundaries and relocated polling places set forth in last year's annual report became operative. These changes were mandated by a combination of factors incorporated into the Massachusetts General Laws as a result of both the Census and Handicapped Regulations. Every registered voter will be provided with an appropriate notice and map reflecting these changes.

I personally am grateful for the support and confidence received from the members of the Board of Selectmen, every Board, Committee and Commission, and the citizen taxpayers of Randolph.

Respectfully submitted,

Henry L. Lowd EXECUTIVE SECRETARY AND TOWN ACCOUNTANT

ANNUAL TOWN ELECTION

March 3, 1986

Pursuant to a Warrant issued by the Board of Selectmen and signed on the 27th day of January, A.D. 1986, and duly posted by Osmond J. Benjamino, Constable, the voters of Randolph assembled on the third day of March, 1986, in the Martin E. Young School for Precinct No. 1, in the Randolph High School for Precinct No. 2, in the Elizabeth G. Lyons School for Precinct No. 3, in the Tower Hill School for Precinct No. 4, in the Devine School for Precinct No. 5, and in Temple Beth Am for Precinct No. 6.

The election paraphernalia was given by the Town Clerk to the Wardens of all precincts and receipts were taken thereof.

The polls were open for the reception of ballots at 7:00 o'clock A.M., and closed at 8:00 P.M.

The returns were made to the Town Clerk from Precinct No. 1 at 8:47 P.M., Precinct No. 2 at 8:50 P.M., Precinct No. 3 at 8:49 P.M., Precinct No. 4 at 8:46 P.M., Precinct No. 5 at 9:06 P.M., Precinct No. 6 at 8:55 P.M. The votes were tabulated by EVM Electronic Voting Machines.

The vote was tabulated by the Town Clerk and the declaration of the results was made at approximately 10:30 P.M. March 3, 1986.

The total number of votes cast in the six precincts was as follows:

| Precinct No. 1 | 668 |
|----------------|-------|
| Precinct No. 2 | 692 |
| Precinct No. 3 | 526 |
| Precinct No. 4 | 757 |

QUESTION 1:

Shall the Town pay one-half the premium cost payable by a retired employee for Group Life Insurance and for Group General or blanket hospital, surgical, medical, dental and other health insurance. Said benefits to become effective July 1, 1986 for payments in fiscal 1987, and shall be paid to those retired employees with a minimum of 20 years service to the Town of Randolph, and who are at least 55 years of age. This benefit also shall be available to those retired employees who are on a disability retirement due to work related injury as established by the current retirement board.

Joan F. Ward TOWN CLERK

A. Rena Thayer, Chairman Lillian A. Brown Raymond DeRosa Joan Ward, Clerk BOARD OF REGISTRARS

^{*} Elected

ANNUAL TOWN MEETING

March 17, 1986

The first session of the Annual Town Meeting was convened at the Randolph High School on Monday, March 17, 1986, at 8:00 P.M. with Moderator Paul Alpert presiding and declaring a quorum present.

The reporter was sworn. The Moderator led the salute to the flag. Father Foley delivered the invocation. A moment of silence was declared in memory of deceased town citizens and employees.

Town Clerk Joan Ward read the Call of the Meeting and Return of Service. All newly elected and re-elected Town Meeting Members were duly sworn.

Mr. Previti, Vice-Chairman of the Board of Selectmen, presented Randolph Medallions to Raymond P. McGerrigle, Richard Wells and Everett Zambernardi.

The Moderator explained rules and procedure. Representative John Flood was recognized.

Mr. Galvin made a motion to adjourn the Annual Town Meeting until the conclusion of the Special Town Meeting. The motion was duly seconded and was carried.

Whereupon the Annual Town Meeting adjourned at 8:15 P.M. until the conclusion of the Special Town Meeting.

SPECIAL TOWN MEETING

March 17, 1986

The first session of the Special Town Meeting was convened at the Randolph High School on Monday, March 17, 1986 at 8:15 P.M. with Moderator Paul Alpert presiding and declaring a quorum present.

Town Clerk Joan Ward read the Call of the Meeting and Return of Service.

ARTICLE 1.

To see if the Town will vote to raise and appropriate, transfer from available funds, or take any other action in connection therewith to appropriate a sum of money to additionally fund the insurance account for fiscal 1986.

As petitioned for by the Randolph Finance Committee.

RECOMMENDED that the sum of \$75,000.00 be transferred from the Revenue Sharing Account therefor.

ARTICLE 1 . . . The Finance Committee moved to transfer the sum of \$75,000 from the Federal Revenue Sharing Account to additionally fund the Insurance Account for fiscal 1986. The motion was duly seconded and there was a short discussion, and the motion was carried UNANIMOUSLY.

ARTICLE 2.

To see if the Town will vote to raise and appropriate, transfer from available funds, or take any other action in connection therewith to appropriate a sum of money to additionally fund the Reserve Fund for fiscal 1986.

As petitioned for by the Randolph Finance Committee.

RECOMMENDED that the sum of \$33,000.00 be transferred from the Revenue Sharing Account therefor.

ARTICLE 2 . . . The Finance Committee moved to transfer the sum of \$33,000 from the Federal Revenue Sharing Account to additionally fund the Reserve Fund for fiscal 1986. The motion was duly seconded, short discussion and the motion was carried. VOTED.

ARTICLE 3.

To see if the Town will vote to acquire by purchase, eminent domain, gift or otherwise, for purposes for which a town way may be used, that certain parcel of land shown as "50" RIGHT OF WAY" on a plan dated August 10, 1972 recorded with the Norfolk Registry of Deeds as plan number 719 of 1972 at Book 4866, page 207, or to take any other action relevant thereto.

As petitioned for by Joseph W. Marotta.

ARTICLE 3 ... WITHDRAWN.

Mr. Dunn moved to permanently dissolve the Special Town Meeting. The motion was duly seconded and the motion to dissolve was carried.

Whereupon the Special Town Meeting was permanently dissolved at 8:20 P.M.

+++++++++

Whereupon at 8:20 P.M. the first session of the Annual Town Meeting was reconvened.

ARTICLE 1.

To hear and act on the report of any Committee and choose any Committee the Town may think proper.

RECOMMENDED.

ARTICLE 1 . . . The Finance Committee moved that all committee reports in the 1985 Town of Randolph Annual Report, as well as any committee reports submitted to the Town Clerk by March 24th, be accepted. The motion was duly seconded and the motion was carried. VOTED.

Mr. Connors made a motion that the committees from last year's Article 1, which show up in the Annual Report this year on page 29, meet and report back to this body: including the Chapter 40A Committee, Computer Needs Study Committee, Communications Study Committee and the Government Study Committee. The motion was duly seconded, no further discussion, and the motion was carried. VOTED.

ARTICLE 2.

To hear and act on the Reports of Town Officers.

RECOMMENDED.

ARTICLE 2 . . . The Finance Committee moved to accept the report of all town officers submitted in the Town of Randolph 1985 Annual Report. The motion was duly seconded and the motion was carried. VOTED.

ARTICLE 3.

To see if the Town will vote to extend the Organization to Promote Energy Conservation for another year.

As petitioned for by OPEC. RECOMMENDATION to be made at Town Meeting.

ARTICLE 3 . . . The Finance Committee moved to extend the Organization to Promote Energy Conservation for another year. The motion was duly seconded and the motion was carried. VOTED.

At this point the Moderator called on Ms. Cestroni, Chairperson of the Finance Committee, for an opening statement. Ms. Cestroni delivered the following opening statement:

"The Finance Committee moves to postpone until the end of the warrant the following articles: 4, 6, 7, 8, 10-17, 19-27, 29-37, 39-45, 47-55, 57-60, 62-79, 81-88, 92, 93, 95-109, 111, 112, 113, and 132-142. The motion to postpone was duly seconded, short discussion, and the motion to postpone was carried. VOTED.

ARTICLE 5.

To see if the Town will authorize the Board of Assessors to appoint one of their members to another office or position under their control in accordance with the provisions of Chapter 36, Acts of 1929, or take any other action relative thereto.

As petitioned for by the Board of Assessors. RECOMMENDATION to be made at Town Meeting.

ARTICLE 5 . . . The Finance Committee moved that Article 5 be accepted as printed. The motion was duly seconded, short discussion, and the motion was carried. VOTED.

ARTICLE 9.

To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning July 1, 1986, in accordance with the provisions of General Laws, Chapter 44, Section 4, and to issue a note or notes as may be given for a period of less than one year, in accordance with General Laws, Chapter 44, Section 17.

As petitioned for by the Board of Selectmen.

VOTED that the Town Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow money from time to time in anticipation of the revenue of the financial year, beginning July 1, 1986, in accordance with the provisions of General Laws, Chapter 44, Section 4, and to issue a note or notes therefor payable within for a period of less than one year, in accordance with General Laws, Chapter 44, Section 17.

RECOMMENDATION to be made at Town Meeting.

ARTICLE 9 . . . The Finance Committee moved to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year, beginning July 1, 1986, in accordance with the provisions of General Laws, Chapter 44, Section 4, and to issue a note or notes therefor payable within for a period of less than one year, in accordance with General Laws, Chapter 44, Section 17. The motion was duly seconded. Short discussion.

Mr. Sullivan made a motion to postpone action on Article 9 until the first order of business on Monday evening, March 24th. The motion to postpone was duly seconded, short discussion, and the motion to postpone was defeated.

There was no further discussion on the main motion and the main motion was carried UNANIMOUSLY.

ARTICLE 18.

To see if the Town will vote to transfer from available funds on hand January 1, 1986 for the purpose of deduction by the Assessors from the amount required to be assessed in accordance with the provisions of the General Laws, Chapter 59, Section 23.

As petitioned for by the Finance Committee.

RECOMMENDATION to be made at Town Meeting.

ARTICLE 18 . . . The Finance Committee moved to transfer from available funds on hand January 1, 1986 for the purpose of deduction by the Assessors from the amount required to be assessed in accordance with the provisions of the General Laws, Chapter 59, Section 23. The motion was duly seconded, long discussion.

Mr. Connors moved that we postpone action on Article 18 until we take up the other monetary articles. The motion to postpone was duly seconded, short discussion, and the motion, to postpone was carried. POSTPONED.

ARTICLE 28.

To see if the Town will vote to petition the Legislature to remove the Highway Department from the provisions of Chapter 31 of the General Laws. Any person employed by the Highway Department on the effective date of the act shall not have their Civil Service status impaired.

As petitioned for by the Highway Surveyor.

RECOMMENDATION to be made at Town Meeting.

ARTICLE . . . Mr. Rota moved to accept Article 28 as printed. The motion was duly seconded, short discussion and the motion was defeated. DEFEATED.

ARTICLE 38.

To see if the Town will vote to petition the Norfolk County Commissioners to lay out the extension of High Street from Vine Street to Kay Way (Route No. 139) and perform any necessary land takings.

As petitioned for by the Highway Surveyor.

RECOMMENDATION to be made at Town Meeting.

ARTICLE 38 . . . Mr. Rota moved that Article 38 be voted as printed. The motion was duly seconded and there was a long discussion.

Mr. Rota moved that we postpone the article until the first order of business on Monday evening, March 24. The motion to postpone was duly seconded, long discussion and the motion to postpone was carried. POSTPONED.

ARTICLE 46.

To see if the Town will authorize the Trustees of the Turner Free Library to expend the sum of \$14,109.00 received by the Town from the Commonwealth of Massachusetts under the authority of Chapter 760 of the Acts of 1960 and Chapter 672 of the Acts of 1963.

As petitioned for by the Trustees of the Turner Free Library.

RECOMMENDATION to be made at Town Meeting.

ARTICLE 46 . . . The Finance Committee moved that Article 46 be voted as printed. The motion was duly seconded, short discussion and the motion was carried. VOTED.

ARTICLE 56.

To see if the Town will vote to amend Article 127 of the 1978 Town Meeting by adding thereto the following:

6. "Any person making application for interconnection of an alarm security system to the Randolph Police Station shall prior to said connection being made execute a release running to the Randolph Police and the Town of Randolph."

As petitioned for by the Chief of Police.

RECOMMENDATION to be made at Town Meeting.

ARTICLE 56 ... Mr. Carr moved that Article 56 be voted as printed. The motion was duly seconded, long discussion and the motion was carried UNANI-MOUSLY.

ARTICLE 61.

To see if the Town will vote to transfer the control of the Stetson School building, together with approximately 66,000 square feet of land, to the Board of Selectmen from the School Committee. A more specific plan of which will be presented at the Annual Town Meeting. Said transfer to be done in accordance with the provisions of Massachusetts General Laws, Chapter 40, Section 15 and Section 15A.

As petitioned for by the Randolph School Committee.

RECOMMENDATION to be made at Town Meeting.

ARTICLE 61 . . . The School Committee moved that this article be postponed until the end of the warrant. The motion to postpone was duly seconded, short discussion and the motion to postpone was carried. POSTPONED.

ARTICLE 80.

To see if the Town will amend the Zoning By-Laws as follows:

"In a business district no product shall be displayed or offered for sale outside the building on said lot except on a platform permanently attached to the building and set back at least 30' from a side or front lot line. There is excluded from the foregoing motor vehicles."

As petitioned for by the Board of Selectmen.

RECOMMENDATION to be made at Town Meeting. Refer to Petitioner.

ARTICLE 80 ... The Board of Selectmen moved to postpone action on Article 80 until Monday evening, March 24th. The motion to postpone was duly seconded, short discussion and the motion to postpone was carried. POST-PONED.

ARTICLE 89.

To see if the Town will authorize the Board of Selectmen to fix fees for the following licenses: common victualer, innholder, game machines, fortune tellers, and registered pharmacists licensed to sell alcoholic beverages without a prescription.

As petitioned for by the Board of Selectmen.

RECOMMENDATION to be made at Town Meeting. Refer to Petitioner.

ARTICLE 89 . . . The Board of Selectmen moved that Article 89 be voted as printed. The motion was duly seconded, long discussion, the previous question was moved, and the motion was carried. VOTED.

ARTICLE 90.

To see if the Town of Randolph will vote to accept General Laws, Chapter 64G, Section 3A to impose a local room occupancy excise at the rate of four (4) percent.

As petitioned for by the Board of Selectmen.

RECOMMENDATION to be made at Town Meeting.

ARTICLE 90 . . . The Finance Committee moved that Article 90 be voted as printed. The motion was duly seconded, long discussion, the previous question was moved, and the motion was carried. VOTED.

ARTICLE 91.

To see if the Town will vote to amend the by-laws to permanently designate the Randolph Board of Selectmen as the "Proper Financial Authorities" in dealing with Federal, State, County and Municipal agencies, or take any other action in connection therewith.

As petitioned for by the Board of Selectmen.

RECOMMENDED.

ARTICLE 91 . . . The Finance Committee moved that the Town vote to amend the by-laws by permanently designating the Randolph Board of Selectmen as the "Proper Financial Authorities" in dealing with Federal, State, County and Municipal agencies. The motion was duly seconded, short discussion and the motion was carried. VOTED.

ARTICLE 94.

To see if the Town Meeting will order the Randolph Sewer Commissioners to hold a public meeting concerning any increase in Randolph sewer rates. To publicly advertise in local newspapers at least 14 days before such meeting. To post notice of this meeting at least 48 hours before said meeting with the Town Clerk in accordance with the State Open Meeting Law.

As petitioned for by Bernard Davidson and others.

RECOMMENDATION to be made at Town Meeting.

ARTICLE 94 . . . Mr. Davidson moved that Article 94 be voted as printed. The motion was duly seconded, short discussion and the motion was carried. VOTED.

ARTICLE 110.

To see if the Town will authorize the Water Commissioners to appoint one of their members to another office or position under their control in accordance with the provisions of Chapter No. 36, Acts of 1929, or take any other action relative thereto.

As petitioned for by the Board of Water Commissioners.

RECOMMENDATION to be made at Town Meeting.

ARTICLE 110 . . . The Finance Committee moved that the Town authorize the Water Commissioners to appoint one of their members to another office or position under their control in accordance with the provisions of Chapter No. 36, Acts of 1929. The motion was duly seconded, short discussion, there was a question of doubt on the voice vote, a standing vote was requested, 67 votes having been cast in the affirmative, 75 votes in the negative, the motion is defeated. DEFEATED.

Mr. Dunn moved that the meeting be adjourned until next Monday evening, March 24th at 8:00 P.M. The motion to adjourn was duly seconded and the motion was carried.

Whereupon the first session of the Randolph Town Meeting adjourned at 11:00 P.M.

+++++++++

ANNUAL TOWN MEETING

SECOND SESSION March 24, 1986

The second session of the Annual Town Meeting was convened at the Randolph High School on Monday, March 24, 1986, at 8:00 P.M., with Moderator Paul Alpert presiding and declaring a quorum present.

The reporter was sworn.

The Randolph/Stoughton Pee-Wee Division hockey team, which became the Eastern Division Champions for the South Shore Conference, was recognized. Mr. Connors, of the Board of Selectmen, urged all the citizens of Randolph not only to support the team physically but also financially.

Joan Ward, Town Clerk, donated \$25.00 which she received from the *Boston Globe* for doing election work.

The Moderator explained rules of procedure and the tellers were appointed.

ARTICLE 38.

To see if the Town will vote to petition the Norfolk County Commissioners to lay out the extension of High Street from Vine Street to Kay Way (Route No. 139) and perform any necessary land takings.

As petitioned for by the Highway Surveyor.

RECOMMENDATION to be made at Town Meeting.

ARTICLE 38 ... The Moderator stated that "a motion was made for affirmative action on this by Mr. Rota and a subsequent motion was made to postpone action until the first order of business on March 24. The motion is still before us to petition the County Commissioners and we will go from there."

There was a long discussion on the main motion.

Mr. Garrish made an amendment to the main motion so that the main motion would read:

"To see if the Town will vote to petition the Norfolk County Commissioners to lay out the extension of High Street from Vine Street to Kay Way (Route No. 139) and determine the locations and approximate costs of any necessary land takings. In addition, the Randolph Town Meeting instruct the Town Engineer to determine and report on the traffic and safety implications of this proposal."

The amendment was duly seconded, long discussion, the previous question was moved, and the amendment was defeated. AMENDMENT DEFEATED.

There was no further discussion on the main motion, the previous question was moved, and the main motion was defeated. MAIN MOTION DEFEATED.

ARTICLE 80.

To see if the Town will amend the Zoning By-Laws as follows:

"In a business district no product shall be displayed or offered for sale outside the building on said lot except on a platform permanently attached to the building and set back at least 30' from a side or front lot line. There is excluded from the foregoing motor vehicles."

As petitioned for by the Board of Selectmen.

RECOMMENDATION to be made at Town Meeting. Refer to Petitioner.

ARTICLE 80 . . . The Planning Board moved to postpone action on this article until the end of the warrant. The motion to postpone was duly seconded and the motion was carried. POSTPONED.

ARTICLE 114.

To see if the Town will vote to amend the Zoning By-Laws as follows:

Add the following new paragraph to Section 5, Area Regulations:

"J. Handicapped Access

No dimensional lot requirement of this By-Law, including but not limited to, set back, front yard, side yard, rear yard and open space shall apply to handicapped access ramps on private property used solely for the purpose of facilitating ingress or egress of a physically handicapped person, as defined in section thirteen A of Chapter twenty-two."

As petitioned for by Chapter 40A Zoning Committee.

RECOMMENDATION to be made at Town Meeting.

ARTICLE 114 . . . The Planning Board moved to postpone action on this article until the end of the warrant. The motion was duly seconded and the motion was carried. POSTPONED.

ARTICLE 115.

To see if the Town will vote to amend the Zoning By-Laws as follows:

In Section 6–D–7, delete the word "Ten" and substitute the word "twenty"; delete the words "one hundred" and substitute the words "three hundred" so that the revised Section reads as follows:

"7. Penalties for violations of any provision of the By-Law may, upon conviction, be affixed in an amount not less than twenty dollars nor more than three hundred dollars for each offense. Each day, or portion of a day, that any violation is continued shall constitute a separate offense."

(as authorized by: Chapter 291 of the Acts of 1984.)

As petitioned for by Chapter 40A Zoning Committee.

RECOMMENDATION to be made at Town Meeting.

ARTICLE 115 . . . The Planning Board moved to postpone action on this article until the end of the warrant. The motion to postpone was duly seconded and the motion was carried. POSTPONED.

ARTICLE 116.

To see if the Town will vote to amend the Zoning By-Laws as follows:

In Section 5-A-2, delete the following paragraph:

2. For two-family dwellings, whether new or by conversion of an existing one-family dwelling, each lot must have as a minimum 15,000 square feet and a frontage of not less than 100 feet and a depth of not less than 100 feet when Town sewer is available. Lots must have as a minimum 20,000 square feet and a frontage of not less than 100 feet and a depth of not less than 100 feet where Town sewer is not available.

and substitute the following new paragraph:

2. For two-family dwellings, whether new or by conversion of an existing one-family dwelling, each lot must have as a minimum 15,000 square feet consisting of a frontage not less than 100 feet, a depth not less than 100 feet, and a width not less than 75 feet when Town sewer is available. Lot must have as a minimum 20,000 square feet consisting of a frontage not less than 100 feet, a depth not less than 100 feet, and a width not less than 75 feet where Town sewer is not available.

As petitioned for by the Randolph Planning Board.

RECOMMENDATION to be made at Town Meeting.

ARTICLE 116 ... The Planning Board moved that the Town vote to amend the Zoning By-Laws as follows, deleting the paragraph as noted in the article and substituting the new paragraph as printed in the warrant. The motion was duly seconded, short discussion, the previous question was moved, and the motion was carried UNANIMOUSLY.

ARTICLE 117.

To see if the Town will vote to amend the Zoning By-Laws as follows:

In Section 5-A-1, delete the following paragraph:

1. For single-family dwellings, each lot must have as a minimum 12,000 square feet and a frontage of not less than 100 feet and a depth of not less than 100 feet.

and substitute the following new paragraph:

1. For single-family dwellings, each lot must have as a minimum 12,000 square feet with a frontage of not less than 100 feet and a depth of not less than 100 feet and a width not less than 75 feet.

As petitioned for by the Randolph Planning Board.

RECOMMENDATION to be made at Town Meeting.

ARTICLE 117 . . . The Planning Board recommended Article 117 and moved that the Town amend the Zoning By-Laws as printed in the article. The motion was duly seconded, short discussion, the previous question was moved, there was a question of doubt on the voice vote, a standing vote was requested, 142 votes having been cast in the affirmative, 5 in the negative, the motion is carried. VOTED.

ARTICLE 118.

To see if the Town will vote to amend the Zoning By-Laws of the Town of Randolph as follows:

In section 3-A-1, Permitted Uses, Residential, delete the words "Two-Family Dwellings" and

in Section 5-A-2 add the following sentence at the end:

"Two-Family Dwellings must first be approved by the Planning Board by Special Permit as required by Section 7 of these By-Laws."

and in Section 7 SPECIAL PERMITS, add the following to paragraph 7C:

- "3. The Planning Board shall be the Special Permit Granting Authority for the following:
 - (a) Construction of, or conversion to a Two-Family Dwelling."

and add the following to paragraph 7D:

"6. Construction of, or conversion to a Two-Family Dwelling:

The Planning Board, as the Special Permit Granting Authority, may issue a Special Permit for the construction of or conversion to a Two-Family Dwelling provided all of the following conditions are met:

- (a) The lot on which the dwelling is to be constructed or converted meets all of the area regulations specified in section 5A of these By-Laws.
- (b) Six copies of the building and site plans are to be submitted for review at least 14 days prior to the public hearing.
- (c) Other reasonable conditions as the Planning Board may deem appropriate in each individual case.

As petitioned for by the Randolph Planning Board.

RECOMMENDATION to be made at Town Meeting.

ARTICLE 118 . . . The Planning Board recommended Article 118 and moved that the Town vote to amend the Zoning By-Laws of the Town of Randolph as printed in the article. The motion was duly seconded, long discussion, the previous question was moved, a standing vote was requested, 123 votes having been cast in the affirmative, 24 votes cast in the negative, the motion is carried. VOTED

ARTICLE 119.

To see if the Town will vote to amend the Watershed and Wetlands Protection Map No. 30 for the Town of Randolph with respect to the locations of the Area 1 and Area 2 definition lines on a parcel of property located on Pacella Park Drive, in accordance with a plan entitled, "Plan Prepared for Rezoning, Randolph Industrial Park, Pacella Park Drive, Randolph, Mass., dated 12/12/85, prepared by Gale Engineering Co., Inc., Weymouth, Mass.

As petitioned for by the Randolph Business and Industrial Development Commission.

RECOMMENDATION to be made at Town Meeting.

ARTICLE 119 . . . The Planning Board moved to postpone action on Article 119 until the first order of business tomorrow evening. The motion to postpone was duly seconded and the motion to postpone was carried. POSTPONED.

ARTICLE 120.

To see if the Town of Randolph will vote to rezone from residential to multifamily use a parcel of land on the westerly side of Old Street, owned by Amandus V. Nilsen and Marjorie J. Nilson, and shown on a plan entitled "Plan of land in Randolph, Mass., belonging to William E. Hansen Estate, Scale 1" = 40', November 15, 1963, Edward C. Peterson, Reg. Prof. Eng. & Reg. Land Surveyor," a copy of which is on file in the Norfolk Registry of Deeds, said parcel being more particularly bounded and described as follows:

Beginning at a stake in the Westerly side of Old Street, in said Randolph, said point being the Southeasterly corner of the within-described premises and the Northeasterly corner of land now or formerly of Gordon D. Teed; thence North 80° 24' 32" West, two hundred ninety-four and 37/100 (294.37) feet to a stone wall and stake at land now or formerly of the Town of Randolph; thence North 4° 01' East by land of the Town of Randolph, forty-seven (47) feet to a stake at land now or formerly of Salvatore M. Battagalia; thence North 73° 18' East, one hundred thirtythree and 70/100 (133.70) feet by land now or formerly of said Battagalia to a stake; thence North 64° 56' East by land now or formerly of said Battagalia, forty-nine and 30/100 (49.30) feet to an iron pipe; thence North 70° 54' East, twenty-three and 09/100 (23.09) feet to a stake and pipe; thence South 9° 45' East by land now or formerly of Hansen et al., thirty-three and 71/100 (33.71) feet to an iron pipe; thence North 85° 48' 10" East ninety-nine and 95/100 (99.95) feet to an iron pin in the Westerly line of said Old Street; thence South 5° 27' 30" West by said Old Street, one hundred thirty-seven and 50/100 (137.50) feet to a stake at the point of beginning.

Said parcel containing a total of 31,028 square feet, described in the Deed of Amandus V. Nilsen to Amandus V. Nilsen and Marjorie J. Nilsen, Norfolk Registry of Deeds, Book 6152, Page 448.

As petitioned for by Amandus V. Nilsen and others.

RECOMMENDATION to be made at Town Meeting.

ARTICLE 120 . . . The Planning Board moved that no action be taken on Article 120. The motion was duly seconded, short discussion and the motion was carried. NO ACTION.

ARTICLE 121.

To see if the Town will vote to extend the existing business zone by amending the Zoning By-Laws and Zoning Map to rezone from Residential to Business the following described parcel of land:

A certain parcel of land shown as Parcel A on a plan of land entitled "Rezoning Plan of Land in Randolph, Mass." dated October 28, 1985, E. H. Fagerstrom, Reg. Surveyor. Said Parcel A is bounded and described as follows:

EASTERLY by Moulton Street, seventy-five and no/100 (75.00) feet;

SOUTHERLY by land now or formerly of Florence Hayes Reardon,

ninety-three and no/100 (93.00) feet;

WESTERLY by land of Anthony Civita, et al, twelve and 93/100

(12.93) feet;

SOUTHERLY again by said land of Anthony Civita, et al, one hundred

ten and 51/100 (110.51) feet;

WESTERLY by land of the Randolph Savings Bank, fifty-three and

no/100 (53.00) feet;

NORTHERLY by land of the Randolph Savings Bank, thirty and 80/100

(30.80) feet;

WESTERLY by land of the Randolph Savings Bank, four and no/100

(4.00) feet;

NORTHERLY AND

NORTHEASTERLY by land of the Randolph Savings Bank by three (3) courses sixty-four and 96/100 (64.96) feet; twenty-eight

and 89/100 (28.89) feet; and ninety-three and no/100

(93.00) feet, respectively.

Containing 13,873 square feet of land, more or less, according to said plan.

As petitioned for by Sharon L. Orkin and others.

RECOMMENDATION to be made at Town Meeting.

ARTICLE 121 . . . The Planning Board recommended Article 121 and moved that the Town vote to extend the existing business zone by amending the Zoning By-Laws and Zoning Map to rezone from Residential to Business the parcel of land described as printed in the article. The motion was duly seconded, long discussion.

Mr. Goldman made a motion to postpone action on Article 121 until the first order of business April 14. The motion to postpone was duly seconded, long discussion, the previous question was moved, and the motion to postpone was DEFEATED.

There was no further discussion on the main motion, the previous question was moved, a standing vote was requested, 126 votes having been cast in the affirmative, 36 votes cast in the negative, the motion is carried. VOTED.

ARTICLE 122.

To see if the Town of Randolph will vote to amend the Zoning By-Laws by rezoning from Residential to Business-Professional the following described parcel of land at 901 North Main Street, Randolph, Norfolk County, Massachusetts, bounded and described as follows:

WESTERLY by North Main Street, one hundred forty and no/100 (140.00) feet;

NORTHERLY by land of Louis and Jack Zeprun, one hundred and

no/100 (100.00) feet;

EASTERLY by land of Randolph Hebrew Center, one hundred forty

and no/100 (140.00) feet;

SOUTHERLY by land now or formerly of Marie A. and Margaret A.

Bellow, one hundred and no/100 (100.00) feet;

Said parcel containing 14,000 square feet as further shown on Randolph Assessor's Map as Map 22, Block C, Parcel 5.

As petitioned for by Sheryl R. McManus and others.

RECOMMENDATION to be made at Town Meeting.

ARTICLE 122 . . . The Planning Board recommended Article 122 and moved that the Town of Randolph vote to amend the Zoning By-Laws by rezoning from Residential to Business-Professional the following described parcel of land at 901 North Main Street, Randolph, Norfolk County, Massachusetts as printed in the warrant. * Article 85 reconsidered. See Eighth Session of Town Meeting, May 19, 1986.

ARTICLE 86.

WESTERLY

To see if the Town will vote to take by eminent domain a parcel of land located at the intersection of North Main Street and North Street containing approximately 10,300 square feet owned by Cities Service Company with the buildings and structures thereon situated on North Main and North Streets in Randolph, Norfolk County, Massachusetts, shown on a plan entitled "Plan of Land, Randolph, Mass. C.H. Gannett C.E." dated October 11, 1922 and recorded with Norfolk Registry of Deeds in Book 1535, Page 73, and bounded:

| | by Itolian Sulvey, salvy so ten and of 10 (0 the) 1000, |
|-----------|------------------------------------------------------------------------------------------------------|
| NORTHERLY | by land now or formerly of Andrew J. Gove by two courses totaling seventy-nine and 5/10 (79.5) feet; |

by North Main Street sixty-seven and 5/10 (67.5) feet:

WESTERLY by said Gove land ten (10) feet;

NORTHERLY AND NORTHEASTERLY by said Gove land by three courses totaling seventyseven and 07/100 (77.07) feet;

SOUTHEASTERLY by North Street by two courses totaling ninety-one and 14/100 (91.14) feet;

SOUTHERLY by a curve at the junction of said North and North Main Streets ninety and 02/100 (90.02) feet.

Containing 10,300 square feet of land, more or less, and excepting from said parcel the portions thereof taken for highway purposes by the County Commissioners of the County of Norfolk by returns and orders of taking dated on or about December 31, 1929 and December 2, 1930, recorded with said Deeds in Book 1878, page 481 and Book 1915, page 303, respectively. Excepted from the above described parcel is a parcel of land which had been previously taken by the Town of Randolph bounded and described as follows: beginning at a stone bound at the southeast corner of the intersection of North and North Main Streets, thence running N 47. - 06' - 20" E a distance of 29.04 feet along North Street to a point; thence turning and running in a southwesterly direction along a curve of a radius of 113.00 feet, a distance of 46.18 feet to a point; thence turning and running southwesterly and westerly along a curve of a radius of 28.00 feet, a distance of 37.52 feet to a point; thence turning and running northwesterly along a curve of a radius of 113.00 feet, a distance of 46.18 feet to a point on the easterly sideline of North Main Street; thence turning and running S 9. - 17' - 25" E a distance of 33.64 feet to a point; thence turning and running southeasterly along a curve of a radius of 35.79 feet, a distance of 19.89 feet to a point; thence turning and running easterly and northeasterly along a curve of a radius of 40.00 feet, a distance of 58.60 feet to the point of beginning; shown as Lot B on a plan by T. W. O'Dea, PE Town Engineer dated January 28, 1985 and containing 613 square feet, and raise and appropriate the sum of \$51,250.00 in connection therewith, borrow or transfer from available funds, or take any other action.

As petitioned for by the Board of Selectmen.

RECOMMENDED.

ARTICLE 86 . . . The Finance Committee moved to raise and appropriate the sum of \$51,250.00 to purchase or take by eminent domain the parcel of land described in Article 86 as printed in the warrant. The motion was duly seconded, long discussion, the previous question was moved, and the motion was carried UNANIMOUSLY.

Mr. Lesser stated that he voted in the affirmative on Article 42 and that he would like to move that we reconsider our action taken under Article 42. The motion to reconsider was duly seconded, short discussion and the motion to reconsider was carried and placed at the end of the warrant.

ARTICLE 87.

To see if the Town will vote to accept the deed of land of the Conrail Right of Way and to raise and appropriate a sum of money to further construct an access road from North at Pleasant Street to Warren Street and the Highland Avenue intersection.

As petitioned for by the Board of Selectmen.

RECOMMENDATION to be made at Town Meeting.

ARTICLE 87 . . . The Finance Committee moved to accept the deed of land of the Conrail Right of Way and to raise and appropriate the sum of \$225,000.00 to further construct an access road from North at Pleasant Street to Warren Street and the Highland Avenue intersection. The motion was duly seconded, long discussion.

Mr. Betterman made a motion to postpone action on Article 87 until the end of the warrant. The motion to postpone was duly seconded, short discussion and the motion to postpone was defeated.

There was further discussion on the main motion, the previous question was moved, and the motion was carried. VOTED.

Mr. Betterman stated that having voted in the affirmative, he made a motion to reconsider our previous action taken under Article 87. The motion for reconsideration was duly seconded, short discussion, there was a question of doubt on the voice vote, a standing vote was requested, 64 votes having been cast in the affirmative, 63 votes having been case in the negative, the motion for reconsideration was carried and placed at the end of the warrant. *

* Reconsidered. See Eighth Session of Town Meeting, May 19, 1986.

The Finance Committee moved to postpone action on Article 88 until the end of the warrant. The motion to postpone was duly seconded, short discussion and the motion to postpone was carried.

ARTICLE 88. POSTPONED TO THE END OF THE WARRANT.

ARTICLE 92.

To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money or take any other action in connection therewith for the following purpose(s):

| | 1984-1985 Expended | 1985-1986 Appropriated | 1986-1987 Requested |

ARTICLE 76.

To see if the Town will vote to approve the acceptance by the Blue Hills Regional Vocational Technical School District of Section 12 of Chapter 188 of the Acts of 1985 relating to an equal educational opportunity grant in the amount of \$36,890.00.

To see if the Town will vote to approve the acceptance by the Blue Hills Regional Vocational Technical School District of Section 13 of Chapter 188 of the Acts of 1985 relating to a Professional Development Grant in the amount of \$46,543.00.

As petitioned for by Albert Willis and other members of the Blue Hills Regional Vocational Technical School District Committee.

RECOMMENDATION to be made at Town Meeting.

ARTICLE 76 Mrs. Cestroni moved the acceptance by the Blue Hills Regional Vocational Technical School District of the grants outlined in Article 76 as printed in the warrant. The motion was duly seconded, short discussion and the motion was carried UNANIMOUSLY.

ARTICLE 77.

To see if the Town will vote to reimburse Mr. & Mrs. Vincent Durante the sum of \$1,300.00 for transporting their son to a special needs school during the school year of 1982-83. Dr. Zoino states he cannot expend funds for the previous year although he did reimburse the family for the 1983-84 school year.

As petitioned for by Ruth Norris.

RECOMMENDATION to be made at Town Meeting.

ARTICLE 77 . . . The Finance Committee moved no action be taken. The motion was duly seconded, long discussion and the motion was defeated.

Mrs. Norris moved that the Town raise and appropriate the sum of \$1,300.00 for transporting their son to a special needs school during the school year of 1982-83. The motion was duly seconded, short discussion, a standing vote was requested, 44 votes having been cast in the affirmative, 61 votes having been cast in the negative, the motion was defeated. DEFEATED.

ARTICLE 78.

To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for the purpose of leasing a school bus on behalf of the Randolph Catholic Children's Fund to be used to transport pupils from the Town of Randolph to and from St. Joseph's School in Holbrook and St. Francis School in Braintree.

As petitioned for by Elaine Provenzano and others.

RECOMMENDATION to be made at Town Meeting.

ARTICLE 78 . . . The Finance Committee moved no action be taken. The motion was duly seconded, long discussion and the motion was carried. NO ACTION.

Mrs. Cestroni moved to postpone action on Article 104 until after we have taken action on Article 12.

ARTICLE 104. POSTPONED UNTIL ACTION HAS BEEN TAKEN ON ARTICLE 12.

ARTICLE 113.

To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money or take any other action in connection therewith for the following purpose(s):

| | 1984-1985 Expended | 1985-1986 Appropriated | 1986-1987 Requested |
|------------------|-----------------------|---------------------------|------------------------|
| YOUTH COMMISSION | | | |
| Salaries | \$50,728.48 | \$53,708.00 | \$58,201.00 |
| Expenses | 4,000.00 | 4,000.00 | 4,000.00 |
| Capital Outlay | | | 2,000.00 |
| TOTAL | \$54,728.48 | \$57,708.00 | \$64,201.00 |

RECOMMENDATION to be made at Town Meeting.

ARTICLE 113 . . . Mrs. Cestroni moved that the Town raise and appropriate the sum of \$64,201.00 to fund the budget as outlined in Article 113. The motion was duly seconded, short discussion and the motion was carried. VOTED.

ARTICLE 132.

To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to repair the broken floor tiles on the second floor of the Town Hall, or take any other action thereto.

As petitioned for by the Personnel Board.

Refer to the Petitioner.

ARTICLE 132 ... WITHDRAWN.

ARTICLE 134.

To see if the Town will vote to raise and appropriate \$2,860.00 to restore the part-time Clerk/Typist in the Personnel Office to full time, or take any other action thereto.

Petitioned for by the Personnel Board.

Refer to the petitioner.

ARTICLE 134 ... WITHDRAWN.

ARTICLE 135.

To see if the Town will vote to raise and appropriate, transfer from available funds, or borrow a sum of money for the purpose of purchasing a new type-writer in the Personnel Office. The present models are 16 and 18 years old.

Petitioned for by the Personnel Board.

Refer to the Petitioner.

ARTICLE 135 ... WITHDRAWN.

ARTICLE 136.

To see if the Town will vote to amend the Personnel Board By-Laws, Classification & Compensation Plan, Schedule F, (Library) by reclassifying the Children's Librarian from L-7 to L-9 and the Assistant Librarian Director from L-9 to L-11 and to raise and appropriate the sum of \$853.00.

Petitioned for by the Library Trustees and Personnel Board.

Refer to the Petitioner.

ARTICLE 136 ... Mrs. Cestroni moved that the Town raise and appropriate the sum of \$853.00 and amend the Personnel Board By-Laws, Classification & Compensation Plan, Schedule F, (Library) by reclassifying the Children's Librarian from L-7 to L-9 and the Assistant Librarian Director from L-9 to L-11. The motion was duly seconded, short discussion and the motion was carried. VOTED.

ARTICLE 137.

To see if the Town will vote to amend the Personnel Board By-Laws, Classification & Compensation Plan, Schedule B, by reclassifying certain clerical positions, establishing a new "S" Scale as recommended by the Personnel Board at its Public Hearing and to raise and appropriate or transfer from available funds a sum of money, or take any other action thereto.

Petitioned for by the Personnel Board.

ARTICLE 137 ... WITHDRAWN.

ARTICLE 138.

To see if the Town will vote to amend the Personnel Board By-Laws, Classification & Compensation Plans, Schedules B, G & F, by reclassifying certain positions and establishing a new Management Pay Schedule as recommended by the Personnel Board at its Public hearing and to raise and appropriate or transfer from available funds a sum of money, or take any other action thereto.

Petitioned for by the Personnel Board.

Refer to the Petitioner.

ARTICLE 138 . . . The Finance Committee moved to amend the Personnel Board By-Laws, Classification & Compensation Plan, Schedule B, by inserting "S-23, Step IV, Director of Veteran & Elder Affairs, for a salary of \$31,049.00."

The moderator stated that this is not a raise and appropriate figure. We are only classifying the position of Director of Veteran & Elder Affairs as S-23, Step IV.

The motion was duly seconded, short discussion.

Mrs. Ryan stated that she would like to amend the main motion that the Town amend the Personnel Board By-Laws, Classification & Compensation Plans, Schedules B, G & F, by reclassifying the following positions: Director of Elderly Affairs, Skating Rink Manager, Director of Veteran Services, Highway Foreman, Sewer Foreman, Youth Coordinator, Personnel Director, Director/Public Health, Library Director, Building Commissioner, Water Superintendent, Sewer Superintendent, Town Engineer, Asst. Town Engineer, Director of Veteran and Elder Affairs and Principal Assessor, according to the handout that has been given to the Town Clerk and raise and appropriate the sum of \$36,628.00.00. The motion to amend was duly seconded, long, long discussion, the previous question was moved, and the motion to amend was defeated.

Mr. Sullivan stated that he would like to amend the main motion by changing "S-23, Step IV" to have it read "S-25, Step IV." The motion to amend was duly seconded, long discussion, the previous question was moved, and the motion to amend was defeated.

There was no further discussion on the main motion and the motion was carried. VOTED.

ARTICLE 139.

To see if the Town will vote to amend the Personnel Board By-Laws, Classification & Compensation Plan, Schedule B, by reclassifying the Youth Coordinator, Personnel Director, Building Inspector and Sewer Foreman as recommended by the Personnel Board at its Public Hearing and to raise and appropriate or transfer from available funds a sum of money, or take any other action thereto.

Petitioned for by the Personnel Board.

Refer to the Petitioner.

ARTICLE 139 ... WITHDRAWN.

ARTICLE 140.

To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to provide a general salary increase for fiscal 1987 to those Town employees not covered by collective bargaining agreements and who are under the jurisdiction of the Personnel Board.

Petitioned for by the Personnel Board.

Refer to the petitioner.

ARTICLE 140 . . . Mrs. Cestroni moved that the Town raise and appropriate the sum of \$75,677.00 to provide a general salary increase for fiscal 1987 to

those Town employees not covered by collective bargaining agreements and who are under the jurisdiction of the Personnel Board. The motion was duly seconded, short discussion and the motion was carried UNANIMOUSLY.

ARTICLE 141.

To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to provide a salary increase to those Town employees under the jurisdiction of the Finance Committee.

As petitioned for by the Finance Committee.

RECOMMENDATION to be made at Town Meeting.

ARTICLE 141 ... Mrs. Cestroni moved that the Town raise and appropriate the sum of \$12,884.00 to provide a salary increase to those Town employees under the jurisdiction of the Finance Committee. The motion was duly seconded, short discussion and the motion was carried UNANIMOUSLY.

ARTICLE 12.

To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money or take any other action in connection therewith for the following purpose(s):

| | 1984-1985 Expended | 1985-1986 Appropriated | 1986-1987 Requested |
|-----------------|-----------------------|---------------------------|-----------------------------------------|
| ELDERLY AFFAIRS | | | *************************************** |
| Salaries | \$ 22,535.05 | \$ 20,396.00 | \$ 15,525.00 |
| Expenses | 21,435.22 | 4,070.00 | 6,080.00 |
| TOTAL | \$ 43,970.27 | \$ 24,466.00 | \$ 21,605.00 |

RECOMMENDATION to be made at Town Meeting.

ARTICLE 12 . . . Mrs. Cestroni moved to raise and appropriate the sum of \$21,605.00 to fund the budget as outlined in Article 12. The motion was duly seconded, short discussion and the motion was carried. VOTED.

ARTICLE 104.

To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money or take any other action in connection therewith for the following purpose(s):

| WELLE VA | 1984-1985 Expended | 1985-1986 Appropriated | 1986-1987 Requested |
|--------------------------|-----------------------|---------------------------|------------------------|
| VETERANS | | | |
| Salaries | \$ 43,362.48 | \$ 45,756.00 | \$ 31,141.00 |
| Expenses | 3,526.42 | 3,100.00 | 3,100.00 |
| Veterans' Benefits | 78,085.92 | 98,000.00 | 98,000.00 |
| Care of Veterans' Graves | 1,200.00 | 1,200.00 | 1,200.00 |
| TOTAL | \$126,174.82 | \$148,056.00 | \$133,441.00 |

RECOMMENDATION to be made at Town Meeting.

ARTICLE 104 . . . Mrs. Cestroni moved that the Town raise and appropriate the sum of \$133,441.00 to fund the budget as outlined in Article 104. The motion was duly seconded, short discussion, the previous question was moved, and the motion was carried. VOTED.

ARTICLE 142.

To see if the Town shall vote that the Town shall indemnify and save harmless municipal employees from personal financial loss and expense, including reasonable legal fees and costs, if any, in an amount not to exceed one million dollars, arising out of any claim, demand, suit or judgment by reason of any act or omission except an intentional violation of civil rights of any person under any law, if the employee at the time of such act or omission was acting within the scope of his duties or employment.

As petitioned for by the Board of Selectmen.

ARTICLE 142 . . . The Finance Committee moved no action be taken. The motion was duly seconded, long discussion, the previous question was moved, and the motion was carried. NO ACTION.

ARTICLE 48.

To see if the Town will vote to raise and appropriate or transfer from available funds or take any other action in connection with increasing existing appropriations to further improve the McNeill School as a senior citizens' drop-in center.

As petitioned for by the Municipal Space Needs Committee and others.

RECOMMENDATION to be made at Town Meeting.

ARTICLE 48 . . . The Finance Committee moved no action be taken. The motion was duly seconded, long discussion, the previous question was moved, and the motion was carried. NO ACTION.

ARTICLE 42 (Reconsideration)

To see if the Town will vote to raise and appropriate or transfer from available funds the sum of \$2,000.00 to help defray the cost of the Holiday Lighting.

As petitioned for by Thomas J. Fisher and Martin Wolf, Randolph Chamber of Commerce.

RECOMMENDATION to be made at Town Meeting.

ARTICLE 42 . . . Mr. Toomey moved that the Town vote to raise and appro-

priate the sum of \$1,000.00 to help defray the cost of the Holiday Lighting. The motion was duly seconded, short discussion.

Mr. Fisher stated that he would like to amend the main motion to increase the raise and appropriate figure to read \$2,000.00. The motion to amend was duly seconded, long discussion, the previous question was moved, and the motion to amend was carried.

There was no further discussion on the main motion and the main motion was carried. VOTED.

ARTICLE 87 (Reconsideration)

To see if the Town will vote to accept the deed of land of the Conrail Right of Way and to raise and appropriate a sum of money to further construct an access road from North at Pleasant Street to Warren Street and the Highland Avenue intersection.

As petitioned for by the Board of Selectmen.

RECOMMENDATION to be made at Town Meeting.

ARTICLE 87 . . . Mr. Toomey moved to raise and appropriate the sum of \$225,000.00 to further construct an access road from North at Pleasant Street to Warren Street and the Highland Avenue intersection and to accept the deed of land of the Conrail Right of Way. The motion was duly seconded, short discussion.

Mrs. Simons stated that she would like to amend the main motion by striking all reference to the raise and appropriate figure, as well as to strike any verbiage relative to construction of anything whatsoever in the motion. The only thing left is to accept the deed of land of the Conrail Right of Way.

The motion to amend was duly seconded, long discussion, the previous question was moved, and the motion was carried. MOTION TO AMEND VOTED.

ARTICLE 84. (Reconsideration)

To see if the Town will vote to raise and appropriate, borrow or transfer from any available funds the sum of \$5,520.00 for the reconstruction of Aster Street.

As petitioned for by the Board of Selectmen.

RECOMMENDATION to be made at Town Meeting.

ARTICLE 84 . . . The Finance Committee moved no action be taken. The motion was duly seconded, long discussion, and the motion was defeated.

Mrs. Simons moved that the Town raise and appropriate the sum of \$5,520.00 for the reconstruction of Aster Street. The motion was duly seconded, no discussion, and the motion was carried. VOTED.

ARTICLE 85. (Reconsideration)

To see if the Town will vote to raise and appropriate; borrow or transfer from any available funds the sum of \$6,780.00 for the reconstruction of Brown Street.

As petitioned for by the Board of Selectmen.

RECOMMENDATION to be made at Town Meeting.

ARTICLE 85 . . . Mr. Toomey moved that the Town raise and appropriate the sum of \$6,780.00 for the reconstruction of Brown Street. The motion was duly seconded, no discussion, and the motion was carried. VOTED.

The Moderator thanked the various town boards for their diligent work, as well as the town meeting members.

Mr. Podolsky moved to permanently dissolve the 1986 annual town meeting. The motion was duly seconded and the motion was carried.

Whereupon the eighth session of the 1986 Annual Town Meeting permanently dissolved at 11:45 P.M.

SPECIAL TOWN MEETING

September 8, 1986

The first session of the Special Town Meeting was convened at the Randolph High School on Monday, September 8, 1986 at 8:00 p.m. with Moderator Paul Alpert president and declaring a quorum present.

Moderator Paul Alpert led the salute to the flag. Town meeting members stood in a moment of silence for the passing of Alice Galligher and Felix Carlino.

The Town Clerk/Treasurer, Joan Ward, read the Call of the Meeting and Return of Service. Tellers were appointed.

Newly-elected Chairman of the Finance Committee, Malcolm Portnoy, was introduced.

Mr. Portnoy: The Finance Committee would move to suspend the rules in order that we may consider Article 12 after Article 4 so that all of the money articles can be taken together.

(The motion to suspend the rules was duly seconded, no discussion, and the motion was passed.)

ARTICLE 1.

To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for the construction of a Drop-In Center on the site of the former McNeill School.

As petitioned for by the Board of Selectmen.

ARTICLE 1 . . . Mr. Portnoy: The Finance Committee moves that the sum of \$165,000.00 be raised and appropriated for the construction of a Drop-In Center on the site of the former McNeill School. The motion was duly seconded, long discussion, the previous question was moved, and the motion was carried.

ARTICLE 2.

To see if the Town will vote to rezone from Residential to Multi-family use a certain parcel of land on the northerly side of Grove Street and the westerly side of North Main Street, bounded and described as follows:

EASTERLY by land of Catherine and Robert Caddigan, Todd A. and Davida S. Sandler, First Baptist Church of Randolph and Melvin C. and Ruth R. Eagles, Three Hundred Ninety and 64/100 (390.64) feet.

SOUTHERLY by land of Leonard G. and Alberta F. Silver, Gerald S. and Edith Kramer, Charles S. and Rosemary Michaud, Michael G. and Margaret Power, Thomas J. and Dorothy F. Somers, Joseph J. and Gertrude Makarski, Joseph M. and Anne M. Campbell, Frank T. and Bessie T. Nelson, Frances Berger, Andrew and Muriel E. Watson, George E. Beam and Robert W. Scheopplin, One Thousand Four and 68/100 (1004.68) feet.

WESTERLY by land of James P. and Florence Locke, Sixty-six (66.00) feet.

NORTHERLY by land of Town of Randolph, thirty-two (32.00) feet; by land of Etta B. and H. Winford Powers, One Thousand twenty-nine and 55/100 (1029.55) feet. Containing 7/7 acres as set forth on a plan entitled "Plan of Land — Randolph, Mass. Lot 10 Grove Street, dated March 5, 1986" Leverault Engineering, 10 Diauto Drive, Randolph, Mass.

As petitioned for by H. Winford Powers and others.

ARTICLE 2 ... WITHDRAWN.

ARTICLE 3.

To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to demolish and/or remove the existing dilapidated remaining structure at the intersection of North and North Main Streets, formerly operated as a Citgo Gas Station.

As petitioned for by the Board of Selectmen.

ARTICLE 3 . . . Mr. Portnoy: The Finance Committee moves that the sum of \$5,000.00 be raised and appropriated to demolish and/or remove the existing dilapidated remaining structure at the intersection of North and North Main Streets, formerly operated as a Citgo Gas Station. The motion was duly seconded, short discussion, the previous question was moved, and the motion was carried.

ARTICLE 4.

To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to pay the Town's share of a hospital insurance (Medicare) tax for new hires as mandated by PL 99-272.

As petitioned for by the Town Accountant.

ARTICLE 4 . . . Mr. Portnoy: The Finance Committee moves that the sum of \$12,000.00 be raised and appropriated to pay the Town's share of a hospital insurance (Medicare) tax for new hires as mandated by PL 99-272. The motion

was duly seconded, short discussion, the previous question was moved, and the motion was carried unanimously.

ARTICLE 12.

To see if the Town will vote to raise and appropriate or transfer from available funds or borrow under any applicable statute a sum of money to fund an engineering study of the reconstruction at the Stetson School site, as well as future expansion of the Randolph Town Hall. Said funds are to be included in an overall space allocation study.

As petitioned for by the Board of Selectmen.

ARTICLE 12 . . . Mr. Portnoy: The Finance Committee moves to raise and appropriate the sum of \$85,000.00 to fund an architectural and engineering study and cost estimate of the reconstruction at the Stetson School site, as well as future expansion of the Randolph Town Hall; said study to include an overall space allocation study. All funds to be expended in accordance with all applicable state statutes. And that the sum of \$800,000.00 be raised and appropriated for the reconstruction at the Stetson School site; said expenditure to be further subject to the approval by the Town Meeting Members of the results of the study and construction plans.

Mr. Lesser: I would like to amend the main motion to say that "these funds would be expended by the Municipal Space Needs Committee." The motion to amend was duly seconded, long discussion, and the motion to amend was defeated. There was further discussion on the main motion, the previous question was moved, and the motion was carried unanimously.

ARTICLE 5.

To see if the Town will vote to amend the Zoning By-Laws of the Town of Randolph, Section 5-A-2, which reads as follows: (if approved by the Attorney General prior to special town meeting).

On Section 5-A-2 (AREA REGULATIONS): "2. For two-family dwellings, whether new or by conversion of an existing one-family dwelling, each lot must have as a minimum 15,000 square feet consisting of a frontage of not less than 100 feet, a depth of not less than 100 feet and a width not less than 75 feet when Town sewer is available. Lot must have as a minimum 20,000 square feet consisting of a frontage of not less than 100 feet and a width not less than 75 feet where Town sewer is not available. Two-family dwellings must first be approved by the Planning Board by a Special Permit as required by Section 7 of these By-Laws." Delete the words "15,000 square feet" and substitute the words "18,000 square feet"; and delete the words "frontage of not less than 100 feet."

So that the revised section 5-A-2 will read as follows: "2. For two-family dwellings, whether new or by conversion of an existing one-family dwelling,

each lot must have as a minimum 18,000 square feet consisting of a frontage of not less than 120 feet, a depth of not less than 100 feet and a width not less than 75 feet when Town sewer is available. Lot must have as a minimum 20,000 square feet consisting of a frontage of not less than 120 feet, a depth of not less than 100 feet and a width not less than 75 feet where Town sewer is not available. Two-family dwellings must first be approved by the Planning Board by a Special Permit as required by Section 7 of these By-Laws."

As petitioned for by Chapter 40A Zoning Committee.

ARTICLE 5 . . . Mrs. Simons: I move that the Town vote to amend the Zoning By-Laws of the Town of Randolph, Section 5-A-2, as follows: Delete the words "15,000 square feet" and substitute the words "18,000 square feet"; and delete the words "frontage of not less than 100 feet" and substitute the words "frontage of not less than 120 feet." The motion was duly seconded, long discussion, the previous question was moved, there was a question of doubt on the voice vote, a standing vote was requested, 135 votes having been cast in the affirmative, 10 votes having been cast in the negative, the motion was carried.

The Moderator: Mrs. Bowers, you wanted the floor to address the Town Meeting. (Proclamation read by the Chairperson of the Board of Selectmen, Gail Bowers, proclaiming September 19, 1986 as the POW/MIA Awareness Day.)

ARTICLE 6.

To see if the Town will vote to accept the layout of York Avenue as a town way for a distance of 2,010.94 feet from the sideline of High Street, as shown on the following two plans: (1) "Plan and Profile, York Avenue, Randolph, Mass." by DeCa Engineering, dated March 1, 1967, station 0+0 to 656.16 feet, on file with the office of the Town Engineer and Planning Board, and (2) "Plan and Profile, York Avenue, Randolph, Mass.," by DeCa Engineering, dated November 12, 1968, for a distance of 656.16 feet to 2,010.94 feet, on file at the Registry of Deeds as Pl. Bk. 225, No. 41 of 1969.

As petitioned for by H. Frank Jablonski and others.

ARTICLE 6 . . . The motion was duly seconded, long discussion, the previous question was moved, there was a question of doubt on the voice vote, a standing vote was requested, 68 votes having been cast in the affirmative, 68 votes cast in the negative, the motion was defeated.

ARTICLE 7.

To see if the Town will vote to amend the Zoning By-Laws as follows: SECTION 5. AREA REGULATIONS:

- A. Minimum Lot Area: "2. For two-family dwellings, whether new or by conversion of any existing one-family dwelling, each lot must have as a minimum 15,000 square feet . . ." So the section shall read as follows:
 - "2. For two family dwellings, whether new or by conversion of an existing one-family dwelling, each lot must have as a minimum 18,000 square feet..."

(ARTICLE WITHDRAWN).

As petitioned for by: The Chapter 40A Zoning Committee.

ARTICLE 7 . . . Mrs. Norris: I voted on the prevailing side and I would like to move reconsideration of Article 6. Motion for Reconsideration was duly seconded, short discussion, there was a question of doubt on the voice vote, a standing vote was requested, 56 votes having been cast in the affirmative, 64 votes having been cast in the negative, the motion for reconsideration was defeated.

ARTICLE 8.

To see if the Town will vote to amend the Zoning By-Laws as follows: SECTION 5. AREA REGULATIONS:

C. Side Yards: "1. In a Residential District no buildings, except a fireproof one-story building of accessory use, shall be erected within 10 feet of a side lot line, unless more than 40 feet from the side-line of any street . . ."
"1. In a Residential District no building, except a fireproof one-story building of accessory use, shall be erected within 15 feet of a side lot line, unless more than 40 feet from the side-line of any street . . ."

As petitioned for by: The Chapter 40A Zoning Committee.

ARTICLE 8 . . . Mrs. Simons: I move that the Town of Randolph vote to amend the Zoning By-Laws of the Town of Randolph, Section 5. Area Regulations: C. Side Yards: so that the section shall read as follows:

"1. In a Residential District no building, except a fireproof one-story building of accessory use, shall be erected within 15 feet of a side lot line, unless more than 40 feet from the side-line of any street . . ." The motion was duly seconded, short discussion, the previous question was moved, there was a question of doubt on the voice vote, a standing vote was requested, 97 votes having been cast in the affirmative, 27 votes having been cast in the negative, the motion was carried.

ARTICLE 9.

To see if the Town will vote to amend the Zoning By-Laws as follows: SECTION 5. AREA REGULATIONS:

A. Minimum Lot Area: "3. Add at the end of the second paragraph after the words 85 feet a new sentence: Or reduce the Minimum Lot Area for single-family dwellings below 7,500 square feet and two-family dwellings below 15,000 square feet . . ." So the paragraph would read: "notwith-standing the above provision, where the literal enforcement of this section would substantially diminish the value of the land, the shallowness or other irregularity of the lot boundaries, or the curved or other peculiarity of the street location or other valid reason the owner thereof may apply to the Board of Appeals for relief and the said board shall grant, upon equitable terms and conditions, such relief as will carry out the intent of this By-Law, but in no event to reduce the frontage to less than 85 feet. Or reduce the Minimum Lot Area for single-family dwellings below 15,000 square feet . . ."

As petitioned for by: The Chapter 40A Zoning Committee.

ARTICLE 9 ... Mrs. Simons: I move that the Town of Randolph amend the Zoning By-Laws of the Town of Randolph, Section 5, AREA REGULATIONS: A. Minimum Lot Area: "3. Add at the end of the second paragraph after the words 85 feet a new sentence:

"Or reduce the Minimum Lot Area for single-family dwellings below 7,500 square feet and two-family dwellings below 15,000 square feet . . ." The motion was duly seconded, short discussion, the previous question was moved, and the motion was carried unanimously.

ARTICLE 10.

To see if the Town will vote to add the following By-Law: ARTICLE EIGHT: BY-LAWS FOR PLANNING BOARD. SECTION 9. "Habitation of a dwelling without the appropriate occupancy and compliance permits shall be deemed cause for the levy of a fine of \$200.00 per day of occupancy. Said fine shall be initiated by vote of the Planning Board and Building Inspector . . ."

As petitioned for by the Chapter 40A Zoning Committee.

ARTICLE 10 ... WITHDRAWN.

ARTICLE 11.

To see if the Town will vote to petition the Massachusetts General Court to enact legislation substantially as set forth in Exhibit "A" herein which would:

- (a.) Authorize for a three year period, subject to extension by vote of the Town Meeting, the collection by the Town of a Land Transfer Fee not to exceed one-half of one per cent (.5%) of the purchase price upon the Transfer of certain real property interests located in the Town.
- (b.) Establish a Land Bank Fund in the Town Treasury: and

(c.) Authorize the Conservation Commission, with the approval of the Board of Selectmen, to use said fund for the purchase of certain categories of land and interests therein to be permanently held in a Randolph Open Space Land Bank in order to conserve open space, protect the environment and preserve the natural beauty in the Town.

and to act in any way relating thereto.

As petitioned for by the Chapter 40A Zoning Committee.

ARTICLE 11 . . . The motion was duly seconded, long discussion, the previous question was moved, and the motion was defeated.

Mr. Pransky: I move that we permanently dissolve the Special Town Meeting. The motion was duly seconded and the motion was carried.

Whereupon the Special Town Meeting was dissolved at 11:00 p.m.

STATE PRIMARY

September 16, 1986

Pursuant to a Warrant issued by the Board of Selectmen and signed on the 14th day of July, 1986, and duly posted by Osmond J. Benjamino, Costable, the voters of Randolph assembled on the sixteenth day of September, 1986, in the Martin E. Young School for Precinct No. 1, in the Randolph High School for Precinct No. 2, in the Elizabeth G. Lyons School for Precinct No. 3, in the Tower Hill School for Precinct No. 4, in the Devine School for Precinct No. 5, and in the Temple Beth Am for Precinct No. 6.

The election paraphernalia was given by the Town Clerk to the Wardens of all precincts and receipts were taken thereof.

The polls were open for the reception of ballots at 7:00 o'clock A.M., and closed at 8:00 P.M.

The returns were made to the Town Clerk from Precinct No. 1 at 9:10 P.M., Precinct No. 2 at 9:20 P.M., Precinct No. 3 at 9:15 P.M., Precinct No. 4 at 9:04 P.M., Precinct No. 5 at 9:00 P.M., Precinct No. 6 at 8:56 P.M. The votes were tabulated by EVM Electronic Voting Machines.

The vote was tabulated by the Town Clerk and the declaration of the results was made approximately 11:30 P.M.

STATE ELECTION

November 4, 1986

Pursuant to a Warrant issued by the Board of Selectmen and signed on the 20th day of October, 1986, and duly posted by Osmond J. Benjamino, Constable, the voters of Randolph assembled on the fourth day of November, 1986 in the Martin E. Young School for Precinct No. 1, in the Randolph High School for Precinct No. 2, in the Elizabeth G. Lyons School for Precinct No. 3, in the Tower Hill School for Precinct No. 4, in the Devine School for Precinct No. 5, and in the Temple Beth Am for Precinct No. 6.

The election paraphernalia was given by the Town Clerk to the Wardens of all precincts and receipts were taken thereof.

The polls were open for the reception of ballots at 7:00 o'clock A.M. and closed at 8:00 P.M.

The returns were made to the Town Clerk from Precinct No. 1 at 8:53 P.M., Precinct No. 2 at 9:16 P.M., Precinct No. 3 at 9:05 P.M., Precinct No. 4 at 8:58 P.M., Precinct No. 5 at 9:33 P.M., Precinct No. 6 at 8:51 P.M. The votes were tabulated by EVM Electronic Voting Machines.

The vote was tabulated by the Town Clerk and the declaration of the results was made approximately 1:00 A.M.

REPORT OF THE RANDOLPH SCHOOL COMMITTEE

The Randolph School Committee herewith submits its annual report for the year 1986 to the citizens of the Town of Randolph.

The School Committee is composed of five members, each elected for a three year period on a staggered basis. Charged with the implementation of the educational program for all pupils under the General Laws of the Commonwealth of Massachusetts, we are an agent of and responsible to the State, as well as to the citizens of the Town. Our duties and responsibilities include the formulation of policy, budget making, personnel appointments, approval of curricula and teaching materials, planning of school services, formulation of education specifications for school construction, implementation of Federal programs and the evaluation of all school programs and personnel. This we do working with our executive officer, Dr. John E. Zoino, our Superintendent of Schools.

Regular meetings of the Committee are scheduled on the first and third Thursdays of each month. School Committee meetings are telecast live over Cable TV — Channel 9. All meetings are open to the public and we encourage you to attend. Many extra meetings are held, particularly during the budget-making process (December through February) and while we are in the process of bargaining collectively with our employees, as required under Chapter 150E of the laws of the Commonwealth. Collective bargaining meetings usually begin each year in November and continue until a settlement is reached. These meetings are held in executive session. This year we will need to meet in regular bargaining sessions since we are completing the final year of a two year contract with all of our Unions, except tutors.

As a consequence of the new education bill, Chapter 188, it was necessary for us to meet this year collectively with the Randolph Teachers Association to work out the details of Section 13, "Professional Development Grants," and the "Horace Mann Grants." Under the Professional Development Grants, teachers in the system received salary grants in fiscal 1986 and will receive up to \$450 in fiscal 1987. The entire cost of this program is to be paid by the State. Randolph, by entitlement, received \$173,324.00 in fiscal 1986 and will receive \$119,993.00 in fiscal 1987 for this purpose. The school committee has agreed to disburse these amounts based strictly upon receipt of the monies from the State and with no cost to the Town. As agreed, these grants are to be divided equally among all eligible teachers and are not to be continued beyond fiscal 1987. In addition to the vote of the School Committee, a majority vote of the Town Meeting was attained. We thank the Town Meeting Members on behalf of our teachers.

The Randolph School Committee works closely with all of its Unions and does its own collective bargaining and contract maintenance, resulting in major cost savings to the Town. Our sub-committees for collective bargaining are:

Collective Bargaining Brenda Berger, Ex officio Teachers 1. Gass & Condlin 2. Aides Harris & Condlin 3. Tutors Berger Custodians Bower & Harris Cafeteria 5. Bower & Harris 6. Administrators Bower & Harris 7. Nurses Bower & Condlin 8. Clerical Bower & Harris

Other sub-committee assignments are as follows:

| Buc | lget | Brenda Berger, Ex officio |
|-----|-------------------|----------------------------------|
| | Salary Expense | Gass & Harris Bower & Condlin |

Other

| 1. | Affirmative Action | Gass |
|----|----------------------|---------|
| 2. | Legislative | Condlin |
| 3. | P.T.O. Liaison | Berger |
| 4. | Randolph Foundation | Gass |
| 5 | Student Liaison | Bower |
| 6. | Grievances — Level 3 | Gass |

We continue to schedule part of our meeting for a "School Community Speaks" segment. This practice of inviting various staff members to make presentations to the Committee has been very interesting and successful. In this manner board members, as well as members of the community, can receive current information on the workings, goals, etc. of the various departments of the school system.

We allow a portion of each meeting to be devoted to "Community Speaks." This procedure for community input is outlined in a publication entitled "School Community Rules, Regulations and Procedures for Meetings and Public Participation" and is available at the school administration office.

We are still wrestling with fiscal constraints of the past decade and the loss of fiscal autonomy. We continue to spend much time on legislative issues, public relations, and fund-raising. One can assume this trend will continue for the foreseeable future. Comunity participation is on the increase and we are attempting to broaden the use of our buildings throughout the year and for all age groups. This support is greatly appreciated by the School Committee and, most especially, by the young people of our community.

In March of 1986 Mr. David Harris was elected to serve on the School Board. Mr. Harris replaced Mr. A. Richard Anderson who retired from the Committee after serving the students for fifteen years. The Committee extends its

congratulations to Mr. Harris. Mr. Anderson leaves with the highest praise and best wishes of the Committee. During his tenure Mr. Anderson witnessed and participated in numerous very important decisions affecting the schools. He could always be counted on to study the issues and to vote for the young people of our community.

The Randolph School Committee is truly appreciative of the support of the community, and particularly the Town Meeting Members, for their support of the school budget and the special articles voted at the Annual Town Meeting this past spring. As a result, we have been able to solve several major problems and have begun to correct many others.

At the same time, in an effort to get the greatest return for the dollars spent, the Committee continually monitors its purchasing and bidding procedures and encourages Dr. Zoino and his staff to pursue all available funding sources. In this we particularly appreciate the many contributions to the school made by members of our community.

We continue to carry out our system reorganization designed to improve our educational programs. To effect building economies we closed the Stetson School and will be phasing out the North Junior High by June of 1987. Savings realized from these closings will be used to upgrade our remaining schools.

1986 was another extremely full and productive year for the School Committee. Many processes have been completed and many more initiated, all in an effort to afford the finest educational opportunity to every young person in Randolph.

Our goals for 1987 include the successful completion of all of the improvement items initiated in 1986, as well as new items listed below.

In October the Policy Sub-committee, composed of Mr. Bower, Dr. Zoino and me, completed the arduous two year task of reviewing, updating, codifying and printing the School Committee policies. The major commitment of time and energy made by this sub-committee is appreciated and will assist us in our future board work.

The School Committee and the Superintendent of Schools have made a major goal commitment to improving all staff supervisory/evaluation processes. It is our hope that by these actions we will clearly state to the personnel of the school system and to the public our desire to upgrade the system's standards and to strive for excellence in all of our endeavors. Our specific goals are:

- 1. To review and to revise the evaluation instrument used to assess the work of the Business Manager, Assistant Superintendent, and Superintendent of Schools.
- 2. To review with the Committee all administrative evaluations for the past school year.

- 3. To review with the Committee all evaluation instruments used to assess employees.
- 4. To establish a program designed to assist system-wide evaluators in the performance of these duties.
- 5. To closely assess the results of the state-wide testing programs and to carry out recommendations where needed, to improve student performance.
- 6. To monitor the processes involved with the high school evaluation. Ultimately, to assess the results of the evaluation and to make recommendations designed to upgrade the high school programs.
- 7. To monitor and to report the results and any recommendations which will be forthcoming from Dr. Huttunen and the SAT Committee.
- 8. To review the latest demographic and educational information needed to assist in short and long term housing needs.
- 9. To continue to work with the Director of Guidance, his staff, and other school personnel for the purpose of making recommendations which would result in an upgrading of the Guidance Department.
- 10. To work closely with Mr. Coburn to evaluate the present maintenance service system and to make recommendations designed to upgrade this function.
- 11. To develop and to present a document containing all of the policy statements ratified to date.
- 12. To review and finalize an administrative plan for the school system to encompass the next 3–5 years.

We look forward to working together, cooperatively and constructively, with students, parents and staff to bring about these necessary improvements.

Finally, we continue to appreciate the cooperation of all Town Departments, the entire school staff and, in particular, the good work of our executive officers, Superintendent Dr. John E. Zoino, Assistant Superintendent Dr. Lyn A. Huttunen, and Business Manager Richard E. Coburn.

Respectfully submitted,

Brenda Berger, Chairman RANDOLPH SCHOOL COMMITTEE

REPORT OF THE SUPERINTENDENT OF SCHOOLS

I herewith submit my eighth annual report to the Randolph School Committee and the other citizens of Randolph. This report encompasses the activities of the School Department during 1986.

We continue to suffer the negative impact of severe budgetary constraints of the past several years. Although, thanks to the wisdom of the finance committee, the town meeting members and the School Committee, some important gains were made this year. Much remains to be done to improve our facilities, however, we were able to accomplish the following:

- 1. A new communication system at the Devine School.
- 2. Repainting of the interior of the Devine School.
- 3. Reconstruction of the bituminous concrete at the Devine School.
- 4. Replacement of all windows at the Devine School.
- 5. Additional required egress stairs from the football field bleachers.

To be completed by June, subject to the designer selection process and State mandated bidding procedures, are:

- 1. Roof repair at the Donovan School.
- 2. Electro-mechanical system at the Devine School.
- 3. Repointing and caulking of exterior walls at the Lyons and High Schools.
- 4. Sealcoating of bituminous concrete at the Young School.
- 5. Reconstruction of tennis courts at the Kennedy and Young Schools.

As reported last year, our building needs could necessitate a three to five million dollar expenditure over the next two or three years.

In the area of instruction we have made gains by purchasing some new kindergarten equipment and computers, system-wide, as part of our technology plan.

Other gains worthy of note are the following:

- 1. The hiring of a full-time specialist to assist our teachers with the instruction of gifted and talented students.
- 2. All elementary head teaching positions have been upgraded to assistant principal (part-time).
- 3. Hired an additional special education pre-school teacher.
- 4. Upgraded a part-time (60%) school psychologist to full time.
- 5. Added monies to our teacher in-service account.
- 6. Added four kindergarten aides.
- 7. Added three elementary classroom teachers to reduce class size.
- 8. Reorganized and upgraded the class advisor positions.

- 9. Added to the junior high extra-curricular program.
- 10. Added a high school security officer and five assistants to the staff.
- 11. Added a part-time person to call parents whenever a student is absent at Randolph High School.

Other noteworthy items are as follows:

A MASSACHUSETTS EDUCATIONAL ASSESSMENT PROGRAM

In April of 1986, students in grades 3, 7 and 11 participated in the state-wide assessment. Areas assessed were reading, science and mathematics. The results which were released on November 10, 1986 were encouraging.

A. Reading Results

- 1. Grade 3 These students scored an agerage of 1330 which was 30 points above the State average. Fifty-seven percent of our students scored in the top half of the Statewide distribution.
- 2. Grade 7 These students scored an average of 1350 which was 50 points above the State average. Fifty-seven percent of our students scored in the top half of the Statewide distribution.
- 3. Grade 11 These students scored an average of 1330 which was 30 points higher than the State average, while 55% of these students scored in the top half of the Statewide distribution.

B. Mathematics

- 1. Grade 3 These students scored an average of 1330 which was 30 points above the State average. Fifty-eight percent of our students scored in the top half of the Statewide distribution.
- 2. Grade 7 These students scored an average of 1330 or 30 points higher than the State average. Fifty-seven percent of these students scored in the top half of the Statewide distribution.
- 3. Grade 11 These students scored an average of 1320 or 20 points higher than the State average. Fifty percent of these students scored in the top half of the Statewide distribution.

C. Science

- 1. <u>Grade 3</u> These students scored 1320 or 20 points higher than the State average. Fifty-nine percent of the students scored in the top half of the Statewide distribution.
- 2. Grade 7 These students scored an average of 1310 or 10 points higher than the State average. Of these students, fifty-two percent scored in the top half of the Statewide distribution.

3. Grade 11 — These students scored an average of 1330 or 30 points higher than the State average. Of these students, fifty-six percent scored in the top half of the Statewide distribution.

While these overall scores are good and while we are generally pleased, more can be done to improve our students in certain, specific skills. All of our schools and department scores show many strengths and some weaknesses. A well defined plan of action designed to study the results in depth and geared to make specific recommendations to the School Committee is in place and under the leadership of curriculum coordinators will report their findings to the Board in April 1987.

HIGH SCHOOL EVALUATION

As a member of the New England Association of Colleges and Secondary Schools, we are required once every ten years to participate in a complete evaluation of the high school by a visiting team of teachers and administrators. This evaluation will be conducted during the fall of 1987. In anticipation of the visit, we are required to do a self-evaluation by the staff. I am pleased to report that under the guidance of Principal Saba and the overall Chairmanship of Mr. Paul Connors, this process is well on the way.

SECURITY AT RANDOLPH HIGH SCHOOL

There is a noticeable difference in the high school this year because of the security people. Specifically, the lavatories are in splendid shape and are well maintained; the corridors are cleaner (debris) with very few marks on walls and doors; smoking has been drastically curbed in the lavatories; and the student parking lot is safer and relatively free of outsiders. In general the presence of the security personnel has made an impact in all areas. While some students grumble that all lavatories are not open, and that this is a "prison," the desired outcomes are evident.

NIGHT CALLS TO PARENTS

We are very pleased about results to this date. Truancies are down, as well as failure to register when tardy. With the help of the floor teachers, this monitoring system has proven beneficial, as well as popular with most parents.

COMMUNITY SUPPORT

During 1986 many persons from the community worked with educators to support current program effort for children and youth and to focus on future needs for the school system. Among the many activities were the following:

RANDOLPH COMMUNITY DRUG AND ALCOHOL TASK FORCE

We are most pleased with the efforts of this group in their fight against drug and alcohol abuse in our Town. Much credit goes to the Randolph Police

Department, to the Randolph Youth Commission, to the members of the school staff, and in particular to the many parents working together to make our Town a better place to live in for ourselves and our children.

SAT COMMITTEE

In a continuous effort to use test data as one element in identifying appropriate programs for youth, a committee of educators and community members studied the test results and made a series of recommendations for strengthening instruction in the areas of reading, mathematics, and language arts. Periodic reports on the outcomes of these recommendations will be made to the School Committee during the 1986-87 school year.

P.U.H.R. (PROGRAM FOR UNDERSTANDING HANDICAPS IN RANDOLPH

Working with Mr. Joseph Celona, Assistant Principal of Devine, Mrs. Ann Wickles and Mrs. Sue Epstein organized volunteers to provide instruction for fourth grade children about handicaps. A highlight of the 1986 program was the culminating puppet show presented by high school students from the Drama Club.

COMPUTER ADVISORY COMMITTEE

Under the capable leadership of Mr. Anthony Dionisio, Jr., educators and community representatives continue to examine appropriate educational responses to technology. In the third year of a five year plan, educators are currently focusing on management procedures and telecommunications.

VOLUNTEERS IN ACTION

The many community volunteers who provide assistance in computer education and in the libraries at the elementary level continue to provide a valuable service to students.

P.T.O. COUNCIL.

The school based P.T.O.'s, the High School Advisory Council and the townwide P.T.O. Council, under the leadership of Mrs. Vera McPartlan, continued to provide cultural activities for our students and assist in providing varied programs which help keep our students safe and actively engaged. These dedicated persons voluntarily give many hours and lend their creative talents to our children and youth.

KENNEDY JUNIOR HIGH

This past year can best be characterized as a year of change. The closing of North Junior High School, with all the inherent problems that a school closing brings could only heighten student, staff and parent concerns.

A special thanks goes to Mr. Robert F. Quegan, Assistant Principal, for the fine work that he did during the transition period of moving all the seventh grade pupils from the North Junior High School to the John F. Kennedy Junior High School.

The social studies department is planning to have a summer workshop to revise and improve the seventh grade geography curriculum. It is hoped that a comprehensive study skills program can be integrated into this course. Social study teachers in both grades will be asked to concentrate more in this vital area.

The foreign language department has improved the teaching of culture through the use of video-tape and computer software. They are also in the process of evaluating new basic textbooks for possible adoption in French.

While each of the teachers develops his/her own style and method of presenting the material, the primary objective among these teachers is to update the present curriculum and maintain an acceptable level of standard usage relative to

- (a) The individual needs of the child (and)
- (b) The demands of the language in accordance with today's society:

To accomplish the department's objective, the following areas of concentration are being taught:

- 1. Basic Skills
- 2. Vocabulary
- 3. Composition
- 4. Literature
- 5. Video-tape
- 6. Plays
- 7. Oral Presentations
- 8. Research
- 9. Understanding the Newspaper

NORTH JUNIOR HIGH

The North Junior High opened its doors for academic instruction in October of 1961. After 26 years of service to the students of the district, we will close the school this June. During this time middle level education has changed in many ways, developing from the traditional junior high school grade seven to nine configuration to more of an emphasis on the needs of children in the middle of the educational age spectrum.

Implicit in such change have been developments in the meeting of individual student needs in many areas. Individual academic needs have been addressed by moving away from traditional patterns of block scheduling to computerized schedules for each student based on individual needs. Educational, social, physical and psychological needs have been addressed by greatly increased special educational services. An overall emphasis has been placed on

meeting the needs of children in the middle years from grades six through eight.

Over the twenty-six years North Junior High offered its students an exceptional instructional system, supported by an outstanding teaching staff and the latest curriculum innovations.

North Junior students, we feel, were encouraged and taught the goals set by the Randolph School System, which are:

Develop self-esteem

Learn to respect and get along with others

Learn responsible citizenship

Develop a positive attitude toward and desire for life-long learning

Learn a body of skills and knowledge that will enable him/her to function in modern society

Acquire the knowledge, habits and attitudes necessary for a sound mind and body

Develop an appreciation of the fine and performing arts as an integral part of life and learning

Learn how to be a good manager of money, property and resources Develop an understanding of the role of the family

Participate in career education experiences in school and community.

In summary, the educational goals set by North Junior can best be illustrated by the priorities set for the school year 1986–87.

These priorities are educational commitments that students must be aware of in order to meet the challenges of the future.

The 1986-87 priorities are:

Encouraging good reading skills

(sustained silent reading — each morning)

Writing Across the Curriculum

Technology (appropriate use of micro-computers in each academic area)

Awareness of the Dangers of Drugs

Student Learning Styles

MATHEMATICS

The Mathematics Department continues to offer a comprehensive selection of courses to meet the varying needs and abilities of its students. The most heavily subscribed courses are the college prep courses which are offered in three levels: Honors A and B. For exceptionally strong students, an advanced placement sequence is available which begins with Algebra I in grade 8 and culminates in college level calculus in grade 12. For students who are not in the

college prep sequence, there are courses in Pre-algebra, Elementary Geometry, Math in Life, and Consumer Math.

Upper class electives include: college board review math, math analysis, trigonometry, and intruduction to calculus. Courses in computer math and PASCAL programming are available to interested students.

Currently in the planning stages are courses in practical math and discrete math with a target date of September 1988 for inclusion in the curriculum.

FOREIGN LANGUAGE

At the high school we are working on the self-evaluation of the department preparatory to the evaluation of the Visiting Team.

We are utilizing the computer to prepare students for the College Boards in French and Spanish.

ENGLISH AS A SECOND LANGUAGE

We are utilizing the computer for individualized instruction with an emphasis on vocabulary related to careers.

We are also working on the self-evaluation process. It appears from our numbers that we will, by September of 1987, be required to drop this program and to develop a "Bi-lingual" program required by the Massachusetts Department of Education. A transition process is being considered.

MUSIC

There were some minor changes in the Music Department personnel, but the offerings were the same.

The Marching Band was awarded several trophies at the State competitions, which was a first for Randolph. The addition of extra instructors has made a substantial difference in their performance.

ENGLISH

The English Department of Randolph High School continues to provide students with language and literature education while affording, also, enrichment experiences in the arts and humanities.

Continuing in the department was the Bi-lingual Theatre Project (American Sign Language and Spoken English) funded by the Massachusetts Council for the Arts and Humanities. Students in the project performed at the Museum of Fine Arts, Boston, at Northeastern University; at the fall conference of the New England Association of Teachers of English in Hyannis; at the annual New

England Conference at the Park Plaza in Boston; and at the national convention of the Association for Cultural Democracy which was held in Boston. Mr. Donald Nelson and Mr. Anthony Vellante of the English staff are associated with the project.

Metropathways continued with 30 students participating in the urban/suburban program which is funded under Chapter 636.

In August 1986 the English Department received a grant from the Arts Institute for a Writer-in-Residence. The writer will be in residence at Randolph High School during the spring semester.

Mr. Donald Sarney received the Teacher of the Year Award, 1986, from College Academy, Stonehill College.

In June 1986 Mrs. Jean Noblin, English teacher extraordinaire, retired following 30 years of dedicated service.

SCIENCE

This past year the high school Program of Studies booklet listed thirty-four different courses offered by the Science Department. Of this number, twenty-two offerings attracted a sufficient number of students to be scheduled. Although only one year of science instruction has been required for graduation, 996 students out of the present high school population of 1327 students elected to study science -75% of all students. Data collected by the science coordinator over the past several years indicated that, on the average, our students complete the equivalent of 2.96-3.04 full year science courses by the time they graduate from high school. The figure for the Class of 1987 will be 3.10 science courses, the highest number ever.

At the moment our full year science offerings include three levels of earth science, four levels of biology, physiology, four levels of chemistry, advanced chemistry, a combination introductory chemistry-physics course, three levels of physical science, and three levels of physics. In addition, the student laboratory aides and computer programming in science courses are offered as mini-courses, meeting two times per week.

The science department is gradually moving toward more computer assisted instruction in the classroom.

SOCIAL STUDIES

The Social Studies Department is doing much to prepare for the High School evaluation. New curriculum guides for Grade 10 and Grade 11 U.S. History were developed this past summer. This means that three year core curriculum for social studies is almost completed. The final semester of Global History will be completed this summer. In all of these, many central lessons

have been developed which every teacher must use. Most of these lessons teach or reinforce some critical thinking skill.

Also, a department midyear examination for Grade 9 Global History is almost complete. This will test for knowledge of terms, people and events, comprehension and critical thinking. Similar midyear and final exams will be developed for other subjects. This helps to develop a more cohesive department with all teachers striving toward the same objectives.

READING

The members of the Reading Department begin in the spring of each school year to assess and evaluate the elementary program, and to plan for change and expansion. The past year saw a follow through to several pilot programs, wherein materials were chosen for the advanced readers, as well as for the remedial reader. These materials were selected after study and comparison with other 'similar' materials. Those chosen appeared to more thoroughly meet the 'skill' needs of the groups, as well as the interests of our diversed population. It is anticipated that the second phase will be realized this coming year so that the updating of basal readers will be systemwide by the end of the school year.

In other phases of the reading program, much emphasis has been placed on the development of interperative and critical thinking skills, using reading materials appropriate for all students, but especially at the intermediate level. Added to this are selected groups of children on the intermediate level who are being exposed to an appreciation of various forms of literature. The ultimate goal being to develop enthusiastic, discriminating readers who will be enriched by such a program.

Several of the reading specialists have been involved in the Chapter 188 Early Childhood Planning Grant; the writing of some components of the grant, the participation in summer workshops, as well as site visits to some model kindergarten programs. The implementation of an Early Childhood Program is eagerly anticipated, with a key component being the developmental growth of the young child, and an emphasis on the child's readiness to learn.

SPECIAL EDUCATION

The Special Education Department provides evaluation and consultation to students ages 3–21 within the town of Randolph. This past school year the department services over 600 students in programs designed to meet individual student needs as identified through the TEAM evaluation process.

To facilitate and ensure compliance with Chapter 766 regulations, the department developed a set of system-wide procedures for the implementation of the special education law in Randolph. An important part of these procedures is the Pre-referral process which provides a vehicle for regular education staff to

work with special education to modify instruction in the classroom prior to a formal referral for an evaluation.

A federal grant received this past year allowed the pre-school staff to improve outreach efforts to better locate 3 and 4 year olds in need of special education.

Special education staff continued to update curricula used in substantially separate classes. The goal is to develop curricula which allows for individualization according to the student's needs while following the mainstream content as much as possible.

Significant changes were made in the Advance Program at Randolph High School, including the development of a discipline policy, admissions policy, philosophy statement, and curriculum outline.

ELEMENTARY

The 1985–86 school year reflected the continuous effort of our educational staff working in consort with representatives of the community to strive toward excellence in our elementary schools. As a conceptual framework for addressing this all-encompassing goal of excellence, we focused on research about teaching and learning and our involvement in the National ASCD (Association for Supervision and Currilulum Development) Network Study of the Elementary School. Many school based and town-wide programs were strengthened and we more clearly defined our areas of need as a result of the various activities which took place. We also organized school improvement councils as required under Chapter 188 to assist in addressing specific building level needs. The following descriptions of specific activities will serve to highlight areas of effort:

SCHOOL IMPROVEMENT

Each elementary building selected representatives to meet monthly in an effort to formulate a process that would lead to a school improvement plan. Administrators, teachers and parents/guardians were involved in this effort. The building level plans will be presented to the School Committee for recommended adoption in March 1987.

TECHNOLOGY

The School Committee voted to accept the recommendation that Quill, a computer based writing program in language arts, be mandated for all students in grade 5 during 1986-87 and grade 6 in 1987-88. This program focuses on skill development in writing and addresses an area of need for improvement. In addition, our LOGO Program in math grades 4-6 has been strengthened and some teachers in grades K-6 are using software programs and micro-computers to assist in instruction in the areas of science and social studies, as well as language arts and math.

SCIENCE

Ten teachers had the opportunity to participate in an extensive summer institute in science at the Museum of Science. The M.I.T.S. program focuses on strengthening the teaching of science at the elementary level through a "handson" approach and through better use of the various science museums and institutions in and around Boston. Each teacher who participated developed a specific science kit to use with students. These kits have been shared with teachers who did not attend as a way to expand the learning which took place. In addition, contact and shared activities are taking place throughout the year via a newsletter, sharing of activities with other Massachusetts and the resource people at the various science institutions. The revitalization of science teaching is a response to a local need and a need which is reflected on the national level.

EARLY CHILDHOOD

Under Chapter 188, Randolph was successful in receiving a state planning grant to examine needs in the area of Early Childhood Education (programs for children ages 3–8). Teachers from kindergarten, grades one and three, reading specialists, Chapter I teachers, special needs teachers, building principals, the Assistant Superintendent, Director of Chapter I and reading coordinator, along with interested parents and representatives from child care providers have participated in the study. Recommendations based on the findings will be presented to the School Committee for consideration in April of 1987.

To every employee of the Randolph School Department, and in particular to Dr. Lyn Huttunen, Assistant Superintendent, and Mr. Richard E. Coburn, Business Manager, I extend my thanks for their support and outstanding work on behalf of the children of Randolph.

To the Randolph School Committee, I extend my most sincere thanks and appreciation for all they do to support the school system.

Respectfully submitted,

John E. Zoino, Ed.D. SUPERINTENDENT OF SCHOOLS

REPORT OF THE BLUE HILLS REGIONAL VOCATIONAL SCHOOL DISTRICT COMMITTEE

We respectfully submit the 23rd Annual Report of the Blue Hills Regional Vocational School District Committee. The following is a list of Committee Members representing the seven member towns during 1986:

| AVON | Bernard H. Baher |
|-----------|--------------------|
| BRAINTREE | James E. Sullivan |
| CANTON | Benson Diamond |
| HOLBROOK | William T. Buckley |
| NORWOOD | John T. Driscoll |
| RANDOLPH | Ronald DiGuilio |
| WESTWOOD | Gerard A. Baker |
| | |

The District School Committee held regular monthly meetings on the first and third Tuesday of each month in the Administrative Office at the Regional School, 800 Randolph Street, Canton, MA. Mr. Benson Diamond and Mr. William T. Buckley presided as Chairman and Vice Chairman respectively: Mr. William J. Carr, Esq. of Randolph as Counsel and Mr. Bernard H. Baher as Treasurer with Mr. Donald DiFiore as Assistant Treasurer and Mr. Wilfrid J. Savoie of Norwood as the Superintendent-Director.

The Blue Hills Regional Technical School has consistently offered quality vocational education programs to the residents in our area during the past twenty years.

During 1986 the following numbers of students availed themselves of Vocational Education under the auspices of the Blue Hills Regional Technical School District:

| Blue Hills Regional Day Programs | | 900 |
|-------------------------------------|-------|------|
| Adult Evening Program | | 1285 |
| Holbrook Career Development Program | | 23 |
| Randolph Career Development Program | | 213 |
| | | |
| | TOTAL | 2421 |

The Adult Evening Program also continues on a self-supporting basis with an average cost of \$95.00 per course. A substantial increase in evening adult enrollment was realized during 1986.

The Blue Hills Regional Technical School provided many services and completed many projects during 1986 for the seven (7) Towns in the District. The savings to the Town Departments was approximately \$30,000.00.

The School also provided many services and completed projects for the residents of the seven (7) Towns at a savings of many thousands of dollars.

The Auto Body Department completed over fifty (50) shop jobs. Among the many jobs was the refurbishing of a 1985 Canton Police Cruiser into a vehicle for the Deputy Fire Chief. The Electrical Department completed over forty (40) projects, including participation in the outside construction program. The Structural Wood Department completed over eighty (80) projects. Included in these projects was the vinyl siding of the Westwood Fire Station, counter and cabinets for the Holbrook Town Clerk's Office, and bookcases for the Randolph Police Department.

The Metal Fabrication Department completed over seventy-five (75) projects. Included in these projects was a fire hose container for the Canton Fire Department, steel section park bench for the Town of Randolph, welding a wheel hub for the Braintree Highway Department and the construction of steel boxes for use at the Braintree Golf Course. The Graphic Arts Department was responsible for the completion of over two hundred and fifty (250) printing projects. Included were projects for the various Town Offices and School Departments. The Graphic Arts Department saved the Town Offices over \$20,000.

The Machine Shop Department was responsible for the completion of over thirty (30) projects, including maintenance and repair of many items for the Braintree Highway and Fire Departments. The Culinary Arts Department, through the restaurant "The Chateau de Bleu" and the bakery, was able to serve thousands of residents. Approximately 8,500 meals were served at a minimal fee. These were gourmet meals of which many senior citizens and handicapped residents took advantage. The average cost of the meal was \$3.50; if purchased commercially the cost would have been close to \$10.00. The Bakery Department generated approximately \$23,000 in revenue through the bake sales. Included was a very successful Thanksgiving Day bake sale where over 1200 pies and 600 dozen rolls were sold. Also, a Christmas bake sale where 125 pastry trays, 300 trays of cookies, 100 dozen rolls and 70 coffee rings were sold.

The Health Services Department serves the community through their participation in the externship programs at the Norwood Hospital, the West Roxbury Veterans Hospital and the New England Sinai Hospital. In September of 1986 a very successful Child Care Clinic for children between the ages of 3 and 5 was started and was received very well by the community.

The Advertising Art and Design Department, the Air Conditioning and Refrigeration Department, Auto Repair Department, Data Processing Department, Drafting Department and Basic Electronics Department are not directly involved in community and municipal projects but were supporting in each area of their expertise in assisting the other programs. Overall, the Vocational Department has done an excellent job training the students in their respective fields. The efforts of the students are indicative of the services performed for the residents and municipalities of the seven (7) Town District.

The swimming pool is used as part of our physical education program by day, and in the afternoon, evenings and weekends it is available for the residents of our seven towns. The pool activities include: beginners, intermediate and advanced levels of swimming, water safety instruction, senior lifesaving instruction and scuba diving.

The Computer Center served most of our towns in a multitude of school department and town government operations.

The Regional District School Committee is indebted to our local School Committees, Superintendents of Schools, Boards of Selectmen, Finance Committee members and local Advisory Board members who so ably assisted with their continued and dedicated support in 1986.

To the citizens of the seven member towns, the parents and the town meeting members, who by their vote of confidence have provided quality vocational and technical training for our regional youth, we are deeply grateful.

Respectfully submitted,

Benson Diamond, Chairman
William T. Buckley, Vice Chairman
Bernard H. Baher, Treasurer
Gerard A. Baker
Ronald DiGuilio
John T. Driscoll
James E. Sullivan, Secretary

BLUE HILLS REGIONAL VOCATIONAL SCHOOL DISTRICT COMMITTEE

REPORT OF THE POLICE DEPARTMENT

The following is my annual report of the Police Department for the year ending December 31, 1986.

The Randolph Police Department had a compliment of 47 men and one Chief. There were 35 Patrolmen, 5 Lieutenants, 6 Sergeants and 1 Civilian Dispatcher.

There were 6 marked cruisers, 5 unmarked cars, 1 Bronco, 1 Chief's car and 1 Transport Van in use, along with 2 motorcycles on patrol, weather permitting.

Police Dispatchers received over 18,000 calls which were logged or handled by the Detective Bureau. The number of calls not logged or recorded was approximately 170,000 (no school, directions, parking clerk, weather, etc.)

Crimes for which arrests were made for 1986:

| Warrant Arrests | | 929 |
|--------------------------------------|-----|-----|
| Attempted Murder | | 2 |
| Larceny Arrests | | 59 |
| Disorderly Conduct | | 49 |
| Possession of Dangerous Weapon | | 3 |
| Operating Under Influence of Alcohol | | 189 |
| Assaults | 100 | 35 |
| Assaults on Police Officers | | 18 |
| Drugs | | 56 |
| Sexual Assault (Rape, etc.) | | 12 |
| Burglary (Dwellings & Vehicles) | | 41 |
| Stolen Motor Vehicle Arrests | | 39 |
| Armed and Unarmed Robberies | | 5 |
| Possession of Alcohol by Minors | | 69 |

The total number of adult arrests for 1986 was 1,494. This includes various motor vehicle offenses, trespassing, malicious damage, etc.

The total Warrants on hand on January 1, 1986 was 1,394. The total Warrants on hand on January 1, 1987 is 1,451.

| Randolph Warrants Served | 836 |
|----------------------------------|------|
| Out of Town Warrants Served | 93 |
| Total Arrests By Warrant | 929 |
| Warrants Recalled or Deactivated | 550 |
| Total Warrants Processed | 1479 |

Juvenile cases handled in 1986 are as follows:

| Arrests | . 79 |
|-----------------------------------|------|
| Show Cause Hearings | 40 |
| Diversion Program | 43 |
| Runaways | 70 |
| Child Abuse | 23 |
| Sex Offenses (Rape, Incest, Etc.) | 15 |
| Cases handled other than Court | 189 |

Total Cases investigated by Juvenile Officer(s) for the year 1986 was 459.

The following are crimes reported and investigated in 1986:

| Murder | 0 |
|----------------------------------------------------------|-----------|
| Attempted Murder | 2 87 |
| Sexual Assaults (Rape, Incest, Etc.) | 227 |
| Breaking and Entering (Dwelling) | 86 |
| Breaking and Entering (Motor Vehicle) | |
| Larceny | 317 |
| Attempted Larceny | 23 5 |
| Armed Robbery | 4 |
| Unarmed Robbery Arson | 11 |
| | 4 |
| Kidnapping | 3 |
| Attempted Abduction Vandalism | 479 |
| Stolen Motor Vehicles | |
| Recovered Motor Vehicles | 173 92 |
| Suicides | 3 |
| Attempted Suicides | 18 |
| | 9 |
| Attempted Suicides in Cells Threats of Suicides in Cells | 6 |
| | 509 |
| Protective Custody | 309 |
| Traffic Citations Issued | 3946 |
| Warnings | 1140 |
| Non-Criminal | 2215 |
| Complaints | 265 |
| Arrests | 326 |
| Speeding | 1877 |
| Red Lights | 267 |
| Stop Signs | 341 |
| Motor Vehicle Accidents | |
| Accidents | 1421 |
| | 205 |
| Under \$1,000 Damage Reported | 317 |
| Personal Injury | |
| Pedestrians | 27 |
| Bicycle | 11 |
| Fatalities | 0 |
| | |

| 771 |
|------|
| 448 |
| 671 |
| 1496 |
| 102 |
| 36 |
| |
| 4503 |
| 241 |
| 744 |
| 3518 |
| |

Monies collected and turned over to the Town Treasurer are as follows:

| Parking Fines | \$28,615.00 |
|--------------------------------------------|-------------|
| False Alarms | 12,750.00 |
| Firearms Lic. FID Cards and Police Reports | 4,520.00 |
| Accident Indemnity and Medical | ., |
| Reimbursements | 7,199.43 |
| Reimbursements for Damages | 7,891.07 |
| (damage to cells, cruisers, etc.) | |
| | |
| Total | \$60,975.50 |

In 1986 cruisers responded to 211 calls from liquor establishments requesting police assistance.

In addition, numerous responses were made to give medical assistance and for calls such as domestic situations, etc. The response time to an emergency call for this Department is still one of the best in the State and I am very proud of this service and of the dedication of the men and women of this Department.

For the first time in many years there was no death relating to a motor vehicle accident and the amount of accidents which occurred in Randolph is down from prior years.

Every effort is being made to make Randolph a safer Town and I think the accident statistics, alcohol and drug related arrests bear this out.

Respectfully submitted,

Osmond J. Benjamino CHIEF OF POLICE

REPORT OF THE AUXILIARY POLICE DEPARTMENT

The following is the performance report of the Randolph Auxiliary Police Department for the year 1986.

A total of 2,137 duties were performed. The Auxiliary Police worked a total of 11,511 volunteer hours for 1986.

The Auxiliary cruisers patroled a total of 26,604 miles this year checking town property, schools, cemeteries, and assisting the regular police department when requested.

The Auxiliary Police Officers had approximately 2,448 hours of training. The Auxiliary Police had 36 active officers during the year 1986.

The Auxiliary Police are proud to serve the townspeople of Randolph with pride and respect.

Respectfully submitted,

Robert A. Rocheleau, Chief RANDOLPH AUXILIARY POLICE

REPORT OF THE CIVIL DEFENSE DIRECTOR

The operating capability of the local Civil Defense function was best demonstrated by its performance during the September hurricane alert.

Despite the mandated budget cuts the expanded operating center was manned and operating at maximum readiness. This operating capability was accomplished without any salaried personnel, utilizing volunteers.

We continue to maintain 100% participation in the Checkerboard Alert Program and wish to express our appreciation to the Board of Selectmen for their continued support.

Respectfully submitted,

Henry L. Lowd, Director CIVIL DEFENSE AGENCY

REPORT OF THE FIRE DEPARTMENT

The following is the Annual Report of the Fire Department for the year ending December 31, 1986.

Our total runs show an increase of 650 over 1985 and over 1,000 more than the year of the Prop $2\frac{1}{2}$ lay-offs. As we continue to do more with less, I have again submitted an Article in the 1987 ATM for four (4) Firefighters to bring us back to the 1981 manning level and, as you will note, have elected to request Firefighters rather than Dispatchers as I feel they are better equipped for handling emergency calls and it also gives me more latitude in assignments.

With all the new construction that has taken place, many new fire alarm boxes have been added and many more are in the planning stages. As a result our fire alarm system must be upgraded and I have submitted an Article to expand the system and to purchase and install additional cable.

I am also submitting an Article to purchase a complete new radio system. Many of our present units are very old and unreliable and, after consulting with communication engineers, I am convinced a new system is the only way to go. At present we operate on the "Low Band" and when inside a steel building our portables will not even reach the apparatus outside the building. I am proposing a system to operate on the "Ultra High" frequency which will satisfy our needs for many years.

I am also requesting funds to replace the windows at Central Station. The existing awning type windows are similar to Jalousie windows. They do not close tight and repair parts are unavailable. I propose to install energy efficient windows.

Many thanks to all fire department personnel for their excellent cooperation in the past year.

Very truly yours,

Robert D.Teece, Chief FIRE DEPARTMENT

FIRE PREVENTION

An extensive program to prevent pollution caused by underground fuel tanks has been undertaken and will be an ongoing task.

Over 32 potential sites have been identified and are being tested and supervised under Sate and Federal Regulations.

SMOKE TAKES LIVES - SMOKE DETECTORS SAVE LIVES

Captain John E. McGerigle Fire Prevention Officer

TRAINING

In addition to the continuous in-service training in the areas of equipment, procedures, and special hazards of the community, a two week Basic Course was conducted for new members before they attend the Massachusetts Firefighting Academy in January.

Deputy Chief Paul Anderson Training Officer

FIRE ALARM REPORT

Maintenance on boxes and aerial wire was done during the year, as well as many change-overs to new poles because of motor vehicle accidents and pole relocations. Trees around fire alarm wires were trimmed, open circuits were repaired, most of which were caused by motor vehicle accidents and storms.

Twelve new fire alarm boxes were added to the system during the year with eighteen additional boxes in the planning stages. With the rate of building going on many more boxes will be added requiring expansion of the fire alarm system.

Considerable time was spent in preparatory work and the actual moving of houses along the town streets, as well as the widening of Canton Street and the intersection of Warren and North Main Streets.

All public school fire alarm systems were tested prior to the opening of schools in September and recommendations for improvements were submitted to the School Department.

Herbert Everett Fire Alarm Superintendent

EMERGENCY MEDICAL TRAINING

All members received their yearly recertification in Cardiopulmonary Resuscitation (CPR) as required by law.

Sixteen (16) members successfully completed a 25 hour Department of Transportation (DOT) recertification course for Emergency Medical Technicians. As of December 31, 1986 the Fire Department had thirty-one (31) Registered Emergency Medical Technicians.

Captain George Mallard EMS Coordinator

REPORT OF THE BOARD OF HEALTH

REPORTABLE DISEASES

There were 58 cases of communicable diseases and other health conditions reported as follows: Animal bites: Dog 27, Raccoon 2, Chickenpox 5, Campylobacter 2, Hepatitis 7, Meningitis 2, Salmonellosis 9, Shigella 1, Streptococcal Infection 2, Botulism 1.

PUBLIC HEALTH NURSING & CLINICAL PROGRAMS

Mental Health — There were over 1100 client consultation and visits by Randolph residents for a total of 9800 hours at the South Shore Mental Health Center.. COST: \$14,000.00 for Adult Services — \$6,000.00 for Children's Services. TOTAL: \$20,000.00.

<u>Influenza Inoculations</u> — 1093 persons received influenza vaccine at 6 clinics held during the year with vaccine provided by the State. These clinics are held free of charge to Randolph residents.

School Immunizations — 90 students received 97 immunizations free of charge at the Board of Health office during week long walk-in clinics. Additionally, 30 other children received 47 immunizations throughout the year. 5 nursery schools were checked relative to their students' immunization records.

<u>Tuberculosis Testing</u> – 57 patients were tested in Board of Health office. 3 patients were tested at home. TOTAL: 60.

<u>Biologic & Diagnostic Supplies</u> — Over 4400 doses of vaccine, plus other diagnostic supplies were received and issued to Randolph physicians and used at our various clinics.

Keep Well Clinics (Ages 65 & over) — 2,914 patients were screened at 147 clinics during the year. 457 of them were found to have high blood pressure readings. These clinics are held 3 times weekly at the various Elderly Housing complexes.

Comprehensive Hypertension Program (Ages 30-64) — These clinics are held the 2nd and 4th Thursday of the month in Board of Health office — 7-9 P.M. 327 patients were screened at 15 clinics, of whom 90 were found to have high blood pressure readings.

Diabetes Screening Program (Ages 40 & over — or those with family history of Diabetes) — 160 patients with 73 found to have high blood sugar readings requiring medical follow-up. 13 were borderline. There were 8 clinics held for this program. Clinics are the 2nd Monday of March, June, September and December and are held at the Board of Health office from 9:30 A.M. to 12 Noon and 7 to 9 P.M. of those same Mondays.

<u>Cancer Recto-Colon Detection</u> – 27 kits issued. 8 were positive and underwent further testing to find that bleeding caused by other than cancer.

<u>Home visits to babies — Mothers & newborns — 79 received 87 visits;</u> Single parents — 30 received 57 visits; Premature infants — 11 received 16 visits.

Well Baby Clinics — 68 patients were seen at 11 clinics with 62 being immunized and 15 receiving physicals.

Office Patients — 336 patients made 429 visits to Board of Health office for Allergy injections, B12, Gold injections, Blood Pressure, etc.

New Safety Program initiated — SCIPP — STATEWIDE COMPREHENSIVE INJURY PREVENTION PROGRAM (SCIPP) — As of November 3, 1986 the Board of Health, in cooperation with South Shore Mental Health, has launched a Statewide Comprehensive Injury Prevention Program (SCIPP). "Safehome" is a home safety program with proven success in reducing home hazards. Its goals are to reduce the number of injuries that occur to children under six by reducing hazards in the home and by promoting safety practices. This program is strictly on a volunteer basis and families interested in the program may call the Board of Health for a home assessment. Safety supplies are made available at minimal cost from South Shore Mental Health Center. Day Care Centers and staff are also participating in this program.

Public Health Nurses also assist college students with regard to reports they must write on survey of Board of Health; investigations of refugee status re TB and School Immunizations; periodic checks and referrals of school immunizations for parents when moving; attend seminars to keep abreast of current procedures, medications, investigations, etc. relative to Board of Health duties; worked with police re health problems in homes; nursery school investigations, TB investigations, Communicable Disease investigations. The Board of Health is pleased to announce no new cases of TB reported this year!

ENVIRONMENTAL SANITATION

Refuse Collection & Disposal — Suburban Disposal Co., Inc., of Abington continues to be the collection contractor and is in the second year of a three year contract. Browning-Ferris Industries continues to operate the sanitary landfill in a fine manner with no cost to the town.

 $\underline{Public\ Health\ Complaints}\ -\ Over\ 1400\ complaints\ were\ received\ for\ possible\ health\ nuisances\ and\ hazards\ and\ investigated\ and\ resolved\ during\ the\ year.$

 $\underline{\text{Swimming Pools}}-56$ permits for public and semi-public and private swimming pools were issued.

<u>Nursing Home Inspections</u> – 2 inspections of one nursing home were made prior to state relicensing.

 $\frac{Food\ Service\ Establishments}{Food\ serving\ food\ and/or\ drink\ for\ consumption\ on\ the\ premises.}\ Inspections\ of\ all\ establishments\ have\ been\ carried\ out\ in\ excess\ of\ the\ two\ required\ by\ State\ Code\ and\ will\ continue\ to\ be\ monitored\ constantly.$

Retail Food Establishments — 31 permits were issued to retail food establishments. All are being inspected at regular intervals.

 $\underline{\text{Livestock}}$ - 23 licenses were issued to residents to keep livestock. 2 Hypo-syringe permits were issued to animal treatment.

 $\begin{tabular}{lll} \hline Collection \& Disposal of Sewage & - & permits were issued for the collection and disposal of sewage. \\ \hline \end{tabular}$

Vapor, Pool, Shower and other Baths - 1 permit issued for whirlpool bath.

<u>Container Service (Dumpsters)</u> – 15 permits were issued for container service.

GAS INSPECTIONS

412 permits for gas installations, including propane gas, were issued during 1986. As with plumbing inspections, at least one inspection is necessary for each installation.

456 permits for plumbing installations were issued during the year. Each installation requires at least one inspection by the Plumbing Inspector.

PERSONNEL MATTERS

Thomas J. Fisher was re-elected in March for a three year term. Dr. F. Randolf Philbrook, Geraldine Riordan, R.N., and the Board of Health, as well as two retired Board of Health nurses, Mary Bonney and Janet Dimmick, were honored by the Visiting Nurses of the South Shore, Inc., at their anniversary celebration held at the Ladies Library in October for their dedication to public and community service.

Joseph L. Lanata, RS, CHO, retired March 31, 1986 as Director of Public Health. Although he works from time to time as a consultant to the Board of Health, "Joe" will be greatly missed by all those who had the pleasure of working with him on a daily basis. His never-ending good humor and quick intelligence, along with his special ability to deal effectively with people, were his trademarks and made him a constant source of education and a definite asset to this Department.

Dorothy Walsh was appointed to the position of Senior Clerk and Typist at the Board of Health beginning May 27, 1986.

Patricia A. Walker was named Code Enforcement Officer by the Board of Health effective October 27, 1986. Ms. Walker has been with the Health Department for the past 14 years. In addition to managing this office, her duties will now include those of restaurant and housing inspector for the Town of Randolph.

REPORT OF THE NORFOLK COUNTY MOSQUITO CONTROL PROJECT

The Operational Project Program integrates all proven technologies into a system of mosquito control that is rational, safe, effective and economically feasible.

All mosquito eggs need water to hatch and to sustain larval growth.

<u>Source Reduction Work</u>: Our primary efforts are concentrated on the draining of shallow, standing, stagnant water and the maintenance of existing flow systems which contribute to mosquito breeding sources.

Brush obstructing drainage cut 1,905 feet Drainage construction by wide-track backhoe 3,936 feet

<u>Larviciding:</u> Treatment of mosquito larvae during aquatic development is the next most effective control effort.

Larvicide by backpack and mistblowers 155 acres Catch basin larvicide application 396 count

<u>Adulticiding:</u> The suppression of flying adult mosquitoes becomes necessary when they are numerous, annoying or threatening to residents.

Adulticide with mistblowers 366 acres Adulticide U.L.V. from trucks 18,880 acres

Surveys, inspections and monitoring in support of our programs include locating and mapping breeding areas, larval and adult collections and fieldwork evaluations leading to better drainage.

The Project received 38 calls from residents for information and assistance.

Respectfully submitted,

John J. Smith, Superintendent NORFOLK COUNTY MOSQUITO CONTROL PROJECT

ADDENDUM

It is to be noted that this Project works closely with the Board of Health of Randolph. It is of great importance to the citizens of the town, not only for the control of mosquitoes as a nuisance but also for the control of mosquitoborne disease, especially Eastern Encephalitis.

The virus of this highly fatal disease, for which there is, as yet, no known effective treatment, has been transmitted by mosquitoes in the Town of Randolph in the past.

This Project uses methods which directly attack the specific mosquito species which may cause Eastern Encephalitis.

F. Randolf Philbrook, MD, MPH Health Officer, Town of Randolph

REPORT OF THE WATER COMMISSIONERS

The Randolph Water Commission has begun the task of making our water system one we can all be proud of. We are currently fine tuning the water treatment plant on Pond Street to provide you with better quality water, constructing new water mains to provide you with better water pressure and working with our neighbors — Holbrook and Braintree — to expand our water supply so that we have water in the future.

Our treatment plant needs an updating to meet your current water needs and to meet new Federal Drinking Water Standards. We are planning to proceed with designing a new facility to be constructed jointly with Holbrook and possibly with Braintree. Our present drinking water meets or exceeds present drinking water standards but you the people of Randolph are not satisfied nor are we. We want you to drink our water and we hope to achieve this when our new treatment plant is on line in 1989.

The One Hundred Fifth annual report of the Board of Water Commissioners is hereby submitted, covering the Department's activities for the year ending December 31, 1986.

Organization of the Board:

Steven L. Bernstein, Chairman Lester E. Whynot, Clerk John F. Brack, Associate

During the year 1986 the Department received one hundred thirty-one (131) applications for new services. All one hundred thirty-one (131) of these have been installed and added to the system.

Meter Department

One hundred thirty-one (131) meters were installed on new services and one hundred fifty (150) were set as replacements. Sixty-two (62) were not registering; five (5) were frozen and burst; seven (7) were removed and seventy-six (76) were removed to be replaced. This Department has eight thousand one hundred and thirty-two (8132) meters services and seven (7) unmetered active services.

Department Maintenance

During the year the Department had twenty-three (23) service leaks on public ways. One hundred thirty-one (131) new services were installed. Forty (40) curb and gate boxes were repaired; seven (7) services were abandoned; fifteen (15) hydrants were broken by auto collisions. One (1) was hit and run, others were paid for through insurance. Four (4) hydrants were replaced and relocated. Twenty-five (25) new hydrants were set. Twenty-three (23) old services were renewed.

Respectfully submitted,

Ernest Holland, Superintendent WATER COMMISSIONERS

REPORT OF THE TOWN ENGINEER

I respectfully submit the Annual Report of the Engineering Department for the year ending December 31, 1986.

During the year the Engineering Department has furnished professional engineering services for the following Town Departments, Officials and Committees: Board of Selectmen, Board of Assessors, Zoning Board of Appeals, Town Clerk/Treasurer, Building Commissioner, Tree Warden, Sewer Department, Fence Viewers, Water Department, Police Department, Fire Department, Town Counsel, School Department, Chapter 40A Zoning Committee and the major portion of work for the following:

- 1. <u>Planning Board:</u> review and update of all subdivision bonds twice a year; review of 14 preliminary subdivision plans, 13 definitive subdivision plans and revisions to four subdivisions; review of all "Approval Not Required" plans; inspection of construction on the following subdivision streets:
 - (a) Conservation Park:
 - Selwyn Road: drainage, granite curbing, signs, wetlands replication.
 - 2. L'Heureux Circle: drainage, wetlands replications, concrete curbing.
 - (b) Kingcrest Estates:
 - 1. Connor Circle: sidewalk, wetlands replications, concrete bounds.
 - 2. Kingcrest Terrace: drainage, sidewalk, concrete bounds.

(c) Colechester Oaks:

- 1. Cole Terrace: drainage, fire alarm, base course paving.
- 2. Tiffany Drive: drainage, sewer, water, gravel base, base course paving, wetlands work.
- (d) <u>Chestnut Circle</u>: top course paving, bituminous concrete berm, sidewalk, fire alarm, concrete bounds.

(e) Highland Glen Estates:

- 1. Bittersweet Lane: drainage, top course paving, bituminous concrete berm, sidewalk, concrete bounds.
- 2. Scahill Drive: sidewalk, wetlands replication, concrete bounds.
- 3. Salamone Circle: sidewalk, wetlands replication, concrete bounds.
- 4. Flanagan Circle: drainage, top course paving.

(f) Randolph Park:

- 1. Christopher Road: curb inlets, fire alarm, gravel base, base course paving.
- 2. Fred Dolan Circle: drainage, gravel base, wetlands work, curb inlets.
- (g) Easy Street: sewer, water.
- (h) Collins Avenue: sidewalk, concrete bounds, fire alarm.
- (i) Rose Way: base course paving, granite curbing.
- (j) Anderson Drive: fire alarm, signs, concrete bounds, "As Built" plans
- (k) Country Club Drive: concrete bounds.
- (1) Shade Street: water, gravel base, pavement, concrete bounds.
- (m) Hayward Street: sewer repairs, drainage, concrete bounds, signs.
- (n) <u>Roycroft Drive:</u> clearing, grubbing, subgrade preparation drainage, sewer, water, gravel base, base course paving.
- (o) <u>Keane Way:</u> top course paving, concrete bounds.
- (p) <u>Highland Terrace:</u> sewer, gravel base, base course paving.
- (q) <u>Bossi Avenue/Morgan Street:</u> top course paving, berm, sidewalks, concrete bounds.
- (r) Morrison Drive: sewer, water, drain, gravel base, base course paving.
- (s) <u>Car-Don Estates:</u> Wetlands protection, clearing, grubbing, and subgrade preparation.
- (t) Morton Road: sewer and water.

- (u) Fuller Avenue: clearing and grubbing, subgrade preparation, sewer, water.
- (v) <u>Drinkwater Avenue</u>: clearing, grubbing and subgrade preparation, sewer, water, drain, partial gravel base.
- (w) Lindberg Avenue: top course paving, cape cod berm, concrete bounds.
- (x) Burke Drive: pavement, cape cod berm, drainage.
- (y) <u>Pacella Park Drive</u>: sidewalk, concrete bounds, fire alarms, top course paving, water, fire hydrant.
- (z) Northfield: Himoor Circle, Overlook Road, Marion Street: concrete bounds.
- (aa) Althea Park: pot hole repair, hydrant and water service repairs, sidewalk gravel and base course, concrete curbing, concrete bounds, top course paving, bituminous concrete berm.
- 2. <u>Conservation Commission:</u> reviewed and made recommendations on nineteen "Hatch Act" permits; conducted final inspections for 64 Certificates of Compliance on Permits; reviewed revisions to three permits; made weekly and sometimes daily inspections on 53 active "Hatch Act" permits.
- 3. <u>Highway Department:</u> provided survey and layout for the reconstruction of Aster and Brown Streets; designed and layed out drainage on Crowley Drive, Pond and Fitzgerald Streets; provided survey design, plans and specifications for revisions to traffic signals at North Main and Warren Streets; marked out the centerline and started survey and design for the reconstruction of Canton Street from Old Street to High Street.
- 4. Other: consulted with the Federal Emergency Management Agency, (F.E.M.A.) on the updating and revisions of the Town Flood Insurance maps; assisted in the preparation of the new precinct maps; design and survey work for the sale of house lots on Desmond Avenue and Restarick Avenue; prepared cost estimates for Articles for the Town Meeting.

Lot Grading fees collected and turned in for 44 single family, 53 duplexes, three businesses, 2 industrial and 1 multifamily project were paid to the Town Treasurer for the year 1986 and amounted to \$3,806.00.

Respectfully submitted,

Thomas W. O'Dea, P.E. TOWN ENGINEER

REPORT OF THE SEWER COMMISSIONERS

POCKET PROGRAM

Although all major construction was completed in 1985, there still remains some twenty-two mini-pockets scattered throughout the town. The cost to complete this work is estimated at \$130,000.00. Accordingly, we have submitted an article for this year's Town Meeting. If the necessary funds are voted, we intend to complete these projects in the next year.

MAINTENANCE PROGRAM

Our maintenance department now consists of four employees. Throughout the coming year we will continue with our Preventive Maintenance Program. Each season the system is completely checked out and cleaned by our own crews. This has proved to be most effective over the years as we are able to discover problems while they are in a minor stage and do the needed repairs. The ten pumping stations that are part of our system are checked twice weekly. All minor mechanical repairs and maintenance (painting, cleaning, etc.) are done by our crew.

MASSACHUSETTS WATER RESOURCES AUTHORITY

In late 1984 the courts ordered the State to separate the Sewer and Water divisions from the Metropolitan District Commission and create a separate agency. In December 1984 the Legislature voted to do so and the Massachusetts Water Resources Authority became a reality. The courts further mandated that the new Authority would be responsible to update the system as a whole and by the year 1999 replace the two current wastewater treatment plants in the Boston Harbor with a new modern facility.

The estimated cost over a fifteen year period is estimated to be 2.5 billion dollars. The Legislation as written directs that the Authority be self-supporting. All costs (operating, maintenance, construction, etc.) shall be charged proportionally to the sixty member communities.

Randolph's share has increased since Fiscal Year 1985 (262,500) to Fiscal Year 1987 by 260% (684,427) and we can expect further drastic increases as the project progresses.

GENERAL

During the past year this Department issued 236 permits for sewer installation. There are 8,100 property connections available for connection within the Town. To date 7,479 have connected, leaving a total of 621 unconnected. Through a cooperative effort with the Board of Health, we anticipate this number will be substantially reduced this year.

Income for the past year was as follows:

| Nite Soil Chamber Dumping Fees | \$ 19,890.00 |
|---------------------------------------|--------------|
| Sewer Use Charges | \$512,240.00 |
| Sewer Permits | \$ 2,670.00 |
| Connector Charges (Private Developer) | \$ 10,000.00 |
| Nite Soil Chamber License (Dumper) | \$ 1,500.00 |
| | |
| Total | \$546,300.00 |

Once again we would like to thank the Board of Selectmen, Executive Secretary, Highway Department, Water Department, and the Engineering Department, including other various departments who have cooperated with us throughout the year.

IN MEMORIAM

During the past year this Department, as well as all other departments in the town, were deeply saddened by the passing of Felix (Phil) Carlino. Phil had been a Member and Chairman of the Board of Sewer Commissioners since its inception. His humor, dedication and expertise will be sorely missed by all.

Respectfully submitted,

Roger V. Sass, Chairman Robert E. Curran, Clerk John J. Dangoia, Associate John R. O'Riley, Superintendent SEWER COMMISSIONERS

REPORT OF THE HIGHWAY DEPARTMENT

I respectfully submit my report for 1986–1987. My Department assisted and prepared much of the following work, some done by subcontract.

We are preparing Canton Street for widening and reconstruction, including altering drainage and moving catch basins to new gutter line. Some delay on this project is due to the Telephone Company installing new underground cable, a last minute decision, so we won't be digging up the area again after the new road and sidewalks are installed.

We have prepared a section of Canton Street temporary and a section of High Street temporary from Gold to Chestnut, both areas are due for reconstruction at a later date. We have leveled and paved Knights Crescent, Canavan Drive, Barry Circle, Almond Drive, Stearns Drive, Connelly Street and Sunset.

Sidewalks resurfaced on Knights Crescent, Canavan Drive, Barry Circle, Liberty Street and a section of Darrell Drive. New curb and sidewalk installed at front of Town Hall, also at front of Congregational Church and southwardly toward Stetson School where new curb and concrete work was completed.

Drainage — Installed 30" concrete pipe trunk line across Pond Street to Fitzgerald to take care of additional proposed work to Rockefeller Street and Ely Street area. Improved drainage on Canton Street to Crowley Drive, including many repairs and willow tree root removal.

Continued sign work, much due to vandalism, also provided storm drain cleaning and brook clearing, an ongoing project.

My Department assisted with preparation and construction of gazebo at North and Pleasant Streets, a beautiful addition to our proposed park area. We also helped the School Department with ball fields and sign work.

Engineering work has been completed by subcontract and the necessary permits granted for stone sloping (rip rap) at North and Pleasant Streets (Glover Brook). A grant has been applied for and we hope work will be starting sometime in the summer of '87, this work will be put to bid.

Warren Street (Route 139) and Main Street — Intersection improved, widened, new traffic lights and safety island installed. This work engineered by our own Engineering Department with State D.P.W. assistance, prompt approval by D.P.W. was appreciated. We thank Good Brothers for donating the land for the project and proposed widening to Highland Avenue.

We plan to complete Canton Street, Old to High Street this coming season and start Lafayette Street improvements, including widening where possible and extending drainage. We plan to resurface Pond Street and any work approved by town meeting.

I thank the Finance Committee and town meeting for our new equipment and approving our many requests. I feel in all that we try to accomplish we only scratch the surface on trying to improve and beautify our town.

I thank all Town departments for their cooperation and the men of my Department for their hard work and their taking pride in our many projects.

Respectfully submitted,

Henry J. Rota HIGHWAY DEPARTMENT

REPORT OF THE CHAPTER 40A ZONING COMMITTEE

At the Annual Town Meeting proposals to amend the Zoning By-Laws for area regulations and penalties for handicapped residents access were adopted.

The Special Town Meeting adopted proposals to increase the size and frontage for two-family dwellings. Also increased the side yard requirements in residential districts and set minimum lot areas and frontage for zoning variances.

For the 1987 Annual Town Meeting the Committee is working on proposals for sign, trailer, gas storage and lot size increases.

Respectfully submitted,

Mary McNeil Melvin Ellin Irene Romano Thomas W. O'Dea Joseph P. Rintone

CHAPTER 40A ZONING COMMITTEE

REPORT OF THE PLANNING BOARD

During 1986 the Planning Board held a total of thirty-eight meetings. Forty-one Public Hearings were held for new subdivisions, Town Meeting articles and Special Permits.

Twenty plans were approved and signed, four plans were rejected. The Planning Board returned a total of \$2,706.00 to the Town's General Fund. This was accomplished using the Board's recently enacted fee schedule.

1986 has been a busy one for the Board. The number of Public Hearings increased 41% over 1985's totals. The Board now anticipates there will be a marked increase in the number of Public Hearings in 1987 due to State requirements under Chapter 40A, with regard to Special Permits. This increased work load required additional clerical hours which culminated in the exhausting of the Board's clerical budget. Emergency funding was approved which should allow the Board to continue through the 1986 fiscal year.

The March Town Meeting approved an article making the Board Special Permit granting authority for two-family dwellings. This new By-Law empowered the Board to protect those areas in town where two-family homes are inappropriate. During 1986 two permits were applied for, each requiring a Public Hearing.

The Board is proud of the progress that has been made in 1986. The collection of fees and granting of Special Permits, to name but a few. These things would not have been possible without the support of Town Meeting. It is to its members, and the citizens they represent, we Board Members wish to thank. Without the decisive actions they have taken, the Planning Board would not have been able to make the Town of Randolph a more desirable community in which to live.

Respectfully submitted,

Linda L. Simons, Chairman E. Paul Flaherty, Vice Chairman Michael P. LeVangie, Clerk Albert J. Dunn Paul V. Scally PLANNING BOARD

REPORT OF THE ZONING BOARD OF APPEALS

Fifteen meetings were held and sixteen requests acted upon.

Attendance full members:

Rosenthal present 15 meetings Romano present 15 meetings

Tagrin present 10 meetings, absent 5 meetings

Whynot present 11 meetings, excused 4 meetings Brown present 14 meetings, excused 1 meeting.

Attendance alternate members

Boothby absent 15 meetings Rintone absent 15 meetings

Sandler present 7 meetings, excused 2 meetings, absent

6 meetings

Pearlman present 5 meetings, excused 2 meetings Glazman present 6 meetings, excused 1 meeting.

Pearlman and Glazman appointed July 17, 1986.

The Board members wish to thank the Town Clerk, Assessors and Engineering Departments staff for their assistance and the Town Counsel for his advice.

Respectfully submitted,

Arnold B. Rosenthal, Chairman Lester E. Whynot, Vice Chairman Irene Romano, Secretary Richard Brown Marnold Tagrin ZONING BOARD OF APPEALS

REPORT OF THE BUSINESS AND INDUSTRIAL COMMISSION

As 1986 came to a close, the Business and Industrial Commission has had a banner year.

Pacella Industrial Park, located on Pond Street, has had many new buildings completed, and many more are in construction, and many more just completing additions.

York Industrial Park, located off High Street, has been very active also — new buildings, new jobs.

East Randolph Industrial Park, on Teed Drive, the same activity — new buildings, new additions. Also in the North Street area a new Storage Facility.

The Business and Industrial Commission, in conjunction with the State, School Department and some leading business leaders, are exploring the possibility of Day Care Centers in the Town, more of this in the future.

The Business and Industrial Commission would again like to thank all Town departments for their cooperation and help throughout the year.

Respectfully submitted,

BUSINESS AND INDUSTRIAL COMMISSION

REPORT OF THE METROPOLITAN AREA PLANNING COUNCIL

Randolph is a valued member of the Metropolitan Area Planning Council (MAPC), which consists of 101 cities and towns in the metropolitan Boston area. Randolph's contribution of 18.1 per capita (for this year, \$5,119) helped to provide technical assistance to Randolph and other member communities. With Randolph's participation, the Council was able to continue its involvement in land use, economic development, housing, transportation, and environmental preservation issues, forming and implementing policies which benefit the metropolitan region.

Although the Town of Randolph requested no specific technical assistance during 1986, it did, however, benefit from the following regional plans, policies and programs:

- * the update of the statewide MDPW State Highways Map;
- * update of the Transportation Improvement Program, required to maintain eligibility for federal highway funds;
- * a study of Route 128 and surrounding communities, still in progress;
- * the study of the shortfall of local funds for roadway maintenance;
- * the Traffic Volume Data File, a comprehensive collection of traffic volume counts and other information useful to highway planning departments and other engineers;
- * MAPC's Pavement Management Manual, a project to help highway superintendents determine how to efficiently expend local roadway budgets.

Several other publications were also produced by MAPC which were also beneficial to Randolph. Inclusionary Housing and Linkage Programs in Metropolitan Boston, a useful guide for communities concerned with the issues of affordable housing. The Community Profile Series, published by MAPC's Economic Development and Data Analysis department, contains demographic data, including population and employment projections, municipal finances, industrial and commercial surveys, land use maps (with comparisons to 1950), and other information for Randolph, as well as 100 other communities.

As the Randolph MAPC representative, it has been a pleasure participating in some of the planning issues that involve the Town and its 100 neighboring communities in the Metropolitan Boston area.

Sincerely,

Gail Bowers, Representative METROPOLITAN AREA PLANNING COUNCIL

REPORT OF THE CONSERVATION COMMISSION

Under the provisions of M.G.L. Chapter 131, s40, Wetlands Protection Act, 17 new Orders of Conditions were issued, 3 applications are pending. Certificates of Compliance and Enforcement Orders were issued. This gives a total of 68 valid permits for construction sites. Several hundred site inspections were made by members collectively and individually.

Fees collected and turned over to the Town Treasurer were \$4,101.39. Administration of the Act could not be achieved without the constant assistance of the Town Engineer and his Department.

There are now approximately eighty acres of land under the care and custody of the Commission. Volunteers under the direction of member Holleran have completed several clean-up and maintenance projects. The Board wishes to thank the Tree Warden and Highway Department for their assistance with storm damage and trash clean-up.

Three associates have been accepted by the Board who help with the tasks: they are Elaine Schivek, Michael Lyons and Michael Flynn.

Respectfully submitted,

Melvin Ellin Dominic English Alan Gladstone Edward Holleran Mary C. McNeil Bart Perlman Irene Romano CONSERVATION COMMISSION

REPORT OF THE BUILDING INSPECTOR

I hereby respectfully submit the Annual Report for the Building Department of the Town of Randolph for the year ending December 31, 1986.

| BUILDING P | ERMITS are as follows: | |
|------------|-------------------------------------------------------------------|-----|
| | Single family dwellings | 46 |
| | Duplex dwellings | |
| | Additions to dwellings | |
| | Alterations to dwellings | |
| | Coal / Wood stoves | |
| | Demolition of dwellings | 4 |
| | Fire repairs | 1 |
| | Garages | |
| | Relocation of dwellings | |
| | Re-roof | |
| | | 3 1 |
| | Storage sheds | 14 |
| | Sun decks | 58 |
| | Swimming pools | 59 |
| | Additions to places of business | 7 |
| | Business/Industrial - new construction | 7 |
| | Renovations/alteration to Business/Industrial | |
| | Multi-family dwellings (total of 35 units) Temporary tent permits | 1 2 |

The sum of \$74,796.44 was collected by the Department and turned over to the Town Treasurer.

The probable cost of construction above land as submitted on permit applications is: \$20,470,008.00.

The Building Commissioner's calculation of total work at completion is: \$25,587,510.00.

Respectfully submitted,

George A. Fabrizio BUILDING COMMISSIONER

Total 709

REPORT OF THE WIRING INSPECTOR

I respectfully submit the Annual Report of the Wiring Inspector's office for the year ending December 31, 1986.

A total of 609 Electrical Permits were issued by this Department for this year.

Permits were for the following:

| Air conditioners |
|----------------------------------------|
| Automatic Teller Machines |
| Business/Industrial Renovations 23 |
| Business/Industrial new construction |
| Electrical heaters |
| Electrical dryers |
| Fire Alarms |
| Fire repairs |
| Gas heaters 6 |
| Municipal Permits |
| New Homes |
| Oil Burners |
| Residential remodel work/additions 140 |
| Service changes |
| Signs |
| Swimming Pools |
| Temporary services |
| Traffic signals |
| Vinyl siding |
| Water heaters |
| |
| Total 609 |
| |

For this year a sum of \$16,504.60 was collected and turned in to the Treasurer's Office, an increase of \$2,990.40 over last year's collected fees.

In conclusion, I wish to take this opportunity to thank my assistant, and all Town Departments for their cooperation and help throughout the past year.

Respectfully submitted,

Paul J. O'Meara WIRING INSPECTOR

REPORT OF THE BOARD OF REGISTRARS

A total of 16,233 registered voters were on file for the year 1986 and, by precinct, the number of those registered was as follows:

| Precinct No. 1 | | | | | | | | | | | | | | | 2.946 |
|----------------|--|---|--|--|--|--|--|--|--|---|--|--|--|--|-------|
| Precinct No. 2 | | | | | | | | | | | | | | | - |
| Precinct No. 3 | | | | | | | | | | | | | | | |
| Precinct No. 4 | | | | | | | | | | | | | | | 3,198 |
| Precinct No. 5 | | ٠ | | | | | | | | | | | | | 2,685 |
| Precinct No. 6 | | | | | | | | | | ٠ | | | | | 1,899 |

The Registrar's 1986 Street Listing totaled 29,134 individuals.

| 1 day old through 16 | | | | | | | | | | | | 5,602 |
|----------------------|--|--|--|--|--|---|--|--|--|--|--|--------|
| Age 17 through 21 | | | | | | • | | | | | | 2,492 |
| Age 22 through 59 | | | | | | | | | | | | 15,529 |
| Age 60 and over | | | | | | | | | | | | 5,511 |

Information on dogs in each household was collected and put on file.

Initiative Petitions, Nomination Papers and Absentee Ballots were received and certified by the Registrars.

Extra sessions and night sessions for the Town and State Elections were held in accordance with General Laws. 298 residents registered between August 15th and 19th for the State Primary. 373 residents registered between August 20th and October 7th for the State Elections on November 5th.

"Persons Listed" books, "Voters Lists," "Supplementary Lists," "Jury Lists" and "Drop Lists" were compiled and computerized during the year. Registration sessions were held at Massasoit College, Randolph High, Trilling House and Hollywell.

Respectfully submitted,

A. Rena Thayer, Chairman Grace Cartwright, Associate Member Raymond DeRosa, Associate Member Joan Ward, Town Clerk BOARD OF REGISTRARS OF VOTERS

REPORT OF THE TRUSTEES TURNER FREE LIBRARY

The 111th Annual Meeting of the Board of Trustees of the Turner Free Library was held on June 10, 1986.

Elected officers were David D. Doyle, President; Mrs. Carol Leavitt, Vice President; Mrs. Marie Carr, Secretary; Donald Spargo, Treasurer; and Miss Mary Reilly, Assistant Treasurer.

Board members include Henry Rota, Richard Marden, Mrs. Marion Horowitz, William Trostel, Paul Connors, Mrs. Joan Carmichael, Albert Willis, Seth Turner Crawford, Joseph Semensi and Mrs. Sally Crawford.

The Trustees have been most faithful in attending meetings and giving freely of their time and effort in behalf of the welfare of the library and its patrons.

1986 was a busy and productive year for the library. Growth was noted in circulation, increased use of the facility and in new cards issued as detailed in the accompanying report of the Librarian.

The building continues to be in sound condition and well maintained. This year we were able to paint the exterior and replace draperies in the down-stairs meeting room. However, costs of maintenance and repair of the 20 year old air conditioning and heating systems have been rising in recent years. Because of this we have requested an engineering study to determine if modifications or replacements are indicated. We expect this report to be completed this spring.

Our new 25" Video Monitor and Video Cassette Recorder are becoming an important part of our children's programs and we are acquiring video cass-settes for this purpose. In addition, we have a modest supply of cassettes to be loaned to the public and we expect rapid growth in this area.

The Trustees join me in thanking Mr. Charles Michaud and the library staff for their extra effort in maintaining a high level of service to the community during the latter part of the year despite a shortage of help brought on by illness and retirements. New employees have been retained and should be in training by the first of the year. Furthermore, we extend our appreciation to the volunteers for their gracious efforts in assisting the staff wherever they are needed, and to the Friends of the Turner Library under the able leadership of Mrs. Virginia Frew for conducting book sales and a series of well attended programs.

In addition, on behalf of the entire Board of Trustees, I wish to thank Mr. Henry Lowd and all town departments and officials for their help and support during the past year.

Respectfully submitted,

David D. Doyle, President BOARD OF TRUSTEES TURNER FREE LIBRARY

REPORT OF THE DIRECTOR TURNER FREE LIBRARY

Fiscal year 1986 was a notable year for the Turner Free Library. It marked the start of Sunday afternoon library service, the start of the process of automating library services, and the continuation of a significant increase in library use.

During FY 86 a total of 164,003 items were borrowed from the library. This is an increase of more than 7,000 items over the FY 85 circulation total, a year which was itself notable for circulation growth. In the past two years the library circulation has increased by more than 11%.

Circulation records show that 95,464 adult books and 49,145 children's books were borrowed during FY 86. Over 5,000 magazine issues and over 14,000 audio recordings were also borrowed. Art reproductions, museum passes and cameras were borrowed 233 times.

The library has also been the scene of increased activity for research, both on school assignments and for personal purposes. On some Sunday afternoons and some winter nights not a single seat was left vacant at the library.

Increases in library activity were reflected in the increase in the numbers of new cards issued. During FY 86 the library issued 1,917 new adult library cards and 438 new children's cards.

Programs for both adults and children were popular activities at the library. During the past year more than 150 programs and story hours were offered in the children's department with almost 4,000 youngsters attending, nearly double the number attending children's programs during the previous year. The library story hours continue to be incredibly well attended with over 2000 children attending the pre-school story hours.

Over 120 children participated in the Mighty Dragon Summer Reading Club and more than 2,000 books were read by club members during an eight week period.

Other children's programs included performances by Discovery Puppets, West of the Moon Storytellers, singer Kathy Tucker, Poobley Greegey Puppets, and a visit from some "Mythical Creatures." Some of these programs were funded through Arts Lottery Grants awarded by the Randolph Arts Council.

The Turner Library Friends sponsored several programs for adults, including two on the color coordination of Fashions and skin tone, one on collecting antique baskets and one on accupuncture. Several programs on gardening and lawn care were offered in conjunction with the Norfolk County Extension Service.

The Randolph Great Books Discussion Group continues to meet every other Wednesday evening to discuss important literary works. The group has been meeting now for three years with the library director serving as discussion leader.

Last year not only were start-up costs for automating the library approved by the Town Meeting but also the library and four others were awarded a \$150,000.00 Federal L.S.C.A. matching grant to allow for the participation of Randolph and four other libraries in the Old Colony Library Network now a group of 21 libraries sharing an automated circulation system and an on-line library catalog. Funding to bring the Turner Free Library into full participation will be spread over three years.

During the fall of 1985 the initial steps for automating the library were undertaken. Almost all of the library books and audio collections have been "bar-coded" in order to be "machine readable" when the library does go online. Cabling of the building in order to accommodate computer terminals is being planned for early winter 1987. Delivery of the first terminals is also expected early in 1987 with "data conversions" — putting library information into the computer data base — to start shortly thereafter. The length of time it takes the library to accomplish this data conversion will determine how soon we will go on-line. Computer searches of the collections of some other Old Colony libraries should be possible by fall 1987.

Once the Turner Free Library is automated, you will see the start of a revolutionary new era in library service. Just by coming here to the Randolph library you will be able to know instantly what books are available in 20 other South Shore libraries. And if you need a book from another library it can be delivered to you in three days or less.

As automation will mark the passing of an era at the library, so too do the retirement this autumn of Library Secretary Gertrude Walsh and Circulation Chief Agnes Anderson, who between them have given close to fifty years of service to the library. As Shakespeare said, 'we will not look upon their like again.'

In closing, I wish to thank the library staff for all their efforts and the library trustees for their encouragement and support, and also the many people for whom the Turner Free Library provides an important service.

Respectfully submitted,

Charles Michaud, Director TURNER FREE LIBRARY

REPORT OF THE TRUSTEES STETSON SCHOOL FUND

HISTORIC BUILDINGS, LIKE OLD FRIENDS, SHOULD BE TREATED WITH CARE AND RESPECT

This year the Trustees of the Stetson School Fund have been able to have major work done in this historical landmark.

The fire alarm has been moved from the Collector's office to the back hall so that it will be accessible to the Fire Department. Fourteen smoke and heat detectors were installed throughout the building.

All new lighting fixtures were installed in the downstairs corridor, front and back stairways, hallways and the upstairs ladies' lounge. New wiring and fixtures were installed in the storage rooms.

New carpeting was installed in the G.A.R. Room and the middle of the old carpet was cut and installed in the ladies' lounge.

All new sub-flooring and new tile floor was installed upstairs in the hall-ways and the front inside stairs.

Every window in the building was washed by a contractor and will be done every year in the future.

New windows were installed in the upstairs storage room and new walls were erected in the copy room.

The cupola on the top of the building is being renovated thereby improving the appearance of the building from the outside as you are driving into Randolph.

To bring this historic building up to code and have it be a landmark of which the town of Randolph can be proud, the Trustees next year would like to be able to have the foundation repaired as it leaks, the granite front stairs redone, the beautiful front doors stripped and refinished because they are splintered, the windows repaired and puttied, and install new blinds throughout the entire building. The Selectmen's office needs to be painted, the Town Seal in front of the building needs to be redone and, most important, we need new burglar alarms in the Treasurer's and Collector's offices and the G.A.R. room.

The Board of Trustees wishes to thank the following for their cooperation during the year: Board of Selectmen, Henry Rota, Henry L. Lowd and his staff, Walter Martin, Randolph Fire Department, and our secretary, Ms. Margaret Burke.

Respectfully submitted,
John J. Rooney, Sr., Chairman
Gail Flynn, Vice Chairman
Joan P. Dunn, Clerk
TRUSTEES, STETSON SCHOOL FUND

REPORT OF THE HISTORICAL COMMISSION

The Historical Commission has been active during 1986, particularly in the area of arranging all our collected materials, lamination of an abundance of old newsprint, photos, maps, documents, and storing all this in proper order. So large has our accumulation grown that we have requested the Turner Library to allow us to extend the office space in the basement of the library. Our own lamination machine has been of considerable value to our work.

Mindful of the 200th Anniversary of Randolph in 1993, the Commission has begun to lay groundwork for this important event and plans are being developed to outline programs of detailed assignments of various areas of concern to the multiple concerns involved. We have requested the Board of Selectmen to appoint Mr. Alvin Yorra to membership on the Commission and we have been delighted with his acceptance and have been pleased to have him undertake the Bi-Centennial program for 1993. Mr. Yorra contributed a most outstanding chairmanship to the Bi-Centennial programs of 1976 and he will be assisted by his committee in the planning for the Town's Birthday.

The Commission's appeal to the public for articles of historic import has been most fruitful and we have gathered valuable newsprint, town records, pictures, programs, and some artifacts. Our appeal has been highlighted in the media, by visual notice on cable TV, as well as in the weekly stories and pictures in the Randolph MARINER. In the latter part of December, the Randolph Cablesystems put on an appearance of your Chairman in a discussion of the work and hopes of the Commission on their weekly Senior Focus.

In November Mr. David Doyle and Maj. MacGerrigle appeared with Town Accountant Henry Lowd on a radio program on Station WVMB at University of Mass—Boston, in which the various facets of the Town of Randolph were presented.

The Commission is most appreciative of the donation by Mr. Joseph Buckley of a set of leather-bound Town Reports from the estate of Mr. Joseph Leahy, former Town Clerk, and also two well preserved Insurance Maps of all houses in the town, dated 1897, when the population was 4,000, and another dated 1919, population 10,000.

The Commission has requested the consideration of the Finance Committee in the matter of an increased budget to plan for the Town's Bi-Centennial birthday.

The Commission will also appeal once again to the Federal Government, Department of the Interior, for some of the 4,000 boots and shoes, once manufactured in Randolph, that had been sunk in the Missouri River in 1865, subsequently recovered and now on display in a museum in Kansas.

The Commission has begun a program of replacing the ten wooden Cedar crafted Historical signs, which have been subjected to vandalism, with granite smooth faced boulders. These native boulders have been gathered and emplaced by the Highway Department and then inscribed on their face with the dedicatory titles of the area. This has been a costly program and only two have been accomplished so far, but they will be a more permanent historical evidence when done.

Many thanks are extended to the townsfolk who have responded to our appeals for contribution of artifacts, pictures, newsprint and memorabilia, and to Mr. John Murphy for his many hours of assistance in the office assisting with codification.

Respectfully,

Maj. Raymond P. MacGerrigle, Chairman Stella Krupka, Secretary Marie Carr David Doyle Margaret Riley George H. Sullivan, Jr. John F. Toomey, Jr. Alvin J. Yorra HISTORICAL COMMISSION

REPORT OF THE HOUSING AUTHORITY

Since our last report for the Annual Town Report was written in 1985, the Randolph Housing Authority has continued to manage 236 units of elderly housing in Randolph. We have had a very busy year with the Russell F. Thompson, M.D. Memorial Community Center for all of our senior citizens of Randolph.

The Randolph Housing Authority is also participating in the 707 Rental Assistance Program for moderate income families under the Department of Community Affairs of the Commonwealth of Massachusetts. We presently have 15 family units subsidized under the 707 Rental Assistance Program. We are hopeful of constructing more elderly housing apartments in the future. However, the recent financial crisis of the Commonwealth of Massachusetts, together with the emphasis of rehabilitation of existing dwellings in our large cities by the Executive Office of Communities and Development, has slowed down the program of construction on new elderly housing developments in Massachusetts.

The Randolph Housing Authority has had an active year supporting M.B. Associates, who have completed a new elderly housing complex off of Highland Avenue in Randolph, and the Hebrew Rehabilitation Center for the Aged who have completed a new elderly housing complex on the site of the Boston School for the Deaf on North Main Street, Randolph. We have worked closely with M.B. Associates and the Hebrew Association Aging and have provided them with all necessary information concerning our applications to assist them with their applications for financial assistance from HUD. We are quite pleased that the Town of Randolph has two new housing for the elderly developments constructed with HUD money at a time when Federal money is very scarce for housing.

This year the Housing Authority has received a grant from E.O.C.D. for five hundred thousand dollars for the 6/89 program for handicapped housing.

The Randolph Housing Authority members are proud of their accomplishments since the start of the program in 1965 and have worked diligently to bring much-needed housing to the people of Randolph and to satisfy the requirements of our elderly citizens.

We would like to extend our thanks to the Board of Selectmen and other officials of the Town whose cooperation and assistance have been invaluable.

At this time we would like to thank State Representative John Flood of Canton and Randolph, State Senator Joseph B. Walsh of Dorchester, and State Representative M. Joseph Manning of Milton for their continued support of the Randolph Housing Authority and its aims and purpose.

Respectfully submitted,

James W. Brennan, Chairman Henry J. Rota, Vice Chairman Edward C. Hoeg, Treasurer Ruth E. Walsh, Assistant Treasurer Joseph J. Zapustas, Secretary Joseph R. Welch, Executive Director RANDOLPH HOUSING AUTHORITY

REPORT OF THE COUNCIL ON AGING

1986 presented a banner year for the Senior Citizens of Randolph. In July the Council on Aging, through the leadership of James Hurley, the Director of Elderly Affairs, sponsored a Senior Citizens' Picnic for over 500 seniors.

A special thanks to the Randolph AMVETS, Post No. 51, for their kind donation of the Post's grounds and facilities which made that day very special.

Through the efforts of the Space Needs Study Committee and the Board of Selectmen, the Senior Citizens Center will become a reality at the Old McNeil School on Union Street in June 1987. A special thanks to the members of the Randolph Town Meeting for appropriating the funds for the reconstruction.

On behalf of the Council and the Seniors who attended, I wish to thank the Randolph Elks for the wonderful Holiday Dinner the Lodge tended to Randolph Seniors in December.

The Council looks forward to 1987 to increase services for our over 5,500 Seniors in Randolph.

My special thanks to all of the Council Members for the assistance and encouragement during 1986.

Respectfully submitted,

Thomas M. Sullivan, Chairman COUNCIL ON AGING

REPORT OF DIRECTOR OF ELDER AFFAIRS

After serving as Acting Director since May 15, 1985 I was appointed Director on May 12, 1986 by Board of Selectmen to take effect July 1, 1986. My position as Director of Veterans Services the past 21 years was combined with Director of Elder Affairs. I am happy to serve the Senior Citizens of Randolph, many of whom I have known for years through the Veterans' office.

I applied for and received a grant from the Commonwealth of Massachusetts in the amount of \$10,300.00. This money is used for specific programs, such as a part time Outreach Worker, part time secretary, Medical transportation, and bowling for the Seniors.

Mrs. Cornelia Wilkins has done an outstanding job as part time Outreach Worker. She visits homes in the town and follows up on referrals by me or other agencies.

A successful town-wide picnic was held in August with over 500 seniors in attendance. The picnic was held on the grounds of Amvets Post No. 51 and dancing was enjoyed under the big tent to a live band. Food was excellent and beano games played. Thanks to Amvets Post No. 51 and Amvets Auxiliary for all they did and also to the Finance Committee and town meeting for voting the funds. I hope this will become an annual event.

The MBTA came to Randolph and more than 300 seniors were issued passes. I also conducted a picture taking for 260 seniors to obtain their Randolph Senior Citizen cards.

Again this year Maurice and Joan Hart, owners of the Lantana, sponsored the annual Christmas Party. More than 500 seniors, including residents of Hollywell Nursing Home, attended this gala affair. My thanks to Mr. and Mrs. Hart for providing this event.

The Council on Aging was recognized and presented a plaque by the South Shore Visiting Nurses in October.

The Board of Health provided free flu shots and weekly Blood Pressure clinics to all senior citizens.

This office was able to start processing fuel applications to senior citizens only in September and this proved to be of great help. Close to \$300,000.00 was sent to Randolph residents this past year to help them pay their fuel bills.

I continue to assist all senior citizens in any way I can and attend many meetings both on the local and state level.

Under the leadership of President Tom Sullivan, the Council on Aging has been successful in pushing through the article to fund a new Senior Center at the McNeill School. It is hoped by all the Council members that this center will be used by all. A target date of April or May 1987 is proposed for the opening.

The Council on Aging wishes to express the sympathy of all seniors on the sudden death of Alyce Gallagher who served for many years as secretary. She is missed by all. The Board of Selectmen appointed Mike Wallace to the Board and we look forward to his assistance and advice.

The first edition of the new monthly newsletter "The Sunnyside" was published in July. It has gone over very well and now has a monthly distribution of 2,500 copies. This newsletter is printed due to the generous support from 13 business firms and professional people advertise in it.

I wish to thank the Board of Selectmen for their confidence in me and other town and state officials for their assistance this past year.

Respectfully submitted,

James M. Hurley, Director ELDERLY AFFAIRS & VETERANS' SERVICES

REPORT OF THE VETERANS' AGENT AND DIRECTOR OF VETERANS' SERVICES

Ever since there has been an America for which men fought and gave their lives, there have been benefits of various kinds. The first benefit on record was enacted by the Pilgrims of Plymouth Colony in 1636 which provided that any soldier injured in defense of the colony "shall be maintained completely by the colony during his life." Since that time the concept of benefits was established.

The Randolph Veterans' Services Department is privileged to help veterans and their dependents obtain benefits, from a grateful nation, for those who have worn the uniform of this country. All veterans, especially the Viet Nam Veterans, as well as their dependents, must be afforded the opportunity to apply for and receive benefits for which they are entitled.

There are benefits and services accorded to veterans and their dependents. These benefits relate to food, clothing, shelter and medical care. Services also include filing for VA Compensation, Pension, Hospitalization, Education, Out-Patient medical care, Rehabilitation, Counselling and various other benefits.

Over 30 percent of our population will directly, or indirectly, be involved with our veterans' programs.

Veterans' Benefits under Chapter 115 of the Commonwealth of Massachusetts are paid by the community of residence and reimbursed by the Commonwealth of Massachusetts at a rate of 75 per cent. Federal VA Benefits under Title 38 of the Federal Statute is paid directly to claimants and this reflects a great savings to local taxpayers. The total of VA Federal money that came into Randolph in 1986 amounted to \$2,578,886.00.

Veterans' Service is a one stop center for all Veterans' Benefits Programs.

We can help — we want to help — we will help all veterans and their dependents who meet the requirements.

It was my privilege to be chosen a Delegate to the Amvets National Convention in Cincinnati, Ohio in August 1986. I witnessed with pride the activities of our outgoing Amvets National Commander Bob Medairos, a member and Past Commander of our own Amvets Post No. 51 here in Randolph. He had a very successful year as National Commander and I congratulate him on a job well done.

I hope that sometime in the future the Randolph Veterans' Council will start a campaign to restore the Honor Roll of WWI, WWII, Korea and Vietnam veterans on town land, possibly in front of the proposed new town hall (the old Stetson School). I congratulate Bill Whidden from the V.F.W. for a great year as Chairman of the Randolph Veterans' Council.

Two acts that were signed into law in 1986 by Governor Dukakis are:

- 1. The veterans of Grenada and Lebanon have been given the same state benefits as other veterans, including Civil Service status.
- 2. Each city and town shall fly a POW/MIA flag from at least one town pole.

In closing, I thank members of the Board of Selectmen, Executive Secretary Henry Lowd, and my secretary Claire Skiffington for their continued support.

Respectfully submitted,

James M. Hurley, Director VETERANS' SERVICES & ELDERLY AFFAIRS

REPORT OF YOUTH COMMISSION/STAFF

The Randolph Youth Commission and Youth Staff herewith submit their annual report for the year ending December 31, 1986. As a service/activity oriented prevention agency, the Youth Commission became involved in a number of endeavors pertaining to the mental, social and physical health of the Town's youth and their families. In the implementation of any program, the Youth Commission has the following objectives in mind:

- 1) To provide alternatives to delinquent behavior by developing creative programs to meet social, educational, vocational, psychological, and/or recreational needs of young people;
- 2) To assess and respond to the needs and concerns of Randolph teenagers and their families through active outreach efforts;
- 3) To create a better understanding about youth among adults, particularly between parents and their own children;
- 4) To help the youth of Randolph to articulate and meet their own needs;
- 5) To bring about a clearer understanding of services and activities available to youth by agencies already serving Randolph.

In 1986 the Youth Staff worked with, among others, police, court, school, and area social service personnel. They provided individual and family counseling, vocational counseling and placements, academic tutoring, organized and supervised youth activites, were resources for information and referral, and were called upon in numerous crisis intervention situations, including direct involvement with school drop-outs, runaway cases, teenage rape victims, cases of attempted suicide, teenage pregnancy, and child abuse, as well as cases of problems resulting from alcohol and/or drug abuse.

The 1986 Annual Town Meeting supported our request to increase the open hours at the Lafayette Street Youth Center from 10 to 19 per week. We anticipate that this will enable us to once again make the Center available to the Town's teenagers 7 days/week. The Center (11th Anniversary) continues to provide young people with a supervised place to meet and participate in various constructive activities. In June we regretfully accepted the resignation of part-time Youth Center Director Ben Jones. In November the Youth Commission appointed Mary Lee Beck and Michele Thompson to assume the duties of part-time Youth Center Director. We are hopeful that they will be on the job shortly after the first of the year.

An on-going Youth Employment Service (which referred numerous teenagers to full time, part time and odd jobs throughout the year) and Drug Educa-

tion Workshops (in conjunction with the Randolph Police and School Departments), which were made available to parents, teachers, and elementary and junior high school students, were among the other programs and activities sponsored by the Youth Commission during the past year. Youth Outreach worker Maureen Russell was a prime mover in organizing a Community Drug/Alcohol Task Force which met regularly in 1986 and involved the Youth Commission, Police Department, School Department, clergy and concerned residents.

Thanks to the thoughtfulness and generosity of John Emmanuel and Pub 28 of Randolph, the Youth Commission worked with the State Department of Social Services in June to make it possible for many area young people to attend camp during the summer of 1986. Also during the summer the federally funded Youth Employment/Training Program (employing nearly 100 Randolph teenagers in community service work) utilized the Youth Center facility on Lafayette Street, as did the 4–H group, Pop Warner cheerleaders, and various other community groups throughout 1986.

The Youth Commission continued to meet on the second and fourth Tuesday of the months at the Youth Office, located on the second floor of the Corkin Building at 19 North Main Street. With annual re-organization in November, Neal Condlin became Chairman, Janice Graziano Vice-Chairman, and Chuck Fay the Clerk.

The Youth Commission takes this opportunity to thank all Town Departments, the business community and the townspeople for their cooperation and encouragement throughout the year. A special thanks and appreciation to the Board of Health, the Randolph Knights of Columbus, the Randolph Elsk, and the Junior Ladies Library Association of Randolph for their continued support in 1986. We look forward to working with and on behalf of the Town's youth and their families in 1987.

Respectfully submitted,

Neal Condlin, Chairman
Janice Graziano, Vice-Chairman
Chuck Fay, Clerk
Paul Porter

REPORT OF THE BOARD OF RECREATION

Sure, we all get aches and pains, it goes with the territory. But how we deal with them is what's important. If we take care of our health, life can be full of exciting, pleasant experiences.

Have you ever met individuals who look and act much younger than their age? Have you ever wondered why some people seem to maintain their youthfulness throughout their adult years? Have you ever considered that many of these persons have taken positive steps to look better, feel better and function better. Generally speaking, healthy men and women are well disciplined men and women. Good health doesn't come easily.

Physical fitness is an important component of personal health. Physical fitness can be improved at any age, but it always requires effort on your part. It is impossible to develop physical fitness without regular physical exercise and it is impossible to maintain physical fitness without regular physical exercise.

Twenty minutes of proper exercise every day is probably the best way to postpone the aging process. A strong heart, strong muscles and strong bones have a lot to do with the quality of life at any age.

Unlike an automobile that wears out more quickly when it is used, the human body wears out more quickly when it is not used.

There are two college textbooks on physical fitness written by Wayne L. Westcott, Ph.D.

The Recreation Committee, at their meetings, have been discussing the Recreation Programs of other towns and are planning activities for the future.

A sub-committee of the Recreation Board have met with Mr. Coburn, Business Manager for the School Department, to talk about the tennis courts and baseball fields. Once the play areas are new or replaced, it's important to maintain them; the better the facilities will find more people using them.

The Recreation Board offers many programs during the year. We urge the people of the town to take advantage of any of these programs. Visit the skating rink, the swimming pool, and any of the activities. If you have any ideas about new programs, write to the Recreation Director, 240 North Street, Randolph. The Board is available to spend time to discuss new programs.

The Board wishes to thank the Selectmen for their interest in recreation, to Mr. Henry Lowd and his office staff for their help at all times, to the Finance Committee for their sincere interest in the budget, to the School Department and Mr. Coburn for setting up the facilities at the various schools for recreation purposes. To Mr. Rota, Highway Superintendent, for his help at all times, to the Town Meeting Members for accepting the Recreation budget, and finally to the people of the town who participate in the recreation programs.

The past year has produced an increase of people over last year who engaged in the recreation program; let's hope that this year will attract more people, young and old, to partake of the various programs conducted by the Randolph Board of Recreation.

Respectfully submitted,

Joseph J. Zapustas, Director BOARD OF RECREATION

REPORT OF THE LANDSCAPE REVIEW BOARD

The past year has seen a dearth of building in the town of any structures which would come under the review of the Landscape Review Board.

One development, however, of major proportion was that of the large building erected on the property once of the beautiful estate of the Wales family on North Main Street, next to the bridge. This multistoried office building, set back from the Main Street, was erected by the Randolph Credit Union and is the design of the YAROSH ASSOCIATES, Architects, with the landscaping done by the Gerald Barard Associates of Arlington. The landscaping design is one of the best ever submitted and is quite extensive, with an abundance of botanical plantings. In the early part of this century the Wales estate occupied this acreage and the beautiful colonial home was set back from the street, fronted by a maze of ornamental shrubbery.

The Landscape Board will anticipate the plans for the forthcoming Randolph Village, to be erected on the opposite side of North Main Street, corner of Warren Street, in 1987.

Although not under the concern of the Board, we have viewed with deep appreciative regard the landscaping incident to the embellishment of property of long standing, such as that of the Belcher estate at the corner of North Main and Grove Streets, of the Union Square Condominiums, of St. Mary's Cemetery, and of the Gazebo in the Joseph Hart Park, as well as the small Historic Stones with their settings by Mr. Henry Rota and the Highway Department.

Respectfully submitted,

Maj. Raymond P. MacGerrigle, Chairman
Albert J. Dunn
William N. Fornaro
Peter C. Kuzminski
Herbert E. Olsen
LANDSCAPE REVIEW BOARD

REPORT OF THE TOWN CLERK

As my fourth year as Town Clerk comes to an end I look forward to an exciting and busy 1987 when I will be focusing on the redistricting of the Town into eight precincts, and the continued emphasis on giving the best service possible to the Town of Randolph.

In February 1986 this office held the first Candidates Night at the Trilling House in our ongoing efforts to keep the citizens of Randolph informed about their town government. We hope this will be the first of many such events.

With the increased growth in the business and private sector, a meeting was held with the Planning Board, Town Engineer and the Town Clerk's office in order to provide the public with accurate and up to date information in the filing of plans and forms in the Clerk's office.

It was a busy year with elections in March, September and November. There were eight sessions of Town Meeting and two Special Town Meetings.

STATISTICS RECORDED TO DATE FOR 1986

| BIRTHS | 237 |
|-----------|---------|
| MARRIAGES | 244 |
| DEATHS | 250 |

| Dog Licenses | 1924 |
|-----------------------------------|------|
| Fisheries and Wild Life | 719 |
| Archery/Primitive Firearms stamps | 24 |
| Massachusetts Waterfowl stamps | 32 |

Respectfully submitted,

Joan F. Ward, CMC TOWN CLERK

REPORT OF THE TOWN TREASURER

The year 1986 marks a milestone in my career as Town Treasurer and in the Town of Randolph's history as I became its first Certified Municipal Treasurer. When I was elected in 1983 one of my goals was to achieve this status in order to improve, expand and increase all the services available to the residents of Randolph.

With the implementation of Chapter 637, the Compensating Balance Law, emphasis is placed on strong municipal cash management to generate revenue as a result of solid investment policies and practices of the local finance officer, namely the Town Treasurer. One of the primary elements in effective cash management is strong banking relations, which the Town has, as is shown in the low rate of interest we have obtained in our borrowing this year, and while interest rates have dropped I have maintained a high interest rate on our investments which resulted again in over a half million dollars. All of this has contributed to keeping our rating at an all time high.

As we progress with the collection of tax title monies, to date over \$300,000.00 has been collected and we will pursue this action against delinquent taxpayers till all taxes owed are recovered.

Two training sessions were held at ADP with a total of twenty employees attending to help facilitate the payroll processing.

A sincere "thank you" to my staff, the Town Accountant and all the Town Departments for their help and cooperation.

REPORT OF THE BOARD OF ASSESSORS

The Board of Assessors has been going through a revaluation of all property in the town as mandated by the state. We have upgraded the office to undertake an ongoing revaluation and inspection of all property, real and personal, and to be computerized within our own office.

It is the intention of the Assessors to be professional in its function in establishing equalized values.

Respectfully submitted,

Joseph W. Galvam, Jr., Chairman Edward G. Daly Ronald O. Preble BOARD OF ASSESSORS

REPORT OF THE TOWN COLLECTOR

During 1986 we continued the streamlined processing routines which enabled us to collect an extraordinary percentage of current billings. We also continued our aggressive collection policy against delinquent taxpayers which is reflected in the ongoing reduction in accounts receivable.

While news articles concerning other south shore towns were lamenting the fact that real estate bills would be late because of revaluation, our bills were in mailboxes on October 1, 1986. Randolph, whose properties are also being revalued, was able to send timely estimated tax bills due to the cooperation and assistance of the Board of Assessors, Computer Enterprise, our staff and the high school students who separate bills, stuff envelopes and affix postage. We billed \$7,445,000.00 and less than 5% of that amount remains unpaid at the end of the calendar year.

For the first time in town history unpaid water and sewer charges were assigned to a deputy for collection. Those customers who allowed the charges to become liens on their property in the past were subject to additional fees added by the deputy. It is our intention to request a future town meeting to allow lien fees to be added to real estate taxes to further discourage the non-payment of water and sewer charges.

A contract to purchase data processing equipment and related software was signed in November and at a subsequent meeting of department heads I was designated the Computer Systems Manager for the town. It will be my responsibility to coordinate vendor relations and implementation of computer applications. Overseeing the conversion process, training schedules and the realization of the expectations of department heads will be some of the additional duties of the position. It is a challenge to assist in bringing the town into the computer age and I look forward to it.

The culmination of several years of study at U/Mass, Amherst, was the receipt of the title of Certified Massachusetts Municipal Collector. Certification was achieved after satisfactorily passing the testing requirements of the Massachusetts Collectors and Treasurers Association and receiving credit for my education and previous tax collection experience. I am particularly proud of this achievement as I feel strongly that the better informed and more knowledgeable the public official, the better the community is served.

Respectfully submitted,

John J. FitzGibbons
TOWN COLLECTOR

REPORT OF THE BOARD OF SELECTMEN

After a turbulent three-year period, the Board, under a new administration beginning April 13, 1987, set as its goals stability, credibility, progress and accomplishment in the affairs of our town.

Financially, Randolph received an improved bond rating from Moody's Investors Service, a leading bond rating organization. Our rating was raised from "A" to "A-1." In any future borrowings, Randolph will enjoy considerable savings in interest payments through this up-grading. We hasten to point out also that our outstanding debt amount has decreased significantly. We are very pleased with Randolph's strong position.

On the downside, however, we must report that at the request of the Town Treasurer we have borrowed over ten million dollars, the great majority of this amount to be used in anticipation of revenue and, therefore, borrowings for short time periods. The overall cost of borrowing does, however, run well over a hundred thousand dollars. The major cause of these borrowings is attributable to the delay in sending out the tax bills, a fault that we hope that those involved will overcome in the very near future.

We are very proud to also note that the Board of Selectmen (department) for the fiscal year 1987 was self-supporting — meaning we collected more money than our department cost the town. We believe this is a first — and sincerely hope that this information from the Town Accountant will be repeated each year in the future.

The Board of Selectmen continued to enjoy a favorable collective bargaining climate with four of the five units with which we deal. The firefighters union is the exception. They have asked the Joint Labor Management Committee to intercede during the negotiations, even though they were offered a very fair and expensive proposition. The firefighters want more. Without a doubt, the Selectmen's offering will be made public after a resolution has been reached. It should be noted that all five units had been operating under previously negotiated long-term contracts. The Board of Selectmen assumes sole responsibility for contract negotiations and all agreements reached are the result of many long hours spent at many, many meetings, all performed by the Board of Selectmen at no additional cost to the town, saving thousands of dollars. The collective bargaining procedure is a lengthy and difficult process, which is a reason many communities hire professional negotiators. The Board of Selectmen is currently preparing to enter into negotiations for fiscal 1988—89 contracts.

An area which causes problems yearly is the classification of property and the "discount" to be voted for residential property. This is always of concern because of the differences of opinions by those personally involved, and because of the question of fairly assessing all of the property values in Randolph. An open general meeting was held to discuss the problem and the assessors attended,

Firefighter Paul Pasquantonio (left) and Joseph Monteforte, Jr., (middle) a member of the Randolph Lodge of Elks, accept the Randolph Medallion from Chairman Joseph J. Semensi to laud their efforts in saving the life of a guest at the Elks Lodge.

although the Town Collector of Taxes, who was invited to attend, was conspicuous by his absence. He had handed out a press release critical of the previous decisions made, and the Board of Selectmen were very interested in discussing and correcting some of the statements he had made.

Let it be perfectly clear that the Board of Assessors, and NOT the Board of Selectmen, place the value on your property and also set the tax rate. We know that some homeowners are not happy with their assessment. They should take this matter up with the Board of Assessors, as well as any questions they might have relative to revaluation of property. Some cases are now pending before appropriate legal bodies. The setting of the tax rate is very important because the earlier that this is done the less money will have to be borrowed to keep the town running and the less expense will be incurred for the borrowings.

In compliance with State law, the voting precincts were redrawn and approved by appropriate State officials. We now have eight precincts and all with handicapped access.

As might be termed "normal" for today's lifestyle, Randolph finds itself as a party in much litigation concerning itself, its officials, its employees, and others. Some cases are continuing ones from years past and some are against Selectmen, individually and collectively. While some cases are contrary to good sense, they nevertheless are costly and time-consuming and perhaps, on purpose, require the part-time Selectmen's attendance during his/her working day for depositions, preparation, hearings, interrogatories, etc., both here in Randolph and also in Boston and Dedham. Some cases discussed and some pending are:

Land taking in Crawford Square
Sergeant Healey case
Katarivas case
Officer Leonard case
Rossman case
Simmons case
Officer Wells case
Yerardi case

plus many others relating to assessing, building, roadway, vehicular, zoning, and accident cases. We note that towns and their officials are continually threatened by litigation, which is one of the reasons Randolph has lost many good members serving on various boards and committees.

One of our biggest problems is traffic — traffic problems persist all over town. We are working toward temporary solutions, which we believe will lead eventually to permanent solutions at various areas which are accident prone. We plan to install traffic signals where needed and on a priority basis. We have hired two engineering firms to assist us in planning improvements and to assist us in securing grant funds and program funds from the State and/or Federal Govern-

Firefighter John O'Neill (left) receives the Randolph Medallion from Chairman Joseph J. Semensi for his heroic efforts in saving the life of a woman involved in an accident.

ments. Safety is of paramount importance and will be given much more weight than traffic flow.

This problem will not be solved in the immediate future but rest assured that it shall be worked on continually.

The Board of Selectmen for some time past have addressed the need for adoption of some form of DPW to streamline the operation of our service units and to wipe out layers of government which would place us in a position to address the needs of the community in a more efficient manner.

Although slight differences may still exist, the overall concept has the backing of the Board. With this in mind we were happy to be invited to meet with Government Study Committee and discuss our ideas with them.

The Board of Selectmen has continually addressed the needs of all by sponsoring or supporting articles in the Town Meetings which address the orderly extension of services and benefits to our employees and to our residents, and maintain a proper level of municipal services and undertake capital projects to afford our citizens a better quality of life.

We congratulate and acknowledge with grateful appreciation the interest, suggestions, assistance and cooperation of Town personnel, Town Meeting members, past and present, and all the inhabitants of our Community. While it is bad practice to single anyone out, we must particularly thank the Executive Secretary to the Board of Selectmen, the Town Counsel, the Highway Surveyor, the Director of Elderly Services, the Selectmen's Secretary and our Special Counsels, led by Attorney Paul DeRensis.

Again, we ask everyone to offer suggestions and ideas to make Randolph the best Town anywhere. At any time we accept articles for Town Meeting consideration.

We close by congratulating all those who spend their energy in an effort to advertise our community, and also to make our lives a little more enjoyable: the persons who organize our July Fourth Celebration, our Arts Lottery Council programs, our religious, fraternal and patriotic organizations and their programs, our auxiliary Police Department and their volunteer services, our Hazardous Waste Collection Day personnel and program, our Town Hall renovation committee, our committee which did a magnificent job on the Senior Citizens Center on Fencourt Avenue, and the fine work they are presently performing to renovate the Stetson School into town offices, and our Housing Authority which is beginning a project to house the handicapped in their own building.

We look forward with confidence knowing we have solved many problems, and also aware that each day brings many new problems, some of which are: our supply and distribution of our drinking water, our dump (rubbish) problem, our rail transportation problem, and our injured police officer problems.

ONE HUNDRED AND FIFTY-SECOND ANNUAL REPORT

We hasten to add that our assessment for sewerage disposal is a matter of grave concern. It will cost millions of dollars before long and we are endeavoring to receive assistance from the State or take some other means to alleviate this forthcoming, tremendous burden.

We trust you will accept our report in the manner it is being brought to you — an honest, no-frills accounting of our Department.

Joseph J. Semensi, Chairman
Paul J. Connors, Vice Chairman & Clerk
Maureen A. Dunn

RANDOLPH BOARD OF SELECTMEN

TOWN OF RANDOLPH, MASSACHUSETTS REPORT OF THE TOWN COUNSEL

The report of the Legal Department is as follows:

Advice was given and conferences were held with many Town Departments, boards, committees, commissions and individual officers.

Hearings were held before the Appellate Tax Board, the Superior Court, District Courts and other administrative agencies.

Chapter 40A comprehensive permits - series of hearings were held on land on Liberty Street.

Series of hearings on zoning complaints involving Building Inspector.

A number of matters were heard by Alcoholic Beverage Commission involving local licenses.

Appeals were taken to Superior Court from decisions of Planning Board.

A suit against Licensing Board, Board of Selectmen, continues in U.S. District Court.

Hearings were held before the Norfolk Retirement Board for a grievance held by a member of the public safety sector.

A suit by members of the public safety sector group was disposed of.

U.S. District Court hearings on the county involving population of county jail have continued. County appears not to be any longer focusing on the Nike Site.

A Complaint in Quincy District Court involving Board of Registrars against a property owner who refuses to give statutory information.

Another grievance by a public safety group was successfully completed.

Zoning violation was heard in Superior Court.

There were continued meetings and hearings before MCAD.

I would like to take this opportunity to thank the Department heads and employees for their cooperation in the various matters of litigation.

Very truly yours,

William J. Carr TOWN COUNSEL

ONE HUNDRED AND FIFTY-SECOND ANNUAL REPORT REPORT OF THE EXECUTIVE SECRETARY

At 1987 year's end the Town's Government Study Committee has submitted several articles for consideration at the 1988 Annual Town Meeting. Elsewhere in this Annual Report you will find the Government Study Committee's report which further outlines its considerations,

Another article dealing with a proposed change has also been submitted and the local press has featured additional comments and suggestions from interested citizens.

Hurricane Gloria left considerable wind storm damage in its wake. The Town Departments that did the cleanup often duplicated their efforts and caused the Finance Committee to say this created two separate charges for departmental expenses for the same work. The Finance Committee further called for a consolidation of departments. The Highway Surveyor supported this proposal and when the Government Study Committee invited me to provide input, I submitted the following articles for their consideration:

ARTICLE 1

Shall the Town vote to have its Selectmen act as Sewer Commissioners, Park Commissioners, Board of Public Works and perform the duties of such Boards?

SUMMARY: A "Yes" vote would place in one department under the direction of the Selectmen the Town's so-called public works departments. A "No" vote would leave the departments separate as at present.

ARTICLE 2

Shall the Town vote to have its Selectmen appoint a Tree Warden?

SUMMARY: A "Yes" vote would authorize the Selectmen to appoint the Tree Warden and place the Tree Warden in the public works department.

A "No" vote would continue the Tree Warden as an elective officer.

ARTICLE 3

To see if the Town will vote to send to the Legislature AN ACT establishing a Board of Public Works in the Town of Randolph:

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

SECTION 1. There shall be established in the Town of Randolph a Board of Public Works, hereinafter called the board, consisting of the five members of the Board of Selectmen. The board shall forthwith, after each annual election, elect from its members a chairman and clerk for the ensuing year. The board

shall have all of the powers and duties now or from time to time vested in or exercised presently by the Board of Selectmen and act as Water Commissioners, Sewer Commissioners, Highway Surveyors and Road Commissioners and shall appoint the Tree Warden. The board shall have such added powers with respect to public works, property and facilities as the Town may from time to time, by by-law or by vote of the town provide, notwithstanding any other provision of law to the contrary.

SECTION 2. The board shall appoint a Director of Public Works, whose qualifications, term, powers and duties shall be determined and prescribed by the board and who shall be responsible to said board. He shall not be subject to the civil service law and rules. The board shall appoint such other personnel, including a Superintendent of Highways, Tree Warden, Town Engineer, and such other divisional superintendents or assistants to the Director of Public Works as may be authorized by vote of the town meeting, and shall have authority to determine and prescribe qualifications, term, powers and duties of such personnel. The aforesaid positions shall not be subject to the civil service law and rules.

SECTION 3. There shall be transferred to and consolidated into the board the Engineering Department, Tree Department, Highway Department, Sewer Department, and Water Department. All employees of these departments shall immediately upon the effective date of this act be transferred to the board without loss of pay and without loss of rights under the civil service law and rules, and shall not lose under this change or transfer any rating, seniority, retirement or pension rights, or any other rights or privileges under any provisions of law whatsoever. Upon the effective date of this act all employees so transferred will be classified with board job titles comparable to the former department titles and may be required to work, when assigned, within any division of the board. All employees who are subject to the civil service law shall be eligible for promotion within any division of the board.

SECTION 4. The board may, upon the request of any other board, department or committee of the town, perform maintenance, construction and purchasing for such other department.

It is my belief that if this procedure is followed, the most cost effective consolidation of departments can be achieved, thereby eliminating duplication of effort, providing maximum utilization of manpower and equipment without adding an additional layer of administrative procedure and expense.

I am personally grateful for the support and confidence received from the members of the Board of Selectmen, every Board, Committee and Commission, and the citizen taxpayers of Randolph.

Respectfully submitted,

Henry L. Lowd EXECUTIVE SECRETARY AND TOWN ACCOUNTANT

ONE HUNDRED AND FIFTY-SECOND ANNUAL REPORT TOWN OF RANDOLPH, MASSACHUSETTS

ANNUAL TOWN ELECTION

April 7, 1987

Pursuant to a Warrant issued by the Board of Selectmen and signed on the 26th day of January, A.D. 1987, and duly posted by Osmond J. Benjamino, Constable, the voters of Randolph assembled on the seventh day of April, 1987, in the Martin E. Young School for Precinct No. 1, in the Randolph High School for Precinct No. 2, in the Randolph High School for Precinct No. 3, in the Tower Hill School for Precinct No. 4, in the Elizabeth G. Lyons School for Precinct No. 5, in the Elizabeth G. Lyons School for Precinct No. 6, in the Margaret Donovan School for Precinct No. 7, and in the Devine School for Precinct No. 8.

The election paraphernalia was given by the Town Clerk to the Wardens of all precincts and receipts were taken thereof.

The polls were open for the reception of ballots at 7:00 o'clock A.M., and closed at 8:00 P.M.

The returns were made to the Town Clerk from Precinct No. 1 at 8:47 P.M., Precinct No. 2 at 8:55 P.M., Precinct No. 3 at 9:06 P.M., Precinct No. 4 at 9:00 P.M., Precinct No. 5 at 9:20 P.M., Precinct No. 6 at 9:03 P.M., Precinct No. 7 at 9:09 P.M., Precinct No. 8 at 9:03 P.M. The votes were tabulated by EVM Electronic Voting Machines.

The vote was tabulated by the Town Clerk and the declaration of the results was made at approximately 11:30 P.M., April 7, 1987.

The total number of votes cast in the eight precincts was as follows:

| Precinct No. 1 | 553 |
|----------------|-------|
| Precinct No. 2 | 601 |
| Precinct No. 3 | 565 |
| Precinct No. 4 | 593 |
| Precinct No. 5 | 558 |
| Precinct No. 6 | 490 |
| Precinct No. 7 | 550 |
| Precinct No. 8 | 608 |
| Total Vote | 4 518 |

Joan F. Ward TOWN CLERK A. Rena Thayer, Chairman Lillian A. Brown Raymond A. DeRosa Joan Ward, Clerk BOARD OF REGISTRARS

ONE HUNDRED AND FIFTY-SECOND ANNUAL REPORT ANNUAL TOWN MEETING

April 21, 1987

The first session of the Annual Town Meeting was convened at the Randolph High School on Tuesday, April 21, 1987, at 8:00 p.m. with Moderator Paul Alpert presiding and declaring a quorum present.

The reporter was sworn in. Moderator Paul Alpert led the salute to the flag. Reverend Arthur Bowler delivered the invocation. Town Clerk Joan Ward read the call of the meeting and return of service.

Newly-elected town meeting members were sworn in.

Board of Selectmen offer a proclamation to the Randolph High School Girls Track Team for an undefeated Old Colony League season and State Champions, as well as Coach Dick Sullivan being named "Coach of the Year."

Board of Selectmen offer a proclamation to the Randolph High School Varsity Hockey Team as the Old Colony League Champions and State Tournament Representatives.

Ted Rubin, recognized for being honored by the Greater Boston Chapter of the United Way, as the Outstanding Citizen Volunteer in the Field of Human Services.

Congratulations extended to Tom Sullivan and his wife Pat on their 25th wedding anniversary.

Moderator instructed new members on the rules and procedures. Tellers were appointed.

Finance Committee Chairman Malcolm J. Portnoy made an opening statement.

The following articles were acted upon:

ARTICLE 1

To hear and act on the Reports of Town Officers.

(The motion was duly seconded, short discussion, and the motion was carried.)

ARTICLE 2

To hear and act on the report of any Committee and choose any Committee the Town may think proper.

MRS. ROMANO: I make a motion that we extend the term of the Chapter 40A Government Study Committee.

(The motion was duly seconded and the motion was carried.)

MR. DAVIDSON: I would make a motion to change the name of the Town Government Study Commission to the Town Charter Study Commission; members of said committee to be appointed by the Board of Selectmen for a period of one year; appointed members shall consist of nine town meeting members, one from each of our eight precincts and one town meeting member at large; appointed precinct town meeting members shall consist of the top vote getter in each precinct town meeting candidate election held on April 7, 1987. In the event of a vacancy on the committee, the second highest vote getter in that particular precinct shall be appointed to fill the vacancy, and so forth and so on down the line of candidate votes.

This Charter Study Commission shall have the authority under the Board of Selectmen to communicate with the various town departments of not only the Town of Randolph but other towns and cities and Commonwealth of Massachusetts agencies.

The Committee shall present its findings to the Board of Selectmen and the town meeting for their respective actions and recommendations.

(The motion was duly seconded, long discussion, and the motion was defeated.)

ARTICLE 3

To see if the Town will vote to extend the Organization to Promote Energy Conservation for another year and to raise and appropriate the sum of \$300.00 therefor.

MR. PORTNOY: The Finance Committee moves the sum of \$100.00 be raised and appropriated for the budget of the Organization to Promote Energy Conservation.

(The motion was duly seconded.)

MR. DAVIDSON: I make a motion to amend the main motion by amending the raise and appropriate figure to \$300.00.

(The motion to amend was duly seconded, long discussion, and the motion to amend was defeated.)

(There was no further discussion on the main motion and the motion was carried.)

MR. PODOLSKY: I move that we adjourn the Annual Town Meeting until the conclusion of the Special Town Meeting.

(The motion was duly seconded and the motion was carried.)

Whereupon the Annual Town Meeting adjourned at 8:59 p.m.

++++++++

ONE HUNDRED AND FIFTY-SECOND ANNUAL REPORT SPECIAL TOWN MEETING

April 21, 1987

A Special Town Meeting was convened at the Randolph High School on Tuesday, April 21, 1987, at 9:00 p.m. with Moderator Paul Alpert presiding and declaring a quorum present.

The tellers were appointed.

ARTICLE 1

To see if the Town will vote to raise and appropriate the sum of \$131,665 to fund the cost of special education students' tuitions in private educational and collaborative placements and for transportation expenses incurred for same.

MR. PORTNOY: The Finance Committee moves the sum of \$123,710 be raised and appropriated under the current tax levy to fund Article 1 of the Special Town Warrant.

(The motion was duly seconded, short discussion, and the motion was carried.)

ARTICLE 2.

To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to heat and alarm the Stetson School, pending completion of the conversion of said school by Article 12 of the 1986 Special Town Meeting.

MR. PORTNOY: The Finance Committee moves to transfer the sum of \$21,200 from the Construction Fund which was appropriated under Article 12 of the September 8, 1986 Special Town Meeting.

(The motion was duly seconded, short discussion, and the motion was carried.)

MR. PODOLSKY: I move that we permanently dissolve the Special Town Meeting.

MR. PRANSKY: Second it.

(The motion was carried.)

Whereupon the Special Town Meeting adjourned at 9:15 p.m.

+++++++++

TOWN OF RANDOLPH, MASSACHUSETTS ADJOURNED ANNUAL TOWN MEETING

April 21, 1987

(The motion was duly seconded, short discussion, and the motion was carried.)

ARTICLE 12

To see if the Town will vote to raise and appropriate, transfer, borrow or take any other action in connection therewith to complete the repair or improvement of the drainage pipes presently running under Mazzeo Drive and West Street, for an estimated distance of 124 feet of 35 inch pipe, and 95 feet of 42 inch pipe. Construction to be completed prior to May 1988. Not more than \$5,000.00 of the total cost to be provided by Bittersweet Associates Limited Partnership and not more than \$500.00 of the total cost provided by Country Club Realty Trust.

MR. PORTNOY: The Finance Committee recommends no action be taken.

(The motion was duly seconded, long discussion, the previous question was moved and the motion was carried.)

THE MODERATOR: Mrs. Gangel.

MRS. GANGEL: I make a motion that at the conclusion of the Article before us at 11:00 o'clock that we adjourn until Monday, April 27th at 8:00 p.m.

(The motion was duly seconded and the motion was carried.)

ARTICLE 13

To see if the Town will vote to raise and appropriate or transfer from available funds the sum of \$150,000.00 to establish a Reserve Fund, in accordance with Chapter 40, Section 6 of the Massachusetts General Laws.

MR. PORTNOY: The Finance Committee moves that the sum of \$150,000.00 be transferred from the Overlay Surplus Account to establish a Reserve Fund, in accordance with Chapter 40, Section 6 of the Massachusetts General Laws.

(The motion was duly seconded, short discussion, and the motion was carried unanimously.)

ARTICLE 14

To see if the Town will vote to transfer from available funds on hand January 1, 1987 for the purpose of deduction by the Assessors from the amount required to be assessed in accordance with the provisions of the General Laws, Chapter 59, Section 23.

MR. PORTNOY: The Finance Committee moves that the Town vote to transfer from available funds on hand January 1, 1987 for the purpose of deduction by the Assessors from the amount required to be assessed in accordance with the provisions of the General Laws, Chapter 59, Section 23.

MR. PORTNOY: I am led to believe that this is a procedural matter that allows the Board of Assessors to use the free cash which you saw listed on the screen at the beginning of the meeting, \$1,781,000 when certifying the 87–88 tax rate.

(The motion was duly seconded, short discussion, and the motion was carried.)

ARTICLE 15

To see if the Town will vote to raise and appropriate or transfer from available funds the sum of \$25,000 for a municipal audit to be contracted with a certified public accounting firm in accordance with the rules and regulations of the Com-

monwealth of Massachusetts, Bureau of Accounts, and the Office of Federal Revenue Sharing.

MR. PORTNOY: The Finance Committee moves the sum of \$25,000.00 be raised and appropriated for a municipal audit to be contracted with a certified public accounting firm in accordance with the rules and regulations of the Commonwealth of Massachusetts, Bureau of Accounts, and the Office of Federal Revenue Sharing.

(The motion was duly seconded, short discussion, and the motion was carried.)

ARTICLE 16

To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money or take any other action in connection therewith for the following purpose(s):

| FIRE | 1985—1986 Expended | 1986—1987 Appropriated | 1987–1988 Requested |
|---------------------|-----------------------|---------------------------|------------------------|
| | | | |
| Salaries | \$1,466,959.24 | \$1,617,747.00 | \$1,645,751.00 |
| Expenses | 128,155.01 | 117,655.00 | 119,115.00 |
| Capital Outlay | 98,305.00 | 92,500.00 | -0- |
| Out of State Travel | | | 750.00 |
| TOTAL | \$1,693,419.25 | \$1,827,902.00 | \$1,765,616.00 |

MR. PORTNOY: The Finance Committee moves the sum of \$1,765,616.00 be raised and appropriated to fund Article 16 of the Town Meeting Warrant.

(The motion was duly seconded, short discussion, and the motion was carried.)

ARTICLE 17

To see if the Town will vote to borrow, raise and appropriate or transfer from available funds a sum of money to purchase and equip one (1) full size four door sedan for the Fire Department, with the 1982 sedan to be either sold or traded in.

MR. PORTNOY: The Finance Committee moves no action be taken.

(The motion was duly seconded, short discussion and the motion was carried.)

ARTICLE 18

To see if the Town will vote to borrow, raise and appropriate or transfer from available funds a sum of money to purchase, equip and install a complete new radio system for the Fire Department, with the present system to be either sold, traded in or transferred to another town department.

MR. PORTNOY: The Finance Committee moves that Article 18 be postponed until the first order of business on Monday, May 4th.

(The motion to postpone was duly seconded and the motion was carried.)

ARTICLE 19

To see if the Town will vote to borrow, raise and appropriate or transfer from available funds a sum of \$2,200.00 to purchase a new tape recorder for the purpose of monitoring incoming telephone calls.

MR. PORTNOY: The Finance Committee moves that the sum of \$2,200.00 be raised and appropriated to purchase a new tape recorder for the purpose of monitoring incoming telephone calls at the Fire Department headquarters.

(The motion was duly seconded, short discussion, and the motion was carried.)

ARTICLE 20

To see if the Town will vote to borrow, raise and appropriate or transfer from available funds the sum of \$48,000.00 to purchase and install new equipment that will up-date and enlarge the receiving capabilities of the fire alarm system at fire headquarters and to purchase and install new cable on North Main Street, South Main Street and Chestnut Street

MR. PORTNOY: The Finance Committee moves that the sum of \$10,000.00 be raised and appropriated to acquire a new digitizer for the fire alarm system located at the Fire Department headquarters.

(The motion was duly seconded, short discussion, and the motion was carried.)

THE MODERATOR: By my watch it is now 11:00 o'clock. We have adjourned until next Monday evening at 8:00 o'clock.

Whereupon the first session of the Randolph Town Meeting adjourned at 11:00 p.m.

+++++++++

ANNUAL TOWN MEETING

SECOND SESSION

April 27, 1987

The second session of the Annual Town Meeting was convened at the Randolph High School on Monday, April 27, 1987, at 8:00 p.m. with Moderator Paul Alpert presiding and declaring a quorum present.

The reporter was sworn in. The tellers were appointed.

Moderator recognized Robert Pransky for his serving of 12 consecutive years on the Finance Committee.

THE MODERATOR: Mrs. Romano.

MRS. ROMANO: I would like to make a motion to move reconsideration of Article 12 having voted in the affirmative for no action.

(The motion for reconsideration was duly seconded, short discussion, the previous question was moved, and the motion for reconsideration was defeated.)

Said parcel containing 2.15 acres as shown on Randolph Assessor's Map as Map 61, Block C, Parcel 19.

(Article Withdrawn.)

ARTICLE 132

THE MODERATOR: Mrs. Simons.

MRS. SIMONS: The Planning Board moves to postpone action until May 5th.

(The motion was duly seconded and the motion was carried.)

ARTICLE 133

To see if the Town will vote to accept Collins Avenue (Extension) easterly, for a distance of approximately 267 feet from its existing accented dead end (as accepted by Article 49 of the 1964 Annual Town Meeting); as laid out by the Board of Selectmen; and as shown on a plan entitled "Revised Great Pond Village — Proposed Subdivision, Randolph, Mass.," dated January 18, 1982 by Mayflower Engineering Co., Duxbury, Mass.; which plan is recorded at the Norfolk Registry of Deeds as Plan No. Sheet No. 2, Page 154 of 1984 in Plan Book 599.

MRS. SIMONS: The Planning Board moves that the Town accept Collins Avenue (Extension) easterly, for a distance of approximately 267 feet from its existing accepted dead end (as accepted by Article 49 of the 1964 Annual Town Meeting); as laid out by the Board of Selectmen; and as shown on a plan entitled "Revised Great Pond Village — Proposed Subdivision, Randolph, Mass.," dated January 18, 1982 by Mayflower Engineering Co., Duxbury, Mass.; which plan is recorded at the Norfolk Registry of Deeds as Plan No. Sheet No. 2, Page 154 of 1984 in Plan Book 599.

(The motion was duly seconded, long discussion, and the motion was defeated.)

ARTICLE 134

To see if the Town will vote to accept the layout of York Avenue as a town way for a distance of 2,010.94 feet from the sideline of High Street, as shown on the following two plans: (1) "Plan and Profile, York Avenue, Randolph, Mass." by DeCa Engineering, dated March 1, 1967, station 0+0 to 656.16 feet, on file with the office of the Town Engineer and Planning Board, and (2) "Plan and Profile, York Avenue, Randolph, Mass.," by DeCa Engineering, dated November 12, 1968, for a distance of 656.16 feet to 2,010.94 feet, on file at the Registry of Deeds as Pl. Bk. 225, No. 41 of 1969.

MRS. SIMONS: The Planning Board moves that the Town vote to accept the layout of York Avenue as a town way for a distance of 2,010.94 feet from the sideline of High Street, as shown on the following two plans, as printed in the Town Meeting Warrant.

(The motion was duly seconded.)

MR. MacKENZIE: I move that we postpone action on this article until May 5th.

(The motion to postpone was duly seconded and the motion was carried.)

ARTICLE 135

To see if the Town will vote to accept Anderson Drive from a point of beginning at the end of presently accepted public layout of Anderson Drive for a distance of 723.54 ft., more or less, as shown on "Plan of Land — Randolph, MA., lots 10–16 Anderson Drive," dated March 11, 1985, by Leverault Engineering, decreed as Land Court plan 10810^F.

MRS. SIMONS: The Planning Board moves that the Town accept Anderson Drive from a point of beginning at the end of presently accepted public layout of Anderson Drive for a distance of 723.54 feet, more or less, as printed in Article 135 of the Town Meeting Warrant.

(The motion was duly seconded, short discussion, and the motion was carried.)

ARTICLE 136

To see if the Town will vote to amend the Zoning By-Laws of the Town of Randolph as follows:

Section 5-H. Lot Coverage in all Districts:

In all districts no building shall be constructed so as to cover, together with other buildings on the lot, a larger portion of the lot area than the "Permitted Lot Coverage" specified in the following table for the District in which said lot is located.

DISTRICT

LOT COVERAGE

Residential

30%

Change and add to read:

Residential Multi-Family 25% 25%

And in Section 3-E-1. (c) Limitation of Coverage:

1. In a Multi-Family District or zone no apartment building or group of apartment buildings shall be built, reconstructed, extended or arranged so that the total floor area of all the buildings on any lot in a Multi-Family District shall exceed 30% of the area of the lot on which they stand or not more than 10 family units per acre of land covered by the lot shall be permitted. No lot, or the buildings thereon, shall be changed in size so as to violate the provision of this section. For the foregoing purpose, no part of area of way, public or private, which adjoins said lot shall be considered to be included in the area of said lot. For purpose of this paragraph, floor area shall be the sum of the area of the several floors of each building, including area used for human occupancy, in basements, attics and penthouses, as measured from the exterior faces of the wall. It shall not include unoccupied cellars or attics or unenclosed porches, or balconies, or any floor space in accessory buildings or main buildings intended and designed for the parking of vehicles or for accessory mechanical and electrical equipment, laundry or accessory storage.

In first sentence, change 30% to read 35%.

MRS. SIMONS: The Planning Board moves that the Town amend the Zoning By-Laws of the Town of Randolph by the adoption of the article as printed in the Town Meeting Warrant.

(The motion was duly seconded, long discussion, there was a question of doubt on the voice vote, a standing vote was requested, 83 votes in the affirmative, 41 votes in the negative, the motion was carried.)

ARTICLE 137

To see if the Town will vote to amend the Zoning By-Laws of the Town of Randolph as follows:

SECTION 3. USE REGULATIONS:

Fourth paragraph which reads:

"No trailer shall be used in the Town as residence or place of business except those in use prior to March 5, 1953. All such trailers shall comply with all regular and special regulations of the Board of Health, Building Inspector, Plumbing Inspector and Wire Inspector, insofar as applicable to trailers."

To read:

"No trailer or mobile home shall be used in the Town as residence or place of business, business use, storage or accessory use, except those in use prior to March 5, 1953, or trailers used for Government or Public Utility construction projects, or for temporary office purposes on construction sites, which can only be used while the building permit for that site is in effect. All such trailers shall comply with all regular and special regulations of the Board of Health, Building Inspector, Plumbing Inspector and Wire Inspector, insofar as applicable to trailers."

MRS. SIMONS: The Planning Board moves that the Town amend the Zoning By-Laws of the Town of Randolph by the adoption of the article as printed in the Town Meeting Warrant.

(The motion was duly seconded, long discussion, a standing vote was requested, 38 votes having been cast in the affirmative, 84 votes having been cast in the negative, the motion was defeated.)

ARTICLE 138

To see if the Town will vote to amend the Zoning By-Laws as follows:

SECTION 5-C-1. SIDE YARDS:

C. Side Yards:

"1. In a Residential District no building, except a fireproof one-story building of accessory use, shall be erected within 15 feet of a side lot line, unless more than 40 feet from the sideline of any street . . ."

So the section shall read as follows:

"1. In a Residential District no building, except a fireproof one-story building of accessory use, shall be erected within 15 feet of a side lot line for single family dwellings, or within 20 feet of a side lot line for two-family dwellings, unless more than 40 feet from the sideline of any street."

MRS. SIMONS: The Planning Board moves that the Town amend the Zoning By-Laws of the Town of Randolph by the adoption of the article as printed in the Town Meeting Warrant.

(The motion was duly seconded, short discussion, there was a question of doubt on the voice vote, a standing vote was requested, 95 votes having been cast in the affirmative, 19 votes having been cast in the negative, the motion was carried.)

ARTICLE 139

To see if the Town will vote to amend the Zoning By-Laws of the Town of Randolph as follows:

Section 5-A-2. MINIMUM LOT AREA:

- 1. Change "18,000 square feet." to read "20,000 square feet."
- 2. Change "frontage of not less than 120 feet" to read "frontage of not less than 130 feet."
- 3. Change "width not less than 75 feet" to read "width of not less than 100 feet."

So that the new paragraph will read as follows:

"2. For two-family dewellings, whether new or by conversion of an existing one-family dwelling, each lot must have as a minimum 20,000 square feet consisting of a frontage of not less than 130 feet, a depth of not less than 100 feet, and a width not less than 100 feet. Two family dwellings must first be approved by the Planning Board by Special Permit as required by Section 7 of these By-Laws."

MRS. SIMONS: The Planning Board moves that the Town amend the Zoning By-Laws of the Town of Randolph by the adoption of the article as printed in the Town Meeting Warrant.

(The motion was duly seconded, long discussion, there was a question of doubt on the voice vote, a standing vote was requested, 97 votes having been cast in the affirmative, 20 votes having been cast in the negative, the motion was carried.)

ARTICLE 140

To see if the Town will vote to amend the By-Laws of the Town of Randolph by adding a new article as follows:

ARTICLE SEVEN A. STORAGE OF HAZARDOUS MATERIALS.

Section 1: Authority

This by-law is adopted by the Town under its home rule powers, its police powers to protect public health and welfare, and its authorization under Mass. Gen. Laws, Ch. 40, Sec. 21, and Ch. 148, Sec. 38A.

Section 2: Purpose

The purpose of this by-law is to protect, preserve, and maintain the existing and potential groundwater supply, groundwater recharge areas, and

surface waters within the town from contamination from hazardous substances and material.

Section 3; Definitions

The following definitions shall apply in the interpretation and implementation of this by-law.

"Hazardous material" means a product, waste, or combination of substances which, because of quantity, concentration, or physical, chemical, or infectious characteristics, pose, in the Board of Health's judgment, a substantial present or potential hazard to human health, safety, or welfare, or to the environment when improperly treated, stored, transported, used, disposed of, or otherwise managed. Any substance deemed a hazardous waste in pursuant to Mass. Gen. Laws, Ch. 21C, shall also be deemed a hazardous material for the purpose of the by-law.

"Discharge" means the disposal, deposit, injection, dumping, spilling, leaking, incineration or placing of any hazardous material into or on any land or water so that such hazardous material, or any constituent thereof, may enter the environment, be emitted into the air, or discharged into any waters, including groundwaters.

Section 4: Registration

Every owner or operator of a commercial or industrial establishment storing hazardous materials and substances in quantities totaling more than fifty gallons liquid volume or twenty-five pounds dry weight shall register with the Board of Health the types, quantities, location, and method of storage of such hazardous materials and substances. Registration of existing facilities required by this provision shall be initially submitted by January 1, 1988, and on or before January 31st of each year thereafter or upon change of operation.

The owners or operators of new commercial or industrial establishments not previously registered in accordance with this section shall, if they meet registration requirements, register initially not less than thirty days prior to operating a storage facility and on or before January 31st of each year thereafter.

Section 5: Inventory

Every owner or operator registered in accordance with Section 4 shall maintain on the premises an inventory, reconciled on a monthly basis, of purchase, use, sale and disposal of hazardous materials and substances. The purpose of this inventory is to detect any product loss and to provide an ongoing record of all quantities of hazardous materials within the town over the registration threshold. Upon the

request of the Board of Health, owners or operators shall produce within twenty-four hours the latest reconciled inventory.

Section 6: Hazardous Wastes

Wastes containing hazardous materials shall be held on the premises in product-tight containers for removal by a licensed carrier and for disposal in accordance with the Massachusetts Hazardous Waste Management Act, Mass. Gen. Laws, Ch. 21C.

Section 7: Aboveground Storage

Aboveground containers of wastes containing hazardous materials shall be stored on a surface impervious to the materials being stored. The storage area shall be enclosed by a permanent dike or impermeable construction. The volume of the area enclosed by the dike shall be equal to or greater than the capacity of the containers within the dike. Storage of Hazardous Materials and Substances (except for fuel products) shall only be stored aboveground in approved containers.

Section 8: Existing Facilities for Underground Storage of Fuel Products

The following provisions shall apply to all underground fuel storage systems with the capacities of 2,500 gallons or greater. Owners shall file with the Board of Health notice of the size, type, age and location of each tank, and of the type of fuel stored in each, on or before January 1, 1988. Evidence of date of purchase and installation, including Fire Department permit, if any, shall be included, along with sketch map showing the location for each tank on the property. Owners of tanks for which evidence of installation is not available shall, at the order of the Board of Health, have such tank systems tested by a qualified tester. If it is determined that the tank is not product tight, it shall be disposed of under the direction of the Board of Health or the Fire Chief.

Section 9: New Construction

Plans for proposed new installations shall be prepared by a Registered Professional Engineer. Such plans shall make provision for protection of containers from internal and external corrosion and shall be of a design approved by the Board of Health and the Fire Chief. The following tank construction systems are considered to provide adequate corrosion protection: All Fiberglass construction steel with bonded Fiberglass and internal lining: The Steel Tank Institute 3—Way Protection System; and such other tank construction system as the Board of Health and the Fire Chief shall approve. All tanks shall be installed in accordance with the manufacturers' specifications. All underground tanks of any size shall be enclosed in a watertight concrete vault. suitably anchored to prevent floatation, and each vault

shall be equipped with a breather pipe of at least two inches in diameter, open to the atmosphere, to permit tank leakage detection. All underground tanks installed prior to this by-law shall be equipped with a breather pipe to permit the detection of leaks, installed two to five feet from the tank and extending two feet below the tank bottom within 6 months of the establishment of this by-law.

Section 10: Testing

All tanks shall be subject at the owner's expense to a product tight test 10 years after installation, 15 years after installation, and annually thereafter. If evidence of installation date is not available, tank shall be tested annually. Petrotite testing system or any other testing system approved in advance by the Board of Health or the Fire Chief shall be used. Certification of testing shall be submitted to the Board of Health and the Fire Chief. Any tank failing the test shall be disposed of under the direction of the Board of Health or the Fire Chief.

Section 11: Tank Location

Tank installations installed after the adoption of this by-law are not permitted within four feet of maximum high water table, within four feet of bedrock, within 50 feet of a private well, nor within one hundred feet of a surface water body.

Section 12: Leaking Tanks

All leaking tanks must be emptied by the owner or operator within twelve hours of leak detection and removed by the owner or operator in a time period to be determined by the Board of Health and the Fire Chief. The owner shall be responsible for any cleanup, removal or repair.

Section 13: Variances

The Board of Health, with the approval of the Chief of the Fire Department, may vary the application on any provision of this by-law, other than the provisions of Section 14, upon finding that the applicant, therefore, has conclusively demonstrated that an equivalent degree of environmental protection as would be achieved by strict compliance with the provisions hereof will be achieved.

An applicant for such variance shall submit an application, therefore, to the Board of Health and shall file a copy thereof with the Chief of the Fire Department. The Board shall schedule a public hearing on the matter within thirty (30) days next following receipt of the application. Notice of the date and time of the hearing, and of the matters to be considered thereat, shall be published by the Board in a newspaper in general circulation within the Town not less than ten (10)

days prior to such hearing at the expense of the applicant. The applicant shall obtain from the Office of the Assessors a certified list of the names of the owners of all property abutting that with respect to which a variance is sought, and shall mail a copy of the Notice of Hearing published in the newspaper to each of those persons by certified mail, return receipt requested, within three (3) days of the date such Notice is published.

The applicant shall deliver to the Board at the Hearing a receipt from the newspaper evidencing that the bill for advertising has been paid, the certified list of abutters prepared by the Assessors, and the Post Office receipts evidencing that the requirements of Notice by mailing have been complied with.

The Board shall render a written decision, setting forth its findings and the reasons therefore within twenty (20) days following the close of the Hearing. Such decision shall be filed in the office of the Town Clerk and a copy mailed to the applicant.

Section 14: Discharge of Hazardous Material

Discharge of hazardous material within the town is prohibited. There shall be no variance from this section. Any person having knowledge of a discharge of hazardous material shall immediately report the discharge to the Board of Health and if involving flammable or explosive materials, to the Fire Chief.

Section 15: Right of Entry

The Town of Randolph and its agents may enter upon privately owned property for the purpose of performing their duties under this by-law.

Section 16: Penalty

Any person who violates any provision of this by-law shall be punished by a fine not exceeding (\$300.00). Each day or portion thereof which such violation continues shall constitute a separate offense: This by-law may be enforced pursuant to Mass. Gen. Laws, Ch. 40, Sec. 21D by a Town police officer or other officers having police powers. Upon request of the Board of Health or the Fire Chief, the town counsel shall take such legal action as may be necessary to enforce this by-law.

Section 17: Fees

Every owner or operator of a commercial or Industrial Establishment registering storage of hazardous material pursuant to Section 4 shall pay to the town through the Board of Health a Registration Fee of one dollar (\$1.00) for every one hundred (100) gallons or fraction

thereof of storage capacity. An annual fee of ten dollars (\$10.00) shall be paid on the anniversary date of the initial registration for inspection and registration. The Board of Health and Fire Department may charge for expenses incurred in the enforcement of this by-law.

MRS. ROMANO: I move that the Town of Randolph amend the By-Laws of the Town by adding a new article and that being Article Seven A. Storage of Hazardous Materials, as printed in the Town Meeting Warrant.

(The motion was duly seconded, long discussion.)

MR. SOLON: I make a motion that we postpone action on this article until the end of the warrant.

(The motion to postpone was duly seconded and the motion was carried.)

THE MODERATOR: Mr. Toomey.

MR. TOOMEY: The Finance Committee moves to postpone Articles 141 through 158 until after consideration of Article 127.

(The motion to postpone was duly seconded, short discussion, and the motion was carried.)

THE MODERATOR: Mr. Semensi.

MR. SEMENSI: I move collective action on Articles 159 through 165.

(The motion for collective action was duly seconded, short discussion and the motion was carried.)

ARTICLE 159

To see if the Town will vote to petition the Legislature to remove the position of Recreation Director and Assistant Recreation Director of Animals from Civil Service and the jurisdiction of the Department of Personnel Administration.

ARTICLE 160

To see if the Town will vote to petition the Legislature to remove the position of Inspector of Animals and Assistant Inspector of Animals from Civil Service and the jurisdiction of the Department of Personnel Administration.

ARTICLE 161

To see if the Town will vote to petition the Legislature to remove the position of Sealer of Weights and Measures and Assistant Sealer of Weights and Measures

from Civil Service and the jurisdiction of the Department of Personnel Administration.

ARTICLE 162

To see if the Town will vote to petition the Legislature to remove the position of Sign Inspector and Assistant Sign Inspector from Civil Service and the jurisdiction of the Department of Personnel Administration.

ARTICLE 163

To see if the Town will vote to petition the Legislature to remove the position of Tree Climber and Assistant Tree Climber from Civil Service and the jurisdiction of the Department of Personnel Administration.

ARTICLE 164

To see if the Town will vote to petition the Legislature to remove the position of Tree Foreman and Assistant Tree Foreman from Civil Service and the jurisdiction of the Department of Personnel Administration.

ARTICLE 165

To see if the Town will vote to petition the Legislature to remove the position of Tree Maintenance and Assistant Tree Maintenance from Civil Service and the jurisdiction of the Department of Personnel Administration.

MR. SEMENSI: I move that the Town petition the Legislature to remove the positions outlined in Articles 159 through 165 from Civil Service and the jurisdiction of the Department of Personnel Administration.

(The motion was duly seconded, long discussion, the previous question was moved, there was a question of doubt on the voice vote, a standing vote was requested, 66 votes having been cast in the affirmative, 43 votes having been cast in the negative, the motion was carried.)

MR. CONNORS: I move that we adjourn until next Monday evening at 8:00 p.m.

(The motion was duly seconded and the motion was carried.)

Whereupon the third session of the Annual Town Meeting adjourned at 11:00 p.m.

+++++++++

ANNUAL TOWN MEETING

FOURTH SESSION

May 4, 1987

The fourth session of the Annual Town Meeting was convened at the Randolph High School on Monday, May 4, 1987, at 8:00 p.m. with Moderator Paul Alpert presiding and declaring a quorum present.

The reporter was sworn in. Tellers for the evening were appointed.

Board of Selectmen offered a proclamation to the Randolph High School Academic Bowl Team participants.

ARTICLE 18

To see if the Town will vote to borrow, raise and appropriate or transfer from available funds a sum of money to purchase, equip and install a complete new radio system for the Fire Department with the present system to be either sold, traded in or transferred to another town department.

MR. PORTNOY: The Finance Committee moves the sum of \$138,490.00 be transferred from the Ambulance Reserve Fund to purchase, equip and install a complete new radio system for the Fire Department with the present system to be either sold, traded in or transferred to another town department.

(The motion was duly seconded, short discussion, and the motion was carried unanimously.)

ARTICLE 57

To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money or take any other action in connection therewith for the

following purpose(s):

| | 1985-1986 Expended | 1986–1987 Appropriated | 1987–1988 Requested |
|-------------------------|-----------------------|---------------------------|------------------------|
| POLICE | | | |
| Salaries | \$1,657,251.79 | \$2,161,219.19 | \$2,006,746.39 |
| Expenses | 201,953.96 | 207,845.00 | 189,000.00 |
| Capital Outlay | 62,462.17 | 86,711.00 | -0- |
| Police & Fire Mediation | | | |
| & Arbitration | 19,838.46 | 40,000.00 | 20,000.00 |
| | | | |
| TOTAL | \$1,941,506.38 | \$2,495,775.19 | \$2,215,746.39 |
| | | | |

MR. PORTNOY: The Finance Committee moves the sum of \$2,215,746.39 be raised and appropriated to fund Article 57 of the Town Meeting Warrant.

(The motion was duly seconded, short discussion, and the motion was carried unanimously.)

ARTICLE 60

To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money or take any other action in connection therewith for the following purpose(s):

| | 1985-1986 Expended | 1986–1987 Appropriated | 1987–1988 Requested |
|--------------------------|-----------------------|---------------------------|------------------------|
| RECREATION | | | |
| Salaries | \$173,752.36 | \$177,695.00 | \$185,953.00 |
| Expenses | 49,943.38 | 51,450.00 | 56,300.00 |
| Capital Outlay | 38,130.00 | | |
| TOTAL | \$261,825.74 | \$229,145.00 | \$242,253.00 |
| Summer Recreation Prog | ram | | |
| for Special Needs Studen | | 30,000.00 | 30,000.00 |
| GRAND TOTAL | \$281,754.17 | \$259,145.00 | \$272,253.00 |

MR. PORTNOY: The Finance Committee moves the sum of \$272,253.00 be raised and appropriated to fund Article 60 of the Town Meeting Warrant.

(The motion was duly seconded, short discussion, and the motion was carried unanimously.)

THE MODERATOR: Mr. Portnoy.

MR. PORTNOY: The Finance Committee moves that Articles 61 through 65 be postponed to the end of the warrant.

(The motion was duly seconded, short discussion, and the motion was carried.)

ARTICLE 66

To see if the Town will vote to accept the Provisions of Chapter 194 of the Acts of 1986 authorizing the Town to establish a Scholarship Fund to be under the jurisdiction of the Town Treasurer or the Board of Selectmen, or take any other action with reference thereto.

(Article Withdrawn.)

ARTICLE 67

To see if the Town will vote to petition the legislature to approve legislation which will enable the Town to solicit and receive funds for educational scholarships for graduating high school students, or take any other action with reference thereto.

(Article Withdrawn.)

ARTICLE 68

To see if the Town will enter into an agreement with the South Shore Mental Health Center to implement an employee assistance program to provide the training, support, information and counseling to its employees when necessary and to appropriate a sum of money necessary to provide this support service, or take any other action with reference thereto.

MR. PORTNOY: The Finance Committee moves no action be taken.

(The motion was duly seconded, short discussion, and the motion was carried.)

ARTICLE 69

To see if the Town would vote to raise and appropriate or transfer from available funds the sum of \$10,000.00 to provide for consulting and installation of a replacement telecommunication system for the Randolph Public Schools, or take any other action with reference thereto.

(Article Withdrawn.)

ARTICLE 70

To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to provide buses to enable the Randolph School Committee to start the elementary schools earlier than the current operating schedule, or take any other action with reference thereto.

MR. PORTNOY: The Finance Committee moves no action be taken.

(The motion was duly seconded, long discussion, and the motion was carried.)

ARTICLE 71

To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to provide bus transportation for all students residing more than one mile and one-half from the school, or take any other action with reference thereto.

(Article Withdrawn.)

ARTICLE 72

To see if the Town would vote to raise and appropriate or transfer from available funds or borrow under any applicable state statute the sum of \$20,000.00 for caulking, repointing and structural repairs at Martin E. Young and J. F. Kennedy Jr. High Schools, or take any other action with reference thereto.

(Article Withdrawn.)

ARTICLE 73

To see if the Town would vote to raise and appropriate or transfer from available funds or borrow under any applicable state statute the sum of \$43,450.00 to replace the steam boiler and oil burner with necessary appurtenances at the Devine School, or take any other action with reference thereto.

MR. PORTNOY: The Finance Committee moves the sum of \$43,450.00 be raised and appropriated to replace the steam boiler and oil burner with necessary appurtenances at the Devine School.

(The motion was duly seconded, short discussion, and the motion was carried unanimously.)

ARTICLE 74

To see if the Town will vote to raise and appropriate or transfer from available funds or borrow under any applicable state statute the sum of \$20,000.00 to continue the program for exterior door replacement at various schools, or take any other action with reference thereto.

MR. PORTNOY: The Finance Committee moves the sum of \$20,000.00 be raised and appropriated to continue the program for exterior door replacement at various schools.

(The motion was duly seconded, short discussion, and the motion was carried unanimously.)

ARTICLE 75

To see if the Town will vote to raise and appropriate or transfer from available funds or borrow under any applicable state statute a sum of money for sealcoating of bituminous concrete at Lyons and Donovan Schools, or take any other action with reference thereto.

MR. PORTNOY: The Finance Committee moves the sum of \$3,000.00 be raised and appropriated for sealcoating of bituminous concrete at the Lyons School.

(The motion was only seconded, short discussion, and the motion was carried unanimously.)

ARTICLE 76

To see if the Town will vote to raise and appropriate or transfer from available funds or borrow under any applicable state statute a sum of money to upgrade

the existing fire alarm systems with smoke detectors in all public school buildings, or take any other action with reference thereto.

MR. PORTNOY: The Finance Committee moves no action be taken.

(The motion was duly seconded, short discussion, and the motion was carried.)

ARTICLE 77

To see if the Town will vote to raise and appropriate or transfer from available funds or borrow under any applicable state statute a sum of money for the installation of acoustical material in the Martin E. Young School gymnasium.

MR. PORTNOY: The Finance Committee moves the sum of \$2,000.00 be raised and appropriated for the installation of acoustical material in the Martin E. Young School gymnasium.

(The motion was duly seconded, short discussion, and the motion was carried unanimously.)

ARTICLE 78

To see if the Town will vote to raise and appropriate or transfer from available funds or borrow under any applicable state statute supplemental funds for reconstruction of tennis courts at North Jr. High, J. F. Kennedy Jr. High and Martin E. Young schools, or take any other action with reference thereto.

(Article Withdrawn.)

ARTICLE 79

To see if the Town will vote to raise and appropriate or transfer from available funds a sum of \$31,500.00 to reopen the Randolph High School swimming pool for school and recreational use for fifty (50) weeks of the year (\$14,000 – school, \$17,500 – recreational). Said funds to be added to the existing departmental budgets.

MR. PORTNOY: The Finance Committee moves the sum of \$16,000.00 be raised and appropriated.

The School Department's portion is already included in their budget. The \$16,000.00 that we are recommending would allow the pool to be operated for an additional twenty-two weeks, making it a 50 week program. The request for the article wishes to have it a 52 week program for \$17,500.00 —

I am being corrected by a member of the Committee who says it is for 48 weeks instead of 52 weeks. My error.

In any event, we felt there had to be some area during the year in which the pool would be getting less use during the holiday period and we suggested that a couple of weeks during the summer; we thought that because of the availability of public bathing that pool use would also be at a minimum and suggested that a 48-week program would be more reflective of what would take place by its use rather than a 52-week program and so, therefore, we are recommending the sum of \$16,000.00; a reduction of \$1,500.00.

(The motion was duly seconded and the motion was carried unanimously.)

ARTICLE 80

To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to provide and install granite curbing along Vesey Road and the service road to the Lyons School adjacent to the baseball field, or take any other action with reference thereto.

(Article Withdrawn.)

ARTICLE 81

To see if the Town will vote to raise and appropriate or transfer from available funds the sum of \$15,000.00 to remove ledge at the corner of the Lyons School service road and Liberty Street, or take any other action with reference thereto.

MR. PORTNOY: The Finance Committee moves the sum of \$15,000.00 be raised and appropriated to remove ledge at the corner of the Lyons School service road and Liberty Street.

(The motion was duly seconded, short discussion, and the motion was carried.)

ARTICLE 82

To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money or take any other action in connection therewith for the following purpose(s):

the sum of \$15,000.00 equivalent to the payment required from Randolph participants at the Pauline School.

MR. PORTNOY: The Finance Committee moves the sum of \$15,000.00 be raised and appropriated to fund Article 82 of the Town Meeting Warrant.

(The motion was duly seconded, short discussion, and the motion was carried unanimously.)

ARTICLE 83

To see if the Town will vote to rescind the action taken under the provisions of

Article 19 of the July 30, 1984 Town Meeting which reads as follows:

"That the Town authorize the Board of Selectmen to sell a portion of the McNeill School property, not to exceed two acres, fronting on Restarick Avenue and Desmond Avenue, for a sum of money and to reconstruct the McNeill School into a senior citizens drop-in center."

MR. PORTNOY: The Finance Committee moves that the action taken under the provisions of Article 19 of the July 30, 1984 Town Meeting be rescinded as petitioned for in Article 83 of the Town Meeting Warrant.

(The motion was duly seconded, short discussion, and the motion was carried unanimously.)

THE MODERATOR: Mr. Semensi.

MR. SEMENSI: I move that we take collective action on Articles 84, 85 and 86.

(The motion was duly seconded, short discussion, and the motion was carried.)

ARTICLE 84

To see if the Town will vote to petition the Legislature to remove the position of Milk Inspector and Assistant Milk Inspector from Civil Service and the jurisdiction of the Department of Personnel Administration.

ARTICLE 85

To see if the Town will vote to petition the Legislature to remove the position of Plumbing and Gas Fitting Inspector and Assistant Plumbing and Gas Fitting Inspector from Civil Service and the jurisdiction of the Department of Personnel Administration.

ARTICLE 86

To see if the Town will vote to petition the Legislature to remove the position of Wiring Inspector and Assistant Wiring Inspector from Civil Service and the jurisdiction of the Department of Personnel Administration.

MR. SEMENSI: I move that the Town petition the Legislature to remove the positions outlined in Articles 84, 85 and 86 of the Town Meeting Warrant from Civil Service and the jurisdiction of the Department of Personnel Administration.

(The motion was duly seconded, long discussion, and the motion was carried.)

THE MODERATOR: Mr. Portnoy.

MR. PORTNOY: The Finance Committee moves to postpone action on Article 87 to the end of the warrant.

(The motion to postpone was duly seconded, short discussion, and the motion was carried.)

ARTICLE 88

To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money or take any other action in connection therewith for the following purpose(s):

| | 1985-1986 Expended | 1986–1987 Appropriated | 1987–1988 Requested |
|--------------------|-----------------------|---------------------------|------------------------|
| SELECTMEN | | | |
| Salaries | \$ 46,567.87 | \$ 48,705.00 | \$ 49,442.00 |
| Expenses | 10,370.12 | 8,937.00 | 8,910.00 |
| SUB-TOTAL | 56,937.99 | 57,642.00 | 58,352.00 |
| Affirmative Action | 2,668.55 | 3,970.00 | 3,970.00 |
| SUB-TOTAL | 59,606.54 | 61,612.00 | 62,322.00 |
| ACCOUNTANT | | | |
| Salaries | 78,002.68 | 84,338.00 | 85,382.00 |
| Expenses | 5,113.41 | 3,744.00 | 5,664.00 |
| SUB-TOTAL | 83,116,09 | 88,082.00 | 91,046.00 |
| GRAND TOTAL | \$142,722.63 | \$149,694.00 | \$153,368.00 |

MR. PORTNOY: The Finance Committee moves the sum of \$153,318.00 be raised and appropriated to fund Article 88 of the Town Meeting Warrant.

(The motion was duly seconded, short discussion, and the motion was carried.)

ARTICLE 89

To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money or take any other action in connection therewith for the following purpose(s):

To develop the Fannie Belcher Park and other areas.

MR. PORTNOY: The Finance Committee moves the sum of \$10,000.00 be raised and appropriated to fund Article 89 of the Town Meeting Warrant.

(The motion was duly seconded, long discussion, and the motion was carried.)

THE MODERATOR: Mr. Portnoy.

MR. PORTNOY: The Finance Committee moves to postpone action on Article 90 to the end of the warrant.

(The motion to postpone was duly seconded, short discussion, and the motion was carried.)

ARTICLE 91

To see if the Town will vote to adopt the following bylaw in connection with the moving of a building from one lot to another lot:

No person shall move a building from one lot to another lot without having followed this procedure:

- 1. Obtain from the Building Commissioner written permission to do so.
- 2. Received from the Commonwealth of Massachusetts, Department of Public Works, all necessary permits.
- 3. Has filed with the Board of Selectmen a bond or other surety in the total amount determined by said Board to indemnify any or all persons.
- 4. Received from the Board of Selectmen permission to make said move during such hours and such public ways as they may determine.
- 5. Employ such security personnel consisting of, but not limited to, police, fire, public works or other as may be determined by the Board of Selectmen.

MR. SEMENSI: I move the Town adopt the following bylaw in connection with the moving of a building from one lot to another lot as outlined in Article 91 of the Town Meeting Warrant.

(The motion was duly seconded, long discussion, the previous question was moved, and the motion was carried unanimously.)

ARTICLE 92

To see if the Town will vote to amend the By-Laws by adding:

In a business district no product shall be displayed or offered for sale by a non-owner or non-tenant of the building or said lot, except by permission of the owner of the property and the registration of said operation with the Board of Selectmen.

Said registration shall include a copy of the written permission by the

owner, together with a bond or other surety in an amount as set by said Board of Selectmen.

MRS. DUNN: I move that the Town vote to amend the By-Laws by adding:

In a business district no product shall be displayed or offered for sale by a non-owner or non-tenant of the building or said lot, except by permission of the owner of the property and the registration of said operation with the Board of Selectmen.

Said registration shall include a copy of the written permission by the owner, together with a bond or other surety in an amount as set by said Board of Selectmen.

THE MODERATOR: If I may, Mr. Connors, I am sure, and you might correct me if I am incorrect, so there is no misunderstanding. It is the Moderator's opinion, and I certainly might be wrong, that since this is a town by-law and it is not a zoning by-law that, therefore, it does not go to the Attorney General for approval. I want to make that point clear. Someone came back and took shots at Mr. Connors last year and said, "I thought it goes to the A.G. It is not zoning, so whatever you decide on it is law.

(The motion was duly seconded, long discussion, the previous question was moved, and the motion was carried.)

ARTICLE 93

To see if the Town will vote to raise and appropriate or transfer from available funds the sum of \$2,000.00 to help defray the cost of Holiday Lighting.

MR. PORTNOY: The Finance Committee moves the sum of \$1,000.00 be raised and appropriated to fund Article 93 of the Town Meeting Warrant.

(The motion was duly seconded, long discussion.)

MR. FISHER: I would like to make a motion to strike the raise and appropriate figure of \$1,000.00 and increase it to \$2,000.00.

(The motion to amend was duly seconded, long discussion, the previous question was moved, and the motion to amend was carried.)

(There was no further discussion on the main motion and the main motion as amended was carried.)

MR. CONNORS: I move that we adjourn at this time until tomorrow evening at 8:00 p.m.

(The motion was duly seconded and the motion was carried.)

Whereupon the fourth session of the Annual Town Meeting adjourned at 10:00 p.m.

ANNUAL TOWN MEETING

FIFTH SESSION

May 5, 1987

The fifth session of the Annual Town Meeting was convened at the Randolph High School on Tuesday, May 5, 1987, at 8:00 p.m. with Moderator Paul Alpert presiding and declaring a quorum present.

The reporter was sworn in. The tellers were appointed.

ARTICLE 128

To see if the Town of Randolph will vote to amend the Zoning By-Laws of the Town to rezone from Residential to Business the following described premises:

The two parcels of land located in Randolph, Norfolk County, bounded and described as follows:

PARCEL ONE:

The land with the buildings thereon situated at the junction of Old and Main Streets, Randolph, Massachusetts and bounded as follows:

NORTHWESTERLY By said Old Street, 178.5 feet;

SOUTHERLY By land formerly of R. Busby Newcomb, 61.5 feet; and

EASTERLY By Main Street, 181 feet.

Being a triangular piece of land with its apex at the junction of said Old and Main Streets, Randolph, Massachusetts.

PARCEL TWO:

A certain parcel of land situated in Randolph, Massachusetts, on North Main and Old Streets and bounded as follows:

NORTHERLY By land formerly of R. Busby Newcomb, 61.7 feet;

EASTERLY By said North Main Street, 81 feet;

SOUTHERLY By land formerly of R. Busby Newcomb, 87 feet; and

WESTERLY By Old Street, 80 feet.

MRS. SIMONS: The Planning Board moves that the Town vote to amend the Zoning By-Laws of the Town to rezone from Residential to Business the parcels of land as described in Article 128 of the Town Meeting Warrant.

(The motion was duly seconded, long discussion, the previous question was moved, there was a question of doubt on the voice vote, a standing vote was requested, 142 votes having been cast in the affirmative, 3 votes having been cast in the negative, the motion was carried.)

ARTICLE 129

To see if the Town will vote to rezone from residential to business that portion of the lot located at the southwesterly corner of the intersection of Center Street and South Street which is bounded and described as follows:

| NORTHERLY | By Center Street, forty-eight and no/100 (48.00) feet; |
|-----------|--------------------------------------------------------|
|-----------|--------------------------------------------------------|

NORTHERLY By a curved line on Center Street and South Street, one

hundred and 33/100 (100.33) feet;

EASTERLY By South Street, eighty-seven and 40/100 (87.40) feet;

SOUTHERLY By land n/f Briggs, one hundred thirteen and 30/100

(113.30) feet;

WESTERLY By land n/f Madden, one hundred twenty-two and

39/100 (122.39) feet.

As shown on the plan attached so that the entire lot will be zoned "business," and to change the Zoning Map of the Town of Randolph.

MRS. SIMONS: The Planning Board moves that the Town vote to rezone from residential to business that portion of the lot located at the southwesterly corner of the intersection of Center Street and South Street which is bounded and described as outlined in Article 129 of the Town Meeting Warrant.

(The motion was duly seconded, long discussion, a standing vote was requested, 3 votes having been cast in the affirmative, 145 votes having been cast in the negative, the motion is defeated.)

ARTICLE 130

To see if the Town will vote to amend the zoning by-laws to rezone to Multifamily use a certain parcel of land on the northerly side of Grove Street and the westerly side of North Main Street bounded and described as follows:

EASTERLY

By land of Catherine and Robert Caddigan, Todd A. and Davida S. Sandler, First Baptist Church of Randolph and Melvin C. and Ruth R. Eagles, Three Hundred

Ninety and 39/100 (390.39) feet;

SOUTHERLY

By land of Leonard G. and Alberta P. Silver, Gerald S. and Edith Kramer, Charles S. and Rosemary Michaud, Michael G. and Margaret Power, Thomas J. and Dorothy Somers, Joseph J. and Gertrude Makarski, Joseph M. and Anne M. Campbell, Frank T. and Besse T. Nelson, Frances Berger, Andrew and Muriel E. Watson, George E. Beam and Robert W. Schoepplin, One Thousand four and 68/100 (1004.68) feet;

WESTERLY

By land of James P. and Florence Locke, Sixty-six (66.00) feet;

NORTHERLY

By Town of Randolph, thirty-two (32.0) feet; by land of Etta B. and H. Winford Powers, One Thousand twenty-eight and 20/100 feet.

Containing 7.7 acres as set forth on a plan entitled "Plan of Land — Randolph, Mass., Lot 10 Grove Street, dated March 5, 1986" Leverault Engineering, 10 Diauto Drive, Randolph, Mass.

MRS. SIMONS: The Planning Board moves that the Town vote to amend the zoning by-laws to rezone to Multi-family use a certain parcel of land on the northerly side of Grove Street and the westerly side of North Main Street bounded and described as outlined in Article 130 of the Town Meeting Warrant.

The Planning Board recommends the article with the proposed amendment. It is proposed that Article 130 be amended by inserting the following language at the end of the original text of Article 130 as set forth in the Town Warrant:

"Prior to the commencement of construction of any multi-family building uses on the foregoing subject parcel of land, a special permit authorizing and approving the site plan and density shall be obtained from the Planning Board as the special permit granting authority pursuant to an appropriate public hearing in accordance with M.G.L. Chapter 40A, Section 9, and pursuant to regulations adopted therefor by the Planning Board, or, in lieu of the foregoing requirements for a special permit, the owner shall execute and deliver a recordable covenant with the Planning Board which shall provide for the following:

- "(1) an agreement to submit to design review and approval by the Planning Board of any substantial changes in the proposed site plan layout for the subject parcel of land presented at the 1987 Annual Town Meeting;
- "(2) an agreement to limit the maximum density within the subject parcel of land to not more than eight (8) dwelling units per acre; and
- "(3) an agreement to deposit into an escrow fund maintained by a local banking institution as escrow agent for the Planning Board a sum of

money equal to one (1) percent of the actual gross sales proceeds of each completed unit, but in no event less than One Hundred Thousand Dollars (\$100,000.00) in total, which funds shall be allocated and used as directed by vote of a future Town Meeting for future road or traffic improvements, drainage systems or other public improvements generally benefitting the Grove Street area of the Town of Randolph adjacent to the subject parcel of land."

MRS. SIMONS: The petitioner has also submitted a signed agreement with the Randolph Planning Board and I would like to read the agreement into the record as it becomes part and parcel of the rezoning.

"WHEREAS, the 7.7 acre parcel of land on Grove Street, owned by Mr. John J. Sullivan and being developed by Woodland Development Company, Inc. (Woodland), has been rezoned by the Town of Randolph at the 1987 Annual Town Meeting to Multi-family; and

"WHEREAS, Mr. Sullivan has presented a preliminary site plan (Exhibit A) and a typical elevation rendering (Exhibit B) at the March 30, 1987 Public Hearing of the Randolph Planning Board, and Mr. Sullivan wishes to cooperate with the neighbors and the Town of Randolph;

"Now, therefore, the parties hereto agree as follows:

"Woodland agrees to reduce the number of units to a maximum of eight (8) units per acre.

"Woodland shall prepare final plans and specifications for submission to the Randolph building inspector, based upon the site plan (Exhibit A) and typical elevation plan (Exhibit B). In the event that Woodland decides to substantially change either the site plan or the typical elevation plan (other than changes required by this Agreement, the Planning Board, or the Town Meeting members), Woodland shall submit such proposed changes to the Planning Board (the Board) at least seven (7) days prior to Woodland's formal submission at a regularly scheduled Planning Board meeting. Woodland shall send by certified mail, prior written notice of the time and date of the Planning Board meeting to those persons listed on the Certified List of Abutters.

"Within 21 days following the Planning Board meeting, the Board shall issue its approval of the proposed change or, alternatively, shall issue its disapproval with recommended changes or alternative designs. If the Board fails to act within the 21 day period (which may be extended if agreed to in writing by Woodland), then the proposed change shall be deemed to have been approved without further action by the Planning Board. If the Board and Woodland are unable to reach a mutual agreement regarding the proposed changes, then the original site plan or typical elevation plan as presented in Exhibits A or B shall be followed.

"Woodland further agrees that one (1%) percent of the revenues from the sale of the condominiums in Norroway Village, but not less than \$100,000.00 (the

Development Fee), will be given to the Town of Randolph to be used for road or traffic improvements, drainage systems, or other public improvements that would benefit the general area of Norroway Village and/or the adjacent neighborhoods as mutually agreed to by Woodland and the appropriate town officials. If Article 127 before the 1987 Annual Town Meeting is approved, then the Development Fee will be reduced by the amount of any land transfer fee required under said Article.

- "'Substantial change' from the Exhibit A site plan shall mean more or less than eight buildings or having other than a single centrally located entrance.
- "'Substantial change' from the Exhibit B typical elevation plan shall mean a typical elevation design over two and one half stories high, other than a colonial or other traditional New England style, or having the principal exterior siding materials other than clapboard, shingle, brick or any combination of these materials.

"This Agreement will be recorded with a Plan of Land entitled 'Plan of Land – Randolph, Mass. Lots 1, 2 & 3 Grove & No. Main Street, Leverault Engineering, 102 South Franklin Street, Holbrook MA 02343,' dated August 21, 1986.

"Executed under seal this 4th day of May, 1987.

"Woodland Development Company, Inc. By, John J. Sullivan, President."

(The motion was duly seconded, long long discussion, a standing vote was requested, 1 vote having been cast in the affirmative, 145 votes having been cast in the negative, the motion was defeated.)

ARTICLE 132

To see if the Town will vote to rezone from Residential to Business—Professional use the land described as follows:

The parcel of land located at 417 South Main Street, Randolph, being shown as Lot E on plan of land entitled "Plan of Land — Randolph, Mass., Lots A, B, C, D, and E, South Main Street," dated April 19, 1984, drawn by Levereault Engineering, 10 Diauto Drive, Randolph, and containing 25,130 square feet according to said plan recorded in the Norfolk Registry of Deeds as Plan 756 of 1984 in Plan Book 312, said parcel being more particularly described as follows:

EASTERLY By South Main Street, 108.00 feet;

NORTHERLY By land of Albert N. and Helen F. Rohlfs, 240.43 feet;

WESTERLY By lot D, 113.32 feet; and

SOUTHERLY By lot A, 221.34 feet.

Being the same premises conveyed to Donald B. Adams by deed of Ole J. Sundby, et al., dated June 20, 1985 and recorded in the Norfolk County Registry of Deeds at Book 6708, Page 8.

MRS. SIMONS: The Planning Board moves that the Town vote to rezone from Residential to Business-Professional use the land described in Article 132 of the Town Meeting Warrant.

(The motion was duly seconded, long discussion, the previous question was moved, there was a question of doubt on the voice vote, a standing vote was requested, 6 votes having been cast in the affirmative, 117 votes having been cast in the negative, the motion was defeated.)

ARTICLE 134

To see if the Town will vote to accept the layout of York Avenue as a town way for a distance of 2,010.94 feet from the sideline of High Street, as shown on the following two plans: (1) "Plan and Profile, York Avenue, Randolph, Mass." by DeCa Engineering, dated March 1, 1967, station 0+0 to 656.16 feet, on file with the office of the Town Engineer and Planning Board, and (2) "Plan and Profile, York Avenue, Randolph, Mass.," by DeCa Engineering, dated November 12, 1968, for a distance of 656.16 feet to 2,010.94 feet, on file at the Registry of Deeds as Pl. Bk. 225, No. 41 of 1969.

THE MODERATOR: The motion already before us is the motion by the Planning Board to accept Article 134 and we voted to postpone.

(The motion, having previously been seconded, there was a long discussion, the previous question was moved and the motion was carried.)

ARTICLE 140

(Article Withdrawn.)

THE MODERATOR: Mr. Connors.

MR. CONNORS: I'd like to make a motion that at the conclusion of this evening's business we adjourn and reconvene on May 18th at 8:00 o'clock.

(The motion was duly seconded and the motion was carried.)

ARTICLE 94

To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money or take any other action in connection therewith for the following purpose(s):

| Tone wing purpose(s). | 1985-1986 Expended | 1986-1987 Appropriated | 1987–1988 Requested |
|-----------------------|-----------------------|---------------------------|------------------------|
| SEWER | | | |
| Salaries | \$117,174.65 | \$218,313.00 | \$217,501.00 |
| Expenses | 37,907.87 | 36,950.00 | 40,450.00 |
| Capital Outlay | 55,178.85 | -0- | 2,500.00 |
| Out-of-State Travel | | | -0- |
| TOTAL | \$270,261.37 | \$255,263.00 | \$260,451.00 |

| | 1985-1986 Expended | 1986–1987 Appropriated | 1987–1988 Requested |
|-------------------------------------------------------------|-----------------------|---------------------------|------------------------|
| ESTIMATED ASSESSMENT FOR MASS WATER & SEWER AUTHORITY | \$374,032.00 | \$684,427.00 | \$854,835.00 |

| Salaries | \$ 9,935.80 | \$ 11,110.00 | \$ 8,842.00 |
| Expenses | 20,571.65 | 15,387.00 | 14,444.00 |
| Capital Outlay | 500.00 | 500.00 | |
| TOTAL | \$31,007.45 | \$26,997.00 | \$23,286.00 |
| GRAND TOTAL | \$675,300.82 | \$966,687.00 | \$1,138,572.00 |

MR. PORTNOY: The Finance Committee moves the sum of \$638,572.00 be raised and appropriated and the sum of \$500,000.00 be transferred from the Sewer Reserve Account for a total of \$1,138,572.00 to fund Article 94 of the Town Meeting Warrant.

(The motion was duly seconded. Long discussion.)

MR. CONNORS: I make a motion to amend the main motion by changing the raise and appropriate figure from \$638,572.00 to read \$642,644.00; the change is in the Tree & Moth budget, salaries to increase from \$8,842.00 to \$9,202.00 and the expenses to increase from \$14,444.00 to \$18,156.00. Net increase is \$4,072.00.

(The motion to amend was duly seconded, long discussion.)

MR. PORTNOY: I move to postpone until May 18th.

(The motion was duly seconded and the motion to postpone was carried.)

ARTICLE 95

To see if the Town will vote to raise and appropriate or transfer from available funds or borrow under any applicable state statute the sum of \$130,000.00 for sewer construction at various urgent locations.

MR. PORTNOY: The Finance Committee moves no action be taken on Article 95.

(The motion was duly seconded, long discussion.)

MR. WALSH: I move to postpone action until May 18th.

(The motion was duly seconded and the motion to postpone was carried.)

ARTICLE 96

To see if the Town will vote to change the \$2,000.00 limit By-Law covering purchases, etc., by increasing the authorized limit to \$4,000.00.

MR. PORTNOY: The Finance Committee moves no action be taken.

(The motion was duly seconded, long discussion, and the motion was carried.)

ARTICLE 97

To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money or take any other action in connection therewith for the following purpose(s):

| | 1985—1986 Expended | 1986–1987 Appropriated | 1987–1988 Requested |

| GRAND TOTAL | \$ 78,876.90 | \$ 83,364.38 | \$100,006.00 |

MR. PORTNOY: The Finance Committee moves that the Town raise and appropriate the sum of \$100,006.00 to fund Article 98 of the Town Meeting Warrant.

(The motion was duly seconded, long discussion.)

MR. SULLIVAN: I move to postpone until May 18.

(The motion was duly seconded and the motion to postpone was carried.)

THE MODERATOR: We are adjourned until May 18.

Whereupon the fifth session of the Annual Town Meeting adjourned at 11:00 p.m.

++++++++

ANNUAL TOWN MEETING

SIXTH SESSION

May 18, 1987

The sixth session of the Annual Town Meeting was convened at the Randolph High School on Monday, May 18, 1987, at 8:00 p.m. with Moderator Paul Alpert presiding and declaring a quorum present.

The reporter was sworn in. The tellers were appointed.

Mr. Portnoy, Chairman of the Finance Committee, made a statement to the town meeting members regarding the monetary situation of the town.

The town meeting members rose in a moment of silence in memory of Philip Saba, former principal of the Randolph High School.

ARTICLE 98

(Postponed from May 5, 1987.)

MR. SULLIVAN: I would like to amend the main motion by reducing the raise and appropriate figure from \$100,006.00 to read \$95,006.00. The reduction should come from the Planning Board expenses, specifically the account for the engineering consultant.

(The motion to amend was duly seconded, long discussion, there was a question of doubt on the voice vote, a standing vote was requested, 77 votes having been cast in the affirmative, 84 votes having been cast in the negative, the motion to amend was defeated.)

MR. LeVANGIE: I would move to amend the main motion by changing the raise and appropriate figure from \$100,006.00 to read \$105,056.00; the net change of \$5,050.00 to be added to the Planning Board salary line item number.

(The motion to amend was duly seconded, long discussion, and the motion to amend was defeated.)

MR. WHITE: I would move to amend the main motion by changing the raise and appropriate figure from \$100,006.00 to read \$101,056.00; the additional \$1,050.00 to be used to increase the expense line item in the Business & Industrial Commission from \$1,950.00 to \$3,000.00.

(The motion to amend was duly seconded, short discussion, and the motion to amend was carried.)

(There was no further discussion on the main motion as amended and the motion was carried.)

ARTICLE 99

To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money or take any other action in connection therewith for the following purpose(s):

Town Seal to be redone in front of building; repointing around entire foundation; front stairs to be torn down and replaced for safety purposes; new window shades in entire building; redoing rooms in building in deplorable condition, storage rooms — upstairs beside stage and GAR Hall (heat loss); putty windows, replacing panes of glass in building; repainting Selectmen's Office; refinishing large front doors of building as they are splintering.

Estimated cost: \$100,000.00.

MR. PORTNOY: The Finance Committee moves the Town raise and appropriate the sum of \$50,000.00 and we recommend the following repairs: Repairs to the burglar alarm system -\$3,247.00, refinish the doors -\$3,000.00, refinish the Town Seal -\$510.00, Sandblast and refinish the six columns in front of Town Hall -\$3,600.00, replace the old shades with fiberglass shades -\$1,767.00, replace the front steps -\$37,350.00, replace a tree -\$450.00, repair siding -\$450.00, repair water leaks -\$8,000.00.

Now, this totals more than \$50,000.00 and we expect the Trustees to use some of the money that they have sitting in the account as well, and we think that this is something that should be undertaken and followed through.

(The motion was duly seconded, long discussion, and the motion was carried.)

ARTICLE 101

To see if the Town will vote to raise and appropriate or transfer from available funds or borrow from available funds, the amount of \$25,000.00 for the deductible portion of the Town's insurance.

MR. PORTNOY: The Finance Committee moves the Town raise and appropriate the sum of \$25,000.00 for the deductible portion of the Town's insurance.

(The motion was duly seconded, short discussion, and the motion was carried.)

ARTICLE 102

To see if the Town will vote to raise and appropriate the sum of \$35,000.00 for arbitration, mediation and medical exams.

MR. PORTNOY: The Finance Committee moves that the Town raise and appropriate the sum of \$35,000.00 for arbitration, mediation and medical exams.

(The motion was duly seconded, short discussion, and the motion was carried.)

ARTICLE 103

To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money or take any other action in connection therewith for the following purpose(s):

| TOTAL | \$1,767,790.75 | \$2,115,500.00 | \$2,283,875.00 |

MR. PORTNOY: The Finance Committee moves the sum of \$479,125.00 be transferred from the Revenue Sharing Account and that the sum of \$1,804,750. be raised and appropriated to fund Article 103 of the Town Meeting Warrant.

(The motion was duly seconded, long discussion.)

MR. GORODETZER: I move that we establish a Study Committee appointed by the Selectmen to explore the feasibility of establishing a program of self-insurance for liability insurance and report back to the next annual town meeting with its recommendation. This is to be done either by Randolph by itself or in conjunction with other cities or towns.

(The motion was duly seconded, long discussion, the previous question was moved and the motion was defeated.)

(There was further discussion on the main motion and the motion was carried.)

ARTICLE 104

| Richardi Reservoir | 28,153.22 | 100,000.00 | 18,000.00 |
| TOTAL | \$468,085.34 | \$581,845.40 | \$548,686.00 |

MR. PORTNOY: The Finance Committee moves to raise and appropriate the sum of \$548,686.00 to fund Article 111 of the Town Meeting Warrant.

(The motion was duly seconded, long discussion, and the motion was carried.)

ARTICLE 112

To see if the Town will vote to raise and appropriate, transfer from available funds, or borrow under any applicable State Statute the sum of \$70,000.00 for judgment for eminent domain takings.

(Article Withdrawn.)

ARTICLE 113

To see if the Town will vote to raise and appropriate, transfer from available funds, or borrow under any applicable State Statute the sum of \$15,000.00 to purchase hydrants, old ones to be replaced.

MR. PORTNOY: The Finance Committee moves the sum of \$15,000.00 be raised and appropriated to fund Article 114 of the Town Meeting Warrant.

(The motion was duly seconded, short discussion, and the motion was carried.)

ARTICLE 114

To see if the Town will vote to raise and appropriate, transfer from available funds, or borrow under any applicable State Statute the sum of \$11,000.00 to purchase a ½ ton pickup truck for the Superintendent's use.

MR. PORTNOY: The Finance Committee moves no action be taken.

(The motion was duly seconded, short discussion, and the motion was carried.)

ARTICLE 115

To see if the Town will vote to raise and appropriate, transfer from available funds, or borrow under any applicable State Statute the sum of \$15,000.00 to replace the water main on Windemere Avenue, money appropriated in 1985 is not sufficient to cover the cost.

(Article Withdrawn.)

ARTICLE 116

To see if the Town will vote to raise and appropriate, transfer from available funds, or borrow under any applicable State Statute the sum of \$35,000.00 for a Water Audit/Leak Detection study.

(Article Withdrawn.)

ARTICLE 117

To see if the Town will vote to raise and appropriate, transfer from available funds, or borrow under any applicable State Statute the sum of \$63,315.60 for the purpose of hiring three (3) new workers for the Water Department.

MR. PORTNOY: The Finance Committee moves no action be taken.

(The motion was duly seconded, short discussion, and the motion was carried.)

ARTICLE 118

To see if the Town will vote to raise and appropriate, transfer from available funds, or borrow under any applicable State Statute the sum of \$10,000.00 to purchase new water meters, old ones to be replaced.

MR. PORTNOY: The Finance Committee moves the sum of \$10,000.00 be raised and appropriated to fund Article 118 of the Town Meeting Warrant.

(The motion was duly seconded, short discussion, and the motion was carried.)

ARTICLE 119

To see if the Town will vote to raise and appropriate, transfer from available funds, or borrow under any applicable State Statute the sum of \$9,000.00 to install activated carbon in the filters at the Treatment Plant.

MR. PORTNOY: The Finance Committee moves the sum of \$9,000.00 be raised and appropriated to fund Article 119 of the Town Meeting Warrant.

(The motion was duly seconded, short discussion, and the motion was carried.)

ARTICLE 120

To see if the Town will vote to raise and appropriate, transfer from available funds, or borrow under any applicable State Statute the sum of \$10,000.00 to purchase Line Valves.

MR. PORTNOY: The Finance Committee moves the sum of \$10,000.00 be raised and appropriated to fund Article 120 of the Town Meeting Warrant.

(The motion was duly seconded, short discussion, and the motion was carried.)

MRS. DUNN: I make a motion that we adjourn until tomorrow evening at 8:00 o'clock.

(The motion was duly seconded and the motion was carried.)

Whereupon the sixth session of the Annual Town Meeting adjourned at 11:00 p.m.

ANNUAL TOWN MEETING

SEVENTH SESSION

May 19, 1987

The seventh session of the Annual Town Meeting was convened at the Randolph High School on Tuesday, May 19, 1987 at 8:00 p.m. with Moderator Paul Alpert presiding and declaring a quorum present.

The reporter was sworn in.

The town meeting members rose in a moment of silence in memory of the 38 sailors who lost their lives aboard the USS Stark.

The tellers were appointed.

ARTICLE 105

THE MODERATOR: The motion before us is to accept Chapter 727 of the Acts of 1985, Commonwealth of Massachusetts.

(There was further discussion, the previous question was moved and the motion was carried.)

ARTICLE 106

To see if the Town will vote to accept Chapter 200 of the Acts of 1986 Commonwealth of Massachusetts, an Act exempting certain residential improvements from property taxation.

MR. PORTNOY: The Finance Committee moves no action be taken.

(The motion was duly seconded, long discussion, and the motion was carried.)

ARTICLE 121

To see if the Town will vote to raise and appropriate, transfer from available funds, or borrow under any applicable State Statute the sum of \$4,000.00 for schooling for Water Department employees on cross connection and certification programs.

MR. PORTNOY: The Finance Committee moves the sum of \$2,000.00 be raised and appropriated for schooling for Water Department employees on cross connection and certification programs.

(The motion was duly seconded, short discussion, and the motion was carried.)

ARTICLE 122

To see if the Town will vote to raise and appropriate, transfer from available funds, or borrow under any applicable State Statute the sum of \$250,000.00 for needed repairs to the Filtration Plant.

MR. PORTNOY: The Finance Committee moves the sum of \$25,000.00 be raised and appropriated for needed repairs to the Filtration Plant.

(The motion was duly seconded, long discussion, and the motion was carried.)

ARTICLE 123

To see if the Town will vote to raise and appropriate, transfer from available funds, or borrow under any applicable State Statute the sum of \$190,000.00 to complete replacing the Water Main on High Street. This article subject to reimbursement through State Grant.

MR. PORTNOY: The Finance Committee moves the sum of \$190,000.00 to fund Article 123 of the Town Meeting Warrant.

(The motion was duly seconded, short discussion, and the motion was carried.)

ARTICLE 124

To see if the Town will vote to raise and appropriate, transfer from available funds, or borrow under any applicable State Statute the sum of \$40,000.00 to purchase a backhoe.

MR. PORTNOY: The Finance Committee moves the sum of \$25,000.00 be transferred from Article 73 of the 1984 Annual Town Meeting and the sum of \$15,000.00 be raised and appropriated to fund Article 124 of the Town Meeting Warrant.

(The motion was duly seconded, short discussion, and the motion was carried.)

ARTICLE 125

To see if the Town will vote to raise and appropriate, transfer from available funds, or borrow under any applicable State Statute the sum of \$550,000.00 to replace the water main on Mill Street. This Article subject to reimbursement through State Grant.

MR. PORTNOY: The Finance Committee moves that the sum of \$44,329.47 be transferred from Article 71 of the 1984 Annual Town Meeting and that the sum of \$505,670.53 be raised and appropriated to fund Article 125 of the Town Meeting Warrant. This expenditure subject to reimbursement through State Grant.

(The motion was duly seconded, long discussion, the previous question was moved, and the motion was carried.)

ARTICLE 126

To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money or take any other action in connection therewith for the following purpose(s):

| YOUTH COMMISSION | 1985-1986 | 1986–1987 | 1987–1988 |
|-------------------|-------------|--------------|-------------|
| | Expended | Appropriated | Requested |
| Salaries Expenses | \$53,531.56 | \$61,439.00 | \$61,315.00 |
| | 4,000.00 | 4,000.00 | 4,700.00 |
| Capital Outlay | | 2,000.00 | _0_ |
| TOTAL | \$57,531.56 | \$67,439.00 | \$66,015.00 |

MR. PORTNOY: The Finance Committee moves the sum of \$66,015.00 be raised and appropriated to fund Article 126 of the Town Meeting Warrant.

(The motion was duly seconded, short discussion, and the motion was carried.)

ARTICLE 127

To see if the Town will vote to petition the Massachusetts General Court to enact legislation substantially as set forth in Exhibit "A" herein which would: (a) Authorize for a three year period, subject to extension by vote of the Town Meeting, the collection by the Town of a Land Transfer Fee not to exceed one-half of one per cent (.5%) of the purchase price upon the Transfer of certain real property interests located in the Town. (b.) Establish a Land Bank Fund in the Town Treasury; and (c.) Authorize the Conservation Commission, with the approval of the Board of Selectmen, to use said fund for the purchase of certain categories of land and interests therein to be permanently held in a Randolph Open Space Land Bank in order to conserve open space, protect the environment and preserve the natural beauty in the Town; and to act in any way relating thereto.

MRS. ROMAN: I move that the Town petition the Massachusetts General Court to enact legislation substantially as set forth in Exhibit "A" herein with two amendments. The first amendment would be that a new paragraph be added at the end of the Article and would say:

"Provided that the authority granted herein shall not reduce the state tax revenues pursuant to G.L. c. 62F, s. 4."

And the second amendment is a new paragraph at the end of the first amendment which would read:

"Ten per cent of the annual revenue may be used for needed housing construction programs as determined and operated by the Randolph Housing Authority."

(The motion was duly seconded, long, long discussion, the previous question was moved unanimously, and the motion was defeated.)

ARTICLE 141

MR. PORTNOY: The Finance Committee moves to postpone action on Article 141 through Article 148 until after we have taken up Article 149.

(The motion was duly seconded and the motion was carried.)

ARTICLE 149

To see if the Town will vote to raise and appropriate or transfer from available funds the sum of \$12,000.00 to perform a professional salary and position evaluation of all positions under the jurisdiction of the Personnel Board not covered by collective bargaining contracts, including the Fire and Police Chief. The Personnel Board shall award the contract in accordance with the Town's bidding procedures.

MR. PORTNOY: The Finance Committee moves that the sum of \$14,000.00 be raised and appropriated for a comprehensive survey to be performed by the Massachusetts Municipal Association for all the positions under the jurisdiction of the Personnel Board not covered by collective bargaining contracts, including the Fire and Police Chief, as well as those employees classified under the "A" scale.

(The motion was duly seconded, long discussion, and the motion was carried.)

ARTICLE 141

To see if the Town will vote to amend the Personnel Board By-Laws, Classification & Compensation Plan, Schedule B, by reclassifying the Dog Officer from S-10, Maximum to S-12, Maximum, and raise and appropriate or transfer from available funds \$1,691.00, or take any other action thereto.

(Article Withdrawn.)

ARTICLE 142

To see if the Town will vote to amend the Personnel Board By-Laws, Classification & Compensation Plan, Schedule A, by reclassifying the Office Engineer from S-12, Maximum to S-15, Step 3, and to raise and appropriate or transfer from available funds the sum of \$886.00.

(Article Withdrawn.)

ARTICLE 143

To see if the Town will vote to amend the Personnel Board By-Laws, Classification & Compensation Plan, Schedule A, by reclassifying the Principal Account Clerk from S-10, Maximum to S-12, Step IV, and to raise and appropriate or transfer from available funds the sum of \$809.00.

(Article Withdrawn.)

ARTICLE 144

To see if the Town will vote to amend the Personnel Board By-Laws, Classification & Compensation Plan, Schedule A, by reclassifying the Personnel Director from S-18, Maximum to S-21, Step 3, and to raise and appropriate or transfer from available funds the sum of \$1,202.00.

(Article Withdrawn.)

ARTICLE 145

To see if the Town will vote to amend the Personnel Board By-Laws, Classification & Compensation Plan by reclassifying the Youth Coordinator from S-20 Maximum to S-21, Maximum, and raise and appropriate \$1,309.00.

(Article Withdrawn.)

ARTICLE 146

MR. PORTNOY: The Finance Committee moves to postpone action on Article 146 until the next session of the Annual Town Meeting.

(The motion was duly seconded and the motion to postpone was carried.)

ARTICLE 147

To see if the Town will vote to amend the Personnel Board By-Laws, Classification & Compensation Plan, by adding the job titles Data Entry Clerk and Computer Operator under Clerical Group in Schedule A.

(Article Withdrawn.)

ARTICLE 148

To see if the Town will vote to add the position of Connection Control Officer under Schedule A of the Personnel Board By-Laws, Classification & Compensation Plan, and to raise and appropriate a sum of money or take any other action thereto.

MR. PORTNOY: The Finance Committee moves no action be taken.

(The motion was duly seconded, short discussion, and the motion was carried.)

ARTICLE 150

MR. PORTNOY: The Finance Committee moves to postpone action on Article 150 until the next session of the Annual Town Meeting.

(The motion was duly seconded and the motion to postpone was carried.)

ARTICLE 151

MR. PORTNOY: The Finance Committee moves to postpone action on Article 151 until the next session of the Annual Town Meeting.

(The motion was duly seconded and the motion to postpone was carried.)

ARTICLE 152

To see if the Town will vote to amend the Personnel Board By-Laws Classification & Compensation Plan, Schedule F (Library) by reclassifying the position of Reference Librarian from L-6 to L-8 and change the title to "Public Service Reference Librarian."

(Article Withdrawn.)

ARTICLE 153

To see if the Town will vote to amend the Personnel Board By-Laws, Classification & Compensation Plan, Schedule L, Library, by changing the following job titles:

Sub-Professional Library Assistant to Library Assistant;

Sub-Professional Library Assistant (Hourly) to Library Assistant (Hourly);

Pre-Professional Library Assistant ot Assistant to Children's Librarian;

Pre-Professional Library Assistant (Hourly) to Supervisory Library Assistant (Hourly);

Reference Librarian to Public Service Reference Librarian; and

Young Adult Librarian to Technical Services Librarian.

MR. O'KANE: I move that the Town vote to amend the Personnel Board By-Laws, Classification & Compensation Plan, Schedule L, Library, by changing the job titles as outlined in Article 153 of the Town Meeting Warrant.

(The motion was duly seconded, short discussion, and the motion was carried.)

ARTICLE 154

To see if the Town will vote to amend the Personnel By-Laws, Classification & Compensation Plans, Schedules A & B to reclassify the position of Town Engineer and raise and appropriate, borrow or transfer from available funds a sum of money, or take any other action thereto.

(Article Withdrawn.)

ARTICLE 155

To see if the Town will vote to amend the Personnel By-Laws, Classification and Compensation Plans, Schedules A and B to reclassify the position of the Assistant Town Engineer and raise and appropriate, borrow or transfer from available funds a sum of money, or take any other action thereto.

(Article Withdrawn.)

ARTICLE 156

To see if the Town will vote to amend the Personnel By-Laws, Classification and Compensation Plans, Schedules A and B, to reclassify the position of the Engineering/Building secretary from Senior Clerk Typist to Principal Clerk (A), and raise and appropriate, borrow, or transfer from available funds a sum of money, or take any other action thereto.

(Article Withdrawn.)

MR. TOOMEY: I would make a motion that at the conclusion of the Article being discussed at 11:00 o'clock, we adjourn until 8:00 o'clock on Monday, June 1st.

(The motion was duly seconded and the motion was carried.)

ARTICLE 157

MR. PORTNOY: The Finance Committee moves that Article 157 be postponed until June 1.

(The motion was duly seconded and the motion to postpone was carried.)

ARTICLE 158

MR. PORTNOY: The Finance Committee moves that Article 158 be postponed until June 1.

(The motion was duly seconded and the motion to postpone was carried.)

ARTICLE 166

MR. SEMENSI: I move that Article 166 be postponed until June 1.

(The motion was duly seconded and the motion to postpone was carried.)

ARTICLE 167

MR. SEMENSI: I move that Article 167 be postponed until June 1.

(The motion was duly seconded and the motion to postpone was carried.)

ARTICLE 168

MR. SEMENSI: I move that Article 168 be postponed until June 1.

(The motion was duly seconded and the motion to postpone was carried.)

ARTICLE 169

To see if the Town will vote to raise and appropriate, transfer from available funds or borrow a sum of money to fund the cost items in a contract (7/1/87 to 6/30/88) between the Town of Randolph (represented by the Board of Selectmen) and the Randolph Traffic Supervisors (represented by the Randolph Traffic Supervisors' Association) in accordance with Chapter 150E of General Laws, amend the Classification and Compensation Plan, or take any other action with reference thereto.

MR. PORTNOY: The Finance Committee moves the sum of \$20,160.00 be raised and appropriated to fund the cost items in a contract (7/1/87 to 6/30/88) between the Town of Randolph (represented by the Board of Selectmen) and the Randolph Traffic Supervisors (represented by the Randolph Traffic Supervisors' Association) in accordance with Chapter 150E of General Laws, amend the Classification and Compensation Plan.

(The motion was duly seconded, short discussion, and the motion was carried.)

ARTICLE 170

MR. SEMENSI: I move that Article 170 be postponed until June 1.

(The motion was duly seconded and the motion to postpone was carried.)

ARTICLE 61

To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money or take any other action in connection therewith for the following purpose(s):

| | 1985-1986 Expended | 1986–1987 Appropriated | 1987-1988 Requested |
|-----------------|-----------------------|---------------------------|------------------------|
| BLUE HILLS | | | |
| REGIONAL SCHOOL | \$788,634.00 | \$723,303.00 | \$850,637.00 |

MR. PORTNOY: The Finance Committee moves the sum of \$850,637.00 be raised and appropriated to fund Article 61 of the Town Meeting Warrant.

(The motion was duly seconded, short discussion, and the motion was carried.)

ARTICLE 62

To see if the Town will vote to seek approval of the admission of the towns of Dedham and Milton into the Blue Hills Regional School District.

MR. PORTNOY: The Finance Committee moves no action be taken.

(The motion was duly seconded, long discussion, the previous question was moved and the motion was carried.)

ARTICLE 63

To see if the Town will vote to seek approval of amendments to the existing Regional School Agreement which necessarily result from the admission of the towns of Dedham and Milton into the Blue Hills Regional School District.

MR. PORTNOY: The Finance Committee moves the Town seek approval of amendments to the existing Regional School Agreement which necessarily result from the admission of the towns of Dedham and Milton into the Blue Hills Regional School District.

THE MODERATOR: For the record, the Moderator is in receipt of a 4-page document entitled "Amendment to the Agreement Between the Towns of Avon, Braintree, Canton, Holbrook, Norwood, Randolph and Westwood, Massachusetts with respect to the Establishment of a Vocational Regional High School District," to be incorporated in the minutes of the meeting.

"The Agreement pursuant to which the Blue Hills School District was established is hereby amended as follows:

- "1. By deleting and heading and prefatory language from the Agreement and replacing it with the following:
 - "AGREEMENT BETWEEN THE TOWNS OF AVON, BRAINTREE, CANTON, DEDHAM, HOLBROOK, MILTON, NORWOOD, RANDOLPH, AND WESTWOOD, MASSACHUSETTS WITH RESPECT TO THE ESTABLISHMENT OF A VOCATIONAL REGIONAL HIGH SCHOOL DISTRICT

"This agreement is entered into pursuant to Chapter 71 of the General Laws of Massachusetts, as amended, by and between the Towns of Avon, Braintree, Canton, Dedham, Holbrook, Milton, Norwood, Randolph, and Westwood. In consideration of the mutual promises herein contained, it is hereby agreed as follows:

"2. By deleting subsections (A) through (E) of Section I and replacing them with the following:

"(A) Composition

The regional district school committee, hereinafter sometimes referred to as the Committee, shall consist of nine members, one from each member town. Members shall be elected pursuant to the terms contained herein. All members shall serve until their respective successors are elected and qualified.

"(B) Interim Committee

Committee members who are in office as of July 1, 1987 shall continue to serve until their respective successors are elected as provided in subsection I(C) and qualified. In the spring of 1987, the Town Moderators in the Towns of Dedham and Milton will each appoint a representative of their respective towns to sit on the Committee from July 1, 1987 until a successor is elected as provided in subsection I(C) and qualified.

"(C) Election of Members

Committee members shall be elected by way of district-wide, atlarge elections, with a residency requirement which will result in one resident of each member town having a position on the Committee. That is, the candidate who receives the highest number of district-wide, at-large votes when compared to all other candidates who reside in the same member town shall be seated on the Committee.

"(D) Timing of Elections

If and when special legislation allowing for the following procedures is passed by the Massachusetts Legislature, and subject to the terms of that legislation, the following procedures shall control the election of Committee members:

The district-wide, at-large elections shall be held on the same day, and in conjunction with, the state-wide elections which are held every other year in the month of November. The first district-wide, at-large election shall be held in 1988. In this 1988 election, a resident of each of the towns of Avon, Braintree, Canton and Dedham shall be elected to serve for a term of two (2) years, while a resident of each of the towns of Holbrook, Milton, Norwood, Randolph and Westwood shall be elected to serve for a term of four (4) years. Thereafter, in every other year in which

the term of office of a member expires, a resident of the town in which that member resides shall be elected district-wide, at-large to serve for a term of four years.

In the event that special legislation allowing for the above-stated election procedures is not passed by the Massachusetts Legislature, but special legislation allowing for the following election procedures is passed by the Massachusetts legislature, then the following procedures shall control the election of Committee members:

Whenever possible, the district-wide, at-large election shall be held on the same day within the member towns. If this is not possible, then, subject to existing law, the district-wide, at-large election shall be held in each member town at a special or annual town election, with the election results being tallied but, if permitted by law, kept confidential by the respective town clerks until the last of the member towns has held its election, at which time the votes shall be added together and publicized. The first districtwide, at-large election shall be held in the spring of 1988. In this 1988 election, a resident of each of the towns of Holbrook, Norwood and Milton shall be elected district-wide, at-large to serve for a term of three years; a resident of each of the towns of Avon, Braintree and Canton shall be elected district-wide, atlarge to serve a term of two years; a resident of each of the towns of Randolph, Westwood, and Dedham shall be elected districtwide, at-large to serve a term of one year. Thereafter, in every year in which the term of office of a member expires, a resident of the town in which that member resides shall be elected districtwide, at-large to serve for a term of three years.

"(E) Vacancies

If a vacancy occurs among the members, the selectmen and the local school committee members from the town concerned, acting jointly, shall appoint a member to serve until the next district-wide, at-large election, at which election a successor shall be elected to serve for the balance of the unexpired term, if any.

"(F) Organization

Annually, after the election and qualification of members, the Committee shall organize and choose by ballot a chairman and a vice chairman from among its own membership. At the same meeting, or at any other meeting, the Committee shall appoint a treasurer and secretary, who may be the same person but who need not be members of the Committee, choose such other officers as it deems advisable, determine the terms of office of its officers (except the chairman and the vice-chairman who shall be elected annually as provided above) and prescribe the powers and duties of any of its officers, fix the time and place for its regular meetings, and provide for the calling of special meetings.

- "3. By relettering subsections (F) and (G) of section I, making them subsections (G) and (H) respectively.
- "4. By deleting subsection (D) of Section IV and replacing it with the following:

"(D) Apportionment of Capital Costs

(1) Unless an additional town (or towns) is/are admitted to the district, in which case the following percentages shall be recalculated, capital costs shall be annually apportioned to the member towns as follows:

| to Avon | 4.6% |
|--------------|-------|
| to Braintree | 22.1% |
| to Canton | 9.8% |
| to Dedham | 10.7% |
| to Holbrook | 7.7% |
| to Milton | 5.3% |
| to Norwood | 18.3% |
| to Randolph | 16.3% |
| to Westwood | 5.2% |

- (2) Unless an additional town (or towns) is/are admitted to the district, the above apportionment will be operative for a four year period commencing on July 1, 1987. At the end of this four year period, these percentages will be recalculated and will be based on the average number of students from each of the member towns in the district over the four year period commencing July 1, 1987.
- "5. By amending Section VIII to read as follows:

SECTION VIII ADMISSION OF ADDITIONAL TOWNS TO THE DISTRICT

By an amendment of this agreement, any other town or towns may be admitted to the regional school district upon adoption of such amendment, upon acceptance of the agreement as so amended by the town or towns seeking admission, and also upon compliance with such provisions of law as may be applicable and such terms as may be set forth in such an amendment.

An amendment that provides for the admission of an additional town or towns to the district must be in accordance with Section VII above, except that such amendment shall take effect upon its acceptance by two-thirds (2/3) of the member towns, acceptance to be by a majority vote at a regular or special town meeting.

(The motion was duly seconded, short discussion, and the motion was carried.)

ARTICLE 64

MR. PORTNOY: The Finance Committee moves to postpone action on Article 64 until June 1.

(The motion was duly seconded and the motion to postpone was carried.)

ARTICLE 65

MR. PORTNOY: The Finance Committee moves to postpone action on Article 65 until June 1.

(The motion was duly seconded and the motion to postpone was carried.)

ARTICLE 87

To see if the Town will vote to authorize the transfer of a portion of the McNeill School land from the Board of Selectmen to the Randolph Housing Authority for a sum of money, or take any other action in connection therewith.

(Article Withdrawn.)

ARTICLE 90

To see if the Town will vote to raise and appropriate or borrow or transfer from available funds a sum of money or take any other action in connection therewith for the following purpose:

To fund the construction for the installation of full phase traffic signals for those locations for which an appropriation was authorized to engineer the intersections authorized by Article No. 83 of the 1986 Annual Town Meeting and Article No. 60 of the 1985 Annual Town Meeting.

(Article Withdrawn.)

ARTICLE 94

To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money or take any other action in connection therewith for the following purpose(s):

1985-1986 1986-1987 1987-1988 Expended **Appropriated** Requested SEWER Salaries \$177,174.65 \$218,313.00 \$217,501.00 37,907.87 36,590.00 40,450.00 Expenses Capital Outlay 55,178.85 -0-2,500.00 Out-of-State Travel -0-TOTAL \$270,261.37 \$255,263.00 \$260,451.00

| | 1985-1986 Expended | 1986–1987 Appropriated | 1987-1988 Requested |
|-------------------------------------------------------------|-----------------------|---------------------------|------------------------|
| ESTIMATED ASSESSMENT FOR MASS WATER & SEWER AUTHORITY | \$374,032.00 | \$684,427.00 | \$854,835.00 |
| TREE & MOTH Salaries | \$ 9,935.80 | \$ 11,110.00 | \$ 8,842.00 |
| Expenses Capital Outlay | 20,571.65 | 15,387.00 500.00 | 14,444.00 |
| TOTAL | \$ 31,007.45 | \$ 26,997.00 | \$ 23,286.00 |
| GRAND TOTAL | \$675,300.82 | \$966,687.00 | \$1,138,572.00 |

THE MODERATOR: Okay. The motion before us is to amend the Finance Committee's motion on the Tree & Moth budget to increase that amount by \$4,072.00 by changing the salary figure from \$8,842.00 to \$9,202.00 and changing the expense figure from \$14,444.00 to \$18,156.00, thereby increasing the raise and appropriate figure from \$638,572.00 to \$642,644.00.

(There was a long discussion on the amendment and the amendment was carried.)

(There was no further discussion on the main motion and the main motion as amended was carried.)

ARTICLE 95

To see if the Town will vote to raise and appropriate or transfer from available funds or borrow under any applicable state statute the sum of \$130,000.00 for sewer construction at various urgent locations.

THE MODERATOR: The motion before us is the Finance Committee's motion that no action be taken.

MR. PORTNOY: We would withdraw that motion.

(The motion and the second to the motion was withdrawn.)

MR. PORTNOY: The Finance Committee moves the sum of \$37,500.00 be raised and appropriated for sewer construction at various urgent locations.

(The motion was duly seconded, short discussion, and the motion was carried.)

MR. PORTNOY: The Finance Committee moves a Resolution to recommend to the Sewer Commissioners that those various locations be: 56 Chestnut Street, 7 Lincoln Avenue, 205 Rear North Street, 175, 245, 328, 495 North Main Street, 4 Oreen White Drive and 97 Webster Street.

(The motion was duly seconded, no discussion, and the motion was carried.)

THE MODERATOR: It is now 11:00 p.m. You have adjourned until 8:00 p.m. June 1.

Whereupon the seventh session of the Annual Town Meeting adjourned at 11:00 p.m.

++++++++

ANNUAL TOWN MEETING

EIGHTH SESSION

June 1, 1987

The eighth session of the Annual Town Meeting was convened at the Randolph High School on Monday, June 1, 1987 at 8:00 p.m. with Moderator Paul Alpert presiding and declaring a quorum present.

The reporter was sworn in. The tellers were appointed.

ARTICLE 64

| | 1985-1986 Expended | 1986–1987 Appropriated | 1987–1988 Requested |
|----------------------------|-----------------------|---------------------------|------------------------|
| RANDOLPH | <u> </u> | - Inpropriated | |
| PUBLIC SCHOOLS | | | |
| Salaries | \$10,450,557.67 | \$11,428,559.00 | \$11,621,734.00 |
| Expenses | 2,746,128.42 | 2,866,342.00 | 3,454,086.00 |
| SUB-TOTAL | \$13,196,686.09 | \$14,294,901.00 | \$15,075,820.00 |
| CAREER DEVELOPMENT PROGRAM | | | |
| BLUE HILLS REGIONAL | 192,550.00 | 232,502.00 | 255,967.00 |
| TOTAL | \$13,389,236.09 | \$14,527,403.00 | \$15,331,787.00 |

MR. TOOMEY: The Finance Committee moves the sum of \$15,331,787.00 be raised and appropriated to fund Article 64 of the Town Meeting Warrant.

(The motion was duly seconded, short discussion,)

MRS. BERGER: The Randolph School Committee moves the following amendment: The Town vote to raise and appropriate the sum of \$15,790,982.00 as follows:

Randolph Public Schools
Salaries \$11,697,141

Expenses 3,837,874

Sub-Total \$15,535,015

Career Development Program

Blue Hills Regional 255,967

TOTAL \$15,790,982

(The motion to amend was duly seconded, long discussion, the previous question was moved, and the motion to amend was carried.)

(There was no further discussion on the main motion and the main motion as amended was carried.)

ARTICLE 65

To see if the Town will vote to raise and appropriate or transfer from available funds or borrow under any applicable state statute a sum of money to fund salary increases for all Randolph School employees for the period July 1, 1987 to June 30, 1988, or take any other action with reference thereto.

MR. TOOMEY: The Finance Committee moves to raise and appropriate the sum of \$637,959.00 to fund Article 65 of the Town Meeting Warrant.

(The motion was duly seconded, short discussion, and the motion was carried.)

ARTICLE 146

To see if the Town will vote to amend the Personnel Board By-Laws, Classification & Compensation Plan, by adding the job title of Data Processor at S-6 and raise and appropriate the sum of \$817.00.

MR. TOOMEY: The Finance Committee moves no action be taken.

(The motion was duly seconded, short discussion, the previous question was moved, and the motion was carried.)

ARTICLE 150

To see if the Town will vote to amend the Personnel Board By-Laws, Classification & Compensation Plan, Schedule B, by reclassifying the Director of Veterans & Elder Affairs from S-23 Maximum to S-25 Maximum, and to raise and appropriate the sum of \$3,052.00.

MR. TOOMEY: The Finance Committee moves no action be taken.

(The motion was duly seconded, long discussion, the previous question was moved, there was a question of doubt on the voice vote, a standing vote was

requested, 59 votes having been cast in the affirmative, 88 votes having been cast in the negative, the motion was defeated.)

MR. SULLIVAN: I move the Town vote to amend the Personnel Board By-Laws, Classification & Compensation Plan, Schedule B, by reclassifying the Director of Veterans & Elder Affairs from S-23 Maximum to S-25 Maximum, and to raise and appropriate the sum of \$3,052.00.

(The motion was duly seconded, long discussion, the previous question was moved, and the motion was carried.)

ARTICLE 151

To see if the Town will vote to raise and appropriate or transfer from available funds \$15,000.00 to provide training or attendance at work-related seminars & training programs for non-union employees and Department Heads in accordance with the Personnel Board By-Laws, Section 4, sub-paragraph (1). Such programs & seminars shall be approved by the Personnel Board for those employees under the Personnel Board's jurisdiction.

MR. TOOMEY: The Finance Committee moves no action be taken.

(The motion was duly seconded, short discussion, and the motion was carried.)

ARTICLE 157

To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to provide a general salary increase for fiscal 1988 to those Town employees not covered by collective bargaining agreements under the jurisdiction of the Personnel Board.

MR. TOOMEY: The Finance Committee moves to raise and appropriate the sum of \$69,642.60 to fund Article 157 of the Town Meeting Warrant.

(The motion was duly seconded, short discussion, and the motion was carried.)

ARTICLE 158

To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to provide a salary increase to those Town employees under the jurisdiction of the Finance Committee.

MR. TOOMEY: The Finance Committee moves the sum of \$9,412.00 be raised and appropriated to fund Article 158 of the Town Meeting Warrant.

(The motion was duly seconded, short discussion.)

MRS. CESTRONI: I move to amend the main motion by changing the raise and appropriate figure from \$9,412.00 to read \$12,412.00, the additional \$3,000.00

to be expended as follows: Town Collector to receive an additional \$1,000.00 over and above that which is recommended in the article and the Town Clerk/ Treasurer to receive an additional \$2,000.00 over and above that which is recommended in the article.

(The motion to amend was duly seconded, long discussion, the previous question was moved, and the motion to amend was carried.)

(There was no further discussion on the main motion and the main motion as amended was carried.)

ARTICLE 166

To see if the Town will vote to raise and appropriate, transfer from available funds or borrow a sum of money to fund the cost items in the contract (7/1/87 to 6/30/88) between the Town of Randolph (represented by the Board of Selectmen) and the Randolph Fire Department employees (represented by Local 1268, I.A.F.F. AFL—CIO) in accordance with Chapter 150E of General Laws, amend the Classification and Compensation Plan, or take any other action with reference thereto.

MR. TOOMEY: The Finance Committee moves no action be taken.

(The motion was duly seconded, short discussion, and the motion was carried.)

ARTICLE 167

To see if the Town will vote to raise and appropriate, transfer from available funds, or borrow a sum of money to fund the cost items in a contract (7/1/87 to 6/30/88) between the Town of Randolph (represented by the Board of Selectmen) and the Highway and Sewer Departments (represented by the Randolph Highway and Sewer Employees' Association) in accordance with Chapter 150E of General Laws, amend the Classification and Compensation Plan, or take any action with reference thereto.

MR. TOOMEY: The Finance Committee moves no action be taken.

(The motion was duly seconded, short discussion, and the motion was carried.)

ARTICLE 168

To see if the Town will vote to raise and appropriate, transfer from available funds, or borrow a sum of money to fund the cost items in a contract (7/1/87 to 6/30/88) between the Town of Randolph (represented by the Board of Selectmen) and the Randolph Police Department employees (represented by the I.B.P.O.) in accordance with Chapter 150E of the General Laws, amend the Classification and Compensation Plan, or take any action with reference thereto.

MR. TOOMEY: The Finance Committee moves no action be taken.

(The motion was duly seconded, short discussion, and the motion was carried.)

ARTICLE 170

To see if the Town will vote to raise and appropriate, transfer from available funds or borrow a sum of money to fund the cost items in a contract (7/1/87 to 6/30/88) between the Town of Randolph (represented by the Board of Selectmen) and the Randolph Water Department (represented by the Randolph Water Association) in accordance with Chapter 150E of the General Laws, amend the Classification and Compensation Plan, or take any other action in reference thereto.

MR. TOOMEY: The Finance Committee moves to raise and appropriate the sum of \$17,992.00 to fund the cost items in a contract (7/1/87 to 6/30/88) between the Town of Randolph (represented by the Board of Selectmen) and the Randolph Water Department (represented by the Randolph Water Association) in accordance with Chapter 150E of the General Laws, amend the Classification and Compensation Plan.

(The motion was duly seconded, short discussion, and the motion was carried.)

THE MODERATOR: Mr. Toomey.

MR. TOOMEY: The Finance Committee moves to reconsider Article 169.

(The motion was duly seconded, short discussion, and the motion for reconsideration was carried.)

ARTICLE 169

To see if the Town will vote to raise and appropriate, transfer from available funds or borrow a sum of money to fund the cost items in a contract (7/1/87 to 6/30/88) between the Town of Randolph (represented by the Board of Selectmen) and the Randolph Traffic Supervisors (represented by the Randolph Traffic Supervisors' Association) in accordance with Chapter 150E of General Laws, amend the Classification and Compensation Plan, or take any other action with reference thereto.

MR. TOOMEY: The Finance Committee moves to raise and appropriate the sum of \$20,160.00 to fund the cost items in a contract (7/1/87 to 6/30/88) between the Town of Randolph (represented by the Board of Selectmen) and the Randolph Traffic Supervisors (represented by the Randolph Traffic Supervisors' Association) in accordance with Chapter 150E of General Laws, amend the Classification and Compensation Plan.

(The motion was duly seconded, long discussion, and the motion was carried.)

THE MODERATOR: Mr. Toomey.

MR. TOOMEY: The Finance Committee moves to reconsider Article 123.

(The motion was duly seconded, short discussion, and the motion for reconsideration was carried.)

ARTICLE 123

To see if the Town will vote to raise and appropriate, transfer from available funds, or borrow under any applicable State Statute the sum of \$190,000.00 to complete replacing the Water Main on High Street. This article subject to reimbursement through State Grant.

MR. TOOMEY: The Finance Committee moves no action be taken.

(The motion was duly seconded, long discussion, and the motion was defeated.)

MR. PODOLSKY: I move to raise and appropriate the sum of \$190,000.00 to complete replacing the Water Main on High Street.

(The motion was duly seconded, no discussion, and the motion was carried.)

MR. PODOLSKY: I move to permanently dissolve the 1987 Annual Town Meeting.

(The motion was duly seconded and the motion was carried.)

Whereupon the eighth and final session of the 1987 Annual Town Meeting was permanently dissolved at 11:00 p.m.

TOWN OF RANDOLPH

AMENDMENTS TO GENERAL BY-LAWS AMENDMENTS TO ZONING BY-LAWS

Adopted April 21, 1987 at Annual Town Meeting Approved by Attorney General, September 16, 1987

September 16, 1987

Boston, Massachusetts

The foregoing amendments to zoning by-laws adopted under articles 100, 128, 136, 138, and 139 of the warrant for the Randolph Annual Town Meeting held April 21, 1987, are hereby approved.

(signed) Attorney General

† † †

September 16, 1987

Boston, Massachusetts

The within zoning map pertaining to article 128 of the warrant for the Randolph Annual Town Meeting held April 21, 1987, is hereby approved.

(signed)
Attorney General

+++

ARTICLE 100

To see if the Town will vote to amend the Zoning By-Laws by amending Section 8-B-3-(b),

FROM

(b) No political sign shall be erected prior to 60 days preceding the election to which it pertains, nor shall it remain standing for more than 3 days following said election. The owner where the sign is erected shall be responsible for its removal.

TO

(b) No political sign shall be erected prior to 60 days preceding the National, State or County election to which it pertains. No political sign shall be

erected prior to 30 days preceding the Local election to which it pertains. No political sign shall remain standing for more than 3 days following said election. The owner where the sign is erected shall be responsible for its removal.

As petitioned for by the Randolph Planning Board.

RECOMMENDATION to be made at Town Meeting.

ARTICLE 100 . . . The Planning Board moves that the Town amend the Zoning By-Laws by amending Section 8-B-3-(b), as printed in the Town Meeting Warrant. The motion was duly seconded, long discussion, the previous question was moved, a standing vote was requested, 88 votes in the affirmative, 39 votes in the negative, the motion to amend the Zoning By-Laws was carried. VOTED.

ARTICLE 128

To see if the Town of Randolph will vote to amend the Zoning By-Laws of the Town to rezone from Residential to Business, the following described premises:

The two parcels of land located in Randolph, Norfolk County, bounded and described as follows:

PARCEL ONE:

The land with the buildings thereon situated at the junction of Old and Main Streets, Randolph, Massachusetts, and bounded as follows:

NORTHWESTERLY: By said Old Street, 178.5 feet;

SOUTHERLY: By land formerly of R. Busby Newcomb,

61.5 feet; and

EASTERLY: By Main Street, 181 feet.

Being a triangular piece of land with its apex at the junction of said Old and Main Streets, Randolph, Massachusetts.

PARCEL TWO:

A certain parcel of land situated in Randolph, Massachusetts, on North Main and Old Streets, and bounded as follows:

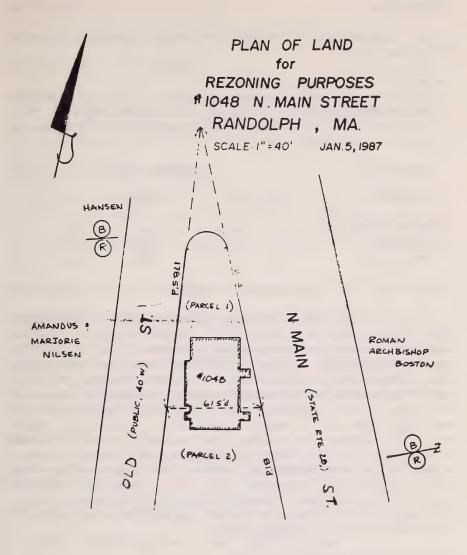

NORTHERLY: By land formerly of R. Busby Newcomb,

61.7 feet;

EASTERLY: By said North Main Street, 81 feet; SOUTHERLY: By land formerly of R. Busby Newcomb,

87 feet; and

WESTERLY: By Old Street, 80 feet.

As petitioned for by Robert K. O'Donnell and other voters of the Town of Randolph.

RECOMMENDATION to be made at Town Meeting.

ARTICLE 128 ... The Planning Board moved that the Town vote to amend the Zoning By-Laws of the Town to rezone from Residential to Business the parcels of land as described in Article 128 of the Town Meeting Warrant. The motion was duly seconded, a standing vote was requested, 142 votes having been cast in the affirmative, 3 votes having been cast in the negative, the motion was carried. VOTED.

ARTICLE 136

To see if the Town will vote to amend the Zoning By-Laws of the Town of Randolph as follows:

Section 5-H. Lot Coverage in all Districts:

In all districts no building shall be constructed so as to cover, together with other buildings on the lot, a larger portion of the lot area than the "Permitted Lot Coverage" specified in the following table for the District in which said lot is located.

| DISTRICTED | LOT COVERAGE |
|-------------------------|--------------|
| Residential | 30% |
| Change and add to read: | |
| Residential | 25% |
| Multi-Family | 25% |

And is Section 3-E-1. (c) Limitation of Coverage:

1. In a Multi-Family District or zone no apartment building or group of apartment buildings shall be built, reconstructed, extended or arranged so that the total floor area of all the buildings on any lot in a Multi-Family District shall exceed 30% of the area of the lot on which they stand or not more than 10 family units per acre of land covered by the lot shall be permitted. No lot, or the buildings thereon, shall be changed in size so as to violate the provision of this section. For the foregoing purpose, no part of area of way, public or private, which adjoins said lot, shall be considered to be included in the area of said lot. For purpose of this paragraph, floor area shall be the sum of the area of the several floors of each building, including area used for human occupancy, in basements, attics and penthouses, as measured from the exterior faces of the wall. It shall not include unoccupied cellars or attics or unenclosed porches, or balconies, or any floor space in accessory buildings or main buildings intended and designed for the parking of vehicles or for accessory mechanical and electrical equipment, laundry or accessory storage.

In first sentence change 30% to read 35%.

As petitioned for by the Chapter 40A Zoning Committee.

RECOMMENDATION to be made at Town Meeting.

ARTICLE 136 . . . The Planning Board moved that the Town amend the Zoning By-Laws of the Town of Randolph by the adoption of the article as printed in the Town Meeting Warrant. The motion was duly seconded, a standing vote was requested, 83 votes having been cast in the affirmative, 41 votes having been cast in the negative. The motion was carried. VOTED.

ARTICLE 138

To see if the Town will vote to amend the Zoning By-Laws as follows:

SECTION 5-C-1. SIDE YARDS:

C. Side Yards:

"1. In a Residential District no building, except a fireproof one-story building of accessory use, shall be erected within 15 feet of a side lot line, unless more than 40 feet from the sideline of any street . . ."

So the section shall read as follows:

"1. In a Residential District no building, except a fireproof one-story building of accessory use, shall be erected within 15 feet of a side lot line for single family dwellings, or within 20 feet of a side lot line for two-family dwellings, unless more than 40 feet from the sideline of any street."

As petitioned for by the Chapter 40A Zoning Committee.

RECOMMENDATION to be made at Town Meeting.

ARTICLE 138 . . . The Planning Board moved that the Town amend the Zoning By-Laws of the Town of Randolph by the adoption of the article as printed in the Town Meeting Warrant. The motion was duly seconded, a standing vote was requested, 95 votes having been cast in the affirmative, 19 votes having been cast in the negative, the motion was carried. VOTED.

ARTICLE 139

To see if the Town will vote to amend the Zoning By-Laws of the Town of Randolph as follows:

SECTION 5-A-2. MINIMUM LOT AREA:

- 1. Change "18,000 square feet" to read "20,000 square feet."
- 2. Change "frontage of not less than 120 feet" to read "frontage of not less than 130 feet."
- 3. Change "width not less than 75 feet" to read "width of not less than 100 feet."

So that the new paragraph will read as follows:

"2. For two-family dwellings, whether new or by conversion of an existing one-family dwelling, each lot must have as a minimum 20,000 square feet consisting of a frontage of not less than 130 feet, a depth of not less than 100

feet, and a width not less than 100 feet. Two family dwellings must first be approved by the Planning Board by Special Permit as required by Section 7 of these By-Laws."

As petitioned for by the Chapter 40A Zoning Committee.

RECOMMENDATION to be made at Town Meeting.

ARTICLE 139 . . . The Planning Board moved that the Town amend the Zoning By-Laws of the Town of Randolph by the adoption of the article as printed in the Town Meeting Warrant. The motion was duly seconded, a standing vote was requested, 97 votes having been cast in the affirmative, 20 votes having been cast in the negative, the motion was carried. VOTED.

† † †

September 16, 1987

Boston, Massachusetts

The foregoing amendments to general by-laws adopted under articles 39, 91 and 92 of the warrant for the Randolph Annual Town Meeting held April 21, 1987, are hereby approved.

(signed) Attorney General

+++

ARTICLE 39

To see if the Town will vote to amend the Town of Randolph By-Laws as follows:

To add a new Section (No. 39) in Article 7 which will read as follows:

No driveway shall be located within five (5) feet of a hydrant, utility pole or catchbasin.

As petitioned for by Thomas W. O'Dea, P.E., and Robert D. Teece, Fire Chief.

RECOMMENDATION to be made at Town Meeting.

ARTICLE 39 . . . Mr. O'Dea moved that the Town vote to amend the Town of Randolph By-Laws by adding a new Section (No. 39) in Article 7 which will read as follows: "No driveway shall be located within five (5) feet of a hydrant, utility pole or catchbasin." The motion was duly seconded, long discussion, and the motion was carried. VOTED.

ARTICLE 91

To see if the Town will vote to adopt the following bylaw in connection with the moving of a building from one lot to another lot:

No person shall move a building from one lot to another lot without having followed this procedure:

- 1. Obtain from the Building Commissioner written permission to do so.
- 2. Received from the Commonwealth of Massachusetts, Department of Public Works, all necessary permits.
- Has filed with the Board of Selectmen a bond or other surety in the total amount determined by said Board to indemnify any or all persons.
- 4. Received from the Board of Selectmen permission to make said move during such hours and such public ways as they may determine.
- 5. Employ such security personnel consisting of, but not limited to, police, fire, public works or other as may be determined by the Board of Selectmen.

As petitioned for by the Board of Selectmen.

RECOMMENDATION to be made at Town Meeting.

ARTICLE 91 . . . Motion made to move that the Town adopt the following bylaw in connection with the moving of a building from one lot to another lot as outlined in Article 91 of the Town Meeting Warrant. The motion was duly seconded, long discussion, the previous question was moved, and the motion was carried unanimously. VOTED.

ARTICLE 92

To see if the Town will vote to amend the By-Laws by adding:

In a business district no product shall be displayed or offered for sale by a non-owner or non-tenant of the building or said lot, except by permission of the owner of the property and the registration of said operation with the Board of Selectmen.

Said registration shall include a copy of the written permission by the owner, together with a bond or other surety in an amount as set by said Board of Selectmen.

As petitioned for by the Board of Selectmen.

RECOMMENDATION to be made at Town Meeting.

ARTICLE 92 . . . Motion was made and duly seconded, long discussion, the previous question was moved, and the motion was carried. VOTED.

SPECIAL TOWN MEETING

November 2, 1987

The first session of the Special Town Meeting was convened at the Randolph High School on Monday, November 2, 1987 at 8:00 p.m. with Moderator Paul Alpert presiding and declaring a quorum present.

Call of the Meeting and Return of Service read by Town Clerk and Treasurer Joan Ward.

The reporter was sworn. The Moderator explained the rules of procedure and the tellers were appointed.

ARTICLE 1

To see if the Town will vote to authorize the sale of a portion of the McNeill School land from the Town of Randolph to the Randolph Housing Authority for a sum of money, and apply proceeds of said sale to the reconstruction of Fencourt Avenue as extended.

MR. TOOMEY: Move that the Town of Randolph and its Board of Selectmen transfer and sell a portion of the land at the entrance of the McNeill School to the Randolph Housing Authority for the sum of \$95,000.00. Said land being shown as Lot 1 on Definitive Plan McNeill School Subdivision Owner's & Developer, Town of Randolph, Mass., dated September 21, 1987, Beta Engineering Inc., Consulting Engineers, on file with the Office of the Planning Board of the Town of Randolph containing 25,614 square feet.

And PART TWO:

Move that the proceeds of the sale of a portion of land at the entrance of the McNeill School to the Randolph Housing Authority for the sum of \$95,000.00 shown as Lot 1 on Definitive Plan McNeill School Subdivision Owner's & Developer Town of Randolph, Mass., dated September 21, 1987, Beta Engineering, Inc., Consulting Engineers, on file with the Office of the Planning Board of the Town of Randolph, containing 25,614 square feet, be utilized for the reconstruction of Fencourt Avenue as extended and shown on said plans.

(On Part One, the motion was duly seconded, long discussion, the previous question was moved, there was a question of doubt on the voice vote, a standing vote was requested, 147 votes having been cast in the affirmative, 3 votes in the negative, the motion was carried.)

(On Part Two, the motion was duly seconded, no further discussion and the motion was carried.)

ARTICLE 2

To see if the Town will vote to accept the layout of Fencourt Avenue from Union Street for a distance of 420+ feet to meet the existing accepted layout, according to a subdivision plan dated September 21, 1987, made by Beta Engineering, on file with Randolph Planning Board.

MR. LeVANGIE: I move that the Town vote to accept the layout of Fencourt Avenue from Union Street for a distance of 420+ feet to meet the existing accepted layout, according to a subdivision plan dated September 21, 1987, made by Beta Engineering, on file with Randolph Planning Board.

(The motion was duly seconded, short discussion, and the motion was carried.)

ARTICLE 3

To see if the Town will vote to accept Fencourt Avenue as laid out from Union Street for a distance of 420+ feet to meet the existing accepted layout, according to a subdivision plan dated September 21, 1987, made by Beta Engineering, on file with the Randolph Planning Board.

MR. LeVANGIE: I move that the Town vote to accept Fencourt Avenue as laid out from Union Street for a distance of 420+ feet to meet the existing accepted layout, according to a subdivision plan dated September 21, 1987, made by Beta Engineering, on file with the Randolph Planning Board.

(The motion was duly seconded, short discussion, and the motion was carried.)

ARTICLE 4

To see if the Town will vote to raise and appropriate, transfer from available funds or borrow a sum of money to fund the cost items in the contract (7/1/87 to 6/30/88) between the Town of Randolph (represented by the Board of Selectmen) and the Randolph Fire Department employees (represented by Local 1268, I.A.F.F. AFL—CIO) in accordance with Chapter 150E of the General Laws, amend the Classification and Compensation Plan, or take any other action with reference thereto.

MR. TOOMEY: The Finance Committee moves no action be taken.

(The motion was duly seconded, short discussion, and the motion was carried.)

THE MODERATOR: The Chair would just like to recognize the State Representative from the 6th Norfolk District, Representative John Flood. Welcome, John

(State Representative John Flood's presence acknowledged by the Chair.)

ARTICLE 5

To see if the Town will vote to raise and appropriate, transfer from available funds, or borrow a sum of money to fund the cost items in a contract (7/1/87 to 6/30/88) between the Town of Randolph (represented by the Board of Selectmen) and the Highway and Sewer Departments (represented by the Randolph Highway & Sewer Employees' Association) in accordance with Chapter 150E of General Laws, amend the Classification and Compensation Plan, or take any action with reference thereto.

MR. TOOMEY: The Finance Committee moves to raise and appropriate the sum of \$22,500.00 and to amend the Classification and Compensation Plan.

(The motion was duly seconded, long discussion, and the motion was carried.)

ARTICLE 6

To see if the Town will vote to raise and appropriate, transfer from available funds, or borrow a sum of money to fund the cost items in a contract (7/1/87 to 6/30/88) between the Town of Randolph (represented by the Board of Selectmen) and the Randolph Police Department employees (represented by the I.B.P.O.) in accordance with Chapter 150E of the General Laws, amend the Classification and Compensation Plan, or take any action with reference thereto.

MR. TOOMEY: The Finance Committee moves to raise and appropriate the sum of \$136,570.00 and to amend the Classification and Compensation Plan.

(The motion was duly seconded, short discussion, and the motion was carried.)

ARTICLE 7

To see if the Town will vote to raise and appropriate or transfer from available funds the sum of:

\$65,000 Principal 19,565 Interest \$84,565 Total

to pay the proceeds of the first of a five-year installment repayment of State House Registered Notes issued May 1, 1987 for Data Processing. Said borrowing having been accomplished after the close of the Annual Town Meeting Warrant.

MR. TOOMEY: The Finance Committee moves to raise and appropriate the sum of \$84,565.00 to pay the proceeds of the first of a five-year installment repayment of State House Registered Notes issued May 1, 1987 for Data Processing. Said borrowing having been accomplished after the close of the Annual Town Meeting Warrant.

(The motion was duly seconded, short discussion, and the motion was carried.)

ARTICLE 8

To see if the Town will vote to amend the Personnel Board By-Laws, Classification and Compensation Plans, Section 17, Bereavement Leave, by substituting in place of the existing section, which reads:

"An employee may receive up to five (5) consecutive calendar days off with pay in case of death in the immediate family. Immediate family shall be defined as the employee's spouse, children, father, mother, sister or brother.

An absence of three consecutive calendar days may be granted in the event of death of the employee's grandparents, father-in-law, mother-in-law, or grandparents of his or her spouse or a relative of the employee's or his spouse who is actually living in the immediate house-hold of the employee at the time of death or at the commencement of final illness or accident.

One day's leave may be granted in case of death of other relatives.

These provisions shall be administered by the Personnel Board in the light of their purpose, which is to provide an opportunity when needed, to enable an employee to attend a funeral or to attend to family and personal needs arising as a result of a death."

the following section:

"An employee shall receive five (5) consecutive working days off with pay in the event of the death of the employee's spouse, daughter, son, mother, father, sister or brother.

An employee shall receive three (3) consecutive working days off with pay in the event of the death of the employee's grandparents, mother-in-law, father-in-law, grandparents of the employee's spouse, or of a relative of the employee or the employee's spouse who is living in the household of the employee at the time of death."

or take any other action with reference thereto.

MR. SEMENSI: I move that the Town vote to amend the Personnel Board By-Laws, Classification and Compensation Plans, Section 17, Bereavement Leave, by substituting in place of the existing section the following section:

"An employee shall receive five (5) consecutive working days off with pay in the event of the death of the employee's spouse, daughter, son, mother, father, sister or brother.

An employee shall receive three (3) consecutive working days off with pay in the event of the death of the employee's grandparents, mother-in-law, father-in-law, grandparents of the employee's spouse, or of a relative of the employee or the employee's spouse who is living in the household of the employee at the time of death."

(The motion was duly seconded, long discussion, the previous question was moved, and the motion was carried.)

ARTICLE 9

To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to fund the medical expenses of Officer Robert E. Nelson, a 23-year member of the Randolph Police Department, retired by virtue of a service injury.

(Article Withdrawn.)

ARTICLE 10

To see if the Town will vote to amend the Zoning By-Laws, Section H: Watershed and Wetland Protection Districts, to bring the Town in conformity with Federal regulations by adding a new paragraph:

"4. Special Flood Hazard Areas:

On October 3, 1980 the Federal Emergency Management Agency (FEMA) issued a Flood Insurance Rate Map (FIRM) which identified the Special Flood Hazard Areas of the town.

Maps have been revised as of June 4, 1987.

All proposed new construction, substantial additional improvements and utilities within the 100-year floodplain must comply with these FEMA standards."

(Article Withdrawn.)

ARTICLE 11

To see if the Town will vote to rezone from residential to business use the following described parcels of land:

PARCEL ONE

The land in Randolph on the Westerly side of North Main Street, with the buildings thereon, being a part of lot marked "Homestead" on a Plan of Land owned by Louise H. Weddall located in Randolph, Mass., dated May 23, 1925, George H. Wetherbee, Jr., Civil Engineer, recorded with Norfolk Deeds in Book 1651,

Page 596. Said parcel being in part adjacent to lots 2, 3, 4 and 17 on said plan, and being bounded and described as follows:

Beginning at a point in the Westerly line of said North Main Street at the Southeasterly corner of Lot 17, the line runs SOUTHERLY along the Westerly line of said North Main Street, seventy-five (75) feet; thence turning and running WESTERLY, at all times parallel with and seventy-five (75) feet distant from the Southerly line of said lot 17, one hundred (100) feet; thence turning and running NORTHWESTERLY to a point in the Easterly line of said Lot 2, fifteen (15) feet distant Southwesterly from the Northwesterly corner of said Lot 2, ninety-seven (97) feet, more or less; thence turning and running NORTHEASTERLY along the Easterly lines of said Lots 2 and 3 to the Northeasterly corner of said Lot 3, sixty-five (65) feet; thence turning and running SOUTHEASTERLY and EASTERLY along the southerly lines of said Lots 4 and 17, one hundred seventy-eight (178) feet to the point of beginning.

PARCEL TWO

The land in Randolph Massachusetts, being a portion of Lot 17 on a plan of land formerly owned by Louise H. Weddall, dated June 1, 1923, surveyed by Dexter P. Clark, drawn by Fred'k Martin, said plan being recorded with Norfolk County Deeds, Book 1559, Page 279, bounded and described as follows:

EASTERLY on North Main Street, twenty-five (25) feet; SOUTHERLY by land of Trefry, formerly of Weddall on said plan, one hundred (100) feet, WESTERLY by Lot numbered 4 on said plan, twenty-five (25) feet; and NORTHERLY by land now or formerly of Doherty, one hundred (100) feet. Excluding that portion of the above-described premises taken by the Commonwealth of Massachusetts by the Department of Public Works for the relocation of North Main Street, Randolph, by instrument dated October 7, 1930, and recorded with Norfolk Deeds, Book 1090, Page 348."

(Article Withdrawn.)

ARTICLE 12

To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to fund the additional cost for the change orders during reconstruction of the Senior Citizen Drop-In Center.

MR. TOOMEY: The Finance Committee moves to raise and appropriate the sum of \$20,000.00 to fund the additional cost for the change orders during reconstruction of the Senior Citizen Drop-In Center.

(The motion was duly seconded, short discussion, and the motion was carried.)

ARTICLE 13

To see if the Town will accept as a gift a parcel of land owned by Alexander T. and Augustino Graziano bounded and described as shown in deed of Carietta Crockett to Alexander and Augustino Graziano dated February 7, 1945, recorded with Norfolk County Deed, Book 2527, Page 541, containing approximately fifteen (15) acres.

MR. TOOMEY: The Finance Committee moves that the Town accept as a gift a parcel of land owned by Alexander T. and Augustino Graziano bounded and described as shown in deed of Carietta Crockett to Alexander and Augustino Graziano dated February 7, 1945, recorded with Norfolk County Deed, Book 2527, Page 541, containing approximately fifteen (15) acres.

(The motion was duly seconded, short discussion, and the motion was carried.)

ARTICLE 14

To see if the Town will vote to raise and appropriate, transfer from available funds, or borrow under any applicable State Statute the sum of \$150,000.00 for professional engineering services to study and recommend improvements to the water supply, treatment, transmission, distribution and water storage systems. The studies will be completed under the direction of the Joint Holbrook/Randolph Water Board. Such sum will be reduced by any Federal or State grant which may be received.

MR. TOOMEY: The Finance Committee moves the sum of \$150,000.00 be raised and appropriated for professional engineering services to study and recommend improvements to the water supply, treatment, transmission, distribution and water storage systems. The studies will be completed under the direction of the Joint Holbrook/Randolph Water Board. Such sum will be reduced by any Federal or State grant which may be received.

(The motion was duly seconded, short discussion, and the motion was carried.)

ARTICLE 15

To see if the Town of Randolph will raise and appropriate a sum of money to correct a drainage problem at the rear of 6 North Sherwood Avenue.

MR. TOOMEY: The Finance Committee moves no action be taken.

(The motion was duly seconded, short discussion, and the motion was carried.)

ARTICLE 16

To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for shots and tests required for immunization from Hepatitis B for members of the Randolph Fire Department and Randolph Police Department.

MR. TOOMEY: The Finance Committee moves no action be taken.

(The motion was duly seconded, short discussion.)

MR. CONNORS: I move we postpone action until the end of the warrant.

(The motion was duly seconded and the motion to postpone to the end of the warrant was carried.)

ARTICLE 17

To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to install sidewalks the entire length of Ryan Street and the corner of Morgan Street.

MR. TOOMEY: The Finance Committee moves no action be taken.

(The motion was duly seconded, long discussion, there was a question of doubt on the voice vote, a standing vote was requested, 68 votes having been cast in the affirmative and 71 votes having been cast in the negative, the motion was defeated.)

MR. GARRISH: I move that the Town raise and appropriate the sum of \$10,000.00 for an engineering study relative to the installation of a sidewalk on Ryan Street. That study should also include the surrounding neighborhood. Study to be certain to include Ryan Street. Construction is in the best interest of the town.

(The motion was duly seconded, long discussion, there was a question of doubt on the voice vote, a standing vote was requested, 86 votes having been cast in the affirmative, 56 votes having been cast in the negative, the motion was carried.)

ARTICLE 18

To see if the Town will authorize the Board of Assessors to appoint one of their members to another office or position under their control in accordance with the provisions of Chapter 36, Acts of 1929, or take any other action relative thereto.

MR. TOOMEY: The Finance Committee moves no action be taken.

(The motion was duly seconded, short discussion, and the motion was defeated.)

MR. GALVAM: I move that the Town authorize the Board of Assessors to appoint one of their members to another office or position under their control in accordance with the provisions of Chapter 36, Acts of 1929.

(The motion was duly seconded, short discussion, and the motion was carried.)

ARTICLE 19

To see if the Town will vote to raise and appropriate or transfer from available funds or borrow under any applicable statute or take any other action in connection with the purchase of the remainder of a parcel of land known as Powers Farm when or if such land becomes available in order to conserve the town's open space.

MR. TOOMEY: The Finance Committee moves no action be taken.

(The motion was duly seconded, long discussion, the previous question was moved unanimously, and the motion was carried.)

ARTICLE 20

To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to totally fund the replacement of the asbestos-lined water pipe on High Street as partially funded at the Annual Town Meeting of 1987.

MR. TOOMEY: The Finance Committee moves no action be taken.

(The motion was duly seconded, short discussion, and the motion was carried.)

ARTICLE 21

To see if the Town will vote to raise and appropriate or transfer from available funds, the sum of \$60,000.00 for the purpose of purchasing an in-house computer for the Randolph Police Department.

MR. TOOMEY: The Finance Committee moves no action be taken.

(The motion was duly seconded, long discussion, the previous question was moved, and the motion was carried.)

ARTICLE 22

To see if the Town will vote to raise and appropriate or transfer from available funds the sum of

| \$74,000 | Principal |
|----------|-----------|
| 21,359 | Interest |
| \$95,359 | Total |

to pay the proceeds of the first of a five-year installment repayment of State House Registered Notes issued May 1, 1987 for water main construction. Said borrowing having been accomplished after the close of the Annual Town Meeting Warrant.

MR. TOOMEY: The Finance Committee moves to raise and appropriate the sum of \$95,359.00 to pay the proceeds of the first of a five-year installment repayment of State House Registered Notes issued May 1, 1987 for water main construction. Said borrowing having been accomplished after the close of the Annual Town Meeting Warrant.

(The motion was duly seconded, short discussion, and the motion was carried.)

ARTICLE 23

To see if the Town will vote to raise and appropriate or transfer from available funds the sum of \$20,000.00 to fund the cost of the Town's share of a hospital insurance (Medicare) tax for new hires as mandated by P.L. 99-272.

MR. TOOMEY: The Finance Committee moves the raise and appropriate the sum of \$20,000.00 to fund the cost of the Town's share of a hospital insurance (Medicare) tax for new hires as mandated by P.L. 99-272.

(The motion was duly seconded, short discussion, and the motion was carried.)

ARTICLE 24

To see if the Town will vote to raise and appropriate or transfer from available funds the sum of \$75,000.00 to fund the Town's insurance account. Said amount represents an amount originally requested for Fiscal Year 1988.

MR. TOOMEY: The Finance Committee moves to raise and appropriate the sum of \$65,000.00 to fund the Town's insurance account.

(The motion was duly seconded, short discussion, and the motion was carried.)

ARTICLE 25

To see if the Town will vote to raise and appropriate or transfer from available funds the sum of \$542.40 to provide an underground installation of electricity for the subdivision of twenty (20) house lots known as Norroway Pond Village off Grove Street.

(Article Withdrawn.)

ARTICLE 26

To see if the Town will vote to approve the acceptance by the Blue Hills Regional Vocational-Technical School District of Section 12 of Chapter 188 of the Acts of 1985 relating to an equal educational opportunity grant in the amount of \$36,890.00.

MR. TOOMEY: The Finance Committee moves the Town vote to approve the acceptance by the Blue Hills Regional Vocational-Technical School District of

Section 12 of Chapter 188 of the Acts of 1985 relating to an equal educational opportunity grant in the amount of \$36,890.00.

(The motion was duly seconded, no discussion, and the motion was carried.)

ARTICLE 16

THE MODERATOR: The motion before us is the Finance Committee's recommendation that no action be taken. The motion was postponed to the end of the warrant. We are now at the end of the warrant.

(There was a long discussion and the motion was defeated.)

MR. CONNORS: I move that the Town raise and appropriate the sum of \$13,582.50 for shots and tests required for immunization from Hepatitis B for members of the Randolph Fire Department, Randolph Police Department and other such Departments. This program to be administered by the Board of Health.

(The motion was duly seconded, short discussion, and the motion was carried.)

MR. TOOMEY: I move that we permanently dissolve this Special Town Meeting.

(The motion was duly seconded and the motion was carried.)

Whereupon the Special Town Meeting permanently dissolved at 11:45 p.m.

CERTIFICATE

Commonwealth of Massachusetts Plymouth, SS.

I, Kenneth A. Munn, do hereby certify that the foregoing record is an accurate synopsis of my stenographic notes taken in the aforementioned matter to the best of my skill and ability.

ONE HUNDRED AND FIFTY-SECOND ANNUAL REPORT REPORT OF THE SCHOOL COMMITTEE

The Randolph School Committee herewith submits its annual report for the year 1987 to the citizens of the Town of Randolph

The School Committee is composed of five members, each elected for a three year period on a staggered basis. Current members are: Robert L. Gass, Chairman; Michael J. Bower, Vice-chairman; Brenda Berger, Member; R. Neal Condlin, Member; and David Harris, Jr., Member. Charged with the implementation of the educational program for all pupils under the General Laws of the Commonwealth of Massachusetts, we are an agent of and responsible to the State, as well as to the citizens of the Town. Our duties and responsibilities include the formulation of policy, budget making, personnel appointments, approval of curricula and teaching materials, planning of school services, formulation of education specifications for school construction, implementation of Federal programs and the evaluation of all school programs and personnel. This we do working with our executive officer, Dr. John E. Zoino, our Superintendent of Schools.

Regular meetings of the Committee are scheduled on the first and third Thursdays of each month. School Committee meetings are telecast live over Cable TV — Channel 52. All meetings are open to the public and we encourage you to attend. Many extra meetings are held, particularly during the budget-making process (December through February) and while we are in the process of bargaining collectively with our employees, as required under Chapter 150E of the laws of the Commonwealth. Collective bargaining meetings usually begin each year in November and continue until a settlement is reached. These meetings are held in executive session. This year we will need to meet in regular bargaining sessions since we are working on new contracts with our clerical, custodial and maintenance staffs.

The Randolph School Committee works closely with all of its Unions and does its own collective bargaining and contract maintenance. Our sub-committees for collective bargaining are:

Collective Bargaining and Contract Maintenance: Robert Gass, Ex officio

1. Teachers Gass & Condlin

2. Aides Berger3. Tutors Berger

4. Custodians Harris & Condlin 5. Cafeteria Condlin & Harris

6. Administrators Gass
7. Nurses Bower

8. Clerical Bower & Berger

Other sub-committee assignments are as follows:

Budget: Robert Gass, Ex officio

Salary Berger & Condlin
 Expense Bower & Harris

Other

Affirmative Action
 Legislative
 P.T.O. Liaison
 Randolph Foundation
 Student Liaison
 Gass/Harris
 Bower

We continue to schedule part of our meeting for a "School Community Speaks" segment. This practice of inviting various staff members to make presentations to the Committee has been very interesting and successful. In this manner board members, as well as members of the community, can receive current information on the workings, goals, etc. of the various departments of the school system.

Additionally, a portion of each meeting is devoted to "Community Speaks." This procedure for community input is outlined in a publication entitled "School Community Rules, Regulations and Procedures for Meetings and Public Participation" and is available at the school administration office.

Community participation is on the increase and we are attempting to broaden the use of our buildings throughout the year and for all age groups. This support is greatly appreciated by the School Committee and, most especially, by the young people of our community. A major part of the Committee's discussions over the past year has been an attempt to reconcile the data coming from various educational reform measures, the changing demographics, and the lifestyle of the average Randolph family. This is tempered by fiscal constraints and the need to set priorities and become accountable to both the consumers of the teaching programs and all of the taxpayers.

In March of 1987, Mr. Neal Condlin was elected to serve on the School Board for a three year period. Mrs. Brenda Berger was elected to serve her fourth term on the Board. The Committee extends its congratulations to Mrs. Berger and Mr. Condlin.

The Randolph School Committee is truly appreciative of the support of the Community and particularly the Town Meeting Members for their support of the school budget and the special articles voted at the Annual Town Meeting this past spring. As a result, we have been able to solve several major problems and have begun to correct many others. At the same time, in an effort to get the greatest return for the dollars spent, the Committee continually monitors its purchasing and bidding procedures, and encourages Dr. Zoino and his staff to pursue all available funding sources. In this we particularly appreciate the many contributions to the schools made by members of our community.

1987 was another extremely full and productive year for the School Committee. Many processes have been completed and many more initiated, all in an effort to afford the finest educational opportunity to every young person in Randolph.

The School Committee and the superintendent of schools continue to make commitments to improving all staff supervisory/evaluation processes. It is our hope that by these actions we will clearly state to the personnel of the school system and to the public our desire to upgrade the system's standards and to strive for excellence in all of our endeavors. Our specific goals are:

- 1. To review with the Committee all administrative evaluations, using the most current evaluation instrument available at the time of the review.
- 2. To continue the review of all evaluation instruments and to continue the on-going program to assist systemwide evaluators.
- 3. In an on-going manner, assess the results of all tests given in the school system, including statewide testing, SAT's and regular programs. Where needed, make recommendations to the School Committee to improve student performance.
- 4. To continually monitor and report to the School Committee the processes involved with the high school evaluation. Ultimately, to assess the results of the evaluation and to make recommendations designed to upgrade the high school programs. In order to achieve these goals, the superintendent will continue to take a more visable and active role at the high school.
- 5. To continually work with the Director of Guidance, his staff, and other school personnel for the purpose of making recommendations to the School Committee which would result in an upgrading of the Guidance Department.
- 6. To continue to work closely with Mr. Coburn to evaluate the present maintenance service system and to make recommendations designed to upgrade this function. Included will be a final evaluation of ServiceMaster and a recommendation concerning contract continuation.
- 7. To constantly upgrade the School Committee policy manual as changes are made by the School Committee.
- 8. To review with the staff and the School Committee the present high school QPA process and the method of establishing and monitoring the various class section levels.
- 9. To review with the Committee present procedures for hiring members of the professional staff. In particular, to develop a strongly proactive affirmative action hiring practice.
- 10. To develop methods and to review procedures with the Committee designed to support the present maturing staff.

- 11. To develop, review with the Committee, and implement a program for AIDS education for the students in the Randolph Public Schools.
- 12. The development of a series of school committed/administrative forums. Topics to be included are as follows:
 - A. Curriculum
 - 1. Mathematics
 - 2. Social Studies
 - a. Geography
 - b. Current Events
 - 3. English/Reading
 - 4. Physical Education/Health Education
 - B. Grading Practices
 - 1. Guidance

We look forward to working together, cooperatively and constructively, with students, parents and staff to bring about these necessary improvements.

Finally, we continue to appreciate the cooperation of all Town departments, the professional relationship we have with all of our unions, the good work of the entire school staff, and, in particular, that of our executive officers, Superintendent, Dr. John E. Zoino; Assistant Superintendent, Dr. Lyn A. Huttunen; and Business Manager, Richard E. Coburn.

Respectfully submitted,

Robert L. Gass, Chairman RANDOLPH SCHOOL COMMITTEE

REPORT OF THE SUPERINTENDENT OF SCHOOLS

I herewith submit my ninth annual report to the Randolph School Committee and the other citizens of Randolph. This report encompasses the activities of the School Department during 1987.

Finances continue to plague the School Department and the community. The stress placed upon all Town budgets by Proposition 2½ and the recent changes in the economic environment in the Commonwealth requires us to provide inspired, creative, experienced leadership, together with community support if we are to survive fiscally. I am most concerned with the following:

- 1. The need to compete and successfully attract good teachers, principals, and support personnel at a time when business and industry are in severe competition with us is a major problem. If we are unable to compete with appropriate level salaries, we will not be able to recruit and keep the personnel in the schools and in all other Town departments needed to service the town population.
 - Despite the recent efforts of the school administration, school committee, 2. finance committee, and Town Meeting to upgrade our facilities, and with the full knowledge that we have made a positive step forward through these efforts, it is important to note that the condition of the school buildings are in great need of major improvements. To that end the school committee, with the cooperation of the finance committee and the town meeting, employed an architectural firm to do a condition survey of the eight buildings under our jurisdiction. We have received the Public School Buildings "Condition Survey" compiled by K.L.Q. Architects. This comprehensive document encompasses the Devine, Donovan, Lyons, Young, Kennedy, North, Tower Hill and Randolph High Schools. information contained therein will be used by the school committee in preparing recommendations to the finance committee and Town Meeting for the renovation and repair of the schools. The total estimated cost for all schools, based upon the year 1988 is \$5,207,000,00.

Thanks, however, to the wisdom of the school committee and the support of the finance committee and town meeting, many gains were made in 1987. We are pleased to report on the following accomplishments:

- 1. Partial roof replacement at the Donovan School.
- 2. New electromechanical system at the Devine School.
- 3. Repointing and caulking of exterior walls at the Lyons and high schools.
- 4. Sealcoating of the bituminous concrete at the Young, Lyons and Donovan schools.
- 5. Reconstruction of the Young and Kennedy tennis courts.
- 6. Replaced the boiler and burner at the Devine school.
- 7. Replaced several exterior doors in various schools.
- 8. Reopened the Randolph High School swimming pool on an annual basis.
- 9. Purchased a heavy duty, all purpose hydrobrush cutter and mower.

The school system and indeed the entire community was saddened by the death of our High School Principal, Mr. Philip M. Saba, in May of this year. Mr. Saba served the community for thirty-three years as a teacher, coach, guidance counselor, assistant principal and principal. Thousands of Randolph pupils' lives were impacted positively by this caring, compassionate educator. He was an inspiration to us and a credit to his family and the teaching profession.

Ms. Ellen Keane, an assistant principal, was named acting principal and eventually appointed in August to be principal of the high school. She is off to a running start and we all wish her well.

The final class was graduated from the North Junior High in June and the building has been officially closed. Savings realized from the closing will be utilized to improve our other schools and programs. North, which was built in 1961, is in need of major repairs which should be done to insure that its full value and potential be realized for school or community activities. The principal, teachers and other staff members have been transferred to the Kennedy Junior High.

Mr. Thomas Lane and Mr. Robert Quegan, both junior high assistant principals, have retired. To them we express our gratitude for their long services and our best wishes for a happy, healthy, lengthy retirement.

As part of an on-going commitment to improve the instructional process and the evaluation of staff, a committee of administrators and teachers has been appointed to plan and implement an Evaluation and Supervision Improvement Plan. Under the leadership of Ms. Ellen Keane, the Committee is currently finalizing a five year plan which will include a workshop program for administrators and teachers, an evaluation process, and an evaluation of the current evaluation instrument. As part of this program, all Randolph administrators and several part-time administrators and teachers will be attending a thirty-six hour course entitled "Observing and Analyzing Teaching" taught by Dr. Louise Thompson from January through April, 1988.

The following are excerpts from various school departments and schools.

Special Services — This department (formerly Auxiliary Services) continues to provide evaluation programs for students ages 3—21 within the town of Randolph. In addition, the Department offers consultation to staff and parents for students exhibiting problems with school work.

Reorganization of the administrative structure of the Department has improved the ability of administration to monitor and supervise programs at all levels.

A Parent Advisory Council for Special Education has just been formed. It is the PAC's hope that more parents will join and support the PAC as the school year progresses.

Due to the efforts of the special education resource room staff at Randolph High School, in cooperation with Project Reach from the University of Massachusetts, 67% of the graduating seniors receiving special education were accepted into two or four year colleges.

The resource room staff at the junior high developed a curriculum to provide resource classes in language arts and reading to students unable to progress in the regular education program for these subjects.

In September of 1987, pilot student intervention teams were begun at the Donovan and Randolph High School. The student intervention team is designed to serve as a mechanism to facilitate coordination of the resources and range of instructional services available in each school building.

The Guidance Department of the Randolph Public School System is functioning at a very high level of competency.

The elementary sector, which is comprised of four Elementary Developmental Support Specialists, has come to the fore on a number of occasions to lend a professional and calming presence to what may be called crisis situations.

The counselors at Randolph High School were cited for a number of innovative guidance programs by the visiting team of accreditors. We sincerely appreciate the lauditory comments of that group.

We are maintaining the programs that have made the Randolph High School Guidance Department the "pace setter" among high school guidance staffs. Our commitment to parent/student preparation for the transition of college is worthy of commendation and has provided Randolph High School with the basics for outstanding senior class college placement. That statement is justified by the accomplishment of the Class of 1987 which realized a college placement statistic of 81%.

Reading — The members of the Reading Department, in their annual review, assessed the programs conducted with the use of pilot materials. They evaluated the success and worthiness of each of these programs. Current priorities were outlined and the initial programs were targeted for expansion throughout all schools and on all levels.

The secondary reading program at the junior high level remains available both for the remedial student and those students who need further reinforcement of the developmental skills in reading. The summer workshop was focused on the content areas, and the reading skills necessary for mastery in the content areas. Thus, through staff development we hope to involve all content area teachers in producing skills lesson-design modules to instruct and reinforce the essential reading skills.

At the high school level more students have been encouraged to take advantage of the varied courses offered in the reading lab. Particular interest has been expressed by those students who wished to gain expertise in study skills and in preparation for college. The addition of a computer and word processor will enhance the programs and aid students in the reading/writing activities.

The English Department of Randolph High School continues to provide students with language and literature education while affording, also, enrichment experiences in the arts and humanities.

Continuing in the department was the Bi-lingual Theatre Project (American Sign Language and Spoken English) funded by the Massachusetts Council for the Arts and Humanities. Sponsored by the English Department and funded by the Randolph Arts Lottery Council, were performances by Ted Brown as Leonardo DaVinci and as Vincent Van Gogh. Also sponsored by the English Department was the performance of Mel Harold as Edgar Allen Poe.

The Voice of Democracy Contest found Ligia Dias the Randolph High School winner. Ligia placed second in the District finals.

In September 1987 the Department inaugurated the Great Books Program.

Music — This Department continues to service all schools and all children in Randolph. Vocal and instrumental music offerings of many various experiences are available at the secondary level.

The elementary teachers meet classes once a week with most classes being at least a half hour. Each school had at least one performance so they could participate in a concert atmosphere and give the parents a chance to hear them. We are still offering free instrumental lessons to grades 4, 5 and 6.

All junior high students have general music classes once on the six-day cycle, but band and chorus meet every other day. It is our hope that the classes will meet more often in the future.

The high school classes are the same as last year but the groups have been more active in competitions. The highlight was the many trophies received at Hershey, Pennsylvania with the jazz ensemble and the rhythm section receiving highest honors. Mark Schneider was selected the most outstanding musician. Over the last three years the show choir, jazz ensemble and marching band have established an excellent reputation in the State.

Mathematics — The Department at the high school offers a comprehensive selection of courses to meet the varying needs and abilities of its students. The most heavily subscribed courses are the college prep courses which are offered in advanced placement, honors and standard levels. Students in the advanced placement level will take college level courses in their senior year and may opt for Sophomore level courses in college, subject to satisfactory performance on advanced placement exams.

For students not taking college prep courses, the Department is introducing a new 3—year sequence in practical math. These courses will focus on applications and technology, rather than routine computation.

The Math Department also offers a variety of elective courses, including College Board Review Math, Math Analysis, Trigonometry, Introduction to Calculus, Computer Math and PASCAL.

At the junior high the mathematics program is divided into four levels. Level 1 prepares students for the advanced placement sequence in high school, level 2 is for students of above average ability, level 3 is a standard program, and level 4 is for basic skills improvement. Levels 3 and 4 are using the newly adopted Silver-Burdett textbook program which was chosen after careful analysis of 14 commercially available programs.

Science — This past year the high school Program of Studies booklet listed 34 different courses offered by the Science Department. Of this number, 22 offerings attracted a sufficient number of students to be scheduled. Although graduation requirements for science have recently been upgraded, traditionally our students have elected more science than required. With a present high school population of 1230 students, 939 students, or 76% of the student body, elected to study science. Data collected by the science coordinator over the past several years indicates that, on the average, our students complete the equivalent of $2.96-3.04~{\rm full}$ year science courses by the time they graduate from high school.

This year the transition to the Scott, Foresman Biology Program was completed as the replacement for the BSCS Green Version Biology program which we had used for many years. Although we prefer the inquiry approach of the latter, the present publisher has discontinued that program. In addition, the student laboratory aides and computer programming in science courses are offered as mini-courses meeting two times per week.

The Science Department is gradually moving toward more computer assisted instruction in the classroom. One additional Apple Computer was made available this past year through Block Grant, bringing the Department total to 6 computers. Another is on order. The Department budget and associated bid list of 2000 items is also maintained using computer spreadsheets.

Budgetwise, one of our biggest needs is to replace many of our older measuring devices with modern digital read-out pieces of equipment.

Social Studies — In the fall of 1987 we had 2 openings in the Social Studies Department. Mr. Apostolon retired after 28 years' service. Also, we were able to hire an additional teacher because our enrollment went up due to the new graduation requirements going into effect. (The big increase occurred in Grade 10 Global History.)

We were able to hire 2 new teachers for the first time in many years.

Foreign Language — At the high school we will be concentrating our efforts on the implementation of the recommendations of the visiting team for the New England Association of Schools and Colleges.

In French we are piloting a French I program based on proficiency criteria.

English As a Second Language — This program continues to grow as more students with a variety of language backgrounds move into Randolph. Our Chinese student population is now over 30, resulting in our developing a new program with two new teachers. They provide students with subject support in their native language.

Kennedy Junior High School — For the educational school year 1987—88, set priorities have been appropriated for students in the age range of twelve to fourteen years.

A strong core curriculum is offered in the academic areas of English, math, science, social studies, reading and foreign language. The core curriculum is complemented with a well balanced related arts program consisting of courses in music, home economics, shops, art and physical education. Band and chorus are added programs for students who are musically inclined. The use of computers in the classroom by students is constantly being developed by the professional staff in the academic areas.

Randolph High School — Mr. Robert Johnson was appointed Interim Administrative Assistant for the 1987—88 school year. In addition, the following new positions were filled: Assistant Guidance Director Laurence Fallon, Health Department Chairman Richard Sweeney, and In-school Suspension Teacher Frank Shedlock.

Under the leadership of Mr. Paul Connors and Mr. Philip Saba, an extensive self-evaluation was conducted by the high school staff over a period of 14 school months from January 1986 through June 1987. Randolph High School hosted a visiting team of 15 administrators and teachers from other Massachusetts schools on October 4 through October 7 as part of the evaluation of Randolph High School by the New England Association of Schools and Colleges. The report of the visiting committee on Randolph High School was presented to the superintendent and school committee, the Randolph High School faculty and staff, students and parents, and released to the public on December 28, 1987. After reviewing the report, the Commission on Public Schools will decide on the accreditation of Randolph High School.

After a year of study and planning, the In-school Suspension Program was implemented at Randolph High School this past fall. The purpose of this program is to provide consequences for violations of school rules within a strictly supervised and structured study situation. The In-School Suspension Room is staffed by a certified, experienced teacher who completes administrative tasks, who monitors and supervises the students, and who also is available for short term tutoring and counseling.

The Randolph High School Discipline Code was also revised in light of the In-School Suspension alternative. There has been a noticeable improvement in

tardiness, class attendance, attendance at detentions, and an overall improvement in student discipline this year. An evaluation of the program will be conducted at the end of the 1987–88 school year.

1987 was a particularly active year in the four elementary buildings as the principals, teachers and parents joined efforts to construct a school improvement plan for each building. These plans are in accord with our involvement at the national level in a study of excellence in elementary schools. Included within the goals of the plans are the following programs currently in operation:

THINKING SKILLS: Three separate programs have been implemented to address a need for enhancing students' ability to solve problems. At the fourth and fifth grade levels, teachers are using the "Eureka" (Invent America) program and/or a thinking skills program developed by Dr. Edward DeBono. This program is used internationally to promote higher order thinking skills in children and adults. Some children at these grade levels are also participating in a state level competition in problem-solving.

SCIENCE and TECHNOLOGY: Working with the staff from seven museums in the Boston area, twenty-one elementary teachers (grade 1–6) have received training in a hands-on approach to science. The Museum of Science is the major sponsor of this program and the director has provided an in—service program in Randolph for all teachers as part of this effort. The science program has expanded for children as they participate in this discovery method of learning about science. We are also the recipient of a competitively awarded grant under Chapter 188 designed to promote the goals of our five year technology plan.

Sixteen elementary and junior high teachers are being trained at the Museum of Science to use Lego—Logo, an innovative program which facilitates the creation of a design on the computer with actual construction and active operation through a computer program. This is considered the leading edge of technology for children and youths. In addition, Randolph is participating in two national telecommunication networks. One will match children in Randolph with children in Alaska and Australia through the computer; the second telecommunications program is funded by the National Geographic Society. It focuses on lessons on Acid Rain and will take place in grade 6, Donovan. Our participation in the latter program was also won through competition on the national level.

READING and WRITING: This year we completed the training of all teachers in grades 4–6 in QUILL, a computerized program that facilitates skill development in the process of writing. All children at these grade levels are using a word processor and editing techniques to improve and enhance their writing. In addition, we are piloting a new program in the Lyons Elementary School and in grade 6 at JFK, entitled THE WRITE TRACK. This program also supports skill development in learning the mechanics of writing and is a process approach.

At the kindergarten level, two new programs are being implemented. The first provides packets of books for parents to use at home with children. The books are carefully selected to promote skills being taught in class. Randolph Cable and the P.T.O. Council has provided monetary assistance in promoting this program. The second program is entitled SHARED READING in the PRIMARY GRADES. It focuses on children writing and reading their own stories. Each child will begin a book in kindergarten and will continue to add stories over the next two years. At the end of grade two the child will take the book home. Recognizing children as authors is an exciting motivational technique to promote skill development in reading and writing.

In addition, Chapter I teachers are using literature in kindergarten through grade 3 to promote children's understanding of what makes a particular story a piece of literature and to facilitate their ability to read with fluency and understanding. Community support continues to be a hallmark of programming at the elementary level, as well as at the secondary level. The P.T.O.'s, School Improvement Councils, Computer Advisory Committee, Drug Awareness Task Force and the Early Childhood Advisory Committee are some of the ways in which citizens have given time and talent in our thrust toward excellence in the Randolph Public Schools.

The cooperation of the personnel in all Town departments has assisted us in numerous ways and is appreciated.

My thanks are extended to the members of the School Committee for their cooperation and commitment to the education of the students and for the help, encouragement and support that they have always accorded to me.

I am also indebted to the entire staff, but particularly to Dr. Lyn Huttunen, Assistant Superintendent of Schools, and Mr. Richard E. Coburn, Business Manager, for their team effort which allows us to do so much for the students of Randolph.

Respectfully submitted,

John E. Zoino, Ed.D. SUPERINTENDENT OF SCHOOLS

REPORT OF THE BLUE HILLS REGIONAL VOCATIONAL SCHOOL DISTRICT COMMITTEE

We respectfully submit the 24th Annual Report of the Blue Hills Regional Vocational School District Committee. The following is a list of Committee Members representing the seven member towns during 1987:

| Philip Doherty |
|--------------------|
| James E. Sullivan |
| Benson Diamond |
| William T. Buckley |
| John T. Driscoll |
| Ronald DiGuilio |
| Gerard A. Baker |
| |

The District School Committee held regular monthly meetings on the first and third Tuesday of each month in the Administrative Office at the Regional School, 800 Randolph Street, Canton, MA. Mr. William T. Buckley and Mr. Ronald DeGuilio presided as Chairman and Vice Chairman respectively: Mr. William J. Carr, Esq. of Randolph as Counsel and Mr. Gerard A. Baker as Treasurer, with Mr. Donald DiFiore as Deputy Treasurer and Mr. Wilfrid J. Savoie of Norwood as the Superintendent—Director.

The Blue Hills Regional Technical School has consistently offered quality vocational education programs to the residents in our area during the past twenty-one years.

During 1987 the following number of students availed themselves of Vocational Education under the auspices of the Blue Hills Regional Technical School District:

| Blue Hills Regional Day Programs | 900 |
|-------------------------------------|------|
| Adult Evening Program | 1392 |
| Holbrook Career Development Program | 23 |
| Randolph Career Development Program | 213 |
| _ | |
| Total | 2528 |

The Adult Evening Program also continues on a self-supporting basis with an average cost of \$95.00 per course. A substantial increase in evening adult enrollment was realized during 1987.

The Blue Hills Regional Technical School provided many services and completed many projects during 1987 for the seven (7) Towns in the District. The savings to the Town Departments was approximately \$35,000. The school also provided many services for the residents and civic groups, in the Region, at a savings of thousands of dollars.

The Auto Body Department completed over thirty-five jobs. Among the many jobs was the refurbishing of fire trucks for the Towns of Avon and Randolph. Also, work was done on a van for the Westwood Council on Aging. The Electrical Department completed over thirty-five projects, including participation in the outside construction program in Braintree. John Lentine, a Junior in the Electrical Department, from Norwood won a Silver Medal in the National V.I.C.A. (Vocational Industrial Club of America) Competition.

The Structural Wood Department completed over ninety projects, including new house construction in Braintree, stretcher boards for the Town of Canton Fire Department, began vinyl siding of the facia on the Blue Hills school and many other projects beneficial to the District. The Metal Fabrication Department completed over sixty projects, including a new gate for a Canton dump truck, worked on an Avon and Holbrook fire truck, fabricated steel boxes for the Braintree Park Department and aluminum plates for signs for the Dedham Police Department.

The Graphic Arts Department completed over two hundred and sixty-five projects this year. All towns benefitted from the work performed by this Department. The local School Departments and Town Offices were the greatest recipients of this service. The town saved well over \$25,000. The Graphic Arts Department was also fortunate in having Kevin Potcner from Holbrook, a 1987 graduate, as the Gold Medal Winner in the National V.I.C.A. (Vocational Industrial Club of America) Competition, making him the best Graphic Arts student in the country.

Machine Shop completed many projects. A number of these were maintenance projects for the various Town Departments, such as valves and thermostat housings for the Braintree Fire Department, and threaded bolts for the Braintree Electrical Department, at a savings of many dollars. The Culinary Arts Department, through the restaurant the Chateau de Bleu and the bakery sales, was able to serve thousands of people. Many senior citizens and the handicapped took advantage of the services. There were approximately 8,700 meals served at a minimal cost to the public.

The Bakery Department generated approximately \$25,000 in revenue through the bake sales. Included in this revenue was our annual Thanksgiving Day Bake Sale where over 1500 pies and 800 dozen rolls were sold. During Christmas, Culinary held another bake sale where 160 pastry trays, 150 dozen rolls and 100 coffee rings were sold. The Health Services Department served the Community through their participation in the Externship Program at Norwood Hospital, the West Roxbury Veterans Administration Hospital, the New England Sinai Hospital, the Milton Hospital and a new program where students visited and assisted senior citizens that live in their own apartments. This program is run by H.E.S.S.C.O. (Health and Social Services Consortium, Inc.). The students and instructors received praise from the directors and local State Representatives. We also started our first Day Care Clinic which was an enormous success. There were twenty-four children who participated and both the community and our students benefitted tremendously from this experience.

The Basic Electronics Department provided video and television production. They also installed a speaker system at Canton High School for students' use. The Advertising Art and Design Department, Air Conditioning and Refrigeration Department, Auto Repair Department, Data Processing Department and Drafting Department were not directly involved in community and municipal projects but were supportive in each area where their services were needed.

The swimming pool is used as part of our physical education program by day, and in the afternoons, evenings and weekends it is available for the residents of our seven towns. The pool activities include: beginners, intermediate and advanced levels of swimming, water safety instruction, senior lifesaving instruction and scuba diving.

The Regional District School Committee is indebted to our local School Committees, Superintendents of Schools, Boards of Selectmen, Finance Committee members and local Advisory Board members who so ably assisted with their continued and dedicated support in 1987.

To the citizens of the seven member towns, the parents and the town meeting members who, by their vote of confidence, have provided quality vocational and technical training for our regional youth, we are deeply grateful.

Respectfully submitted,

William T. Buckley, Chairman
Ronald Di Guilio, Vice Chairman
Gerard A. Baker, Treasurer
Benson Diamond
Philip Doherty
John T. Driscoll
James E. Sullivan, Secretary
BLUE HILLS REGIONAL VOCATIONAL
SCHOOL DISTRICT COMMITTEE

REPORT OF THE POLICE DEPARTMENT

The following is my annual report of the Police Department for the year ending December 31, 1987.

The Randolph Police Department had a complement of 62 which includes 1 Chief, 5 Lieutenants, 6 Sergeants, 47 Patrolmen, 1 Civilian Dispatcher and 2 Clerical Personnel.

There are 6 marked cruisers, 4 unmarked vehicles, 1 Bronco, 1 Chief's car and 1 transport van in use. There are also 2 motorcycles on patrol whenever weather permits.

Police Dispatchers received approximately 18,000 calls which were logged or referred to the Detective Bureau. The number of calls not logged or recorded was approximately 170,000 (parking clerk, weather, no school, directions, etc.)

Crimes for which arrests were made for 1987:

| Warrant Arrests | 813 |
|-------------------------------------|-----|
| Attempted Murder | 1 |
| Assault w/intent to Kill | 1 |
| Assault w/threats to Murder | 2 |
| Assaults | 13 |
| Assaults on Police Officers | 15 |
| Larcenies | 27 |
| Arson | 3 |
| Burglary (Dwellings & Vehicles) | 26 |
| Operating Under Influence — Alcohol | 123 |
| Possession of Alcohol By Minors | 31 |
| Motor Vehicle Violations | 113 |
| Disorderly Persons | 21 |

The total number of adult arrests for 1987 was 1722. This includes various offenses, such as malicious damage, trespassing, domestic abuse violations, shoplifting, etc.

The total warrants on hand on January 1, 1987 was 1,451. The total warrants on hand on January 1, 1988 is 1,244.

| Randolph Warrants Served | 636 |
|----------------------------------|-------|
| Out of Town Warrants Served | 177 |
| Total Arrests By Warrant | 813 |
| Warrants Recalled or Deactivated | 663 |
| Total Warrants Processed | 1,476 |

The Juvenile Officer investigated a total of 513 cases in 1987.

| 96 |

| Reimbursements For Damages | | 2,101.33 |
| | OD . 1 | 620,522,02 |
| | Total | \$30,503.00 |

For the first time in many years alcohol-related arrests have decreased. I feel this is attributed to the visible coverage of our police officers which has acted as a deterrent to drunk driving in our Town.

By obtaining additional radar guns and utilizing them whenever possible, speeding violations have also declined, as have accidents. The addition of police personnel has greatly aided this Department in enforcing the law and giving assistance to the public.

We still maintain one of the best response times to emergency calls in the State, a fact for which the men and women of this Department can be truly proud. We will continue our efforts to make Randolph a safer Town and one that can be proud of its Police Department.

Respectfully submitted,

Osmond J. Benjamino CHIEF OF POLICE

REPORT OF THE AUXILIARY POLICE DEPARTMENT

The following is the performance report of the Randolph Auxiliary Police Department for the year 1987.

A total of 2,098 Duties were performed.

The Auxiliary Police worked a total of 10,097 volunteer hours for the year 1987.

The Auxiliary Cruisers patrolled a total of 25,840 miles this year checking town property, schools, cemeteries, and assisting the regular Police Department when requested.

The Auxiliary Police Officers had approximately 2,507 hours of training.

The Auxiliary Police had 34 active officers during the year 1987.

The Auxiliary Police are proud to serve the townspeople of Randolph with pride and respect.

Respectfully submitted,

Robert A. Rocheleau, Chief RANDOLPH AUXILIARY POLICE

TOWN OF RANDOLPH, MASSACHUSETTS REPORT OF THE PARKING CLERK

| Parking Tickets issued by Police Department | 4378 |
|--------------------------------------------------------------------------|-------------|
| Handicapped Violations | 165 |
| Fire Lane Violations | 561 |
| All Others | 3652 |
| Approximate Money Value of Tickets Issued | \$35,520.00 |
| Monies Collected by Parking Clerk (including Surcharge Fees for Rentals) | \$20,782.20 |

Respectfully submitted,

Elinor McNulty PARKING CLERK

REPORT OF THE CIVIL DEFENSE DIRECTOR

As in the past years, the Board of Selectmen continued to provide their full support to the activities of the local Civil Defense Agency.

With their cooperation, as well as that extended to me by all other departments of the Town, the Civil Defense Agency submitted an updated Comprehensive Emergency Management Plan.

Our submission was approved by all the appropriate Massachusetts Civil Defense Agency Officials and is currently on file for examination upon request.

We continue to maintain 100% participation in the Checkerboard Alert Program.

Respectfully submitted

Henry L. Lowd CIVIL DEFENSE DIRECTOR

REPORT OF THE FIRE DEPARTMENT

The following is the report of the Fire Department for the year ending December 31, 1987.

As I have reported the last few years, our runs have once again increased over the previous year and a large portion of these are medical calls. This stresses the need for maintaining at least 12 members on duty at all times so we can operate both ambulances. Accordingly, I am once again requesting four (4) Firefighters at the 1988 ATM that will restore our 1981 level of manning.

The 1987 ATM approved the funding of our new radio system and the F.C.C. finally granted us our new license in December. We are now meeting with the manufacturer and will be ordering equipment very shortly.

This Fall the prisoners from the Braintree Alternative Center completely painted both Stations — inside and outside. This was for the cost of materials only which meant a large savings for the Town. In my 1988—89 budget I have included funds to purchase new energy efficient windows for Central Station and the prisoners will install them.

The testing of all town owned underground storage tanks (gasoline, diesel and fuel oil) is 85% complete as of this writing. So far all tanks have tested okay although we have discovered a few piping problems. My recommendation to all department heads will be — if you have an underground storage tank that is 30 or more years old, obtain estimates and then request funding to have it replaced. The cost of replacing a tank is minimal compared to the cost of replacing a tank that has been leaking. One of the area towns recently spent over \$300,000.00 to replace a leaking tank and remove all of the contaminated soil. Hopefully, a replacement program now will offset a large outlay of funds at a later date.

My sincere thanks and appreciation to all of my personnel and to all other town departments for their cooperation during the past year.

Respectfully submitted,

Robert D. Teece, Chief FIRE DEPARTMENT

FIRE ALARM REPORT – 1987

Many pole change-overs were made during the year due to accidents, pole replacements and relocations and street widening.

Repairs and replacements were made to both aerial wire and boxes because of motor vehicle accidents, age and weather deterioration. Tree limbs around the fire alarm wires were trimmed and bulbs replaced in traffic signals for the Police Department.

Nine new fire alarm boxes were added to the system during the year. Work is continuing on upgrading and expanding the fire alarm system.

All public school fire alarms were tested prior to the opening of school in September and found to be in satisfactory working condition.

EMERGENCY MEDICAL TRAINING

All members received their annual recertification in Cardio-Pulmonary Resuscitation (CPR) as required by law.

Eleven (11) Emergency Medical Technicians (EMT's) successfully completed a Department of Transportation (DOT) recertification course and eighteen (18) non-EMT's completed a First Responders course as required by law.

TRAINING

In addition to company drills at the local level, various seminars and conferences, members took advantage of facilities and courses offered at the Massachusetts Firefighting Academy, as well as the National Fire Academy in Emmitsburg, Maryland.

Hand in hand, both training, pre-planning and inspection programs keep members abreast of our rapidly growing and changing community.

Deputy Paul Anderson Training Officer

REPORT OF THE BOARD OF HEALTH

REPORTABLE DISEASES

There were 86 cases of communicable diseases and other health conditions reported as follows: Animal bites: Dog 44, Hampster 1. Chickenpox 11, Meningitis 6, Salmonellosis 11, Hepatitis 6, Campylobacter 6, Tuberculosis 1.

PUBLIC HEALTH NURSING & CLINICAL PROGRAMS

Mental Health. A total number of 10,508 units of service were delivered for the year to the residents of Randolph by the South Shore Mental Health Center. COST: \$14,000.00 for Adult Services, \$6,000.00 for Children's Services. TOTAL: \$20,000.00.

Influenza Inoculations. 1074 persons received influenza vaccine at 6 clinics held throughout the town during the month of October. This included vaccine given to the Trilling House and the Visiting Nurse Association in addition to walk-ins. A 7th and final make-up clinic was held, at which 62 more clients received the vaccine, making a grand total of 1124.

School Immunizations. 110 students received 119 immunizations free of charge at the Board of Health office during a week-long walk-in clinic. 50 additional students received 78 immunizations throughout the year. 5 nursery schools were checked re immunization records.

Tuberculosis Testing. 104 patients were tested in the Board of Health office throughout the year. Some are tested for employment purposes, some as contacts to a TB patient and others as newcomers to this country. These figures also include some students from health classes at the high school who care for babies in the school nursery. There was 1 case of TB reported this year as mentioned in section re Communicable Diseases.

<u>Biologic & Diagnostic Supplies.</u> Over 4000 doses of vaccine, plus other diagnostic supplies, were received and issued to Randolph physicians and used at our various clinics.

Keep Well Clinics (Ages 65 & Over). 2,810 clients were screened at 144 clinics during the year. 422 were found to have high blood pressure readings. These clinics are held three times weekly at the various Elderly Housing complexes. One does not need to live in Elderly Housing complex to attend these clinics. If you're over 65 and a Randolph resident, we urge you to attend.

Comprehensive Hypertension Program (Ages 30–64). These clinics are held the 2nd and 4th Thursday of the month in the Board of Health Office – 7 p.m. to 9 p.m. 267 clients were screened at 14 clinics, of whom 79 were found to have high blood pressure readings. This represents a slight decrease for which we would like to think we have regulated many of our patients.

Diabetes Screening Program (Ages 40 & Over or those with a family history of Diabetes). 195 clients, with 82 found to have high blood sugar readings requiring medical follow-up. 10 were borderline. There were 8 clinics held for this program. Clinics are held on the 3rd Monday of March, June, September and December at the Board of Health office from 9:30 a.m. to 12 noon, and 7:00 p.m. to 9:00 p.m. those same Mondays. Clients should fast for 4 hours prior to coming for blood tests. This clinic showed a significant increase over last year's total of 160 clients.

 $\frac{Cancer\ Recto-Colon\ Detection.}{further\ testing.}\ Results:\ 1\ caused\ by\ bleeding\ ulcer,\ 1\ by\ non-cancerous\ polyp\ and\ others\ proved\ to\ be\ non-cancerous\ also.}$

<u>Home Visits to Babies</u>. Mothers & Newborns -71 patients received 91 visits. Single parents -10 received 25 visits.

Well Baby Clinics. 88 patients were seen at 11 clinics with 75 being immunized and 20 receiving physicals. This clinic also showed a significant increase in number of patients attending: 68 patients attended last year.

Office Patients. 338 visits to office by 49 patients for allergy shots, Gold injections, B12 injections and blood pressure checks.

SCIPP (Statewide Comprehensive Injury Prevention Program). The Statewide Comprehensive Injury Prevention Program (SCIPP) which was initiated in late 1986 is doing well.

This program, which was under grant from the State to South Shore Mental Health for 1986–1987 has not been renewed for 1988.

Home assessments were done on a strictly volunteer basis.

Some 10 families requested an inspection. 9 were to families with children ages 2 and under while the remaining one was to a family with children ages 6 and under.

Safety supplies, such as gates, outlet and door knob covers, refrigerator latches, etc., were issued at nominal cost.

This program will continue but the cost of supplies will have to be borne by the participating families.

ENVIRONMENTAL SANITATION

Refuse Collection & Disposal. Suburban Disposal Co., Inc. of Abington is in the third year of a three year contract. Browning-Ferris Industries continues to operate the sanitary landfill in a fine manner with no cost to the town.

<u>Public Health Complaints.</u> Approximately 1400 complaints were received for possible health nuisances and hazards and investigated and resolved during the year.

<u>Swimming Pools.</u> 55 permits for public and semi-public and private swimming pools were issued.

Nursing Home Inspections. 2 inspections of one nursing home were made prior to state relicensing.

Food Service Establishments. 67 permits were issued to restaurants and other type operations serving food and/or drink for consumption on the premises. Inspections of all establishments have been carried out in excess of the two required by State Code and will continue to be monitored constantly.

<u>Retail Food Establishments.</u> 33 permits were issued to retail food establishments. All are being inspected at regular intervals.

<u>Livestock.</u> 25 licenses were issued to residents to keep livestock. 2 Hyposyringe permits were issued for animal treatment.

<u>Collection & Disposal of Sewage</u>. 9 permits were issued for the collection and disposal of sewage.

Vapor, Pool, Shower and other Baths. 1 permit issued for whirlpool bath.

GAS INSPECTIONS

436 permits for gas installations, including propane gas, were issued during 1987. As with plumbing inspections, at least one inspection is necessary for each installation.

438 permits for plumbing installations were issued during the year. Each installation requires at least one inspection by the Plumbing Inspector.

PERSONNEL MATTERS

Dr. F. Randolf Philbrook was re-elected in April for a three year term.

REVENUE PRODUCED

REPORT OF THE NORFOLK COUNTY MOSQUITO CONTROL PROJECT

The Operational Project Program integrates all proven technologies into a system of mosquito control that is rational, safe, effective and economically feasable.

All mosquito eggs need water to hatch and to sustain larval growth.

Source Reduction Work: Our primary efforts are concentrated on the draining of shallow, standing, stagnant water and the maintenance of existing flow systems which contribute to mosquito breeding sources.

| Drainage ditches cleaned | 360 | feet |
|---------------------------------------------|-------|------|
| Brush obstructing drainage cut | 790 | feet |
| Drainage construction by wide-track backhoe | 4,210 | feet |

<u>Larviciding</u>: Treatment of mosquito larvea during aquatic development is the next most effective control effort.

| Larvicide by backpack and mistblowers | 251 | acres |
|---------------------------------------|-----|-------|
| Catch basin larvicide application | 346 | count |

Adulticiding: The suppression of flying adult mosquitoes becomes necessary when they are numerous, annoying, or threatening to residents.

| Adulticide with mistblowers | 62 | acres |
|-----------------------------------|----|-------|
| Adulticide U.L.V. from trucks 7.5 | 52 | acres |

Surveys, inspections, and monitoring in support of our programs include locating and mapping breeding areas, larval and adult collections, and fieldwork evaluations leading to better drainage.

The Project received 61 calls from residents for information and assistance.

Respectfully submitted,

John J. Smith, Superintendent NORFOLK COUNTY MOSQUITO CONTROL PROJECT

REPORT OF THE SEWER COMMISSIONERS

POCKET PROGRAM

In January of this year we advertised and accepted bids for twelve of the Mini Pockets. The job has been awarded and work will start in the Spring. The few remaining pockets will be sewered when money becomes available.

MAINTENANCE PROGRAM

Our maintenance department consists of four employees. Throughout the coming year we continue with our Preventive Maintenance Program. Each season the system is completely checked out and cleaned by our own crews. This has proved to be most effective over the years as we are able to discover problems while they are in a minor stage and do the needed repairs. The ten pumping stations that are part of our system are checked twice weekly. All minor mechanical repairs and maintenance (painting, cleaning, etc.) are done by our crew.

MASSACHUSETTS WATER RESOURCES AUTHORITY

The Authority Sewer Charges to the Town of Randolph continue to increase drastically each year. This year Fiscal Year 1989, we are faced with a 46% increase. The actual charge to us will be in the vicinity of \$1,000,000.00. This breaks down to an average cost of \$150.00 per single family dwelling per year. It is probable that in Fiscal Year 1991 Randolph's share will reach \$2,000,000.00.

GENERAL

During the past year this Department issued 218 permits for sewer installation. There are 8199 property connections available for connection within the Town. To date 7697 have connected, leaving a total of 502 unconnected. Through a cooperative effort with the Board of Health, we anticipate this number will be substantially reduced this year.

Income for the past year was as follows:

| Nite Soil Chamber Dumping Fees Sewer Use Charges | \$ 20,280.00 \$234,178.00 |
|-----------------------------------------------------|------------------------------|
| Sewer Permits | \$ 2,180.00 |
| Connector Charges (Private Developer) | \$ 13,460.00 |
| Nite Soil Chamber License (Dumper) | \$ 1,500.00 |
| | \$271,598.00 |

Once again we would like to thank the Board of Selectmen, Executive Secretary, Highway Department, Water Department and the Engineering Department, including other various departments who have cooperated with us throughout the year.

Respectfully submitted,

Roger V. Sass, Chairman Robert E. Curran, Clerk John J. Dangoia, Associate John R. O'Riley, Superintendent SEWER COMMISSIONERS

REPORT OF THE SEALER OF WEIGHTS AND MEASURES

In October I was appointed to serve as the Sealer of Weights and Measures.

Following my appointment, I began an orderly program to review and inspect existing scales and tank trucks. In that regard I have completed the inspection of all tank trucks and am continuing the review of the scales, including those in the Randolph School system.

The State lab has certified all of the Town's weights and appropriate measuring devices.

In closing, I should like to express my appreciation for the support provided the Department by the Randolph Finance Committee and the confidence exhibited in me by the Board of Selectmen in making the appointment.

Respectfully submitted,

Harold H. Boothby SEALER OF WEIGHTS & MEASURES

TOWN OF RANDOLPH, MASSACHUSETTS REPORT OF THE WATER COMMISSION

This past year several important accomplishments have been achieved by your Water Commissioners. They include:

- 1. Removing the majority of Asbestos Pipe from the distribution system by replacing the 6 inch AC pipeline on High Street with an 8 inch Ductile Cement-lined pipe.
- 2. Flushed the distribution system in the Spring to improve both pressure and the taste of your water.
- 3. Replaced the activated carbon in the water treatment plant to improve the taste of the water.
- 4. Have tested the reservoir every 3 months to assure that the water supply is free of any pollution which may be harmful to you our customers. All these tests have demonstrated that our supply is very safe to drink.
- 5. Have tested the distribution system for copper and lead concentrations to assure you our consumers that your water is safe to drink. These tests will become required in 1990 but we in Randolph wanted to assure you, our public, that your water is safe to drink. RESIDENTS WHO LIVE IN OLD HOUSES (greater than 50 years old) SHOULD LET THEIR WATER RUN FOR SEVERAL MINUTES IN THE A.M. TO FLUSH THEIR WATER PIPES WHICH MAY BE MADE OF LEAD. THEY SHOULD CALL OUR OFFICE IF UNSSURE.
- 6. The Joint Randolph/Holbrook Water Commission has been diligently studying the reasons why the water treatment plant cannot produce enough water to meet our summer demand. We hope to have this problem solved by this time next year.
- 7. The Joint Board is also in the process of studying the entire distribution system, the reservoirs, expanding our water supplies, and storage tanks and looking into the 21st Century to assure that our children and that their children will have a safe, dependable drinking water supply.

If you have any questions about your drinking water, please come to any of our Commissioner's meetings. We meet every other Monday in the Town Hall.

ONE HUNDRED AND FIFTY-SECOND ANNUAL REPORT BOARD OF WATER COMMISSIONERS

The One Hundred Sixth annual report of the Board of Water Commissioners is hereby submitted, covering the Department's activities for the year ending December 31, 1987.

Organization of the Board:

Steven L. Bernstein, Chairman Lester E. Whynot, Vice Chairman Joseph P. Rintone, Clerk

During the year 1987 the Department received Two Hundred Two (202) applications for new services. All Two Hundred Two (202) of these have been installed and added to the system.

Meter Department

Two Hundred Two (202) meters were installed on new services and One Hundred Eighty-one (181) were set as replacements. Seventy (70) were not registering, seven (7) were frozen and burst, and One Hundred Four (104) were removed and replaced with new meters. This Department has Eight Thousand Three Hundred Thirty-four (8,334) metered services and nine (9) unmetered active services.

Department Maintenance

During the year 1987 the Department had Twenty-seven (27) service leaks on public ways. Two Hundred Two (202) new services were installed. Seventy-one (71) curb and gate boxes were repaired. Five (5) services were abandoned. Ten (10) hydrants were broken by auto collisions. Three (3) were hit and run; others were paid for through insurance. Eleven (11) hydrants were replaced and relocated. Twelve (12) new hydrants were set. Twenty-four (24) old services were renewed.

792 Hydrants

8343 Services - Active and Inactive

Respectfully submitted,

Ernest Holland, Superintendent WATER COMMISSIONERS

REPORT OF THE TOWN ENGINEER

I respectfully submit the Annual Report of the Engineering Department for the year ending December 31, 1987.

During the past year the Engineering Department has furnished professional engineering services for the following town departments, officials and committees; Board of Selectmen, Board of Assessors, Zoning Board of Appeals, Town Counsel, Town Clerk/Treasurer, Building Commissioner, Police and Fire Departments, as well as the Sewer and Water Departments.

This office has assisted with the work of the following Board and Commissions.

- 1. Planning Board: reviewed and updated the subdivision bonds, review of preliminary and definitive plans, review of "Approval Not Required" plans and inspections of construction under the jurisdiction of the subdivision control.
- Conservation Commission: review of and making of recommendations for "Hatch Act" permits; in addition to site inspections for compliance with permits and/or for issuance of Certificates of Compliance at the completion of work done.
- 3. Highway Department: provided survey and layout for the reconstruction of Lafayette and Canton Streets, as well as centerline and other field design work on Center Street and others. Also prepared cost estimates for Articles for the Town Meetings.

Lot Grading fees were collected and turned over to the Town Clerk/ Treasurer for new construction of single and duplex houses, as well as business sites in the town.

After fourteen years of service to the Town of Randolph, the former Town Engineer, Thomas W. O'Dea, resigned and accepted a position in the private sector.

Respectfully submitted,

William E. Hansen ASSISTANT TOWN ENGINEER

ONE HUNDRED AND FIFTY-SECOND ANNUAL REPORT REPORT OF THE HIGHWAY DEPARTMENT

I respectfully submit my report for 1987-88. My Department completed much of the following work (some done by subcontract).

We completed Canton Street, Old to High Streets, including sidewalks on both sides. We also resurfaced Canton Street, High to Reed Streets and North Main to Old Street, with some miscellaneous widening improvements.

We resurfaced DeCota Drive, Eva Circle, Robert Road, Royal Street, Jeanne Road, Oxbow Lane, Scally Circle, Grove Avenue, Moores Avenue, and all of Pond Street. Also, Althea Road, Chestnut Street to Niles, including two new catch basins and necessary pipe. All above work required leveling and raising of all manholes and catch basins to accommodate the top course, also water and gate boxes.

Sidewalk improvements and resurfacing included finishing Darrell Drive, a section of South Street, Union Street to Maple Street, Althea Road, Chestnut Street to Smith Street, Pond Street northerly side Main to Morse Street and both sides of Canton Street.

Drainage was completed on Beverly Circle. We replaced rotted metal pipe with 15" concrete pipe and two additional catch basins. Althea Road required two additional catch basins and necessary piping. Oxbow Lane required one new catch basin across from existing structure. We corrected water problem on Stevens Terrace requiring 200' of pipe and one catch basin. Improved some drainage on Lafayette Street, more to be completed in the spring; also replaced pipe through easement adjacent to No. 92. Lafayette Street has been prepared and based about 2/3 of the way; we plan to finish this summer and, with Town Meeting approval, install two new walks as requested by residents. Ledge removal on this project was extensive.

While trying to do road improvements, we have many other duties here at the Highway Department, including mixing sand and salt in preparation for winter, placing and picking up of sand barrels around town, clean-up of the sand in the spring, sweeping of walks on main streets, sweeping of all streets, repair of any damage from plowing if done by our equipment; replacement of signs (some damaged, some vandalized or stolen), also, roadside cleaning, grass cutting, assisting the Water Department in replacing blacktop on streets where water breaks occurred, assisting the School Department with equipment and labor as required for some of their emergencies.

The Highway Department crew routinely cleans brooks and catch basins in town and during heavy rainfall check catch basins and brooks consisting of about 125 locations on 4 lists —with this system we have avoided much unnecessary flooding. Note: much of this work would not be necessary if residents abutting some of these areas were more considerate and not dump debris over fences and on town land which then causes problems. In the same regard, I

want to thank those residents who do care and clean some areas and catch basins themselves, helping us and their neighbors.

With Town Meeting approval, I hope to widen Warren Street, Main Street to Depot this coming season, and we hope to receive funds for traffic lights which have already been engineered.

Again, I would like to thank all who have helped our Department, Town Meeting Members for voting our requests, and finally the men in our Department for their continued hard work on projects and their pride in our equipment and town.

Respectfully submitted,

Henry J. Rota HIGHWAY SURVEYOR

REPORT OF THE BUSINESS AND INDUSTRIAL COMMISSION

As previously reported, development in the Town reached its lowest level since 1973. But this is not to be taken as a slowdown of growth. Because of the land shortage, companies and industry are turning to other towns. Randolph Industry is growing, local companies are buying second buildings, some companies have started second shifts. Buildings that have been vacant are now being renovated; new Research and Development, new Office Space.

The Industrial Commission has participated with the South Shore Chamber of Commerce, and the Randolph Chamber of Commerce, to form a Randolph Council to aid the South Shore Chamber of Commerce in local matters.

The Commission has sent out many Industrial Packages to realtors and industry for their information about the Town.

"Growth is still in Randolph"

Again, the Business and Industrial Commission would like to thank all Town Departments for their cooperation and help throughout the year.

Respectfully submitted,

Herbert A. White, Co-Chairman Joseph Marotta, Co-Chairman Stanley M. Rice Marnold Tagrin Peter O'Kane

BUSINESS & INDUSTRIAL COMMISSION

REPORT OF THE METROPOLITAN AREA PLANNING COUNCIL

(MAPC)

Randolph is a valued member of the Metropolitan Area Planning Council (MAPC), the regional planning agency for 101 cities and towns in the greater Boston region. The Council provides planning services in the areas of land use, economic development, housing, transportation, and environmental quality to Randolph and other member communities.

In 1987 Randolph received MAPC assistance with the presentation on affordable housing information for the Randolph Fair Practice Committee. MAPC provided advice on the procurement of a deed for abandoned railroad property.

Several other regional projects were produced by the Council for Randolph and neighboring communities to promote sound planning activities. These projects included several how-to manuals, such as The Catalog of Techniques for Preserving Housing Affordability, a compilation of methods that towns may consider implementing to preserve affordable housing stock; and The Growth Management Catalog, an easy-to-use reference book that describes more than 40 techniques, regulations, programs and services for managing growth.

The Council also compiled and developed the MAPC 1987 Sites Survey Update, which is a complete, current listing of vacant commercial and industrial sites in the MAPC region. The survey is a useful planning tool for anticipating or promoting locations for new development.

Several transportation projects were also completed by MAPC to help Randolph and other communities address local traffic concerns. MAPC's Pavement Management Forecasting Model software was created to help highway superintendents improve methods for analyzing road reconstruction and maintenance needs in order to more efficiently plan and expend local roadway budgets.

Other Council functions include review and comment on projects and programs affecting the region, publications, forums and legislative initiatives to facilitate better planning.

Respectfully submitted,

Al Yorra, Representative METROPOLITAN AREA PLANNING COUNCIL

REPORT OF THE PLANNING BOARD

1987 was another busy year for the Planning Board. The Board held 32 meetings this year. Twenty-seven public hearings were held — two for the purpose of requesting a special permit for the construction of two-family dwellings. This is an average number of public hearings; however, it represents a 66% decrease over last year.

The Planning Board reviewed and acted on fifty-three plans during the year. This represents a 23% increase over last year and is the highest number since 1979. Seven plans were rejected. Plan submittal fees collected during 1987 were up 57% to \$4,718.52.

This year the Board expended \$4,500 in legal fees. This was used to hire Special Counsel to advise the Board on a particularly difficult proposed subdivision. In addition, \$2,200 was spent from our outside engineering budget. This was used to hire a temporary person in the Engineering Department so that Planning Board work would be completed.

This year the U.S. Supreme Court decided several landmark land use cases which will have a profound impact on future By-Laws and regulations. Let it suffice to say that regulations that preclude building for a purpose other than that of the public interest are considered "regulatory takings" and as such, the owner is due "just compensation." This could prove to be very expensive for the Town should it not use due caution in formulating proposed by-laws and regulations.

Special thanks to the Town Clerk's Office, along with the Collector's Office who have worked more closely with the Board than ever before. Their help is greatly appreciated.

The Board would be remiss if it did not take this opportunity to also thank the tireless, dedicated public servant who has left the employ of the Town – former Town Engineer Tom O'Dea. Many thanks.

Respectfully submitted,
Michael P. LeVangie, Chairman
E. Paul Flaherty, Vice Chairman
Albert J. Dunn, Clerk
Paul V. Scally
Linda L. Simons

| Scally | 27 | 5 |
| Simons | 31 | 1 |

REPORT OF THE CHAPTER 40A ZONING COMMITTEE

The regulation of trailers and mobile homes will again be placed before Town Meeting for consideration. This year's proposal attempts to incorporate recommendations from last year's public hearings, Town Meeting debate, and comments from residents and members of other boards; especially in the areas of aesthetics and real estate tax revenue loss.

Multi-family district amendments are proposed to provide for affordable housing by private development, with reductions in market value units to preserve the quality of life, provide adequate green areas and parking spaces.

A buffer zone amendment is proposed as the study of the multi-family requirements pointed out an inequity.

A new section on non-commercial sign regulation is proposed. After reviewing the San Diego legal decision concerning the first and fourteenth amendments to the U.S. Constitution on free speech, it was decided to give the Town Meeting members the opportunity of free speech on free speech, rather than wait for a challenge to the Zoning By-Laws.

Two very long meetings were held in 1987, in addition to much reading, review and study. At least two additional meetings are planned for 1988, attendance and participation have been exemplary by all members.

Respectfully submitted,

Irene Romano, Chairman Thomas O'Dea, Vice Chairman Melvin Ellin, Member Harold Barker, Member Margaret Fornaro, Member CHAPTER 40A ZONING COMMITTEE

REPORT OF THE GOVERNMENT STUDY COMMITTEE FOR A DEPARTMENT OF PUBLIC WORKS

The Government Study Committee unanimously recommends the establishment of a Department of Public Works. We believe this proposal would benefit the Town of Randolph, both in improved efficiency and in cost effectiveness over a period of time. Although it is difficult to measure either of these in precise terms, the experience of towns which have adopted a Department of Public Works indicates that both these benefits will result.

The Department of Public Works should consist of a five-member board, to be known as the Commission of Public Works. We recommend that the five Commissioners should be elected at large for staggered three-year terms. (At the initial election the two individuals receiving the highest number of votes would be elected for three-year terms, the two individuals receiving the next highest number of votes would be elected for two-year terms, and the individual receiving the fifth highest number of votes would be elected for a one-year term. After the original election, all Commissioners would be elected for three-year terms.)

The Commission of Public Works would annually elect one of the members as Chairman who would be a member of Town Meeting ex officio. The other members of the Commission would be eligible for election as Town Meeting members. We recommend that all five members of the Commission be paid no stipend at this time.

The Government Study Committee further recommends that the Commissioners select a Director of Public Works, whose tenure could be terminated only for cause. We recommend that the Director should be a registered professional engineer who should be paid a salary commensurate with the salaries of other Directors of Public Works. The Director of Public Works shall be guided in his/her duties by the policies established by the Commission.

The Department of Public Works should include the following divisions:

1) engineering 2) highway 3) sewer 4) water 5) park and tree and any other divisions that may be deemed necessary. We propose that the heads of these divisions be appointed by the Commissioners on the recommendation of the Director. We also recommend that the Commission should have the right, on the recommendation of the Director, to re-organize the divisions of the Department of Public Works. We further recommend that anyone currently heading any of these divisions should be continued in office.

The creation of a Department of Public Works would be an important step in improving the government of the Town of Randolph. We urge the adoption of this proposal.

GOVERNMENT STUDY COMMITTEE FOR A DEPARTMENT OF PUBLIC WORKS

REPORT OF THE ZONING BOARD OF APPEALS

Fifteen applications for relief from the Zoning By-Laws were acted upon in 1987.

Five meetings were held on the Comprehensive Permit request, and with the able assistance of Attorney William J. Carr and Attorney Paul R. DeRensis a lengthy list of conditions were agreed upon which the members feel will protect the inhabitants of the proposed project and the abutters to the full extent of the jurisdiction of M.G.L. Chapter 40B.

Fourteen meetings were held.

REPORT OF THE BUILDING INSPECTOR

I hereby submit the Annual Report of the Building Department of the Town of Randolph for the year ending December 31, 1987.

BUILDING PERMITS are as follows:

| Single family dwellings | 32 |
|--------------------------------------------|-----|
| Duplex dwellings | 14 |
| Additions to dwellings | 88 |
| Alterations to dwellings | 67 |
| Coal/Wood stoves | 30 |
| Demolition of dwellings | 9 |
| Fire repairs | 2 |
| Foundation permits | 4 |
| Garages | 11 |
| Re-roof | 65 |
| Residing of dwellings | 34 |
| Storage sheds | 24 |
| Sun decks | 43 |
| Swimming pools | 43 |
| Additions to places of business | 4 |
| Multi-family dwellings (total of 38 units) | 2 |
| Temporary tent permits | |
| OCCUPANCY PERMITS granted | 90 |
| PERIODIC INSPECTIONS of Places of Assembly | 30 |
| SIGN PERMITS | 21 |
| | |
| Total | 643 |

The sum of \$43,729.00 was collected by the Department and turned over to the Town Treasurer.

The probable cost of construction of above land as submitted on permit applications is: \$13,727,285.00.

The Building Commissioner's calculation of total work at completion is: \$17,159,106.00.

Respectfully submitted,

Joseph L. Pace BUILDING COMMISSIONER

REPORT OF THE WIRING INSPECTOR

I submit the Annual Report of the Wiring Inspector's Office for the year ending December 31, 1987.

A total of 528 Electrical Permits were issued by this Department for this year.

Permits were for the following:

| Air conditioners 4 |
|----------------------------------------|
| Annual permits |
| Burglar Alarms 2 |
| Business/Industrial Renovations |
| Business/Industrial New Construction |
| Electrical heaters |
| Electrical dryers 1 |
| Fire repairs |
| Gas heaters |
| Municipal Permits |
| New Residential Construction |
| Oil Burners |
| Residential remodel work/additions 132 |
| Service changes |
| Signs |
| Swimming Pools |
| Temporary services |
| Vinyl Siding 4 |
| Total 528 |

For this year a sum of \$12,488.57 was collected and turned in to the Treasurer's Office.

In conclusion, I wish to take this opportunity to thank my assistant and all Town departments for their cooperation and help throughout the past year.

Respectfully submitted,

Paul J. O'Meara WIRING INSPECTOR

REPORT OF THE TRUSTEES STETSON SCHOOL FUND

HISTORIC BUILDINGS, LIKE OLD FRIENDS, SHOULD BE TREATED WITH CARE AND RESPECT

While driving into the Town of Randolph's Crawford Square, you can see how great the new Cupola on the top of Town Hall looks. The Trustees have also had new burglar alarms installed in the building, Treasurer's office, Collector's office and the G.A.R. room.

Carpeting has been installed in every office, cutting down on noise, heat, and having to not strip and wax all the office floors.

New shades were installed in all the upstairs offices and weather shades in both storage rooms.

The foundation has been repaired, and the granite front stairs were taken off and reset. The platform and entrance will be finished before spring.

This year the Trustees hope to have the front doors and columns stripped and refinished and the Town Seal redone. This Historic landmark that was run down and needing attention is now looking a lot better, with the help of the Finance Committee and Town Meeting Members.

The Board of Trustees wishes to thank the Board of Selectmen, Henry L. Lowd and his staff, Henry Rota, Walter Martin, Fire Department and our secretary, Ms. Linda Sproules, for their help and cooperation during this past year.

Respectfully submitted,

Joan P. Dunn, Chairman John J. Rooney, Sr., Vice Chairman Joseph Kaplan, Clerk TRUSTEES, STETSON SCHOOL FUND

ONE HUNDRED AND FIFTY-SECOND ANNUAL REPORT REPORT OF THE BOARD OF REGISTRARS

A total of 15,579 registered voters were on file for the year 1987 and, by precinct, the number of those registered was as follows:

| Precinct No. 1 | | | | | | | | | | | | | 1,949 |
|----------------|--|--|--|--|--|--|--|--|--|--|--|--|-------|
| Precinct No. 2 | | | | | | | | | | | | | 1,866 |
| Precinct No. 3 | | | | | | | | | | | | | 1,806 |
| Precinct No. 4 | | | | | | | | | | | | | 2,009 |
| Precinct No. 5 | | | | | | | | | | | | | 1,820 |
| Precinct No. 6 | | | | | | | | | | | | | 1,975 |
| Precinct No. 7 | | | | | | | | | | | | | 2,036 |
| Precinct No. 8 | | | | | | | | | | | | | 2.118 |

The Registrar's 1987 Street Listing totaled 29,150 individuals.

| 1 day old through 16 | 6 | | | | | | | | | | | 5,519 |

Information on dogs in each household was collected and put on file.

265 Initiative Petitions were received and 2,319 signatures were certified in addition to Nomination Papers and Absentee Ballots. Numerous Voter Registration cards were issued.

Extra sessions and night sessions for the Town Election were held as required by State Law.

"Persons Listed" books, "Voter Lists," "Supplementary Lists," "Jury Lists," were compiled and computerized during the year.

Registration sessions were held when requested at the High School and Trilling House.

Respectfully submitted,

A. Rena Thayer, Chairman Grace Cartwright, Associate Member Raymond DeRosa, Associate Member Joan Ward, Town Clerk BOARD OF REGISTRARS OF VOTERS

REPORT OF THE TRUSTEES TURNER FREE LIBRARY

April 2, 1987 marked the beginning of the 112th year of continuous service of the Turner Free Library to its patrons and community. A service enhanced library, we have been improved by a broader base of books, periodicals and reference materials, as well as an increase in programs and services for both adults and children. Circulation increased markedly as detailed in the accompanying report of the Library Director.

At the annual meeting of the Board of Trustees on June 9, 1987, the following officers were elected: David D. Doyle, President; Mrs. Carol Leavitt, Vice President; Mrs. Marie Carr, Secretary; Mr. Richard Marden, Treasurer; and Mr. Donald Spargo, Assistant Treasurer.

To fill two vacancies on the Board, two new Trustees were appointed. They are Mrs. Rebecca Mugherini and Mr. Walter Tallafuss. Other members included Mrs. Joan Carmichael, Mr. Paul Connors, Mrs. Sally Crawford, Mr. Albert Willis, Ms. Mary Reilly, Mr. Henry Rota, Mr. Seth Crawford, Mr. William Trostel and Mr. Joseph Semensi.

The Library was most fortunate to have received a number of valuable items from generous benefactors during the year. These include a gift of \$500. from the Lions Club for large print books, a gift of \$800. from the Kiwanis Club for the Encyclopedia Americana, Bicentennial Edition, and a gift of \$500. from the Knights of Columbus for children's books.

In addition, we received a rare gift from Mr. Seth Turner Crawford. The original deed and endowment conveying the land and new Library from the Turner Family, as a gift, to the Town of Randolph in 1875. It is handsomely framed and displayed on the wall in the library next to the portrait of Royal Turner. We are most grateful to Mr. Turner for his generosity.

The Ladies Library Association has been kind enough to let us display their Bicentennial Quilt, hand made by the members of the Association on the occasion of our Nation's 200th Anniversary in 1975. It is hung on the wall to the right of the clock in the main Library. Just below it is an index identifying each square and its designer.

Another gift not yet received is a mural formerly displayed in the Bay Bank on North Main Street. It is a re-creation of a portion of Central (Crawford) Square around the turn of the century. When the bank was remodeled, it was removed to one of the bank's facilities in Norwood and displayed in one of their cafeterias. The Randolph Historical Commission became aware of this and wrote to Bay Bank asking that it be returned to Randolph. The bank agreed to donate it to the Turner Library and negotiations are now under way for its removal, transportation and installation in the library.

The building continues to be in good condition with the exception of the heating and air conditioning system which requires constant repair and maintenance.

This year we will apply to Town Meeting for funds to replace the 20 year old carpet in the children's room. It is in very serious condition, badly worn and ragged. We are concerned that our patrons may trip and fall.

Further, we will ask for an anti-theft system which at the present rate of theft would pay for itself in two years or less. In addition, we will request replacement of our fire alarm system as it is deemed inadequate by the Fire Department and others.

It is with regret that we announce the retirement of a beloved and loyal employee, Mr. Arthur M. Baker, who has served us faithfully for over twenty years. He will be sorely missed. As an expression of our regard for him, his fellow employees and the Board of Trustees have joined in naming the meeting room on the lower level the Arthur M. Baker Room. We wish him well.

The Trustees want to thank the Friends of the Library for their continued support with book sales, programs and gifts.

We wish to commend Mr. Charles Michaud and the library staff and volunteers for maintaining a high level of service and esprit de corps. And we are grateful for the support extended to us by the Board of Selectmen, the Finance Committee and officials throughout the Town.

In this my fifth year as President, it is a high honor to serve with as dedicated a group as my fellow Trustees who serve without compensation, and without whom I would accomplish little.

Respectfully,

David D. Doyle, President BOARD OF TRUSTEES TURNER FREE LIBRARY

REPORT OF THE DIRECTOR TURNER FREE LIBRARY

Two memorable anniversaries for the Turner Free Library occurred during this past year. December 6, 1987 was the 25th anniversary of the fire that destroyed the original library building, and June 18th marked the 20th anniversary of the opening of the present building.

This last year was also memorable on its own account. The library circulated 168,167 items. This is the largest circulation the library has enjoyed since the present building opened and, although earlier records are lacking, is quite likely the highest circulation the library has ever had.

Last year 150,087 books were borrowed, more books than in any prior year, and over 5,000 more than in the preceding year which had itself set a record. Close to 4,500 periodicals and almost 12,000 audio recordings were loaned. Art reproductions, museum passes and cameras were borrowed 261 times. And although available for only a few months last year, the library's small video collection was used 653 times.

This record-breaking activity was especially evident in the Children's Room where almost 62,000 items were borrowed, a remarkable increase of over 16% from the already high circulation level of the preceding year.

High circulation was only one indication of intense activity in the Children's Department. During the year almost 3,600 youngsters attended 164 story hours or special activities programs. The theme of the summer reading program was "Go Wild for Books" and 283 children participated in the Monster Reading Club. Certificates were awarded to the 167 youngsters who read 10 or more books.

With funding provided through an Arts Lottery Grant, the library was able to offer three very special programs for children: mime Michael Trautman, storyteller Sumner McClain, and the You and Me Puppets.

The Gerwick Puppets were a special attraction during Children's Book Week. The annual Teddy Bear Picnic attracted 150 children (and bears).

A new program for school age children was innaugurated last year. "Saturday Plus" was an afternoon program conducted by Ann Marie Pokaski, the Assistant to the Children's Librarian.

Many programs were also offered for adults. The Turner Library Friends sponsored programs on color analysis in fashion co-ordination and on travel opportunities using Elder Hostel. During National Library Week the Friends made possible an "Evening with the Authors" when novelists James Carroll and Alexandra Marshall read from their books and answered questions about their

writings. Various programs on tax preparation, personal financial planning, investment opportunities, quilting techniques and stress reduction were also offered.

The Randolph Reading and Discussion Group continues to meet on Wednesday evenings to discuss significant literary works by such authors as Joseph Conrad, William Faulkner and Herman Melville. The group has been meeting now for four years with the library director serving as the discussion leader.

As we end a momentous year for the Turner Free Library, we stand on the edge of an exciting new era of library service. Soon the library will be entering the computer age as a member of the Old Colony Library Network. Unfortunately, automation implementation has been running behind schedule this last year. Operational problems with the computer hardware and software have had to be isolated and corrected. One of the most frequent statements about library automation — indeed, any kind of automation — is that it usually will take longer than you originally anticipate. Such has been the case with our own Old Colony Library Network.

But once the Turner Free Library is automated, you will witness a whole new dimension of library service. Just by coming here you will have access to the materials at 20 other South Shore libraries. And if you need a book from another library, we can send a message by "electronic mail" to have it held for you or it can be delivered here within three days.

In closing, I wish to thank the library staff and volunteers for all their many extra efforts, especially Assistant Director Mary Tynan and Children's Librarian Elaine Fort Weischedel. Thanks go as well to the many efforts of the Turner Library Friends, and to the library trustees for their continuing support and encouragement. Thanks are due most of all to the many people for whom the Turner Free Library provides an important service. It is you who have made us one of the most active libraries on the South Shore.

Respectfully submitted,

Charles Michaud, Library Director TURNER FREE LIBRARY

REPORT OF THE CONSERVATION COMMISSION

Under the provisions of M.G.L. Chapter 131, s40, Wetlands Protection Act, nine new Orders of Conditions were issued in 1987, four are still being processed. Which brings the total of valid permits at this time to 23. There are two Enforcement Orders outstanding and in the process of being resolved. Many Certificates of Compliance have been issued. Over one hundred site inspections have been made by members collectively and individually.

Fees have been collected and turned over to the Town Treasurer, and a slight increase goes into effect January 1, 1988.

There are now about 100 acres of open space land under the care and custody of the Commission. Volunteers last summer completed a large clean-up and maintenance program at one site; the Tree Warden and Highway Department have assisted with storm damage and trash clean-up.

The board members wish to thank the Engineering, Building and Assessors Departments for their assistance.

Respectfully submitted,

Dominic English, Chairman Edward Holleran, Vice Chairman Alan Gladstone, Treasurer Irene Romano, Clerk Melvin Ellin, Member Michael Haire, Member William Lenahan, Member

There were eighteen board meetings held in 1987, hard working members Mary C. McNeil and Bart Perlman, who retired, will be missed. Appointed in September and welcomed to the board were Michael Haire and William Lenahan.

REPORT OF THE ORGANIZATION TO PROMOTE ENERGY CONSERVATION

(OPEC)

With pleasure the Randolph Organization to Promote Energy Conservation is submitting this report.

This group was formed by town meeting a decade ago to encourage energy conservation. The purpose of the poster contest is to provide energy conservation information to children and their parents. Mr. Bernard Davidson is Chairman of this informative and conservative group.

The program is run in conjunction with Ronald Lovett, the school system social studies coordinator. In addition to the contest, the group also seeks grants from the state to pay for energy conservation improvements to our town buildings. A few years ago the group, also known as O.P.E.C., won a \$10,000.00 State grant for energy conservation measures at Town Hall.

This year our tenth energy conservation poster contest winners were twenty-five top finishers from grades one to six who toured the State House, were greeted by Lt. Gov. Evelyn Murphy who congratulated the pupils and autographed their posters and made the visit very worthwhile and enjoyable. Representative Flood was also one of the greeters. Pictures were taken of the Contest Winners being greeted and congratulated by the State and Local officials.

This is an annual contest of O.P.E.C. The Organization to Promote Energy Conservation acknowledges with thanks all who made it possible.

Respectfully submitted,

Bernard Davidson, Chairman Hank Lowd, Secretary Ed Rosoff

ONE HUNDRED AND FIFTY-SECOND ANNUAL REPORT REPORT OF THE BOARD OF RECREATION

This past year the Randolph Recreation Programs were conducted smoothly and efficiently by the instructors, and the people who were participants in the programs cooperated 100% with the person who was in charge; this resulted in a sound program, beneficial to all—the people and the instructor. The programs were well attended and the Recreation Committee has been contacting other towns to learn about their programs and the methods used to run their programs. Exchange of ideas is always helpful.

The swimming pool, with the cooperation of the School Department, has improved in attendance since an article in the Town Warrant last year was passed that resulted in more monies that enabled the pool to stay open 50 weeks per year. This year that sum was placed in the regular budget and the Recreation Committee hopes that the Finance Committee and the Town Meeting members will approve the budget.

The skating rink is functioning very well and preventive maintenance is a major factor when the rink is closed. However, the rink is 15 years old and we may be looking for some unexpected repairs in the near future.

The big problem we have is competing for people to work in the recreation programs. Business companies, stores, etc., are also having the same difficulties from the 'help wanted' signs that appear everywhere. Salary seems to be the choice.

The Recreation Committee is waiting to find out the development of the North Junior High School for next year and expect to sit down with School Department officials and figure any programs that may be conducted in that building.

Thanks to those who have always been helpful to the Recreation Department — School Department, Highway Department, Sewer Department — Police and Fire Departments, the Selectmen, Mr. Lowd of Accounting and Executive Secretary, the Finance Committee and the Town Meeting Members for their interest in recreation for Randolph residents and for their support of the budget.

REPORT OF THE YOUTH COMMISSION / STAFF

The Randolph Youth Commission and Youth Staff herewith submit their annual report for the year ending December 31, 1987. As a service/activity oriented prevention agency, the Youth Commission became involved in a number of endeavors pertaining to the mental, social, and physical health of the Town's youth and their families. In the implementation of any program, the Youth Commission has the following objectives in mind:

- 1) To provide alternatives to delinquent behavior by developing creative programs to meet social, educational, vocational, psychological, and/or recreational needs of young people;
- 2) To assess and respond to the needs and concerns of Randolph teenagers and their families through active outreach efforts;
- 3) To create a better understanding about youth among adults, particularly between parents and their own children;
- 4) To help the youth of Randolph to articulate and meet their own needs;
- 5) To bring about a clearer understanding of services and activities available to youth by agencies already serving Randolph.

In 1987 the Youth Staff worked with, among others, police, court, school, and area social service personnel. They provided individual and family counseling, vocational counseling and placements, academic tutoring, organized and supervised youth activities, were resources for information and referral, and were called upon in numerous crisis intervention situations, including direct involvement with school drop-outs, runaway cases, teenage rape victims, cases of attempted suicide, teenage pregnancy, and child abuse/neglect, as well as cases of problems resulting from alcohol and/or drug abuse.

The Lafayette Street Youth Center (12th Anniversary) continues to provide young people with a supervised place to meet and participate in various constructive activities. Since March the Center has been open and available to the Town's teenagers 7 nights a week and Sunday afternoons, under the direction of newly appointed Youth Center Directors Mary Lee Beck and Michele Thompson.

In the spring, with money approved by the 1986 Annual Town Meeting, the downstairs floor at the Youth Center was replaced.

An on-going Youth Employment Service (which referred numerous teenagers to full-time, part-time, and odd jobs throughout the year) and Drug Education Workshops (in conjunction with the Randolph Police and School Depart-

ments), which were made available to parents, teachers, and elementary and junior high school students, were among the other programs and activities sponsored by the Youth Commission during the past year.

In July and August the Youth Staff supervised an informal basketball/recreation program sponsored by the Community Drug/Alcohol Task Force. Plans are to expand this program in 1988 with the cooperation of the Board of Recreation and the School Department. Also during the summer, the federally funded Youth Employment/Training Program (employing 50 Randolph teenagers in community service work) utilized the Youth Center facility on Lafayette Street, as did the Pop Warner cheerleaders, neighborhood residents, and various other community groups throughout 1987.

The Youth Commission continued to meet on the second and fourth Tuesday of each month at the Youth Office, located on the second floor of the Corkin Building at 19 North Main Street. We take this opportunity to thank all Town departments, the business community, and the townspeople for their cooperation and encouragement throughout the year. A special thanks and appreciation to the Board of Health and the Junior Ladies Library Association of Randolph for their continued support in 1987. We look forward to working with and on behalf of the Town's youth and their families in 1988.

Respectfully submitted,

Neal Condlin, Chairman
Janice Graziano, Vice Chairman
Chuck Fay, Clerk
Paul Porter

Paul Maloof, Youth Coordinator Maureen Russell, Youth Outreach Worker Mary Lee Beck, Youth Center Director Michele Thompson, Youth Center Director YOUTH COMMISSION/STAFF

REPORT OF THE DIRECTOR OF ELDER AFFAIRS

On May 3, 1987 open house was held at the New Randolph Senior Center located in the old McNeill School on Fencourt Avenue. Because of more work needed, the center did not officially open until July 21, 1987. The Randolph Nutrition Site moved in after many years being located at St. Bernadette's Hall. Mr. Louis Gamm, manager and his capable volunteer workers, have enjoyed their new home and an increase in meals, both at the site and home delivered, has taken place. I have conducted arts and crafts classes, line dancing every week, exercise classes, blood pressure clinics and a speakers' program. Whist parties are held twice a month, card games, and the lounge is used for a place to gather to watch television or read one of the many books or magazines. A Harvest Dance was held in October and everyone had a great evening.

The First Senior Citizens Group with Ruth Fleming as President has also moved in, conducting all their activities and monthly meetings there.

Programs are being planned for 1988. The center is open every day from 10:00 A.M. to 4:00 P.M. and is staffed by Betty Fitzgerald and Ann Lund. I wish to thank Paula McCarthy who formerly was at the center for her dedication and wish her well in her new job. Mr. Thomas Lund was hired as a custodian, and because of him the center is kept spotless.

I urge the senior citizens of Randolph to take advantage of the center. Anyone who wishes to volunteer teaching a class should contact me.

The State Grant was approved for \$11,018.00 which is specifically used for the outreach worker, Mrs. Cornelia Wilkins, part-time secretary, bowling, shoppers' bus and medical transportation.

The annual picnic was held in August on the grounds of the Senior Center with 527 seniors in attendance under the big tent. It was a great day for all.

The MBTA picture cards were issued in October to 314 seniors and I also held a Randolph I.D. picture card distribution for 289 seniors.

Again, I publicly thank Maurice and Joan Hart of the Lantana for sponsoring the annual Holiday party in December for 500 seniors of Randolph.

The fuel assistance program was started in September and this office was able to process more than \$300,000.00 in federal monies to aid the senior citizens help pay their fuel bills.

I wish to thank the many Senior Citizens' Clubs for their kind invitations to attend their functions, particularly during the Christmas season.

I am always available to help and advise the Senior Citizens any way I can.

I thank town officials for their help and support in 1987.

Respectfully submitted,

James M. Hurley, Director
ELDERLY AFFAIRS and VETERANS' SERVICES

REPORT OF THE DIRECTOR VETERANS' SERVICES & VETERANS' AGENT

The Town of Randolph has been granting financial and medical assistance to needy veterans since the Civil War. Today this program is administered by the Veterans' Service Department at One Turner Lane.

There are both benefits and services accorded the veteran. Benefits which relate to food, clothing, shelter and medical care for veterans of all wars and their dependents. These services include VA Compensation, Pension, Rehabilitation, counseling relative to employment, Social Security, SSI, and a variety of other areas.

Under Massachusetts law, benefits received by veterans are paid for by the State and the Town. Each year the Town of Randolph budgets a certain sum of money for its assistance to veterans. The Town receives 75% reimbursement from the Commonwealth. As an extra service, the Veterans' Service Department researches possible assistance from the Federal Government which serves a two-fold purpose, additional aid to the veteran and a savings to the Randolph tax-payer.

Any person who has proof that he or she is a veteran, or a dependent of a veteran, is entitled to file an application. Well over half of all residents in Randolph have potential entitlement.

In the years ahead the Veterans' Services Department will be confronted and will face caring for the aged veteran, and the homeless veteran. Efforts must continue to support legislation on behalf of this group of veterans.

I wish to acknowledge the leadership of Joyce Murphy as Chairman of the Randolph Veterans Council this past year. Joyce, as Past Commander of Amvets Post No. 51, did a great job conducting the annual Memorial Day Parade, July 4th Parade, and Veterans' Day ceremony. The Veterans' Council this year also remembered 53 veterans at the Hollywell Nursing Home over Christmas with a gift of money.

I thank members of the Board of Selectmen, Executive Secretary Hank Lowd, and my secretary Claire Skiffington, for their support and assistance this past year.

Respectfully submitted,

James M. Hurley, Director VETERANS' SERVICES & ELDERLY AFFAIRS

REPORT OF THE RANDOLPH HOUSING AUTHORITY

Since our last report for the Annual Town Report was written in 1986, the Randolph Housing Authority has continued to manage 236 units of elderly housing in Randolph. We have had a very busy year with the Russell F. Thompson, M.D., Memorial Community Center for all of our senior citizens of Randolph.

The Randolph Housing Authority is also participating in the 707 Rental Assistance Program for moderate income families under the Department of Community Affairs of the Commonwealth of Massachusetts. We presently have 18 family units subsidized under the 707 Rental Assistance Program. We are hopeful of constructing more elderly housing apartments in the future. However, the recent financial crisis of the Commonwealth of Massachusetts, together with the emphasis of rehabilitation of existing dwellings in our large cities by the Executive Office of Communities and Development, has slowed down the program of construction on new elderly housing developments in Massachusetts.

This year the Housing Authority has received a grant from the Executive Office of Communities and Development for five hundred thousand dollars for the 689 program for handicapped housing.

The Randolph Housing Authority members are proud of their accomplishments since the start of the program in 1965, and have worked diligently to bring much needed housing to the people of Randolph and to satisfy the requirements of our elderly citizens.

We would like to extend our thanks to the Board of Selectmen and other officials of the Town whose cooperation and assistance have been invaluable.

At this time we would like to thank State Representative John Flood of Canton and Randolph, State Senator Joseph B. Walsh of Dorchester, and State Representative M. Joseph Manning of Milton for their continued support of the Randolph Housing Authority and its aims and purpose.

Respectfully submitted,

James W. Brennan, Chairman
Henry J. Rota, Vice Chairman
Edward C. Hoeg, Treasurer
Ruth E. Walsh, Assistance Treasurer
Joseph J. Zapustas, Secretary
Joseph R. Welch, Executive Director
RANDOLPH HOUSING AUTHORITY

REPORT OF THE DIRECTOR FAIR HOUSING COMMITTEE

The Randolph Fair Housing Committee and Fair Housing Director herewith submit their annual report for the year ending December 31, 1987. A three member Fair Housing Committee was established by the Board of Selectmen in 1983 to serve as an advisory board to the Selectmen in all matters relating to Fair Housing. The purpose of the Committee is to promote, monitor and ensure fair treatment and equal opportunities for safe and sanitary housing for all citizens, regardless of race, color, age, sex, religion, welfare status, marital status, national origin, national ancestry, and physical or mental disability.

In March of 1984 the Board of Selectmen appointed the Town's Youth Director, Paul Maloof, as volunteer Fair Housing Director. Mr. Maloof researched, compiled and wrote a comprehensive Fair Housing Plan for the Town, which was approved by the Board of Selectmen and the Commonwealth of Massachusetts Commission Against Discrimination in February of 1985. The acceptance of this Plan removed the Town of Randolph from an M.C.A.D. status of non-compliance to a conditional compliance status, and, as a result, released hundreds of thousands of dollars in state and federal funds being withheld by the state. A Fair Housing Office was established in March of 1985 and continues to function (i.e. disseminating information, outreach, counseling, referrals, complaint intake, etc.). To date, hundreds of residents and potential residents have been serviced through this Office by the Fair Housing Director.

Early in 1987 the M.C.A.D. downgraded the Town's status from conditional compliance to a reserve status, primarily because of the inactivity of the Fair Housing Committee. As a result of this inactivity, the Committee failed to address many of the objectives outlined in the Fair Housing Plan and was unable to report to the M.C.A.D. quarterly as mandated by the Plan. After several meetings between Town Officials and the M.C.A.D. early in the fall, the Town's reserve status was extended until November 2, 1987, to give the Town an opportunity to re-activate a Fair Housing Committee and update said Committee's 1987–1988 Agenda and 1987–1990 Action Plan.

In October, and with the assistance of the Norfolk County District Attorney's Office, Executive Secretary Hank Lowd and Fair Housing Director Paul Maloof attempted to enhance and revitalize the Fair Housing Committee by recruiting and recommending several potential Committee members to be appointed by the Board of Selectmen. These candidates represented a broad spectrum of public and private groups, including the Board of Selectmen, the Planning Board, the Zoning Board of Appeals, the Handicapped Commission, the Council on Aging, the Affirmative Action Officer, the EEO/AA Coordinator from the School Department, the Clergy, the real estate community, the banking industry, the Police Department, private tenant's organization, and citizens at large. At this writing the Committee numbers fifteen, including the ex-officio Fair Housing Director. With input from the enhanced Fair Housing Committee, the Fair Housing Director updated the 1987–1988 Agenda and 1987–1990

Action Plan and submitted it to the M.C.A.D. by the November 2nd deadline. As a result of these efforts, the Town's status was upgraded from reserve to conditional compliance, with an M.C.A.D. review scheduled for the spring of 1988.

The Fair Housing Committee held meetings on October 27th, November 18th, and December 16th. Matthew Spear of the Norfolk County District Attorney's Civil Rights Unit addressed the Committee and the Town's Department Heads re: fair housing issues on October 27th. The Executive Director of the Randolph Housing Authority Joseph Welch was invited and attended the Committee's December 16th meeting. Several Committee members attended a regional fair housing night sponsored by the Norfolk County Human Rights Council on October 27th and a regional fair housing forum sponsored by the Weymouth Fair Housing Committee on November 18th. The Fair Housing Committee is currently working to increase community awareness/education re: fair housing and to establish a working relationship with the Randolph Housing Authority. The 1987 fourth quarter report of the Committee will be submitted to the M.C.A.D. on January 15, 1988.

We would like to take this opportunity to express our thanks and appreciation to Executive Secretary Hank Lowd and his Staff for their assistance above and beyond throughout the year.

The diversity of the Town's population and the existing and planned low/moderate income, handicapped, and elderly housing in Randolph attests to the Town's commitment to ensure equal opportunity in housing for all persons who are or who wish to reside within its boundaries. The Fair Housing Committee looks forward to working with and on behalf of the Town's residents and potential residents in 1988.

Paul Maloff, Director FAIR HOUSING COMMITTEE

TOWN OF RANDOLPH, MASSACHUSETTS REPORT OF THE RANDOLPH COMMUNITY DRUG & ALCOHOL TASK FORCE

The Randolph Community Drug & Alcohol Task Force herewith submits its annual report for the fiscal year ending June 30, 1987. As a committee of unpaid volunteers, citizens of Randolph concerned with the problems of drug and alcohol abuse and misuse, the Committee has fostered and sponsored the following activities during the past year:

- 1) Preparing and distributing to local retail liquor establishments signs stating that it is illegal to purchase liquor for minors.
- 2) Preparing and distributing "RANDOLPH SAYS NO TO DRUGS" bumper stickers.
- 3) Holding of a Drug Awareness night as part of the Massachusetts Municipal Association's request for state-wide participation in its Drug Awareness Day.
- 4) Sponsoring of a six week adult education course covering various topics on the problems of drug abuse.
- 5) Sponsoring a poster contest in the Randolph Public Schools for grades 3-5 on the theme, "RANDOLPH SAYS NO TO DRUGS."
- 6) Supporting and working with the Randolph High School S.A.D.D. and P.T.S.O. in their various activities during the school year.

The Committee wishes to thank the Randolph Police Department, School Department and Youth Commission for their expert assistance and gives a special thanks to those whose kind contributions have enabled us to fund our various activities.

REPORT OF SELF HELP INCORPORATED

Self Help, Inc., is Greater Brockton's and Attleboro's anti-poverty agency dedicated to improving the quality of life of limited income individuals and families, and making all segments of the community responsive to the needs of the limited income, disadvantaged and minority needs.

During the program year ending September 30, 1987, Self Help, Inc., received a total funding of \$11.6M and provided 476,669 direct services to the area's limited income individuals and families.

4,063 residents received 4,063 direct services totaling \$409,515.00 during the program year.

The total funding of \$11,639,819.00 does not tell the real value of human services delivered to the area as a whole. Self Help's funding enabled us to mobilize an additional \$917,512.00 of other community resources, such as Commonwealth Service Corp., and local cities' and towns' contributions, as well as volunteers. The gross volume of Self Help during the past program year was approximately \$12.6 million.

Self Help currently employs 260 individuals, many of whom are limited income and minorities.

We feel that the program year 10/1/86 to 9/30/87 was a successful one for Self Help, Inc., and very helpful to our limited income population. We thank the area's mayors, Boards of Selectmen, town volunteers and your representative, Mr. Charles Dance, to our Board of Directors for helping to make our program year a success.

Respectfully submitted,

Ulysses G. Shelton, Jr., Executive Director SELF HELP INCORPORATED

TOWN OF RANDOLPH, MASSACHUSETTS REPORT OF THE TOWN CLERK

As my 5th year as Town Clerk comes to a close, I am pleased to look back at the accomplishments that were made in 1987.

We made it through our new redistricting into 8 precincts and came through smooth with the election process having many workshops and training of our poll workers.

With all the town growth, it has been an extremely busy year in our office, serving our new residents and our work with the Planning Board, Engineering Department and the Board of Appeals.

We had 9 sessions of Town Meeting, including a Special Town Meeting in November.

Should we be fortunate with 1988 Town Meeting approval, it is my intention to start the implementation of modern election equipment which will make the election a more rapid and efficient procedure.

We are now preparing for a very busy upcoming year being a Presidential election, along with March, April and September elections.

The Town also experienced its first April election and Town Meeting falling in the same month.

STATISTICS RECORDED TO DATE FOR 1987

| Births | 265 |
|-----------|-----|
| Marriages | 240 |
| Deaths | 207 |

| Dog Licenses | 1854 |
|-----------------------------------|------|
| Fisheries and Wildlife | 762 |
| Archery/Primitive Firearms Stamps | 36 |
| Massachusetts Waterfowl Stamps | 32 |

A sincere thank you to the residents of Randolph as my term comes to a close. Hopefully you will give me the opportunity to serve you again for the next three years in my bid for re-election.

Respectfully submitted,

Joan F. Ward, CMC TOWN CLERK

REPORT OF THE TOWN TREASURER

"ANOTHER YEAR – ANOTHER DOLLAR EARNED IN REVENUE BY CAREFULLY PLANNED CASH MANAGEMENT"

I am pleased to report to you, the residents of Randolph, that in this hard year, with Interest Rates on the down-swing and due to re-valuation process on property in the Town, borrowing a must . . . I was still able to generate almost a half million dollars. My determination sets a precedent to keep Revenue invested at the highest rate.

In continuing the process of collecting Long Term Delinquent Taxes, I have retained the services of Legal Counsel to start the foreclosure process for the sale of properties to recoup Long Term monies due to the Town.

Due to the new Internal Revenue Rules and Regulations regarding State and Federal taxes, I have implemented a new system of Deferred Compensation which acts as a Tax Shelter for all town and school employees if desired.

Because of my financial management, along with the cooperation and hard work of the Town Accountant and all Departments in the Town, we have been informed by Moody Investors Service of the upgraded rating of the Town regarding Massachusetts General Obligation Bonds from A to A1.

Once again, a sincere "thank you" to my staff, the Town Accountant, and all the Town Departments for their help and cooperation.

REPORT OF THE BOARD OF ASSESSORS

During 1987 the Board of Assessors completed the revaluation for FY'87 and, through the computerization of our own office, we were able to maintain values for FY'88 for the first half billing that went out in November.

The office is now going onto the Town Computer System and will be capable of maintaining values in this system for the FY'89 billing. This is the system that will be used for the required 1990 revaluation.

BUILDING PERMITS

REPORT OF THE TOWN COLLECTOR

This past year was unusually active for this office as we dealt with several situations which, thank goodness, happen only once in a while.

First was the revaluation of all properties in town which had a dramatic impact on our staff. We chose to send estimated real estate tax bills in October 1986 for the first half of fiscal year 1987 to avoid serious cash flow problems and costly short-term borrowing.

The voluminous changes needed on every property record, combined with the required hearing on tax classification, delayed the mailing of the actual 1987 bills until July 29, 1987. The bills were sent to owners of record as of January 1, 1986, eighteen months before the mailing. So many properties were sold or sub-divided during that lengthy period that we had to expend most of our staff hours in August and September to getting the bills into the hands of subsequent owners.

At the start of the year we removed the water and sewer billing from Blue Hills Regional School and assigned it to the service bureau which was already billing our real estate, personal property and motor vehicle excise tax accounts. It made sense to us to have all of our records with one source so that they would be compatible with each other and with our new in-house computer.

To accomplish this, it was necessary for us to reconstruct the entire data base for the water and sewer accounts. This resulted in a backlog in billing from which we have yet to recover. As of this writing we have not been able to issue the actual bills for the second half of this year. We expect to do so during the first quarter of 1988.

Our goal is to be back on a current billing cycle before the end of June 1988. As a result, some customers will be getting two bills within a short period of time — an inconvenience which cannot be avoided. We ask for your cooperation during these difficult months of computer conversion.

The conversion process has necessitated seemingly endless rounds of meetings with respresentatives from the revaluation firm, service bureau, banks, our hardware vendor and software supplier. We are deeply involved in computer procedures and expect to implement the system during the coming year.

A highlight for my staff and the clerical staffs of all town departments was an excellent training program for Comprehensive Electronic Office (CEO) conducted at the Boston office of Data General. The three-day sessions were expected to introduce our people to the computer and, at the same time, show them what the computer could accomplish for them.

Data General's CEO system uses the computer to make office work much simpler. It eliminates interoffice messages, memos and mail; assists in writing, editing and printing documents; files and retrieves documents within the computer and maintains a calendar of important dates. CEO reduces paperwork and typing while saving steps and repetition.

Those attending the classroom sessions gained valuable hands-on experience and were impressed with the advantages of computerization.

The Town of Randolph has entered the computer age and I continue to welcome the challenge of change.

Respectfully submitted,

John J. FitzGibbons TOWN COLLECTOR
